

## Ellevation Platform Trainings

Description	Time	Capacity	Target Audience
<p><b><u>Ellevation Platform: Getting Started for EL Teams</u></b></p> <p>In this course, participants will develop the foundational skills and knowledge needed to utilize Ellevation Platform to fulfill EL programmatic responsibilities and impact EL student instruction. Participants will walk away knowing how to use data in Ellevation to inform instructional supports for their EL students and how to leverage tools to collaborate with colleagues at their campus.</p>	3 hours	Up to 30	EL Specialists and Administrators
<p><b><u>Ellevation Platform: Overview for Educators</u></b></p> <p>In this course, teachers will learn how to leverage the components of the student profile in Ellevation to build a greater understanding of their EL students and how to better support them in their classrooms.</p>	1 hour*	Up to 500 (webinar-style)	Classroom Teachers
<p><b><u>Ellevation Platform: Compliance Workflows</u></b></p> <p>In this course, participants will learn how to manage EL compliance workflows that their district conducts using Ellevation Platform, including using our Meetings and/or Monitoring tools. Participants will walk away prepared to manage the steps of the workflow(s) that their district uses Ellevation to complete.</p> <p><b><i>An Ellevation Platform: Getting Started course is a prerequisite.</i></b></p>	3 hours	Up to 30	EL Specialists and Administrators
<p><b><u>Ellevation Platform: Focusing on District Needs</u></b></p> <p>This learning experience is custom-built for your district from a menu of training topics and can include a focus on Ellevation Platform, Ellevation Strategies, or both products. District partners will engage in a consultative planning session with a Training Solutions Manager in order to determine which Ellevation tools and applications participants will focus on during training. Each session will have a tailored learning outcome aligned to district needs.</p> <p><b><i>An Ellevation Platform: Getting Started course is a prerequisite.</i></b></p>	3 hours	Up to 30	Specialists and Administrators

<p><b><u>Ellevation Platform: Getting Started for CA Districts</u></b></p> <p>In this course, participants will develop the foundational skills and knowledge needed to utilize Ellevation Platform to fulfill EL programmatic responsibilities and impact EL student instruction. Participants will walk away knowing how to use data in Ellevation to inform instructional supports for their EL students and how to leverage tools to collaborate with colleagues at their campus.</p>	3 hours	Up to 30	EL Specialists and Administrators
<p><b><u>Ellevation Platform: Compliance Workflows for CA Districts</u></b></p> <p>In this course, participants will learn how to manage EL compliance workflows that their district conducts using Ellevation Platform, including Reclassification, Progress Monitoring, and/or RFEP Monitoring. Participants will walk away prepared to manage the steps of the workflow(s) that their district uses Ellevation to complete.</p> <p><b><i>An Ellevation Platform: Getting Started course is a prerequisite.</i></b></p>	3 hours	Up to 30	EL Specialists and Administrators
<p><b><u>Ellevation Platform: LPAC for TX Districts</u></b></p> <p>Ellevation offers three LPAC courses for Texas districts: Initial LPAC (BOY), Assessment LPAC (MOY), and End of Year LPAC (EOY). Each course is 3 hours long. We <b><u>do not</u></b> offer multiple LPAC trainings in one session.</p> <p>In each LPAC course, participants will learn how to use Ellevation Platform to manage the before, during, and post-LPAC process for the featured LPAC type. Participants will walk away prepared to conduct LPACs in Ellevation and to generate parent letters and key LPAC and designated support reports as needed.</p> <p><b><i>An Ellevation Platform: Getting Started course is a prerequisite.</i></b></p>	3 hours	Up to 30	EL Specialists and Administrators

# Ellevation Strategies Trainings

Description	Time	Capacity	Target Audience
<p><b><u>Ellevation Strategies: Overview for Campus or District Leaders</u></b></p> <p>In this course, participants will learn what opportunities their campus has for professional development focused on multilingual learners and how they can leverage Ellevation Strategies to support their teachers and students. Participants will walk away excited to use Ellevation Strategies to impact teacher practice and student outcomes.</p>	1 hour*	Up to 30	Campus or District Leaders
<p><b><u>Ellevation Strategies: Collaborative Learning Session</u></b></p> <p>In this session, teachers will engage in a collaborative professional learning experience with an Ellevation Strategies Professional Learning Module. An Ellevation Trainer will guide the conversation and share their expertise about how to leverage Ellevation Strategies to inform instruction of multilingual learners.</p>	1 hour	Up to 30	Classroom Teachers
<p><b><u>Ellevation Strategies: Getting Started for Instructional Leaders</u></b></p> <p>In this course, participants will learn how educators can use Ellevation Strategies to support the language learners they serve. Participants will walk away with the knowledge and skills to effectively support the use of Ellevation Strategies at their campus or district to address challenges, support instructional needs, and foster collaboration.</p>	3 hours	Up to 30	EL Teams, Instructional Coaches, or other instructional leaders
<p><b><u>Ellevation Strategies: Overview for Educators</u></b></p> <p>In this course, participants will learn how Ellevation Strategies can be used in the classroom to benefit language learners. Participants will walk away knowing how to use Ellevation Activities to enhance their instruction, as well as how Strategies can further their professional learning.</p>	1 hour*	Up to 500 (webinar-style)	Classroom Teachers
<p><b><u>Ellevation Strategies: Focusing on District Needs</u></b></p> <p>This learning experience is custom-built for your district from a menu of training topics and can include a focus on Ellevation Platform, Ellevation Strategies, or both products. District partners will engage in a consultative planning session with a Training Solutions Manager in order to determine which Ellevation tools and applications participants will focus on during training. Each session will have a tailored learning outcome aligned to district needs.</p> <p><b><i>An Ellevation Strategies: Getting Started or Overview course is a prerequisite.</i></b></p>	3 hours	Up to 30	EL Specialists and Administrators

# Ellevation Math Trainings

Description	Time	Capacity	Target Audience
<p><b><u><a href="#">Ellevation Math: Overview for Campus or District Leaders</a></u></b></p> <p>In this course, participants will learn the value of Ellevation Math and how it benefits students. Participants will walk away excited to use Ellevation Math at their campus to impact teacher practice and student outcomes.</p>	1 hour*	Up to 30	Campus or District Leaders
<p><b><u><a href="#">Ellevation Math: Getting Started for Educators</a></u></b></p> <p>This is an educator's first introduction to Ellevation Math and how it can be used with their students. During the session participants will learn the value of Ellevation Math and how it benefits students. They will walk away knowing how, when, and where to use it throughout the instructional cycle, and will be able to assign primers to their classes.</p>	1 hour*	Up to 30	Math Educators
<p><b><u><a href="#">Ellevation Math: Workshop for Educators</a></u></b></p> <p>This session provides educators the opportunity to reflect on wins and challenges they have experienced while engaging students with Ellevation Math. We'll deepen knowledge and provide support on best-practices for implementing Ellevation Math that will lead to student success.</p> <p><b><i>Ellevation Math: Getting Started for Educators is a prerequisite.</i></b></p>	1 hour*	Up to 30	Math Educators

\*These training sessions can be done in one hour, but if the time permits they we recommend extending to 75 minutes to allow for more practice and exploration.
