

WOODSIDE ELEMENTARY
PFC MEETING 10-21-2014
Meeting Minutes
Rachel Coyle call to order

Approval of September meeting minutes, prepared by Bridget Peters

- Gingy Irehata motions, seconded by Virginia Kelley, all are in favor

Principal's report

Halloween parade – kinders at 9:50, all others 2:15

End of trimester nov 19th

Veterans day Tuesday nov 11 – no school

iReady – formative assessment for teachers. First test is a diagnostic test, then based on that, we have the iReady Instruction model. Each student will have lessons on their weak areas. Kids are incentivized to do well and earn points. Interactive and fun for kids. Something that students can access from home Nov 1st. They are doing one extra iReady time during the week. Belma asked about glitches from the system. Mrs. Matteoni requested to send those issues to the school district.

Remind everyone to put in a use permit for all activities at the meeting.

More technology at school, teachers are using ipads, appletv, computers in the room, working on technology plan. In order to support this, elementary schools are allotted a ½ day person one day per week. An additional site tech person for the school would be 1 day a week = \$14, 466, to go to remain about \$10, 250. How many total computers are you supporting: 36 in lab, every teacher has laptop and desktop, and ipad, some classrooms have banks of computers. Many other schools have this position paid for by the PFC. If approved, how long would it take to get an employee here? If all goes well, we could get someone in one month. Teachers are in favor of this. Kathy Galluci, put this in the budget going forward.

Motion: Approve funding for a 0.20 FTE Site Support Tech II for the 2014-2015 school year. Motion passed, approved by all.

Steve Rossi motions to fund an additional 1 day/week from hiring to end of school year. Lena Chao seconds. All in favor. None opposed. Add this to February PFC agenda to approve for the next year.

Liz Despina – Can we add library back for the kindergarteners? There is a contractual issue with teacher prep time. The funding is for the librarian to be in place for classes 1-5. The kindergarteners can attend the library, but without the librarian.

Mooyah fundraiser raised \$100.

After school enrichment – the vendors are expensive, the PFC does not make money on this, if you have a talent or want to help e-mail Belma. We plan to put on a mini-camp for the time from 1:00-2:45 on the days in December for the conference. Lacy Rassmussen - very interested in typing class

Eva Considine

Red Ribbon week "Love yourself, Be Drugfree"

Campaign is anti-drug and alcohol, please carry over discussions at home

Posters, artwork, activities with Mrs. Matteoni

Eva needs a few helpers to hang posters and decorations

We can earn money for the school if parents do an activity at school- Poster contest

Monday –wear red

Tuesday – wear neon and sunglasses

Wednesday – orange and black

Thursday – crazy hair day

Friday – spirit wear is "mismatch day" or Halloween costumes

Open position – Family Fun Night Coordinator – can we make this a team effort to do a rotation on parties. Plan an event every month or every other month.

Liz Despina – Treasurer's report

Two budget's listed

-one from last year's "year end" – mostly accurate

- current for this year

Lena Chao – Book Fair

-needs volunteers during the week and for Fall Fest. Kids have "sticky hands". Lunch gets busy and after school for about 15 minutes. Doing well so far. Goal poster is to have 5% more than last book fair = \$6600 = approx. 1000 books. There is an item in the PFC budget. Librarian got \$1300 in scholastic dollars. Working on a wish list from the teachers to share the scholastic dollars. Is the technology a value using the scholastic dollars. Can we increase the teachers scholastic dollars to spend if they donate some books back to the "read at home program." Will have 3 registers for Fall Fest. Can we use the scholastic dollars to fund "scholastic newsletters" for their classrooms. 3rd graders

Fall Fest Volunteers Needed

Amanda Bailey – Pieology has not gotten back, planning on Veterans day. Any other suggestions: California Pizza Kitchen, Chipotle needs 12 week, Kinders, Skipolini's and movie day?

Fresh and Easy does shop for schools, need a night for parents. San Francisco Creamery or baskin robbins could do a fundraiser.

Bylaws.

Meeting adjourned
