When to pay your bill:

Your payment is due by the due date on the bill, which is thirty days from the invoice date. If we don't receive payment by the Due Date indicated on your bill, your account will become past due.

Late payment charge:

A late payment charge of 1.5% per month will be assessed on outstanding charges not paid within sixty days of the date the invoice was mailed. The amount of the late payment charge shall be the amount set forth in Government Code Section 926.17. The Late Payment Date will be at least 60 days from the mail date of your invoice.

Questions about your bill:

If you have questions about your bill or have a dispute about a specific charge, please call your Service Representative at the number shown on your bill. If you are not satisfied after receiving an explanation, ask to speak with a manager. AT&T will investigate and notify you with the results.

If you still disagree:

- You first must pay the undisputed amount to AT&T by the Due date found on the invoice.
- You must file a claim with the California Public Utilities Commission (CPUC) within 7 calendar days after we have notified you of the results of our investigation. This will avoid the possible interruption of your service.

To file a claim with the CPUC:

- You must send an explanation of your claim and a check for the disputed amount to the CPUC to be held as a deposit.
- The CPUC only accepts deposits for matters which relate to the accuracy of the bill.
- The CPUC will review your claim and distribute the funds based on investigation.
