

**Policy 3311.1: Uniform Public Construction Cost Accounting Procedures**

**Status:** DRAFT

**Original Adopted Date:** 12/01/2016 | **Last Revised Date:** 05/11/2022 | **Last Reviewed Date:** 05/11/2022

In awarding contracts for public works projects involving district facilities, the Governing Board desires to obtain the best value to the district and ensure the qualifications of contractors to complete the project in a satisfactory manner. The Board has, by resolution, adopted the procedures set forth in the Uniform Public Construction Cost Accounting Act (UPCCAA or CUPCCAA) pursuant to Public Contract Code 22030-22045, including the informal bidding procedures when allowed by law.

The Board delegates to the Superintendent or designee the responsibilities to award any contract eligible for informal bidding procedures and to develop plans, specifications, and working details for all public projects requiring formal bidding procedures.

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading legal requirements for competitive bidding. (Public Contract Code 22033)

If after the first invitation of bids pursuant to informal or formal bidding procedures under UPCCAA all bids are rejected, the Board may, by passage of a resolution by four-fifths vote, declare the project can be performed by economically by the employees of the district. (Public Contract Code 22038)

Projects awarded through the UPCCAA shall be subject to the cost accounting procedures established by the California Uniform Construction Cost Accounting Commission. (Public Contract Code 22030)

#### **Emergency Actions**

When formal bids are required by law, but an emergency necessitates immediate repair or replacements, the Board may, upon a four-fifths vote of the Board, proceed to replace or repair a facility without adopting plans, specifications, strain sheets, or working details, or giving notice for bids to let contracts. The work may be done by day labor under the direction of the Board and/or contractor. The emergency action shall subsequently be reviewed by the Board in accordance with Public Contract Code 22050 and shall be terminated at the earliest possible date that conditions warrant, so that the remainder of the emergency action may be completed by giving notice for bids to let contracts. (Public Contract Code 1102, 22035, 22050)
