Senate Bill 165 Reporting Requirements

V. SENATE BILL 165 REPORTING REQUIREMENTS

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to Sections 50075.3 and 53411, the chief fiscal officer of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the governing body setting forth the following information.

Section 50075.3

Item (a): Identify the amount of special taxes that have been collected and expended.

The fiscal year 2022-23 special tax levy was \$6,637,891. Since the CFD is on the County Teeter Plan, the full amount of the tax levy was apportioned to the Mt. Diablo Unified School District (the “School District”). Of this amount, \$1,703,500 was used to pay debt service in February and August 2023 on the Series 2016 Special Tax Refunding Bonds. Another \$2,902,500 was used to pay debt service in March and September 2023 on the 2018 COPs. The remaining \$2,031,891 was expended on authorized facilities and administrative expenses for CFD No. 1. The authorized facilities include, but are not limited to: (i) the acquisition or construction of any new elementary, middle, or high school facilities; (ii) improvements to existing school facilities; and (iii) any equipment necessary to operate the facilities (together, the “Facilities”).

Item (b): Identify the status of any project required or authorized to be funded by the special taxes.

Special tax revenue was used to pay debt service on the Series 2016 Special Tax Refunding Bonds, 2018 COPs, administrative expenses of the CFD, and costs of Facilities. Construction or acquisition of the Facilities is ongoing.

Section 53411

Item (a): Identify the amount of bonds that have been collected and expended.

The Series 2016 Special Tax Refunding Bonds were issued by the School District on June 30, 2016, in the aggregate principal amount of \$13,790,000. The Series 2016 Special Tax Refunding bonds were sold at an original issue premium of \$1,882,125. These moneys were combined with an additional \$8,255,693 in funds related to the prior bonds, giving a total of \$23,927,818 to be disbursed. An Underwriter’s Discount of \$137,900 left a total of \$23,789,918 in proceeds. Upon issuance of the bonds,

\$23,514,619 in proceeds was deposited into the Escrow Fund to redeem the prior bond issues. The remaining \$275,299 was used to pay the costs of issuing the bonds.

The 2018 Certificates of Participation (“2018 COPs”) were issued by the School District on October 10, 2018, in the aggregate principal amount of \$20,000,000. The 2018 COPs were sold at an original issue premium of \$2,509,601, giving a total of \$22,509,601 to be disbursed. At closing, \$21,707,934 was deposited into the Project Fund to pay the cost of Facilities. An additional \$391,667 was deposited into the Lease Payment Fund. The remaining \$410,000 was used to pay the costs of issuing the 2018 COPs.

Item (b): Identify the status of any project required or authorized to be funded from bond proceeds.

The Facilities to be funded by the CFD are being constructed with prior bond proceeds and monies collected from the annual special tax levy. Construction or acquisition of the Facilities is ongoing.

Section VI

Assembly Bill 1666 Requirements

VI. ASSEMBLY BILL 1666 REQUIREMENTS

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.
