		Subtotal	\$106,000.00
		Adjustments	\$0.00
		Grand total	\$106,000

* School Dashboard Annual License Fee: Each of the 23 schools will have a school dashboard. School administrators will be able to check the real time rosters, and real time attendance of their school from there. Each school dashboard will have a school portal, parents of the school can check all the programs held at their school, and register their students from there.

** Annual license fee for Restricted School Portal Feature: The restricted school portal feature will enable the synchronization of the student data from the district's Student Information System to 6crickets.com. The student info will be auto populated to their parent's account, and the parents are not allowed to edit the SIS data on 6crickets.com to ensure that SIS is a single source of truth.

*** Provider Dashboard Annual License Fee for 2023/2024 School Year: Provider Dashboard is to list programs along with images and videos, manage seasons, assign sessions to different schools, manage instructors, access real-time rosters and attendance across campuses, and generate custom rosters. It also includes the instructor dashboard for assigned instructors to take attendance for their classes.
