5. **Termination and Cancellation.**
 - a. **Written Notice.** This Contract may be terminated by either party, in its sole discretion, upon thirty-day advance written notice thereof to the other party, and may be cancelled immediately by written mutual consent of both parties.
 - b. **Failure to Perform.** First 5, upon written notice to Contractor, may immediately terminate this Contract should Contractor fail to perform properly any of its obligations hereunder. In the event of such termination, First 5 may proceed with the work in any reasonable manner it chooses. The cost to First 5 of completing Contractor's performance will be deducted from any sum due Contractor under this Contract, without prejudice to First 5's rights to recover damages.

14. **Independent Contractor Status.** The parties intend that Contractor, in performing the services specified herein, is acting as an independent contractor and that Contractor will control the work and the manner in which it is performed. servant, employee, partnership, joint venture, or association. Neither Contractor, nor any of its employees, is a First 5 Contra Costa employee. This Contract does not give Contractor or any of its employees, any right to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits First 5 provides to its employees. In the event that First 5 exercises its rights to terminate this Contract, Contractor expressly agrees that it will have no recourse or right of appeal under any rules, regulations, ordinances, or laws applicable to employees.

15. **Conflicts of Interest.** Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Contract, no person having any such interests will be employed by Contractor. If requested to do so by the First 5, Contractor will complete a "Statement of Economic Interest" form and file it with First 5 and will require any other person doing work under this Contract to complete a "Statement of Economic Interest" form and file it with First 5. Contractor covenants that Contractor, its employees and officials, are not now employed by First 5 and have not been so employed by First 5 within twelve months immediately preceding this Contract; or, if so employed, did not then and do not now occupy a position that would create a conflict of interest under Government Code section 1090. In addition to any indemnity provided by Contractor in this Contract, Contractor will indemnify, defend, and hold First 5 harmless from any and all claims, investigations, liabilities, or damages resulting from or related to any and all alleged conflicts of interest. Contractor warrants that it has not provided, attempted to provide, or offered to provide any money, gift, gratuity, thing of value, or compensation of any kind to obtain this Contract.
16. **Confidentiality.** To the extent allowed under the California Public Records Act, Contractor agrees to comply and to require its officers, partners, associates, agents and employees to comply with all applicable state or federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that no person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service. Contractor agrees to inform all employees, agents and partners of the above provisions, and that any person knowingly and intentionally disclosing such information other than as authorized by law may be guilty of a misdemeanor.
17. **Nondiscriminatory Services.** Contractor agrees that all goods and services under this Contract will be available to all qualified persons regardless of age, gender, race, religion, color, national origin, ethnic background, disability, or sexual orientation, and that none will be used, in whole or in part, for religious worship.

GENERAL CONDITIONS (Purchase of Services)

18. **Indemnification.** Contractor will defend, indemnify, save, and hold harmless First 5 and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control. If requested by First 5, Contractor will defend any such suits at its sole cost and expense. If First 5 elects to provide its own defense, Contractor will reimburse First 5 for any expenditures, including reasonable attorney's fees and costs. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of First 5 or any other person; provided, however, that Contractor is not required to indemnify First 5 for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of First 5, its officers and employees. This provision will survive the expiration or termination of this Contract.
19. **Insurance.** During the entire term of this Contract and any extension or modification thereof, Contractor will keep in effect insurance policies meeting the following insurance requirements unless otherwise expressed in the Special Conditions:
- a. **Commercial General Liability Insurance.** For all contracts where the total payment limit of the contract is \$500,000 or less, Contractor will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of \$500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include First 5 and its officers and employees as additional insureds as to all services performed by Contractor under this Contract. Said policies must constitute primary insurance as to First 5, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor's insurance policy or policies. Contractor must provide First 5 with a copy of the endorsement making First 5 an additional insured on all commercial general liability policies as required herein no later than the effective date of this Contract. For all contracts where the total payment limit is greater than \$500,000, the aforementioned insurance coverage to be provided by Contractor must have a minimum combined single limit coverage of \$1,000,000.

GENERAL CONDITIONS (Purchase of Services)

- d. **Additional Insurance Provisions.** No later than five days after Contractor's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Contractor's insurance coverage required by this Contract; or (ii) a notice of a material change to Contractor's insurance coverage required by this Contract, Contractor will provide First 5 a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Contractor's failure to provide First 5 the notice as required by the preceding sentence is a default under this Contract.
20. **Notices.** All notices provided for by this Contract must be in writing and may be delivered by deposit in the United States mail, postage prepaid and/or sent by email. Notices to First 5 must be addressed to the Executive Director of First 5. Notices to Contractor must be addressed to Contractor's address designated herein. The effective date of notice is the date of deposit in the mail or of other delivery, except that the effective date of notice to First 5 is the date of receipt by the Executive Director of First 5 for which this contract is made.
21. **Primacy of General Conditions.** In the event of a conflict between the General Conditions and the Special Conditions, the General Conditions govern unless the Special Conditions or Service Plan expressly provide otherwise.
22. **Nonrenewal.** Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased by First 5 under a new contract following expiration or termination of this Contract, and Contractor waives all rights or claims to notice or hearing respecting any failure to continue purchasing all or any such services from Contractor.
23. **Possessory Interest.** If this Contract results in Contractor having possession of, claim or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue & Taxation Code Section 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest. Contractor agrees that this provision complies with the notice requirements of Revenue & Taxation Code Section 107.6,

GENERAL CONDITIONS (Purchase of Services)

and waives all rights to further notice or to damages under that or any comparable statute.

24. **No Third-Party Beneficiaries.** Nothing in this Contract may be construed to create, and the parties do not intend to create, any rights in third parties.
25. **Copyrights, Rights in Data, and Works Made for Hire.** Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of First 5. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Contract are "works made for hire" (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for First 5, and Contractor unconditionally and irrevocably transfers and assigns to Agency all right, title, and interest, including all copyrights and other intellectual property rights, in or to the works made for hire. Unless required by law, Contractor shall not publish, transfer, discuss, or disclose any of the above-described works made for hire or any information gathered, discovered, or generated in any way through this Contract, without First 5's prior express written consent. If any of the works made for hire is subject to copyright protection, First 5 reserves the right to copyright such works and Contractor agrees not to copyright such works. If any works made for hire are copyrighted, First 5 reserves a royalty-free, irrevocable license to reproduce, publish, and use the works made for hire, in whole or in part, without restriction or limitation, and to authorize others to do so.
26. **Endorsements.** In its capacity as a Contractor with First 5, Contractor will not publicly endorse or oppose the use of any particular brand name or commercial product without the prior approval of First 5. In its First 5-contractor capacity, Contractor will not publicly attribute qualities or lack of qualities to a particular brand name or commercial product in the absence of a well-established and widely accepted scientific basis for such claims or without the prior written approval of First 5. In its First 5-contractor capacity, Contractor will not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as endorsement of the product by or on behalf of First 5. Notwithstanding the foregoing, Contractor may express its views on products to other contractors, First 5, Commission officers, or others who may be authorized by First 5 or by law to receive such views.
27. **Required Audit.**
- a. If Contractor expends \$750,000 or more in federal grant funds in any fiscal year from any source, Contractor must provide to County, at Contractor's expense, an audit conforming to the requirements set forth in the most current version of Code of Federal Regulations, Title 2, Part 200, Subpart F.

If an audit is required, Contractor must provide County with the audit.
- d. With respect to the audits specified in sections (a), (b) and (c) above, Contractor is solely responsible for arranging for the conduct of the audit, and for its cost. County may withhold the estimated cost of the audit or 10 percent of the contract amount, whichever is greater, or the final payment, from Contractor until County receives the audit from Contractor.
28. **First 5 Audit Requirement.** (A) If Contractor is funded by \$50,000 or more in First 5 grant funds in any fiscal year, Contractor will provide to First 5 at Contractor's expense an audit conforming to generally accepted accounting principles. ADDITIONAL PROVISIONS

1. **Background.**

Proposition 10 was passed in 1998 by California voters. The purpose of the ordinance is to support local programs and services designed to help children 0-5 reach their greatest potential.

In October 2015, First 5 approved a four year Strategic Plan, which outlines First 5's funding priorities and objectives from fiscal year 2016-17 through 2019-20. A key strategic results area of the plan is Early Care and Education. The purpose of this Contract is to retain the services of Mt.
