About ASHA

The American Speech-Language-Hearing Association (ASHA) is the national professional, scientific, and credentialing association for members and affiliates who are audiologists; speech-language pathologists; speech, language, and hearing scientists; audiology and speech-language pathology assistants; and students.

About the Convention

The ASHA Convention is one of the largest professional development events for audiologists; speech-language pathologists; speech, language, and hearing scientists; and speech-language pathology and audiology assistants. Bringing together approximately 15,000

attendees, the annual Convention offers more than 2,500 sessions eligible for ASHA continuing education credit covering the latest research, clinical skills, and techniques in communication sciences and disorders.
