The Authorized Officers, or any authorized deputy, and such other officers of the District as may be authorized by the Board are, and each of them acting alone is, authorized and directed to execute and deliver the Bond Purchase Agreement for and in the name and on behalf of the District, with such additions, changes or corrections therein as the officer executing the same on behalf of the District may approve, in his/her discretion, as being in the best interests of the District, such approval to be conclusively evidenced by such officer's execution thereof, and any other documents required to be executed thereunder, and to deliver the same to the Representative. Final terms of the Bonds shall be as set forth in the Bond Purchase Agreement.

SECTION 9. Official Statement. The Board hereby approves the form of the Preliminary Official Statement relating to the Bonds, on file with the Clerk of the Board and to be used and distributed, together with an Official Statement in connection with the sale of the Bonds, in each case with such changes as are approved by the Authorized Officer. An Authorized Officer and such other officers of the District as may be authorized by the Board are, and each of them acting alone hereby is, authorized to deliver copies of the Preliminary Official Statement and the Official Statement with such changes therein as such officer shall approve, in his or her discretion, as being in the best interests of the District. Upon approval of such changes by such officer, the Preliminary Official Statement shall be "deemed final" as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (the "Rule") and an Authorized Officer is authorized to execute a certificate to that effect. Any Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 10. Authorization of Officers. The officers of the District and their authorized representatives are, and each of them acting alone is, hereby authorized to execute any and all documents and do and perform any and all acts and things, from time to time,

SECTION 12. Designation and Form; Payment.

(a) An issue of Bonds of one or more series entitled to the benefit, protection and security of this Resolution is hereby authorized in an aggregate Principal Amount not to exceed \$38,000,000.00. Such Bonds shall be general obligations of the District, payable as to Principal, premium, if any, and interest from *ad valorem* taxes to be levied upon all of the taxable property in the District without limitation as to rate or amount (except certain personal property which is taxable at limited rates). The Bonds shall be designated "Mt. The Bonds shall be subject to redemption as further set forth in the Bond Purchase Agreement, pursuant to this Resolution.

(b) The form of the Bonds shall be substantially in conformity with the standard forms of registered school district bonds, a copy of which is attached hereto as Exhibit A and incorporated herein by this reference.

(c) Principal, premium, if any, and interest with respect to any Bond are payable in lawful money of the United States of America. Principal and premium, if any, is payable upon surrender thereof at maturity or earlier redemption at the office designated by the Paying Agent in San Francisco or Los Angeles, California.

SECTION 13. Description of Bonds.

(a) The Bonds shall be issued in fully registered form, without coupons, in denominations of \$5,000 or any integral multiple thereof, except that one maturity may be in an odd amount. The Bonds shall be dated and shall mature on the dates, in the years and in the Principal Amounts, and interest shall be computed at the rates, set forth in the Bond Purchase Agreement.

(b) Interest on each Bond shall accrue from its dated date as set forth in the Bond Purchase Agreement. Interest on Bonds shall be computed using a year of 360 days comprised of twelve 30-day months and shall be payable on each Interest Payment Date to the Owner thereof as of the close of business on the Record Date. Interest with respect to each Bond will be payable from the Interest Payment Date next preceding the date of registration thereof, unless (i) it is registered after the close of business on any Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest with respect thereto shall be payable from such following Interest Payment Date; or (ii) it is registered prior to the close of business on the first Record Date, in which event interest shall be payable from its dated

date; provided, however, that if at the time of registration of any Bond interest with respect thereto is in default, interest with respect thereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. Payments of interest on the Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof on the Record Date, or by wire transfer to any Owner of \$1,000,000 or more of such Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name such Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than 15 days and not less than ten days prior to the date of the proposed payment of defaulted interest.

#### SECTION 14. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each maturity of the Bonds. Upon initial issuance, the ownership of each such Bond certificate shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

With respect to Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, Beneficial Owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on, the Bonds. The District may treat and consider the person in whose name each Bond is registered in the Bond Register as the absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on, such Bond, for the purpose of giving Redemption Notices and other notices with

respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on, the Bonds only to the respective Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on, the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word "Nominee" in this Resolution shall refer to such new nominee of the Depository.

(b) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the District within 90 days after the District receives notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall issue new bonds representing the Bonds as provided below. In addition, the District may determine at any time that the Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event, the District shall execute and deliver certificates representing the Bonds as provided below. Certificated securities issued in exchange for book-entry securities pursuant to this subsection shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The Paying Agent shall then deliver certificated securities representing the new bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully-registered book-entry security for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(c) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on, such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(d) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

#### SECTION 15. Execution of the Bonds.

(a) The Bonds shall be executed in the name of the District by the manual or facsimile signature of the President of the Board and the manual or facsimile signature of the Secretary of the Board or by a deputy of either of such officers. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed and sealed by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the District, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 16. Transfer and Exchange. The transfer of any Bond may be registered upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute Owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 17. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 18. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books.

SECTION 19. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the general fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first class mail, postage prepaid, after a date in said notice, which date shall not be less than 90 days prior to the date of such payment, to the effect that said money has not been claimed and that after a date named therein, any unclaimed balance of said money then remaining will be transferred to the general fund of the District. Thereafter, the Owners of such Bonds shall look only to the general fund of the District for payment of such Bonds.

SECTION 20. Application of Proceeds. Upon the sale of the Bonds, the District intends to deposit or cause to be deposited the proceeds of the sale of the Bonds as follows:

(a) The net proceeds of the Bonds shall be deposited into the Building Fund (the "Building Fund") which is hereby established for the account of the District and shall be administered by the County Office of Education. Money in the Building Fund shall be disbursed for the payment of the costs of acquiring and constructing the Project. If any amounts remain on hand in the Building Fund upon completion of the Project, upon the written request of the District, such remaining balance in the Building Fund shall be transferred to the Debt Service Fund (defined below). At such time that no amounts remain on deposit in the Building Fund, the County Treasurer may close the Building Fund.

SECTION 21. Payment and Security for the Bonds. The Board of Supervisors shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct *ad valorem* tax for the Fiscal Year upon the taxable property in the District without limitation as to rate or amount (except for certain personal property which is taxable at limited rates) in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable in the next succeeding Bond Year. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The District hereby pledges as security for the Bonds and the interest thereon and the County shall deposit or cause to be deposited in the District's Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "Pledged Moneys"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon. Other than the Pledged Moneys, no funds or accounts of the District are pledged to payment of the Bonds.

SECTION 22. Debt Service Fund.

(a) The District shall deposit or cause to be deposited any accrued interest and any original issue premium not applied towards payment of the Costs of Issuance and received by the District from the sale of the Bonds in the fund established and designated as the "Mt. Diablo Unified School District, General Obligation Bonds, 2010 Election, 2015 Series F, Debt Service Fund" (the "Debt Service Fund") to be administered by the County and used only for the payment of the Principal of, premium, if any, and interest on the Bonds.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(c) The County shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "Debt Service") on such Interest

Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District shall cause moneys to be transferred to the extent needed to comply with the Tax Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the general fund of the District.

SECTION 23. Establishment and Application of Excess Earnings Fund. The District shall establish a special fund designated “Mt. Diablo Unified School District General Obligation Bonds, 2010 Election, 2015 Series F, Excess Earnings Fund” (the “Excess Earnings Fund”) which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall deposit, or cause to be deposited, moneys to the Excess Earnings Fund in accordance with the provisions of the Tax Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Certificate.

SECTION 24. Payment of Costs of Issuance. The District may pay, or cause to be paid, Costs of Issuance using proceeds of the Bonds or, to the extent available, original issue premium derived from the sale of the Bonds and applied for that purpose as provided in the Bond Purchase Agreement.

SECTION 25. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the County Office of Education may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 26. Redemption. The Bonds shall be subject to redemption as provided in the Bond Purchase Agreement.

SECTION 27. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Bond Purchase Agreement for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 45 days prior to the date designated for such redemption, shall select Bonds for redemption in such order as the District may direct, or, in the absence of such direction, in inverse order of maturity within a series. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple.

SECTION 28. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Bond Purchase Agreement, the Paying Agent, upon written instruction from the District given at least 45 days prior to the date designated for such redemption, shall give notice (a “Redemption Notice”) of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of

redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount, of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date in the case of Bonds, and that from and after such date interest with respect thereto shall cease to accrue and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register. Notice of redemption may be given on a conditional basis in contemplation of a refunding of the Bonds.

(b) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to the Municipal Securities Rulemaking Board.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by series and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

**SECTION 29. Partial Redemption of Bonds.** Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

**SECTION 30. Effect of Notice of Redemption.** Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside for the payment of their redemption price, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 27 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Sections 27, 28, and 29 shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

Conditional Notice of Redemption. Any notice of optional redemption of the Bonds delivered in accordance with this Section may be conditional, and if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date, said notice: (i) shall be of no force and effect, (ii) the District shall not be required to redeem such Bonds; (iii) the redemption shall not be made and (iv) the Paying Agent shall within a reasonable time thereafter give notice to the persons in the manner in which the conditional notice of redemption was given, that such condition or conditions were not met and that the redemption was cancelled.

SECTION 31. Paying Agent, Appointment and Acceptance of Duties.

(a) The Board hereby consents to and confirms the appointment of Wells Fargo Bank National Association to act as initial Paying Agent for the Bonds under this Resolution. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The Paying Agent shall have a corporate trust office in San Francisco or Los Angeles, California.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 32. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 33. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 34. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. In no event shall the Paying Agent be required to expend its own funds hereunder.

The fees and expenses of the Paying Agent not paid from the proceeds of the sale of the Bonds shall be paid each year from the Debt Service Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 35. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 36. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The Paying Agent initially appointed hereunder may resign from service as Paying Agent and the District may remove such Paying Agent or any subsequent Paying Agent as provided in the respective Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the District shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in San Francisco or Los Angeles, California, with at least \$50,000,000 in net assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor.

(c) In the event of the merger or consolidation of the Paying Agent, so long as the successor entity of such merger or consolidation meets the requirements of this Resolution for serving as Paying Agent, such successor entity may continue to serve as Paying Agent unless removed by the District in accordance with paragraph (a) of this section.

SECTION 37. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the Excess Earnings Fund, the Debt Service Fund and the Building Fund shall remain on deposit in such funds.

The proceeds from the sale of the Bonds (net of premium, if any) will be deposited in the County treasury to the credit of the Building Fund. Any premium or accrued interest received by

the District from the sale of the Bonds will be deposited in the Debt Service Fund. Earnings on the investment of moneys in either fund will be retained in that fund and used only for the purposes to which that fund may lawfully be applied. Moneys in the Building Fund may only be applied for the purposes for which the Bonds were approved. Moneys in the Debt Service Fund may only be applied to make payments of interest, Principal, and premium, if any, on bonds of the District.

All funds held in the Debt Service Fund of the District shall be invested at the sole discretion of the County Treasurer. All funds held in the Building Fund by the Treasurer under this Resolution will be invested at the sole discretion of the Treasurer pursuant to applicable law and the investment policy of the County, unless otherwise directed in writing by the District. At the written direction of the District, all or any portion of the Building Fund may be invested in the Local Agency Investment Fund in the treasury of the State, and all or any portion of the Building Fund may be invested on behalf of the District in investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds, provided that the Treasurer will be a signatory to any such investment agreement. The Treasurer neither monitors investments for arbitrage compliance, nor does it perform arbitrage calculations. The District shall maintain or cause to be maintained detailed records with respect to the applicable proceeds.

The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing gross proceeds of the Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Resolution or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of section 148 of the Code).

SECTION 38. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 39. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that if a Bond Insurance Policy is in effect, and provided that the Bond Insurer, if any, complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption

date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification thereof or hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 40. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution; or

(d) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or

(e) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds; or

(f) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 41. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 42. Defeasance. If any or all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

(a) by well and truly paying or causing to be paid the Principal of and interest on all Bonds Outstanding, as and when the same become due and payable;

(b) by depositing with the Paying Agent, in trust, at or before maturity, cash which, together with the amounts then on deposit in the Debt Service Fund plus the interest to accrue thereon without the need for further investment, is fully sufficient to pay all Bonds Outstanding on their redemption date or at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

(c) by depositing with an institution to act as escrow agent selected by the District and which meets the requirements of serving as Paying Agent pursuant to Section 31, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series Obligations) or obligations which are unconditionally guaranteed by the United States of America and described under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient, in the opinion of a verification agent satisfactory to the District, to pay and discharge all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to such Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 34 hereof.

SECTION 43. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if the Superintendent, in consultation with the Representative and the Financial Advisor, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

SECTION 44. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the terms of the Continuing Disclosure Agreement. The Board hereby approves the form of Continuing Disclosure Agreement attached to the Preliminary Official Statement for the Bonds on file with the Clerk of the Board. Any Underwriter, any Owner or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section 44 and the Continuing Disclosure Agreement.

SECTION 45. Tax Covenants

(a) Tax Covenants Relating to Tax-Exempt Bonds.

(i) *Private Activity Bond Limitation.* The District shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

(ii) *Federal Guarantee Prohibition.* The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(iii) *Rebate Requirement.* The District shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

(iv) *No Arbitrage.* The District shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

(v) *Maintenance of Tax-Exemption.* The District shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

(vi) *Record Retention.* The District will retain its records of all accounting and monitoring it carries out with respect to the Bonds for at least 3 years after the Bonds mature or are redeemed (whichever is earlier); however, if the Bonds are redeemed and refunded, the District will retain its records of accounting and monitoring at least 3 years after the earlier of the maturity or redemption of the obligations that refunded the Bonds.

(vii) *Compliance with Tax Certificate.* The District will comply with the provisions of the Tax Certificate and the Use of Proceeds Certificate with respect to the Bonds, which are incorporated herein as if fully set forth herein. The covenants of this Section will survive payment in full or defeasance of the Bonds.

SECTION 46. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The Board hereby declares that it would have adopted this Resolution and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable.

SECTION 47. Conditions Precedent. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds, in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been

performed and have been met, in regular and due form as required by law, and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 48. Effective Date of Resolution. This Resolution shall take effect from and after the date of its passage and adoption.

All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of 55% or more of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to both Principal and interest from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Bonds maturing on or before August 1, 20\_\_ shall not be subject to redemption prior to their maturity dates. The Bonds maturing on or before August 1, 20\_\_ may be redeemed prior to their respective stated maturity dates, at the option of the District, from any source of available funds, on August 1, 20\_\_ or on any date thereafter as a whole, or in part, at the principal amount thereof, together with interest accrued thereon to the date of redemption, without premium.

The Bonds maturing on August 1, 20\_\_, are subject to mandatory sinking fund redemption, in part by lot, on August 1 in each of the years and in the principal amounts set forth in the following schedule, at a redemption price of par, plus accrued interest to the date fixed for redemption:

Mandatory Sinking Fund  
Payment Date (August 1)

Mandatory Sinking Fund Payment

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; (5) to make such additions, deletions, modifications, as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds; 6) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Principal Amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Education Code of the State and that all of the proceedings of the Board of Education of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by law.

IN WITNESS WHEREOF, Mt. Diablo Unified School District has caused this Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signature of the President of the Board of Education of the Mt. Diablo Unified School District, and to be countersigned by the manual or facsimile signature of the Secretary of the Board of Education of the Mt. Diablo Unified School District.

Board of Education  
Mt. Diablo Unified School District

Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated, as representative (the “Representative”) of itself and George K. Baum & Company (collectively, the “Underwriters”), offers to enter into this Contract of Purchase (the “Purchase Agreement”) with the Mt. Diablo Unified School District (the “District”), which, upon the District’s acceptance hereof, will be binding upon the District and the Underwriters. By execution of this Purchase Agreement, the District and the Representative acknowledge the terms hereof and recognize that they will be bound by certain of the provisions hereof, and to the extent binding thereupon, acknowledge and agree to such terms. This offer is made subject to the written acceptance of this Purchase Agreement by the District, and delivery of such acceptance to the Representative at or prior to 11:59 p.m., California time, on the date hereof.

**Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriters (acting as principals and independent contractors and not as advisors or fiduciaries), jointly and severally, hereby agree to purchase from the District for reoffering to the public, and the District hereby agrees to sell to the Underwriters for such purpose, all (but not less than all) of \$ \_\_\_\_\_ aggregate principal amount of the District’s General Obligation Bonds, 2010 Election, 2015 Series F (the “Bonds”). The Underwriters have designated the Representative to act as their representative, and the Representative hereby represents that it is duly authorized to execute this Purchase Agreement for and on behalf of the Underwriters and to act hereunder by and on behalf of the Underwriters. The Bonds shall bear interest at the rates with the yields, shall mature in the years and shall be subject to redemption as shown on Exhibit A hereto, which is incorporated herein by this reference. The Underwriters shall purchase the Bonds at a price of \$ \_\_\_\_\_ (consisting of the aggregate initial principal amount of the Bonds of \$ \_\_\_\_\_ plus net original issue premium of \$ \_\_\_\_\_ [less \$ \_\_\_\_\_ to be deposited by the Representative into an account to be held with a commercial bank (the “Fiscal Agent”) and used to pay costs of issuance pursuant to the provisions of Section 12 hereof] and

less an Underwriters' discount of \$\_\_\_\_\_). [The District acknowledges that the bond proceeds retained by the Representative to pay costs of issuance do not constitute Underwriters' compensation. The proceeds of the Bonds deposited by the Representative with the Fiscal Agent shall be applied to pay a portion of the allocated costs of issuance of the Bonds as provided below. If, after payment of all costs of issuance, any amount deposited by the Representative with the Fiscal Agent has not been expended, such amount shall be paid by the Representative or the Fiscal Agent to the County for application as set forth in Section 12 hereto. In the event the amount deposited in the costs of issuance account is insufficient to pay costs of issuance, any shortfall shall be paid by the District.]

The District acknowledges and agrees that:

the purchase and sale of the Bonds under this Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriters;

in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principals and are not acting as municipal advisors (as defined in Section 15B(e)(4) of the Securities Exchange Act of 1934, as amended) or as the agents or fiduciaries of the District;

the Underwriters have not assumed a fiduciary responsibility in favor of the District with respect to: (i) the offering of the Bonds or the process leading thereto (whether or not the Underwriters, or any affiliate of the Underwriters, have advised or are currently advising the District on other matters); or (ii) any other obligation to the District except the obligations expressly set forth in this Purchase Agreement; and

the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with this transaction.

The District acknowledges that it has previously provided the Underwriters with an acknowledgement of receipt of the required Underwriter disclosure under Rule G-17 of the Municipal Securities Rulemaking Board ("MSRB").

**The Bonds.** The Bonds shall be dated as of their date of delivery and shall mature on August 1 in the years shown on Exhibit A hereto. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of the Resolution of the Board of Education of the District, adopted on April 20, 2015 (the "Bond Resolution"), this Purchase Agreement, and Section 53506 et seq. of the Government Code of the State of California (the "Act"). Certain provisions for the redemption of the Bonds, not otherwise specified in the Bond Resolution, are shown in Exhibit A attached hereto and incorporated herein by reference, all as provided in the Bond Resolution. The initial Paying Agent for the Bonds, as designated by the Bond Resolution, shall be Wells Fargo Bank, National Association (the "Paying Agent").

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Bond Resolution. The Bonds shall be in book-entry form, shall bear CUSIP numbers, and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC").

The District intends to apply the net proceeds of the Bonds to finance the construction, acquisition, furnishing and equipping of District facilities as specified in the bond proposition approved by the voters on June 8, 2010 (the "Election").

**Use of Documents.** The District hereby authorizes the Underwriters to use, in connection with the offering and sale of the Bonds, this Purchase Agreement, the Official Statement, and the Bond Resolution, and all information contained herein and therein and all of the documents, certificates or statements furnished by the District to the Representative in connection with the transactions contemplated by this Purchase Agreement (except as such documents otherwise expressly provide).

**Public Offering of the Bonds.** The Underwriters agree to make a bona fide public offering of all the Bonds at the initial public offering prices or yields to be set forth on the cover or inside cover page of the Official Statement, defined below. Subsequent to such initial public offering, the Underwriters reserve the right to change such initial public offering prices or yields as they deem necessary in connection with the marketing of the Bonds; provided that the Underwriters shall not change the interest rates set forth in Exhibit A. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices stated in the Official Statement.

The Representative hereby represents to the District (a) that as of the date of sale, all of the Bonds purchased were expected to be reoffered in a bona fide public reoffering; (b) that as of the date of the certification at Closing (as defined herein), all of the Bonds purchased had actually been offered to the general public at the offering prices shown in Exhibit A; and (c) that the prices given in Exhibit A are the maximum initial bona fide offering prices at which a substantial amount (at least 10%) of each maturity of the Bonds purchased (or as otherwise indicated) was offered to the general public. The Representative agrees, upon request, to furnish to the District or to Bond Counsel, reasonable written verification of its compliance with this paragraph, in the form of a certificate of the Representative at Closing.

**Official Statement.** The District has caused to be drafted and consents to the use of a Preliminary Official Statement, dated as of \_\_\_\_\_, 2015 (the "Preliminary Official Statement"), including the cover page and Appendices thereto, relating to the Bonds. The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule"). The Preliminary Official Statement has been prepared for use by the Underwriters in connection with the public offering, sale and distribution of the Bonds.

The District hereby authorizes the preparation of a final Official Statement respecting the Bonds following the execution hereof (the "Official Statement") and the District hereby authorizes the use thereof by the Underwriters in connection with the public offering and sale of the Bonds. The District shall provide, or cause to be provided, to the Underwriters as soon as practicable after the date of the District's acceptance of this Purchase Agreement (but, in any

event, not later than seven business days after the execution hereof, and in sufficient time to accompany any confirmation of a sale of Bonds) copies of the Official Statement, which is complete as of the date of its delivery to the Underwriters, in such reasonable quantities as the Underwriters shall request in order to comply with Section (b)(4) of the Rule and the rules of the MSRB.

The Underwriters agree that prior to the time the final Official Statement relating to the Bonds is available, the Underwriters will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first-class mail or electronic distribution (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

During the period ending on the twenty-fifth day after the End of the Underwriting Period (as defined below) (or such other period as may be agreed to by the District and the Representative), the District (a) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Representative; and (b) shall notify the Representative promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Representative, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare and furnish to the Underwriters, at the District's expense, such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Representative, as the Underwriters may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, such additional legal opinions, certificates, instruments and other documents as the Representative may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Purchase Agreement:

The "End of the Underwriting Period" is used as defined in Rule 15c2-12 and shall occur on the later of (a) the date of Closing, or (b) when the Underwriters no longer retain an unsold balance of the Bonds; unless otherwise advised in writing by the Representative on or prior to the date of Closing, or otherwise agreed to by the District and the Representative, the District may assume that the End of the Underwriting Period is the date of Closing.

**Closing.** At 9:00 a.m., California time, on \_\_\_\_\_, 2015, or at such other time or on such other date as shall have been mutually agreed upon by the District and the Representative (the "Closing"), the District will deliver or arrange to deliver to the Representative, through the facilities of DTC, or at such other place as the parties may mutually agree upon, the Bonds in book-entry form, duly executed and registered as provided in Section 2 above, together with the other documents hereinafter mentioned; and the Underwriters will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or

accounts within the United States designated by the District. As set forth in Section 1, the Representative will deposit certain original issue premium with the Fiscal Agent, who shall pay or provide for payment of certain costs of issuance of the Bonds.

**Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriters that:

The District is a unified school district, duly organized and validly existing under the laws of the State of California, with the full legal right, power and authority to (i) issue the Bonds pursuant to the Act; (ii) enter into, execute and deliver this Purchase Agreement and the Continuing Disclosure Agreement appended to the Official Statement (the “Continuing Disclosure Agreement”); and (iii) adopt the Bond Resolution.

(i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has the legal right, power and authority to enter into this Purchase Agreement, to adopt the Bond Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Agreement and the Bond Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds, the Continuing Disclosure Agreement, the Bond Resolution, and this Purchase Agreement (collectively, the “District Documents”) have been duly authorized and such authorization shall be in force and effect at the time of the Closing; (iv) the District Documents constitute valid and legally binding obligations of the District enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and to principles of equity relating to or affecting the enforcement of creditors’ rights; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Agreement and by the Official Statement.

No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions which may qualify the Bonds for offer and sale under “Blue Sky” or other securities laws and regulations of such states and jurisdictions of the United States as the Representative may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

The District has complied, or will comply, with the requirements of the Internal Revenue Code of 1986, as amended (the “Code”), applicable to the Bonds.

To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of the District Documents, and the compliance with the provisions thereof and hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any

existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

As of the time of acceptance hereof no action, suit, hearing or investigation is pending or, to the best knowledge of the District, threatened: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of revenues available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Agreement or the Bond Resolution or contesting the powers of the District or its authority with respect to the Bonds, this Purchase Agreement or the Bond Resolution; or (iii) in which a final adverse decision could (A) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Agreement or the Bond Resolution, (B) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (C) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest on the Bonds from California personal income taxation.

Between the date hereof and the Closing without the prior written consent of the Representative, neither the District nor any entity in the name and on behalf of the District, will have issued in the name and on behalf of the District, any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

Any certificates signed by any officer of the District and delivered to the Representative shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same, as to the statements made therein.

With respect to any certifications of the District pursuant to Section 42131 of the Education Code of the State, the District has not received for the current, and for the next reporting period (based on currently available information) does not expect to receive, a negative classification from the County Superintendent of Schools.

In accordance with the requirements of the Rule, the District will enter into the Continuing Disclosure Agreement, upon or prior to the sale of the Bonds, in which the District will undertake, for the benefit of the Owners of the Bonds, to provide certain information as set forth therein. Except as otherwise described in the Official Statement, the District has not failed during the previous five years to comply in all material respects with any previous undertakings in a written continuing disclosure certificate or agreement under the Rule.

The District will furnish such information and execute such instruments and take such action in cooperation with the Representative as the Representative may reasonably

request, and at the sole expense of the Representative, in order to qualify the Bonds for offering and sale under the “Blue Sky” or other securities laws and regulations of such states and other jurisdictions in the United States as the Representative may designate and determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and to continue such qualifications in effect so long as may be required for the distribution of the Bonds (provided, however, that the District will not be required to qualify as a foreign corporation or to file any general or special consent to service of process under the laws of any jurisdiction).

The Preliminary Official Statement did not as of its date and the Official Statement does not as of its date and as of the date of Closing will not (excluding therefrom information relating to The Depository Trust Company, its book-entry system, and information provided by the Underwriters, the County or County officers) contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of, and other financial information regarding, the District contained in the Official Statement fairly represent the financial position and operating results of the District as of the dates and for the periods set forth therein. Prior to the Closing, there will have been no adverse change of a material nature in such financial position, results of operation or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending, or, to its knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

The financial statements of, and other financial information regarding, the District contained in the Official Statement fairly represent the financial position and operating results of the District as of the dates and for the periods set forth therein. Since the date of the Preliminary Official Statement, there has been no adverse change of a material nature in such financial position, results of operation or condition, financial or otherwise, of the District. The District is not a party to any litigation or other proceeding pending or, to its best knowledge, threatened which, if decided adversely to the District, would have a materially adverse effect on the financial condition of the District.

**Underwriters’ Representations, Warranties and Agreements.** The Underwriters represent, warrant to and agree with the District that, as of the date hereof and as of the date of Closing:

The Representative is duly authorized to execute this Purchase Agreement through its officer as undersigned and is authorized to take any action(s) under this Purchase Agreement required to be taken by it.

The Underwriters are in compliance with MSRB Rule G-37 with respect to the District, and are not prohibited thereby from acting as Underwriters with respect to the securities of the District.

The Underwriters have, and have had, no financial advisory relationship with the District with respect to the Bonds, and no investment firm controlling, controlled by or

under common control with the Underwriters have or have had any such financial advisory relationship with the District with respect to the Bonds, within the meaning of California Government Code Section 53590.

The Underwriters have not paid or agreed to pay, nor will they pay or agree to pay, any entity, company, firm, or person (including, but not limited to, the District's financial consultants, or any officer, agent or employee thereof), other than a bona fide officer, agent or employee working for the Underwriters, any compensation, fee, gift or other consideration contingent upon or resulting from the award of or entering into this Purchase Agreement.

The Representative has reasonably determined that the District's undertaking to provide continuing disclosure with respect to the Bonds pursuant to Section 9(e)(xv) hereof is sufficient to effect compliance with the Rule.

**Covenants of the District.** The District covenants and agrees with the Underwriters that:

***Securities Laws.*** The District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request, at the Underwriters' cost and expense, in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions; provided, however, that the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

***Application of Proceeds.*** The District will apply the proceeds from the sale of the Bonds for the purposes specified in the Bond Resolution.

***Subsequent Events.*** The District hereby agrees to notify the Underwriters of any event or occurrence that may affect in any material respect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is 90 days following the Closing.

***Filings.*** The District authorizes the Representative to file, to the extent required by the applicable rules promulgated by the Securities and Exchange Commission or the MSRB, and the Representative agrees to file or cause to be filed, the Official Statement with (i) the MSRB or its designee (including the MSRB's Electronic Municipal Market Access system); or (ii) other repositories approved from time to time by the Securities and Exchange Commission (either in addition to or in lieu of the filing referred to above).

***References.*** References herein to the Preliminary Official Statement and the final Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

**Conditions to Closing.** The Representative has entered into this Purchase Agreement in reliance upon the representations and warranties of the District contained herein and the performance by the District of its obligations hereunder and in reliance upon the representations,

warranties and agreements to be contained in the documents and instruments to be delivered at the date of Closing. Accordingly, the Underwriters' obligations under this Purchase Agreement to purchase, to accept delivery of and to pay for the Bonds are and shall be conditioned upon the performance by the District of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject at the option of the Representative, to the following further conditions, including the delivery by the District of such documents and instruments as are enumerated herein, in form and substance satisfactory to the Representative:

The representations and warranties of the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Representative at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the District shall be in compliance with each of the agreements made by it in this Purchase Agreement.

At the time of the Closing, (i) the Official Statement, this Purchase Agreement and the Bond Resolution shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Representative; (ii) all actions under the Act which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the District shall perform or have performed all of their respective obligations required under or specified in the Bond Resolution, this Purchase Agreement or the Official Statement to be performed at or prior to the Closing.

No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, pending or threatened, which has any of the effects described in Section 7(f) hereof, or contesting in any way the completeness or accuracy of the Official Statement.

Between the date hereof and the Closing, the market price for the Bonds, or the market for or marketability of the Bonds at the initial offering prices set forth in the Official Statement, or the ability of the Underwriters to enforce contracts for the sale of the Bonds, shall not have been materially adversely affected in the reasonable professional judgment of the Representative (evidenced by a written notice to the District terminating the obligation of the Underwriters to accept delivery of and pay for the Bonds) by reason of any of the following:

legislation enacted by the Congress of the United States, or passed by either House of the Congress, or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of the State of California (the "State"), or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United

States or the State or by the United States Tax Court, or an order, regulation (final, temporary or proposed) or official statement issued or made:

by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

the declaration of war or engagement in or material escalation of major military hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue of a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, underwriters;

an order, decree or injunction of any court of competent jurisdiction, or order, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in

credit watch status by any national rating service to any of the District's outstanding indebtedness;

any event occurring, or information becoming known which, in the reasonable judgment of the Representative, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or results in an omission to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

there shall have occurred since the date of this Purchase Agreement any materially adverse change in the affairs or financial condition of the District;

any state "Blue Sky" or securities commission, or other governmental agency or body, shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto;

any amendment shall have been made to the federal or State Constitution or action by any federal or State court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the District, its property, income, securities (or interest thereon) or the validity or enforceability of the levy of taxes to pay principal of and interest on the Bonds; or

the purchase of and payment for the Bonds by the Underwriters, or the resale of the Bonds by the Underwriters, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

At or prior to the date of the Closing, the Representative shall receive three copies of the following documents, in each case dated as of the date of Closing and satisfactory in form and substance to the Representative:

the statements contained in the Official Statement in the sections thereof entitled: "INTRODUCTION," "THE BONDS," "SECURITY FOR THE BONDS" and "TAX MATTERS" (excluding information related to DTC, its book-entry-only system, and certain statistical information), insofar as such statements purport to summarize certain provisions of the Bonds, the Bond Resolution and the opinions of Bond Counsel and Special Tax Counsel, present a fair and accurate summary of such provisions; and

the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Bond Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended;

an opinion of Dannis Woliver Kelley, as Disclosure Counsel to the District, addressed to the Underwriters, to the effect that: without having undertaken to determine independently the accuracy or completeness of the statements contained in the Preliminary Official Statement and the Official Statement, but on the basis of their participation in conferences with representatives of the District and the Underwriters and others, and their examination of certain documents, no information has come to their attention which would lead them to believe that the Preliminary Official Statement, as of its date, and the Official Statement, as of its date and as of the date of Closing, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except that no opinion or belief need be expressed as to the Appendices of the Preliminary Official Statement or the Official Statement or any other financial, statistical and demographic data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, book-entry or DTC contained in the Preliminary Official Statement or the Official Statement);

an opinion of Kutak Rock LLP, as Underwriters' Counsel, in form and substance acceptable to the Representative;

a certificate signed by an appropriate official of the District to the effect that (A) such official is authorized to execute this Purchase Agreement; (B) the representations, agreements and warranties of the District herein are true and correct in all material respects as of the date of Closing; (C) the District has complied with all the terms of the Resolutions and this Purchase Agreement to be complied with by the District prior to or concurrently with the Closing and such documents are in full force and effect; (D) such official has reviewed the Official Statement and on such basis certifies that the Official Statement does not contain any untrue statements of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading; (E) the Bonds being delivered on the date of the Closing to the Representative under this Purchase Agreement substantially conform to the descriptions thereof contained in the Resolutions; and (F) there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or public body, pending or, to his or her knowledge, threatened against the District contesting in any way the completeness or accuracy of the Official Statement, the issuance of the Bonds by the District or the due adoption of the Bond Resolution;

tax certificate(s) of the District in form(s) satisfactory to Bond Counsel and Special Tax Counsel;

Internal Revenue Service Form(s) 8038-G, as prepared for the Bonds;

such additional legal opinions, certificates, proceedings, instruments, and other documents as the Underwriter may reasonably request in order to evidence compliance (A) by the District with legal requirements; (B) of the truth and accuracy, as of the time of Closing, of the representations of the District herein contained and of the Official Statement; and (C) of the due performance or satisfaction by the District at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by the District.

***Underwriters' Certifications.*** At or prior to the date of the Closing, and contemporaneously with the acceptance and delivery of the Bonds and the payment of the purchase price therefore (as set forth herein), the Representative shall provide to the District:

the receipt of the Representative, in form satisfactory to the District and signed by an authorized officer of the Representative, accepting the Bonds by the Representative and receipt of all documents required by the Representative pursuant to the terms hereof, and the satisfaction or waiver of all conditions and terms of this Purchase Agreement by the District, and confirming to the District that as of the date of Closing all of the representations of the Representative contained in this Purchase Agreement are true, complete and correct in all material respects; and

the certification(s) of the Representative, signed by an authorized officer of the Representative, in form satisfactory to Bond Counsel and Special Tax Counsel, regarding the prices at which the Bonds have been reoffered to the public, as described in Section 4 hereof and such other matters relative to the Bonds as Bond Counsel or Special Tax Counsel may request.

Notwithstanding anything to the contrary herein contained, if for any reason whatsoever, the Bonds shall not have been delivered by the District to the Representative for checking prior to the close of business, California Time, on a day no later than two Business Days prior to the Closing, then the obligation to purchase Bonds hereunder shall

terminate and be of no further force or effect except with respect to the obligations of the District and the Underwriters under Section 14 hereof.

If the District shall be unable to satisfy the conditions to the Underwriters' obligations contained in this Purchase Agreement or if the Underwriters' obligations shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement may be cancelled by the Representative at, or at any time prior to, the time of Closing. Notice of such cancellation shall be given to the District in writing or by telephone or facsimile, confirmed in writing. Notwithstanding any provision herein to the contrary, the performance of any and all of the respective obligations of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriters may be waived by the Representative in writing at its sole discretion.

**Conditions to Obligations of the District.** The performance by the District of its obligations under this Purchase Agreement is conditioned upon (a) the performance by the Underwriters of their obligations hereunder, and (b) receipt by the District and by the Representative of opinions and certificates being delivered at the Closing by persons and entities other than themselves.

**Expenses.** The Representative, on behalf of the District, shall pay any expenses incident to the performance of the District's obligations hereunder in an amount not to exceed \$\_\_\_\_\_ from the proceeds of the Bonds deposited with the Fiscal Agent pursuant to Section 1, including, but not limited to, the following: (a) the fees and disbursements of Bond Counsel, Disclosure Counsel, Special Tax Counsel and the Financial Advisor; (b) the cost of the preparation, printing and delivery of the Bonds; (c) the fees, if any, for Bond ratings including all expenses related to obtaining such ratings; (d) the cost of the printing and distribution of the Preliminary Official Statement and Official Statement; (e) the initial fees of the Paying Agent and the fees of the Fiscal Agent to pay costs of issuance; and (f) all other fees and expenses incident to the issuance and sale of Bonds, but only to the extent that original issue premium deposited by the Representative with the Fiscal Agent proves sufficient to pay the same. In the event that following payment of the expenses set forth above, the amount of \$\_\_\_\_\_ deposited by the Representative with the Fiscal Agent to pay costs of issuance exceeds the actual costs described herein, the Representative or the Fiscal Agent shall remit any remaining amount to the County, on behalf of the District, for deposit into the District's Debt Service Fund (as defined in the Bond Resolution) for the Bonds. At the time that all such costs of issuance are paid, the Representative, or the Fiscal Agent, shall provide the District with a complete accounting of such payments and any amounts remaining after all such payments have been made. Any expenses owing following the depletion of said amount deposited with the Fiscal Agent shall be for the account of the District. The Underwriters shall pay their out-of-pocket expenses, (other than travel incurred in connection with obtaining ratings), including the California Debt and Investment Advisory Commission fee.

**Notices.** Any notice or other communication to be given under this Purchase Agreement (other than the acceptance hereof as specified in the first Section hereof) may be given by delivering the same in writing, if to the District, to the Chief Financial Officer of Mt. Diablo Unified School District, 1936 Carlotta Drive, Concord, California 94519, or if to the

Underwriters at Stifel, Nicolaus & Company, Incorporated, One Montgomery Street, Suite 3700, San Francisco, California 94104, Attention: Bruce Kerns.

**Parties In Interest; Survival of Representations and Warranties.** This Purchase Agreement when accepted by the District in writing as heretofore specified shall constitute the entire agreement between the District and the Underwriters. This Purchase Agreement is made solely for the benefit of the District and the Underwriters (including the successors or assigns of the Underwriters). No person shall acquire or have any rights hereunder or by virtue hereof. All the representations, warranties and agreements of the District in this Purchase Agreement shall survive regardless of (a) any investigation of any statement in respect thereof made by or on behalf of the Underwriters, (b) delivery of and payment by the Underwriters for the Bonds hereunder, and (c) any termination of this Purchase Agreement.

**Severability.** In the event any provision of this Purchase Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**Nonassignment.** Notwithstanding anything stated to the contrary herein, neither party hereto may assign or transfer its interest herein, or delegate or transfer any of its obligations hereunder, without the prior written consent of the other party hereto.

**Entire Agreement.** This Purchase Agreement, when executed by the parties hereto, shall constitute the entire agreement of the parties hereto, including their permitted successors and assigns, respectively.

**Execution in Counterparts.** This Purchase Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same document.

**Applicable Law.** This Purchase Agreement shall be interpreted, governed and enforced in accordance with the law of the State of California applicable to contracts made and performed in such State.
