The Board shall consider approval of the additional locations or grade levels at an open meeting. (Education Code Section 47605, 47607)

Additionally, the Board may deny a proposed material revision if it finds that the district is not positioned to absorb the fiscal impact of the proposed material revision. The Board shall make this finding if the district has a qualified interim certification pursuant to Education Code Section 42131 and the County Superintendent of Schools, in consultation with the County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the district having a negative interim certification pursuant to Education Code Section 42131, the district has a negative interim certification pursuant to Education Code Section 42131, or the district is under state receivership.
