Special notes to school district: Price is locked in until 12/31/23. Packages will be shrink-wrapped together and take 2-3 extra days for processing. Because of the additional discount that is applied for packages, the books will be non-returnable once the shrink wrap has been broken. Please let me know if you would prefer the un-packaged pricing option instead.

Courses: AP US History, AP Music Theory, AP Literature and Composition, AP Art History

Professional Development: We are happy to offer complimentary virtual training on how to set up and use the digital materials with students and how to access the digital instructor resources. You can

request this at any point from your Norton sales representative.

Tech integration: We offer complimentary integration for a wide range of LMS types, such as Canvas, Schoology, Blackboard, Blackbaud, and Clever. We do not currently work with Google Classroom or Classlink, but we can provide teachers with direct links to the individual digital resources and/or activities that they can include on their GC pages. There is no fee for integration or the links.

Discounts: We offer wholesale pricing (20% off retail) to all schools that order through us in bulk. Additionally, one year of digital access comes complimentary with each print book (this has been factored into the pricing seen on this quote; cost is for 7 years of paid access plus one year complimentary).

Workbooks: This quote includes 1280 copies of the History Thinking Skills Workbook for US History, 160 copies of The Musician's Guide: Workbook and Ear-Training, 4th AP Edition (40 packaged and 120 standalone); and 1040 copies of The Norton Guide to AP Literature (260 packaged and 780 standalone).
