Re: Technology and Interactive Whiteboard Solutions, Products and Service; RFP # 16-02

The Evaluation Committee has reviewed the responses and recommend that the following companies be awarded:

- CDW Government
- GovConnection, Inc.
- HP Inc.
- Office Depot, Inc.
- PCMG, Inc. dba PCM Gov, Inc.

The recommended Suppliers submitted offers that were determined to be most advantageous to The Cooperative Purchasing Network (TCPN) members, based upon the bid tabulation. All the recommended respondents were determined to be competitively priced and strong for the specified services outlined in the RFP.

The above suppliers are recommended for award based on a proposal with extremely competitive pricing and each offered the most comprehensive offering of products and services in line with the scope of work. Additionally, each one offers the best national coverage. We will monitor their performance and determine at the end of 3-year contract term if they are eligible for renewal as stated in the general terms and conditions.

This **multiple award** is recommended as most advantageous as it limits contract awards to the least number of suppliers necessary to meet the requirements of TCPN members. In order to serve the entire nation, a multiple award is recommended to provide any governmental agency with complete coverage of commodities, services and any other offering within the scope of proposal.

Please let me know if you have any questions.
