Re: Highlands Elementary – Fall 2019 Ballfield Turf Restoration Project

Dear Melanie,

Thank you for allowing Medallion Landscape the opportunity to provide you with this sod proposal. We propose to provide all labor, material and equipment necessary to complete the following scope of work with the noted qualifications and exclusions.

Fall 2019 (October)

Deep tine aerate the field with 5/8" solid tines.
Seed the field with a heavy rate of blue/rye mix (400 lbs.).
Top dress the field with 1/4" sand/compost mix (70 tons).
Apply a seed starting fertilizer across the field (1 lb. per 1,000 sq. ft.).
Provide a broadleaf weed application in November to help eliminate clover and other weeds.

PROJECT COST: \$ 22,900

Qualifications & Exclusions:

1. Price include transportation of equipment, equipment operation and purchase of all materials for the projects.
2. Assumes no underground utilities or other underground obstructions are in conflict with the work to be performed by Medallion Landscape or its subcontractors. If there are, or the client suspects that there may be, they are to be located by others prior to start of work.
3. Assumes all irrigation wires and valves are available and in good, operating condition and can accommodate the above enhancements. This includes new and modified irrigation.
4. Medallion is not responsible for permits, fees, damage to underground utilities not located prior to the start of work, backflow preventer unit, drainage system installation, viability of transplanted plants, repair of damaged hardscape beyond our control, and other unknown items not shown on client-submitted, as-built drawings.
5. Layout, supervision and quality control measures are included.

Thank you again for the opportunity to present our proposal to you. Please contact me on my cell phone (408.763.1902) should you have any questions or need further clarification. If you would like to proceed with the work, please sign and return this proposal by fax or e-mail.

Sincerely,

Signature of Approval
