Fundraising:

- All fees have been accounted for in our program budget.
 - Our program was able to raise \$1,900 by participating in the Future Ford and Lincoln Drive One For Ur School events on May 11 and 18, 2014.

Benefit of Trip:

- An opportunity for our players to form cohesive bonds and build chemistry.
- A chance for our team to test ourselves against top competition out of our area.
- This tournament also provides a setting that is similar to our state playoff format, giving us practice preparing for different styles of play in a short amount of time in a bracket play environment.
- Several of our players will have an opportunity to play at the next level. By travelling out of our area this gives them exposure to colleges and scouts that would otherwise not see them.
