Re: Attestation of DOJ Clearances for Employees at EMQ FamiliesFirst

Dear Ms. Wilburn,

This letter is in response to the request for clearance information on our employees working under the Mount Diablo Unified School District Contract. All EMQ FamiliesFirst staff and/or anyone employed by the Agency must go through a pre-screening and an extensive background check, which includes screening by both the Department of Justice and Federal Bureau of Investigation. These requirements must be met in order to begin employment with EMQ FamiliesFirst.

Additionally, the Agency is also statutorily mandated to receive subsequent arrest notifications for any individual employee by us, pursuant to section 11105.2 of the California Penal Code.

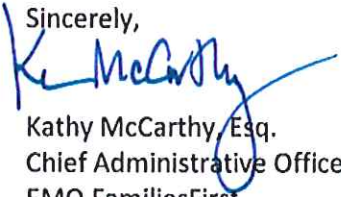

While we are able to provide the specific dates our employees were cleared with the DOJ and FBI, copies of the actual clearances would not be available to anyone outside of our Agency.

However, this letter will serve as my attestation that the following employees have been cleared by the DOJ and FBI on the following dates:

Employee Name:	Clearance Date:
Abdi Mulky	2/17/2006
Andrea Bohmbach	9/04/2013
Marie Collins	4/06/2011
Siglet Hernandez	11/19/2004
Mary Ann Kacerguis	7/25/2007
Robert Scheifer	2/01/2007
Vanessa Swift	5/07/2014
Willa Walter	10/09/2012

Should you have any further questions, please feel free to contact Carrie Margo at (408) 628-5502.

Sincerely,

Kathy McCarthy, Esq.
