Youth Employment Services (YES) Program Worksite Agreements for three different groups of youth:

- Workforce Investment and Opportunity Act (WIOA) eligible youth. Youth who are currently in high school and will be placed at various internships to gain employable skills while participating in career exploration activities. They will be paid (using Workforce investment and Opportunity Act (WIOA) funds) an hourly wage of \$10.50 per hour and they will earn 5 high school work experience credits. The work experience class will be held on at Mt. Diablo High School on Fridays.
- Youth in Career Academies. There were internship that we were not able to be filled by YES enrolled youth; therefore, these slots were offered to students who are in career academies. These students will participate in an unpaid internship but will earn the high school work experience credits.
- Youth who have graduated and need support with transitioning beyond high school. These youth have graduated from an alternative educational program and will be participating in a summer internship while being enrolled in Diablo Valley College's (DVC) Work Experience class, allowing them to earn 2.3 college credits. The goal of this program is to support this population with a seamless transition to begin in the fall with DVC's career technical education program.
