

## MT. DIABLO UNIFIED SCHOOL DISTRICT

### **Summary**

#### Design Professional for Measure C, Group I, Mechanical Upgrade at Woodside Elementary School

The professional services of an architect are necessary to provide engineering, comprehensive architectural design and administrative work including the DSA approval process necessary to complete 2010 Measure C, Group I, Mechanical Upgrade at Woodside Elementary School.

Comment: Staff negotiated and contracted a 'Not to Exceed' contract to complete the required scope with PHd Architects, Inc. of Lafayette, CA, per Resolution No. 18/19-63 on June 26, 2019.
