

Accessing Single Plans for Student Achievement

Go to the Mt. Diablo Unified School District website at www.mdusd.org. On the home page, go to **Schools, School Reports & Plans**.

On the **Reports & Plans** page, click on **"Single Plans for Student Achievement"**

On the next screen, click on the name of the school for the plan you wish to view.

As soon as translations are completed, the Spanish version of the plans will be uploaded. You will then be able to access them by clicking on the work "Spanish" next to the school's name.
