

# School Plan for Student Achievement

**LEA:** Mt. Diablo Unified School District  
**School:** Valle Verde Elementary School  
**CDS** 07-61754-6004345  
**Contact Person:** Mignon L. Perkins  
**Position:** Principal  
**E-mail Address:** perkinsm@mdusd.org  
**Phone Number:** 925-939-5700  
**SPSA Year:** 2018-2019

X **The school certifies completion of this plan.**

**School Site Council Approval:** 10/29/2018

**Approved by MDUSD Board of Education:**

## Introduction

The MDUSD School Plan for Student Achievement (SPSA) template is used to provide details regarding your school's actions and expenditures to support pupil outcomes and overall performance. The SPSA describes goals and specific actions to achieve improved outcomes for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, related to each of the state priorities and district priorities/strategic plan/initiatives.

The SPSA is a comprehensive planning tool. Your school may reference and describe actions and expenditures in other plans when detailing goals, actions, and expenditures. The information contained in the SPSA may be supplemented by information contained in other plans that are incorporated or referenced as relevant in this document.

## State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

### A. Conditions of Learning:

**Basic:** degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

**Implementation of State Standards:** implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

**Course access:** pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

**Expelled pupils (for county offices of education only):** coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

**Foster youth (for county offices of education only):** coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

### B. Pupil Outcomes:

**Pupil achievement:** performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

**Other pupil outcomes:** pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

### C. Engagement:

**Parental involvement:** efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

**Pupil engagement:** school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

**School climate:** pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

## Section 1: Annual Evaluation

|                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>After reviewing data regarding the effectiveness of the planned actions and services, what changes will be made to improve student academic achievement and other student outcomes?</b></p> | <p>After reviewing the data, there was an decrease in the percentage of students in the Standard Nearly Met level and an increase in the percentage of students that exceeded the standard. There is a need to provide additional RTI support with targeted support in the area of reading/math. Data Analysis protocols will be in place to structure the planning around priority standards, student data and goal setting in reading and math .</p> |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Actual Actions                                                                                                                                                                                                                  | Evaluation                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <p>1.1 Provide classroom resources and committee planning time for implementation of problem solving strategies, tier 1 &amp; 2 behavioral expectations, and interventions. Soul Shoppe Implementation to support character development and a positive school climate. Other means of correction to support reflection of behavior, restorative practice and instructional time. Student Workshops will be held and lessons will be taught to encourage conflict resolution strategies through the use of i-messages and the "Clean Up". Peacemakers, student mediators will facilitate conflict resolution with adult supervision. Monthly Character Trait Assemblies will highlight students that display positive behavior using the character trait of the month.</p> | <p>1.1 PBIS Committee Meetings to discuss and implement Behavior Matrix, and implement character trait awards. Soul Shoppe Assemblies to reinforce positive choices. Clarify tiered intervention and Phase II PBIS support.</p> | <p>Effective</p> <p>What measurable data was used to evaluate the action/services and what did it reveal about its effectiveness?</p> <p>Office Referrals and PBIS Planning informed the need for the Character Trait Assemblies. Soul Shoppe implementation is in place to support continuity of the dialogue around the use of strategies to communicate around our feelings and Bullying. Student responses from California Healthy Kid Survey and student statements support the need to continue with support around bullying and conflict resolution. The number of suspension decreased significantly.</p> |
| <p>1.2 Professional Development to support students' behavioral growth, use of problem solving strategies, acceptance of varying opinions, and independence. Training is needed to support behavioral interventions and support.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <p>1.2 Soul Shoppe Professional Development, Mindfulness strategies, diverse learning styles, and PBIS. Implementation of Loving Solutions 10-week Parent Education Classes</p>                                                 | <p>Not Effective</p> <p>What measurable data was used to evaluate the action/services and what did it reveal about its effectiveness?</p> <p>Staff attendance at PBIS and implementation of strategies from workshops and professional development in behavioral management indicates that the positive behavior system is in development. The PBIS manual content was introduced during staff meetings. The PBIS coordinator, gives an update on implementation during staff meetings.</p>                                                                                                                       |

|                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                           | <p>Based on feedback from the California Healthy Kids Survey and school survey, the implementation of programs like Soul Shoppe Program and PBIS support a positive school climate but bullying continues to be a concern. School-Wide Assemblies on student expectations, administrative support and counseling are provided as interventions. Staff decided that they would like a different social-emotional program to support student a positive school climate in place of Soul Shoppe.</p> <p>Students are utilizing the problem-solving strategies and Peacemakers/student mediators and staff were also trained to support use of communication strategies/conflict resolution strategies. Loving Solutions Parent Education Classes ended before completion date due to low attendance.</p> |
| <p>1.3 Increase Home/School Communication and streamline home school communication. Parent community will communicate with their teachers and other parents in the homeroom using Konstella communication. Teachers will create a website for class communication and the office will communicate school events using the Viking Voice.</p> | <p>1.3 Use of Viking Voice, Konstella, Classroom Websites, email, and messenger to communicate with families around school announcements</p>                                              | <p>Effective</p> <p>What measurable data was used to evaluate the action/services and what did it reveal about its effectiveness?</p> <p>Parent Feedback/response to surveys (CA Healthy Kids Survey)<br/>Parent/Teacher Feedback/SSC, Staff Meetings - Parents and teachers would like streamlined communication to send announcements and receive updates on district communication. PTA added a PTA website for parent information around PTA.</p>                                                                                                                                                                                                                                                                                                                                                 |

| <p><b>After reviewing data regarding the effectiveness of the planned actions and services, what changes will be made to improve student academic achievement and other student outcomes?</b></p> | <p>The data is indicating that we need to plan for more targeted small group support based on the tiered system. We will continue to refine instructional practice and provide additional opportunities for online intervention programs. Grade levels will plan to support intervention during their computer lab time and plan for maximum intervention support.</p> |

At the site, there are monthly reports for Renaissance Learning, IXL, iReady, Reflex Math and Reading Eggs Program. Our site techs coordinate installation of programs. Our TIL and tech teachers provide additional support for teacher and student use.</p> <p>A monthly report is generated to monitor the program use.</p> |
| <p>2.5 Identify and develop a plan to address barriers to accessing the core curriculum.</p>     | <p>2.5 iReady Diagnostic Data to assess areas of strength and challenges.<br/>ELRT meetings to discuss further support</p>                                          | <p>Needs More Time to Evaluate Effectiveness</p> <p>What measurable data was used to</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

|                                                                                                                                                                                      | <p>for EL students with the core curriculum. Provide PD to support RTI planning and strategies that strengthen reading and comprehension.</p> <p>Implementation Language Support Program</p>                                                                                            | <p>evaluate the action/services and what did it reveal about its effectiveness?</p> <p>iReady reading and math data, CAASPP data, informal assessments and teacher feedback were used to determine the level of effectiveness.</p> <p>IReady Data was compared from diagnostic 1- diagnostic 3, RTI schedule is in place for the K-5 students to support students that are performing below grade level in specific areas. Teachers analyze the data and create intervention groups/small groups for reinforcement of skills taught. Our iReady data is evidence that there is a need for additional RTI groups for ELA and Math for at least 45 minutes a day. Students are currently working in small groups and using the iReady instructional lessons as part of the Response to Intervention Model.</p> |
| <p>2.6 Utilize Chromebooks Carts, iPad Carts and the computer lab to support student learning and presentation of new learning using iMovie, Google Docs and web-based programs.</p> | <p>2.6 Student use of the internet to research information for class presentations. Student use of Google Docs to create State Reports and California Reports and Presentations.</p> <p>Create short films using iMovie to share research-based information and student creativity.</p> | <p>Effective</p> <p>What measurable data was used to evaluate the action/services and what did it reveal about its effectiveness?</p> <p>Classroom reports/presentations and the ability for students to navigate the use of technology to complete assignments was used to determine the effectiveness of this goal. TK-5th grade students currently have access to Chromebook carts and iPad carts. TK-K are exposed to grade level appropriate apps on the iPads. 1st-5th grade utilize the Chromebooks for academic support using online educational programs and Google Docs for presentations.</p>                                                                                                                                                                                                     |

|                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

With the assistance of the innovation and technology support, surveys will be created using Google Forms.</p> <p>Overall, 37% of the parents on the California Healthy Kids Survey agreed with statement "Valle Verde is not providing information on how to help your child plan for college or vocational school."</p> | <b>Actual Annual Measurable Outcomes:</b> <p>Students will use technology efficiently and save time when completing projects that require research and working on Google Drive. Students will learn new information and share the new learning with peers and other community members. during presentations and school activities. With the assistance of the innovation and technology support, surveys will be created using Google Forms.</p> <p>Overall, 6% of the students on the 2017-2018 California Healthy Kids Survey agree with the statement,"Yes, some of time they have experienced CyberBullying."</p> <p>Overall, 37% of the parents on the California Healthy Kids Survey agreed with statement "Valle Verde is not providing information on how to help your child plan for college or vocational school."</p> |
| <b>After reviewing data regarding the effectiveness of the planned actions and services, what changes will be made to improve student academic achievement and other student outcomes?</b> | Support student growth using technology by providing a foundation of prerequisite information and requirements in order to use technology effectively and responsibly. Students will go through a course in digital citizenship, so that they understand the basics of technology use. Students will understand how to utilize the basic functions of technology.                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

**SPSA Year: 2017-18**

| Planned Actions/Services                                                                                                                                               | Actual Actions/Services                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| <p>Monthly meetings are held to support the ELA and Math Instruction. Priority Standards, Benchmark Assessments and Diagnostic Data is reviewed to support RTI.</p>                                                                                                      | <p>ELA and Math Priority Standards were identified to support lesson planning and delivery of instruction. Data Analysis Protocol was introduced to support next steps in RTI.</p>                                                                                                                                                                                                                                                                               |
| <p>Monthly SSC meeting held to review SPSA, site budget and to get input from stakeholders around SPSA goals/LCAP goals.</p>                                                                                                                                             | <p>Consistent feedback from the SSC to determine shifting of general funds specifically in the area of Goal 2- with regard to the RTI model and tiered interventions.</p>                                                                                                                                                                                                                                                                                        |
| <p>Monthly SSC/ELAC/DELAC updates given around the EL Data, ELRT information, ELPAC information and Reclassification information.</p>                                                                                                                                    | <p>The reclassification rate was higher this year. The EL goal was met. We will continue to support our EL families with monthly updates and information through the school weekly bulletin, email and mailed information.</p>                                                                                                                                                                                                                                   |
| <p>The Technology Committee meetings support our technology development goals. There are meetings each trimester. The Technology Plan is utilized to plan out the budget and determine the most strategic next steps to support our plan with 21st Century Learning.</p> | <p>The 4th and 5th grades are currently 1:1 with Chromebooks. We are still planning for each class to have at least 34 Chromebooks. The 2nd and 3rd graders have access to one Chromebook cart. The 1st grade classes have access to one iPad cart and the Kindergarten classes have access to 12 iPads. Classes are implementing a recommended program for digital citizenship and are determining next steps to continue the dialogue around Cyber Safety.</p> |
| <p>PTA meetings are forums for conversations around CAASPP Data, Diagnostic Assessments and tiered interventions.</p>                                                                                                                                                    | <p>The California Dashboard was introduced by the principal so that parents would understand the dashboard set up and at the school data online.</p>                                                                                                                                                                                                                                                                                                             |
| <p>Volunteer Brunch was used as an opportunity to get input from stakeholders around Valle Verde current reality.</p>                                                                                                                                                    | <p>Parents gave input regarding Reading Intervention Program, RTI and various parent involvement opportunities. We will continue to provide opportunities to partner with our parent community.</p>                                                                                                                                                                                                                                                              |
| <p>Staff Meetings were held to discuss student needs around conflict resolution.</p>                                                                                                                                                                                     | <p>Teachers presented programs for use in conjunction with conversation stems. (iMessage and Clean Up) We are currently with the PBIS team to determine a conflict resolution program or social emotional program.</p>                                                                                                                                                                                                                                           |
| <p>Staff involvement in professional development using the ELA curriculum, Wonders to support instruction using the Priority Standards.</p>                                                                                                                              | <p>Teachers engaged in professional development for Wonders and online support with instructional videos and McGraw-Hill website for effective use of components of the Wonders program.</p>                                                                                                                                                                                                                                                                     |
| <p>Principal and Assessment Representative received support from district personnel to provide data analysis support to teachers with CAASPP data and iReady data protocols.</p>                                                                                         | <p>Teachers analyzed iReady data to set up RTI groups and proctored the CAASPP assessments for students with practice tests and the Summative Assessment for CAASPP with proficiency.</p>                                                                                                                                                                                                                                                                        |
| <p>California Parent Survey to gather data around school culture, California Student survey to gather data around student needs and opinions.</p>                                                                                                                        | <p>The Parent and Student Surveys are taken to monitor climate.</p>                                                                                                                                                                                                                                                                                                                                                                                              |

## **Comprehensive Needs Assessment Components (Title I)**

This section is required by all Title I sites and recommended for all other sites.

### **Data Analysis**

This section provides a brief summary of the data used to inform the School Plan and the information that analysis provided.

### **Surveys**

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

### **Analysis of Current Instructional Program**

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

### Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

### Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)
5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)
6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)
7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

#### Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)
9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)
10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)
11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)
12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

### Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)
  
14. Research-based educational practices to raise student achievement

### Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)
  
16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

### Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)
  
18. Fiscal support (EPC)

## Mt. Diablo Unified - Contra Costa County

Enrollment: 31,580    Socioeconomically Disadvantaged: 44.6%    English Learners: 23.1%  
 Foster Youth: 0.4%    Grade Span: K-Adult    Charter School: No

Dashboard Release:  
 Fall 2017

The Equity Report shows the performance levels for all students on the state indicators. It also shows the total number of student groups that received a performance level for each indicator and how many of those student groups are in the two lowest performance levels (Red/Orange). The total number of student groups may vary due to the number of grade levels included within each indicator. Select any of the underlined indicators for more detailed information.

### Performance Levels:

 Red (Lowest Performance)     Orange     Yellow     Green     Blue (Highest Performance)

An asterisk (\*) shows that the student group has fewer than 11 students and is not reported for privacy reasons. The performance level (color) is not included when there are fewer than 30 students in any year used to calculate status and change. An N/A means that data is not currently available.

## Section 2: Goals, Actions, Expenditures

**SPSA Year: 2018-19**

**Expected Annual Measurable Outcomes:**

Increase percentage of students that reclassified was 27% to 29%.  
 Overall English Learners grades 3-5 will Increase ELA mean scaled points from 2483 by 24 mean scaled points.  
 Increase Math mean scales points from 2478 by 24 mean scaled points

Special Education grades 3-5 will increase CAASPP distance from a level 3. ELA increase from 2406 by 20 mean scaled points.  
 Special Education grades 3-5 will increase CAASPP distance from a level 3. Math increase from 2420 by 19 mean scaled points.

Low Income Grades 3-5 will increase CAASPP distance from a level 3. ELA will increase 2433 by 19 mean scaled points.  
 Math will increase from 2443 by 19 mean scaled points.

Overall grades 3-5 will increase CAASPP distance from a 3.  
 ELA from 2504 by 24 mean scaled score points.  
 Math increase from 2500 by 24 mean scaled score points.

Decrease the overall percentage of students performing at the Tier III level on the iReady Diagnostic #2 in the area in math from 4% to 3% in ELA.

Increase the percentage of 3rd grade students performing at or above grade level on the iReady #3 Diagnostic from ELA- 62% to 70% and from Math 56% to 65%.

Increase the overall percentage of students performing at the Tier I level on the iReady Diagnostic #2 from 69% to 75% in the area of ELA and from 62% to 70% in the area of Math.

Overall, decrease suspension number of incidents from 1 to 0.

Overall, decrease chronic absenteeism rate from 4.5% to 4.0%.

In the 2018, California Parent Survey 57% agreed with the statement, "The school encourages parent participation" and 36% strongly agree that "The school encourages school participation."

| <b>Goal 3:</b> | Every Student, Staff and Parents will have the opportunity to explore and expand knowledge using technology to connect background knowledge to new learning and experiences through project-based learning, research and various presentations. | <b>Related State and/or Local Priorities:</b><br><input checked="" type="checkbox"/> Basic<br><input checked="" type="checkbox"/> Implementation of State Standards<br><input checked="" type="checkbox"/> Parental Involvement<br><input checked="" type="checkbox"/> Pupil Achievement<br><input checked="" type="checkbox"/> Pupil Engagement<br><input checked="" type="checkbox"/> School Climate<br><br><b>Related LCAP Goals:</b><br><input checked="" type="checkbox"/> MDUSD LCAP Goal 1<br><input checked="" type="checkbox"/> MDUSD LCAP Goal 2<br><input checked="" type="checkbox"/> MDUSD LCAP Goal 3 |
|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

**Identified Need:** Support student growth using technology by providing a foundation of prerequisite information and requirements in order to use technology effectively and responsibly. Students will go through a course in digital citizenship, so that they understand the basics of technology use.

**Goal Applies to:** Grade/Department/Other: All  
Applicable Pupil Subgroups: All

**SPSA Year: 2018-19**

**Expected Annual Measurable Outcomes:** Students will use technology efficiently and save time when completing projects that require research and working on Google Drive. Students will learn new information and share the new learning with peers and other community members. during presentations and school activities. With the assistance of the innovation and technology support, surveys will be created using Google Forms.

Overall grades 3-5 will increase CAASPP distance from a 3. ELA from 2504 by 24 mean scaled score points.  
Math increase from 2500 by 24 mean scaled score points.

In the 2018, California Parent Survey 59% agree and 24% strongly agree that "The school provides high quality instruction for my child."

## Section 4: Centralized Services for Goals and Progress Indicators

### Section 4: Centralized Services for Goals and Progress Indicators

1. Assist schools with program plan development, revisions, amendments, identification of research-based strategies, implementation, and evaluation.
2. Provide information to principals and project coordinators on guidelines, reviews, procedures, laws, regulations, compliance requirements, and program operation.
3. Provide professional development and conference information.
4. Provide for parent education and involvement.
5. Respond to individual site needs (i.e. Site Council presentations or training, staff development workshops).
6. Maintain master file of records and correspondence regarding the Consolidated Application.
7. Assist with and maintain purchasing verifications and records.
8. Provide budget assistance for schools.
9. Provide evaluation assistance to projects, assist with data collection and analysis and conduct district evaluation.
10. Complete and submit district applications.
11. Conduct compliance reviews.
12. Maintain liaison with California Department of Education, County Office of Education, Institutes of Higher Education, and other organizations.
13. Coordinate revision, amendments and correspondence with the California Department of Education.
14. Acquire materials for district-wide use.
15. Compare district core curriculum with State and National frameworks and coordinate writing of Courses of Study.
16. Compare and align district curriculum with State standards and benchmarks.
17. Assist schools with implementation and monitoring of students' progress in meeting grade level standards and benchmarks.
18. Coordinate District Advisory Committees.
19. District wide assessment and supplemental services for English learner students.
20. Supervision and evaluation of ELD/Bilingual personnel, and elementary Music and Physical Education staff.
21. Provide specific reports and files related to district developed performance assessments.
22. Personnel Services works to attract and retain teachers and paraprofessionals. They ensure staff is appropriately credentialed and assigned based upon state certification and licensure criteria.
23. Provides Technical Assistance to Title I schools.

(This is a partial list of services provided by the Central Office support staff.)

## Section 4: Common Pages

### English Learner Advisory Committee

School: Valle Verde Elementary School

Year: 2018-19

If the ELAC has delegated its responsibilities to the Schoolsite Council, specify the date: 10/08/2018

If your site has less than 21 English Language Learners, insert "NA" for not applicable:

If the ELAC is continuing to meet as a separate advisory group, please complete the form below.

#### **ELAC Membership:**

- a. Principal/ Principal's Administrative designee:
  
- b. Five parents, elected by parents of English Learners:
  - 1.
  - 2.
  - 3.
  - 4.
  - 5.
- c. Two Staff members, elected by staff:
  - 1.
  - 2.

**Section 4: Common Pages**

School: Valle Verde Elementary School

**Schoolsite Councils/Committees  
Assurances & Recommendations**

**The Schoolsite councils/committees' authorized representatives' signatures assure adherence to the following legal assurances:**

1. The councils/committees have been formed and correctly constituted in accordance with the procedures established by the district governing board, federal or state law or regulations.
2. The councils/committees have reviewed their responsibilities under the district governing board, federal or state law or regulations.
3. The councils/committees have reviewed the content requirements for school plans or programs included in this School Plan for Student Achievement, and believe all such content requirements have been met, including those found in district governing board policies and in the Local Improvement Plan.
4. The councils/committees have had adequate opportunity to consider the available information concerning the special needs of English Learner students, including instruction in a language that such students understand; economically disadvantaged students; students with exceptional needs, gifted and talented students, and students at risk.
5. The councils/committees have a list of members of each school-level council or committee available at the school.

This School Plan for Student Achievement is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance. **The signatures below verify that the chairpersons, teachers, and local officials, on behalf of their respective councils/committees, have participated in the planning process, reviewed the school plan for the appropriate special programs, and recommend the school plan and budget to the district governing board.**
