Tutorials and study groups focus on individual students' needs.~~

~~Outside speakers, college field trips and career exploration helps students see the connection between school and their future lives. Students are encouraged to repeat the elective for three or four years during middle and high school.~~

**COURSE DESCRIPTION**

Advancement Via Individual Determination (AVID) is an academic elective course that prepares students for college readiness and success, and it is scheduled during the regular school day as a year-long course. Each week, students receive instruction that utilizes a rigorous college-preparatory curriculum provided by AVID Center, tutor-facilitated study groups, motivational activities, and academic success skills. In AVID, students participate in activities that incorporate strategies focused on writing, inquiry, collaboration, organization, and reading to support their academic growth. Additionally, students engage in activities centered around exploring college and career opportunities and their own agency.
