

MDUSD Proposal
School Counselors

Extend work year to 195 days - effective 2016-17 school year

- New corresponding counselor salary schedule will be created to reflect required 195 day work year

MDUSD proposes establishing a caseload maximum, by level, as follows:

- Elementary School: Counselors shall be assigned no more than 3 sites
- Middle School 1:700
- High School 1:550

Lead School Counselor Position

- Effective the 2017-18 school year, a Lead School Counselor position will be established
- The Lead School Counselor will be released 20% and shall be assigned to an elementary counselor position for the remainder of his/her assignment
- The individual who is selected must have at least two (2) years of in-District experience as a counselor
- The Lead School Counselor position will have a separate job description which will be posted every two years for internal applicants only
