# Golden Rule Signs, Terms and Conditions of Sale v5117

## **1.0 Basis of Sale**

No variation to these Conditions shall be binding unless agreed in writing between authorized representatives of the Buyer & Seller. Additional, different, or inconsistent terms or conditions proposed or received from Buyer, including without limitation, any additional, different, or inconsistent terms or conditions in Buyer's request for proposals or order, are hereby rejected and shall not be a part of the parties' contract. Seller's commencement of any work or delivery of any goods does not constitute acceptance of or consent to any additional, different, or inconsistent terms. Changes in orders must be requested by Buyer in writing. No changes in orders or these terms and conditions shall be binding on Seller unless specifically agreed in writing signed by Seller. Seller is not liable or responsible for any delays caused by Buyer's changes in orders. Sales literature, price lists, and other documents issued by Seller in relation to the Goods are subject to alteration by Seller without notice, do not constitute offers to sell the Goods which are capable of acceptance, and do not constitute a part of this Contract unless the parties otherwise expressly agree in writing. Typographical, clerical, or other accidental errors or omissions in any sales literature, quotation, price list, acceptance of offer, invoice, or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

## **1.0 Orders, Specifications & Permits**

All specifications of the order, products, and services provided by the Seller shall be listed on the Buyer's signed quote form including items such as shipping, installation, permitting, training, custom artwork, and design. Items not listed on the quote are not included in the specifications of the Goods. Seller does not provide/run electric lines – this is Buyer responsibility unless otherwise specifically stated on the signed quote form. No order which has been accepted by the Seller may be canceled by the Buyer except with agreement in writing by the Seller and with the understanding that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labor and materials used), damages, charges and expenses incurred by the Seller. The cost for local zoning permits, if required, are the sole responsibility of the Buyer unless included as a line item in the order. The Seller may, at its option assist in providing drawings, sketches/renderings, or technical information. Permits are added to the balance invoice at cost unless a line item price has already been assigned. If a variance process is required, a change order is required. Any required core samples, engineered drawings, inspections, architect reviews, or additional certifications/tests requested or required by the Buyer or the Buyer's local government are the financial responsibility of the Buyer. If for any reason the local governing authorities (be it city, county, or state planning/zoning, permit office, building inspections etc.) deny the permit application, Buyer is conclusively responsible for all costs incurred. Rock and uncommon conditions clause: In the event that the site soil or rock conditions are such to prevent normal excavation and construction, Buyer is responsible for additional charges at cost if incurred. Such as increased footer size due to engineering requirements, structural forms, water pump-out, rock or sediment requiring removal or additional machinery outside of the typical scope. Buyer will be notified in such an event, is responsible for all charges at cost which will be reflected in the balance invoice. If Seller is to utilize a client's existing support structure when installing a sign, it is hereby known that Seller has no knowledge of the depth, size, or integrity of the footer below grade or materials/methods used to construct the existing support structure. As such, Buyer agrees to hold Seller harmless and void of all liability as it relates to the existing support structure, including the footer.

## **1.0 Terms of Payment Payment to Seller**

Terms of Payment to Seller is specified on the Quote. In the event that Buyer is paying through installments, "due on or before" dates will be set forth on the Quote. Any payments that are past due by 7 or more calendar days shall be assessed a \$50 late fee. In addition, any payments that are past due by more than 30 calendar days shall bear interest at a rate equal to the lesser of (a) one and one-half percent (1.5%) per month or (b) the maximum permitted by law. Noncompliance with payment terms or any other failure by Buyer to observe, perform, and be in compliance with the terms and conditions of this Contract, will be a breach of contract by the Buyer. In that event, (a) Seller may exercise all rights and remedies available to it at law or in equity, and title to the Goods shall revert to the Seller, and (b) the Buyer waives all rights to the Goods and services that were to be provided as well as monetary damages. In the event that Seller hires an attorney to represent it in any dispute in any way related to this Contract, Buyer expressly agrees to pay all legal fees and costs incurred by such attorney in such a matter.

## **1.0 Delivery**

The date of delivery of the Goods may vary due to the nature of manufacturing custom signage. Estimated delivery/installation dates are estimations. Seller shall be held harmless if the estimated delivery/installation date is exceeded. Buyer is responsible for any increased installation costs due to delays caused by Buyer (lack of access to site or personnel during the planned visit, delivery or installation, undisclosed underground lines, or unprepared site provisions or customer-caused delays). Shipping terms are FOB Plant. If Goods are shipped directly to Buyer, Buyer is solely responsible for any damage during shipping. Buyer is advised to examine the crate and Goods before accepting and reject any damaged shipment. This does not apply to projects where a Seller contracted installer is receiving Goods.

## **1.0 Assignment of Manufacturer's Warranties**

Seller hereby assigns to Buyer, to the extent assignable, all manufacturer's warranties and service agreements with respect to the Goods, if any, for the purpose of making appropriate claims against the manufacturer, provided that the Seller shall retain at all times the right to be protected by these warranties, agreements, and indemnities.

## **1.0 Legal**

Buyer represents and warrants that it is duly authorized to enter into this Contract and that this Contract constitutes its legal, valid, and binding obligation, enforceable in accordance with its terms. It is the responsibility of the Buyer to ensure that this purchase and signing of this contract is compliant with the Buyer's protocol and procedures. This contract shall be governed by the laws of the Commonwealth of Kentucky, without regard to its conflict of laws principles. The parties hereby irrevocably submit to the exclusive jurisdiction of the Federal and State courts located in Shelby County, Kentucky regarding the interpretation and enforcement of this Contract and the transactions contemplated hereby and hereby waive and agree not to assert as a defense that it is not subject thereto or that any such action may not be brought or maintained in such courts or that such venue may not be appropriate or convenient. This Contract constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all other agreements, previous contracts for this signage, understandings, representations, and warranties both oral and written with respect to such subject matter.

## Limited Product Warranty ("Limited Warranty")

### Definition of Warranty Coverage:

- 1) Stewart Signs (the "Company") expressly warrants to the original purchaser ("You" or "Buyer" or "Owner" or "Customer") that, for a period of five (5) years from the date of shipment (the "Warranty Period"), the electronic displays and the associated Company products (the "Product") will be reasonably free of material defects in materials and workmanship impacting Product fit, form and/or function. During the Warranty Period, the Company will, at its discretion, repair or replace any defective covered Product. The Owner will be responsible for removing and reinstalling any and all repaired or replacement parts. This Limited Warranty only applies to the Company's Product if installed, used, and maintained in the manner recommended by Company, and this Limited Warranty is conditioned upon compliance with all such instructions. Lifetime telephone support for the Product is provided, as needed.
- 2) In the event the Product is damaged during shipping, it is the responsibility of the Buyer to refuse delivery, causing the Product to be returned to the manufacturer for repair. Title to the Product passes to the Buyer upon the Company's delivery to the freight carrier. The Company assumes no liability for damage caused by careless handling or poor installation, except for work completed by employees of the Company. Loss or damage to the Product when in possession of the freight carrier is the responsibility of the Customer and is not covered by this Limited Warranty.
- 3) Any information or suggestion by the Company with respect to the Product concerning applications, specifications or compliance with zoning, codes and standards is provided solely for your convenience and without any representation as to accuracy or suitability. You must verify and test the suitability of any information with respect to the Product for your specific application.
- 4) Sign Structure and Sign Face: In the event the sign structure or identification/changeable copy portion of the sign malfunctions under normal use and service thereof DURING THE LIFE OF THE SIGN due to material defects in workmanship or materials, the Company will, at its option, repair or replace any defective materials.
- 5) Vandalism to Sign Faces: This Limited Warranty covers polycarbonate faces against breakage due to vandalism DURING THE LIFE OF THE SIGN. Warranty protection does not extend to these surfaces if damaged by gunshots, or when damaged coincident with damage to the sign cabinet in which the faces are installed.
- 6) Failed electronic parts or assemblies, with the exception of lamps, will be repaired or replaced, at the sole discretion of the Company. Owner bears the expense and responsibility of shipping Product to Company's Repair Center. Replacement or repaired parts are warranted to be free from material defects in material or workmanship for ninety (90) days, or for the remainder of the Warranty Period of the Product they are replacing or in which they are installed, whichever is longer.
- 7) The Company will repair failed LED pixels if greater than one half of one percent (0.5%) of the total number of pixels in the sign have failed in one (1) calendar year, provided the sign is installed with the recommended ventilation system for its location. The definition of pixel failure is when all LED's in the pixel will no longer emit light. Pixel repair is performed at the Company Repair Center. It is common knowledge within the sign industry that all LEDs degrade and produce less light as they age. Eventually the LEDs will require replacement even though the LEDs will still emit light. This Limited Warranty does not cover normal LED degradation.
- 8) Customer Obligations:  
Failure by the Customer to properly maintain the Product, including but not limited to filters and the ventilation/air conditioning systems, will void coverage for affected components. The Customer shall notify the Company immediately of equipment failure and allow the Company full and free access to the Product when required. Waiver of liability or other restriction shall not be imposed as a site access requirement. The Customer is responsible for all costs and management oversight associated with providing the Company access to the Product, providing the necessary machines, communication facilities and other equipment, inclusive of but not limited to lifting equipment. Should on-site repair be required, Customer is required to have a responsible individual on-site to provide access to the Product as well as sign off on a completed work order.
- 9) Exclusions and Restrictions:  
The Company reserves the right to restrict service, limit replacement parts, or invalidate this Limited Warranty to Customers whose account balance is past due.  
This Limited Warranty specifically excludes any on-site labor required to service the covered Product, including diagnosis, removal, and installation of parts and/or products. Any on-site service required by the Customer of Company technicians or a local Company-authorized service provider is billable to the Customer based on an agreed-upon written quote.  
This Limited Warranty does not apply to software. Software is covered by a separate agreement, which appears in the Company's software license agreement.  
Ballasts are covered for three (3) years.  
ID cabinet LED illumination and power supply are covered for two (2) years, when purchased as a system.
- 10) This Limited Warranty specifically does not cover the following:
  - a) Third-party communication devices such as wireless devices and modems, which are covered by a separate electronic communication warranty.
  - b) Damage to Product that has been moved from its original installation location or is mounted in a mobile structure.
  - c) Cosmetic damage to the Product (including but not limited to scratches and dents that do not otherwise affect the fit, form or functionality of the Product or materially impair its use).
  - d) Temperature sensor results: temperature sensors will register variable results, given local environmental factors such as direct sunlight, distance from concrete or asphalt, etc.; results are not guaranteed or covered under this Limited Warranty.
  - e) Recovery or transfer of any data or software stored on the Product not originally installed on the Product by the Company.
  - f) Light bulbs or lamps.

Prepared for: Ygnacio Valley High School • Concord, CA  
Prepared by: Shay Einhaus • seinhaus@stewartsigns.com • 1.888.237.3928 x2310

- 11) This Limited Warranty specifically **does not** cover conditions, defects or damage caused by or resulting from the following:
- a) Defects caused by: unreasonable or unintended use of Product; improper or unauthorized handling; accident; omission; neglect; vandalism (unless otherwise noted in this Limited Warranty); misuse; physical abuse; installation, use and/or fabrication, and maintenance of the Product by any party other than the Company.
  - b) Damage (not resulting from manufacturing defects) that occurs while the Product is in the Owner's control and/or possession, unless otherwise noted in this Limited Warranty.
  - c) Extreme physical or electrical stress or interference; environmental conditions beyond the Company's control, such as man-made or naturally occurring electrochemical oxidation or corrosion and/or metallic pollutants; normal wear and tear; inadequate, improper, or surges of electrical power; lightning, floods, fire, acts of God, war, terrorism, or other external causes, including Force Majeure.
  - d) Unauthorized modification, including installation of third-party software on the Product.
  - e) Product modification or service by anyone other than: (a) the Company, (b) a Company-authorized service provider, or (c) Customer's own installation of Company approved parts with instruction from the Company. Service to damaged or malfunctioning Product which has not been ordered or authorized by the Company's Customer Satisfaction Department is not covered under this Limited Warranty and will automatically invalidate this Limited Warranty.
  - f) Computer viruses, Trojan horses, worms, self-replicating code or like destructive code which was not included in the Product by the Company.
  - g) Products installed with known or visible manufacturing defects at the time of installation.
- 12) All items returned to the Company must have a Return Materials Authorization ("RMA") number, available by using the contact information below. Items received without an RMA number will not be processed and will be returned to the Customer at their expense. The Customer is responsible for sending a defective part to the Company, after which the Company will send a repaired or replacement part to the Customer.
- 13) The Company will provide and be responsible for the cost of shipping parts from the Company to the Customer, with the exception of sign faces replaced due to vandalism. Standard shipping via the United States Postal Service or other commercial parcel delivery company is the default method of delivery. Expedited delivery is available to the Customer at his or her expense. The Customer will provide and be responsible for the cost of shipping parts to the Company.
- 14) Warranty claims must be registered with the Company within thirty (30) days of damage or malfunction. To register a claim, the Customer must contact the Company at the location specified below and provide (a) his or her name and any other required contact information, (b) Product and purchase descriptions, and (c) the nature of the defect. The Company reserves the right (at its sole discretion) to require proof of original purchase (e.g. paid invoice, receipt) and to visit the site of the installation or to require documentation of the claim before assuming any responsibility under the provisions of this Limited Warranty.
- 15) THE LIMITED WARRANTIES SET FORTH HEREIN ARE THE ONLY WARRANTIES MADE BY THE COMPANY IN CONNECTION WITH THE PRODUCT. THE COMPANY CANNOT AND DOES NOT MAKE ANY IMPLIED OR EXPRESS WARRANTIES WITH RESPECT TO THE PRODUCT, AND DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE COMPANY'S SOLE OBLIGATION UNDER THIS LIMITED WARRANTY SHALL BE TO REPAIR OR REPLACE MALFUNCTIONING OR DEFECTIVE PARTS OF THE PRODUCT. BUYER ASSUMES ALL RISK WHATSOEVER AS TO THE RESULT OF THE USE OF THE PRODUCT PURCHASED, WHETHER USED SINGULARLY OR IN COMBINATION WITH ANY OTHER PRODUCTS OR SUBSTANCES.
- 16) NO CLAIM BY BUYER OF ANY KIND, INCLUDING CLAIMS FOR INDEMNIFICATION, SHALL BE GREATER IN AMOUNT THAN THE PURCHASE PRICE OF THE PRODUCT WITH RESPECT TO WHICH DAMAGES ARE CLAIMED. IN NO EVENT SHALL COMPANY BE LIABLE TO BUYER IN TORT, CONTRACT OR OTHERWISE, FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, PUNITIVE OR EXEMPLARY DAMAGES, OR FOR LOSS OF PROFIT, REVENUE OR USE, IN CONNECTION WITH, ARISING OUT OF, OR AS A RESULT OF, THE SALE, DELIVERY, SERVICING, USE OR LOSS OF USE OF THE PRODUCT SOLD HEREUNDER, OR FOR ANY LIABILITY THAT BUYER HAS TO ANY THIRD PARTY WITH RESPECT THERETO.
