Dear Jamie,

This letter is with regards to the Friends of Camp Concord and Mt. Diablo Unified School District CARES Expanded Learning Program and the Camp Concord Youth Camp Elementary Weekend of May 19 to May 21, 2023 and the Middle & High School week of June 26 to June 30, 2023.

Friends of Camp Concord is a 501(c)3 nonprofit that's primary mission is to send youth to Camp Concord. It is a volunteer based nonprofit and has no employees. To support sending youth to Camp we have volunteers and independent contractors that provide the services outlined in the Memorandum of Understanding. All volunteers and Contractors are background checked through the same DOJ process required by school districts.

Because of the above, Friends of Camp Concord does not have payroll and does not qualify for a Workers Compensation policy.

Our Federal Tax ID is 68-0067169.

Warmly,

Dave Goldman
President
