The Governing Board recognizes that the success of district students and programs hinges on effective personnel. The Board desires to establish safe and supportive working conditions that will attract and retain staff members who are highly qualified and dedicated to the education and welfare of students. The district's personnel policies and related regulations shall be designed to ensure a supportive, positive climate and shall be consistent with collective bargaining agreements and in conformance with state and federal law and regulations.

As the legal representative of the district in negotiations with employee representatives, the Board shall set goals and guidelines for collective bargaining, select the bargaining team, maintain communications during the bargaining process, and adopt the negotiated contract. Terms and conditions of employment which have been negotiated and stated in employee contracts shall have the force of policy. The Board shall hear employee complaints and appeals when such hearings are in accordance with Board policy or negotiated agreements. The Board shall also adopt wage and salary schedules and shall commit budget funds for staff development so that staff members may continue developing their skills.

The Superintendent has primary responsibility for overseeing the district's personnel system. To support this effort, the Board shall approve a framework for sound hiring practices. The Superintendent shall nominate all personnel for employment, and the Board shall approve only those persons so recommended. Individuals who approach Board members regarding prospective employment shall be referred to the Superintendent or designee.

The Superintendent or designee shall assign and supervise the work of all employees and shall evaluate their work in accordance with effective accountability systems approved by the Board. The Superintendent or designee also shall recommend disciplinary action which the Board may take against employees when warranted pursuant to Board policy, administrative regulations and/or state or federal law.

The Board recognizes that every employee has a stake in the district's successful operation. The Board encourages all district employees to express their ideas, concerns and proposals related to the improvement of working conditions and the total educational program. The Superintendent or designee shall establish procedures whereby he/she will receive and consider employee suggestions and submit them, when appropriate, for consideration by the Board.

An employee shall not unlawfully manufacture, distribute, dispense, possess, or use any controlled substance in the workplace. (Government Code 8355; 41 USC 8103)

Employees are prohibited from being under the influence of controlled substances or alcohol while on duty. For purposes of this policy, on duty means while an employee is on duty during both instructional and non-instructional time in the classroom or workplace, at extracurricular or cocurricular activities, or while transporting students or otherwise supervising them. The Superintendent or designee shall notify employees of the district's prohibition against drug use and the actions that will be taken for violation of such prohibition. (Government Code 8355; 41 USC 8103)

An employee shall abide by the terms of this policy and shall notify the district, within five days, of his/her conviction for violation in the workplace of any criminal drug statute. (Government Code 8355; 41 USC 8103)

The Superintendent or designee shall notify the appropriate federal granting or contracting agency within 10 days after receiving notification, from an employee or otherwise, of any conviction for a violation occurring in the workplace. (41 USC 8103)

In accordance with law and the district's collective bargaining agreements, the Superintendent or designee shall take appropriate disciplinary action, up to and including termination, against an employee for violating the terms of this policy and/or shall require the employee to satisfactorily participate in and complete a drug assistance or rehabilitation program approved by a federal, state, or local public health or law enforcement agency or other appropriate agency.

Policy 4030: Nondiscrimination In Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2019

The Governing Board is determined to provide a safe, positive environment where all district employees are assured of full and equal employment access and opportunities, protection from harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy, employees include job applicants, interns, volunteers, and persons who contracted with the district to provide services, as applicable.

No district employee shall be discriminated against or harassed by any coworker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of the employee's actual or perceived race, color, ancestry, national origin, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran or military status, sex, sexual orientation, gender, gender identity, gender expression, or association with a person or group with one or more of these actual or perceived characteristics.

The district shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that the district is required to do so in order to comply with federal immigration law. (2 CCR 11028)

Discrimination in employment based on the characteristics listed above is prohibited in all areas of employment and in all employment-related practices, including the following:

1. Hiring, compensation, terms, conditions, and other privileges of employment
2. Taking of adverse employment actions such as termination or denial of employment, promotion, job assignment, or training
3. Unwelcome conduct, whether verbal, physical, or visual, that is so severe or pervasive as to adversely affect an employee's employment opportunities or that has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive work environment
4. Actions and practices identified as unlawful or discriminatory pursuant to Government Code 12940 or 2 CCR 11006-11086, such as:
 - a. Sex discrimination based on an employee's pregnancy, childbirth, breastfeeding, or any related medical condition or on an employee's gender, gender expression, or gender identity, including transgender status
 - b. Religious creed discrimination based on an employee's religious belief or observance, including religious dress or grooming practices, or based on the district's failure or refusal to use reasonable means to accommodate an employee's religious belief, observance, or practice which conflicts with an employment requirement
 - c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity
 - d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee

The Board also prohibits retaliation against any district employee who opposes any discriminatory employment practice by the district or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the district's complaint process pursuant to this policy. No employee who requests an accommodation for any protected characteristic listed in this policy shall be subjected to any punishment or sanction, regardless of whether the request was granted. (Government Code 12940; 2 CCR 11028)

No employee shall, in exchange for a raise or bonus or as a condition of employment or continued employment, be

required to sign a release of the employee's claim or right to file a claim against the district or a nondisparagement agreement or other document that has the purpose or effect of preventing the employee from disclosing information about harassment, discrimination, or other unlawful acts in the workplace, including any conduct that the employee has reasonable cause to believe is unlawful. (Government Code 12964.5)

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation.

Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the Superintendent or designated district coordinator as soon as practical after the incident. All other employees are encouraged to report such incidents to their supervisor immediately.

The Superintendent or designee shall use all appropriate means to reinforce the district's nondiscrimination policy, including providing training and information to employees about how to recognize harassment, discrimination, or other prohibited conduct, how to respond appropriately, and components of the district's policies and regulations regarding discrimination. The Superintendent or designee shall regularly review the district's employment practices and, as necessary, shall take action to ensure district compliance with the nondiscrimination laws.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

The district shall maintain and preserve all applications, personnel, membership, or employment referral records and files for at least four years after the records are initially created or received or, for an applicant or a terminated employee, for four years after the date the employment action was taken. However, when the district is notified that a complaint has been filed with the California Department of Fair Employment and Housing, records related to the employee involved shall be maintained and preserved until the later of the first date after the time for filing a civil action has expired or the first date after the complaint has been fully and finally disposed of and all administrative proceedings, civil actions, appeals, or related proceedings have been terminated. (Government Code 12946)

The training and education may include exercises to provide employees with the skills and confidence to intervene as appropriate and to provide them with resources they can call upon that support their intervention. (Government Code 12950.2)

Complaint Procedure

Complaints of sexual harassment shall be investigated and resolved in accordance with AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures if the alleged conduct meets the definition of sexual harassment pursuant to 34 CFR 106.30.

Any other complaint alleging unlawful discrimination or harassment shall be addressed in accordance with the following procedures:

1. **Notice and Receipt of Complaint:** A complainant may inform a direct supervisor, another supervisor, the coordinator, the Superintendent or, if available, a complaint hotline or an ombudsman. The complainant's direct supervisor may be bypassed in filing a complaint when the supervisor is the subject of the complaint.

The complainant may first attempt to resolve the situation informally with the complainant's supervisor before filing a written complaint.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, any available evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

2. **Investigation Process:** The coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within thirty business days of receiving notice of the alleged discriminatory or harassing behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The coordinator shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The coordinator shall inform the complainant that the investigation of the allegations will be fair, timely, and thorough and will be conducted in a manner that provides all parties due process and reaches reasonable conclusions based on the evidence collected. The coordinator shall also inform the parties that the investigation will be kept confidential to the extent possible, but that some information may be disclosed as necessary to conduct an effective investigation.

If the coordinator determines that a detailed fact-finding investigation is necessary, the investigation shall begin immediately. As part of this investigation, the coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

The coordinator shall track and document the progress of the investigation to ensure reasonable progress and shall inform the parties as necessary.

When necessary to carry out the investigation or to protect employee safety, the coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The coordinator shall also determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed in order to prevent further incidents. The coordinator shall ensure that such interim measures do not constitute retaliation.

3. **Written Report on Findings and Remedial/Corrective Action:** No more than 60 business days after receiving the complaint, the coordinator shall conclude the investigation and prepare a written report of the findings. This timeline may be extended for good cause. If an extension is needed, the coordinator shall notify the parties and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report shall also include any corrective action(s) that have been or will be taken to address the behavior, provide appropriate options for remedial actions and resolutions for the complainant, and ensure that retaliation or further discrimination or harassment is prevented. The report shall be presented to the Superintendent or designee.

A summary of the findings shall be presented to the complainant and the person accused.

4. **Appeal to the Governing Board:** The complainant or the person accused may appeal any findings to the Board within 10 business days of receiving the written report of the coordinator's findings. The Superintendent or designee shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 30 business days of hearing an appeal.

Other Remedies

In addition to filing a discrimination or harassment complaint with the district, a person may file a complaint with either DFEH or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. For filing a complaint with DFEH alleging a violation of Government Code 12940-12952, within three years of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code 12960 (Government Code 12960)
 2. For filing a complaint with EEOC, within 180 days of the alleged discriminatory act(s) (42 USC 2000e-5)
 3. For filing a complaint with EEOC after first filing a complaint with DFEH, within 300 days of the alleged discriminatory act(s) or within 30 days after the termination of proceedings by DFEH, whichever is earlier (42 USC 2000e-5)

Regulation 4032: Reasonable Accommodation

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 12/01/2015

1. In the job application process, to any qualified job applicant with a disability
2. To enable any qualified employee with a disability to perform the essential functions of the position he/she holds or desires to hold or to enjoy equal benefits or other terms, conditions, and privileges of employment as other similarly situated employees without disabilities

No employee or job applicant who requests an accommodation for his/her physical or mental disability shall be subjected to discrimination or to any punishment or sanction, regardless of whether the request for accommodation was granted. (Government Code 12940)

The district designates the position specified in AR 4030 - Nondiscrimination in Employment as the coordinator of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

Definitions

Disability, with respect to an individual, is defined as any of the following: (Government Code 12926; 29 CFR 1630.2)

1. A physical or mental impairment that limits one or more of the major life activities
2. A record of such an impairment
3. Being regarded as having such an impairment

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (Government Code 12926; 29 CFR 1630.2)

Reasonable accommodation means: (Government Code 12926; 29 CFR 1630.2)

1. For a qualified job applicant with a disability, modifications or adjustments to the job application process that enable him/her to be considered for the position he/she desires
2. For a qualified employee with a disability, modifications or adjustments to the work environment, or to the manner or circumstances under which the position the employee holds or desires is customarily performed, that enable him/her to perform the essential functions of that position or to enjoy equal benefits and privileges of employment as are enjoyed by the district's other similarly situated employees without disabilities

Qualified individual with a disability means a job applicant or employee with a disability who: (29 CFR 1630.15, 1630.2)

1. Satisfies the requisite skill, experience, education, and other job-related requirements of the employment position he/she holds or desires
2. Can perform the essential functions of the position with or without reasonable accommodation
3. Would not pose a significant risk of substantial harm, which cannot be eliminated or reduced by reasonable accommodation, to himself/herself or others in the job he/she holds or desires

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that the provision of a specific accommodation would cause significant difficulty or expense to the district. (29 CFR 1630.2)

Request for Reasonable Accommodation

When requesting reasonable accommodation, an employee or his/her representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition. The supervisor shall inform the coordinator of the employee's request as soon as practicable.

When requesting reasonable accommodation for the hiring process, a job applicant shall inform the coordinator that he/she will need a reasonable accommodation during the process.

When the disability or the need for accommodation is not obvious, the coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations, and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the coordinator to submit a list of specific questions to his/her health care or vocational professional.

If the documentation submitted by the employee does not indicate the existence of a qualifying disability or explain the need for reasonable accommodation, the coordinator shall request additional documentation that specifies the missing information. If the employee does not submit such additional documentation in a timely manner, the coordinator may require him/her to submit to an examination by a health care professional selected and paid for by the district.

The district may make a medical or psychological inquiry of a job applicant or require him/her to submit to a medical or psychological examination after he/she has been given a conditional offer of employment but before the commencement of his/her job duties, provided the inquiry or examination is job-related, consistent with business necessity, and required for all incoming employees in the same job classification. (Government Code 12940)

The coordinator shall not request any job applicant's or employee's genetic information except as authorized by law. (42 USC 2000ff-1, 42 USC 2000ff-5)

In accordance with law, the coordinator shall take steps to ensure the confidentiality of information related to medical conditions or history. As applicable, he/she shall notify the supervisor or manager of the qualified individual of any reasonable accommodation granted the individual and may notify first aid and safety personnel when the disability of the qualified individual may require emergency treatment. (42 USC 12112)

Granting Reasonable Accommodation

Upon receiving a request for reasonable accommodation from a qualified individual with a disability, the coordinator shall:

1. Determine the essential functions of the job involved
2. Engage in an informal, interactive process with the individual to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential accommodations, and assess their effectiveness
3. Develop a plan for reasonable accommodation which will enable the individual to perform the essential functions of the job or gain equal access to a benefit or privilege of employment without imposing undue hardship on the district

A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

- a. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding
- b. The overall financial resources of the facility making the accommodation, the number of persons employed at this facility, and the effect on expenses and resources of the facility
- c. The overall financial resources, number of employees, and the number, type, and location of facilities of the district
- d. The type of operation of the district, including the composition, structure, and functions of the

workforce and the geographic separateness and administrative or fiscal relationship of the facility making the accommodation to other district facilities

- e. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct and provide its normal business services

The coordinator may confer with the site administrator, any medical advisor chosen by the district, and/or other district staff before making a final decision as to the accommodation.

Reasonable Accommodation Committee

The coordinator may appoint a committee to review or assist in the development of appropriate plans to reasonably accommodate qualified individuals who request modifications or adjustments in their work duties or environment because of known physical or mental disabilities.

Committee members shall be selected on the basis of their knowledge of the specific functions and duties required in the position, the physical work environment, available accommodations, and other relevant issues. The committee may include a district administrator, site administrator, medical advisor or rehabilitation specialist, and as necessary, a certificated and/or classified employee. Membership may change on a case-by-case basis.

At the coordinator's discretion, the employee or applicant requesting accommodation may participate in the committee's meetings. If the employee or applicant is excluded from the committee's meetings, the coordinator shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

Appeal Process

Any qualified individual with a disability who is not satisfied with the decision of the coordinator may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal
2. A statement of the specific remedy sought

The Superintendent or designee shall consult with the coordinator and review the appeal, together with any available supporting documents. The Superintendent or designee shall give the individual his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Governing Board in accordance with the district's procedure for such complaints.

Policy 4112.2: Certification

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2020

The Governing Board recognizes that the district's ability to provide a high-quality educational program is dependent upon the employment of certificated staff who are adequately prepared and have demonstrated proficiency in basic skills and in the subject matter to be taught. The Superintendent or designee shall ensure that persons employed to fill positions requiring certification qualifications possess the appropriate credential, permit, or other certification document from the Commission on Teacher Credentialing (CTC) and fulfill any additional state, federal, or district requirements for the position.

The Superintendent or designee shall provide assistance and support to teachers holding preliminary credentials to enable them to meet the qualifications required for the clear credential.

Priorities for Hiring Based on Unavailability of Credentialed Teacher

The Superintendent or designee shall make reasonable efforts to recruit a fully prepared teacher who is authorized in the subject or setting for each assignment or, when necessary, a fully prepared teacher serving on a local assignment option. Whenever a teacher with a clear or preliminary credential is not available, the Superintendent or designee shall make reasonable efforts to recruit an individual for the assignment in the following order: (Education Code 44225.7)

1. A candidate who enrolls in an approved intern program in the region of the district and possesses an intern credential
2. A candidate who is scheduled to complete preliminary credential requirements within six months and who is granted a provisional internship permit (PIP) or short-term staff permit issued by the CTC

The Board shall approve, as an action item at an open Board meeting, a notice of its intent to employ a PIP applicant for a specific position. (5 CCR 80021.1)

3. An individual who has been granted a credential waiver by the CTC

Prior to requesting that the CTC issue an emergency permit or a limited assignment permit, the Board shall annually approve a Declaration of Need for Fully Qualified Educators. The Declaration of Need shall be approved by the Board as an action item at a regularly scheduled open Board meeting, with the entire Declaration of Need being included in the Board agenda. (Education Code 44225, 44225.7; 5 CCR 80023.2, 80026, 80027, 80027.1)

The Declaration of Need shall certify that there is an insufficient number of certificated persons who meet the district's specified employment criteria for the position(s) and that the district has made reasonable efforts to recruit individuals who meet the qualifications specified in items #1-2 above. The Declaration of Need shall also indicate the number and type of emergency permits that the district estimates it will need during the valid period of the Declaration of Need, based on the previous year's actual needs and projections of enrollment. Whenever the actual number of permits needed exceeds the estimate by 10 percent, the Board shall revise and resubmit the Declaration of Need. (5 CCR 80026)

Whenever it is necessary to employ noncredentialed teachers to fill a position requiring certification qualifications, the Superintendent or designee shall provide support and guidance in accordance with law to ensure the quality of the instructional program.

National Board for Professional Teaching Standards Certification

The Superintendent or designee may promote a career continuum that includes participation of district teachers in professional learning that supports their completion of advanced certification awarded by the National Board for Professional Teaching Standards (NBPTS). The Superintendent or designee may coordinate a cohort of teachers through school or district programs or other available networks.

With Board approval and funding, and consistent with the collective bargaining agreement and applicable law, the Superintendent may provide an incentive program for teacher participation in NBPTS certification, which may include:

1. Defraying, subsidizing, or reimbursing the registration, certification, or maintenance fees for NBPTS

certification

2. Providing bonuses, step increases, or differential pay for teachers who maintain their certification and continue to teach in the district, with priority given to teachers at Title I schools and schools serving a majority of low-income students
3. Providing substitute teachers to provide release time for participating teachers
4. Providing stipends for teacher participation that match other professional development stipends
5. Compensating mentor teachers who support other teachers' professional learning aligned to NBPTS standards

Parental Notifications

At the beginning of each school year, the Superintendent or designee shall notify the parents/guardians of each student attending a school receiving Title I funds that they may request information regarding the professional qualifications of their child's classroom teacher including, but not limited to, whether the teacher: (20 USC 6312)

1. Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
2. Is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived
3. Is teaching in the field of discipline of the teacher's certification

In addition, the Superintendent or designee shall notify parents/guardians in a timely manner whenever their child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area to which the teacher has been assigned. (20 USC 6312)

The employee may remain employed by the district pending the receipt of the test results. (Education Code 44830)

An out-of-state prepared teacher shall meet the basic skills requirement within one year of being issued a California preliminary credential by CTC unless the teacher has completed a basic skills proficiency test in another state, passed a basic skills proficiency test developed and administered by the district, by cooperating districts or by the county office of education (COE), or is otherwise exempted by law. The district shall develop a basic skills proficiency test, which shall be at least equivalent to the district test required for high school graduation, for purposes of assessing out-of-state prepared teachers pending completion of the basic skills requirement. (Education Code 44252, 44274.2; 5 CCR 80071.4, 80413.3)

The permit holder also shall receive guidance and assistance from an experienced educator who is a certificated district employee or a certificated retiree from a California district or COE and who has completed at least three years of full-time classroom teaching experience.

3. The district shall assist the permit holder in developing a personalized plan through a district-selected assessment that would lead to subject-matter competence related to the permit.
4. The district shall assist the permit holder to seek and enroll in subject-matter training, such as workshops or seminars and site-based courses, along with training in test-taking strategies, and shall assist the permit holder in meeting the credential subject-matter competence requirement related to the permit.

Teaching Permit for Statutory Leave

Whenever there is an anticipated need for the district to temporarily fill the teaching assignment of a teacher of record who will be on sick leave, differential sick leave, industrial accident or illness leave, pregnancy disability leave, or family care and medical leave under the federal Family and Medical Leave Act or California Family Rights Act, the Superintendent or designee may request that CTC issue a Teaching Permit for Statutory Leave (TPSL) to a qualified individual who will be serving as the interim teacher of record. Prior to submitting an application to CTC, the district shall provide the applicant with 45 hours of preparation in the content areas listed in 5 CCR 80022. (5 CCR 80022)

A request for the TPSL shall only be submitted if the district has made reasonable efforts to hire a substitute with a full teaching credential that matches the setting and/or subject for the statutory leave position and no such candidate is available. (5 CCR 80022)

The district shall verify to CTC that it will provide the interim teacher: (5 CCR 80022)

The orientation shall include, but not be limited to, the curriculum the teacher is expected to teach and effective techniques of classroom instruction and classroom management at the assigned grade-level span. The emergency permit holder also shall receive guidance and assistance from an experienced educator who is a certificated district employee or a certificated retiree from a California district or COE and who has completed at least three years of full-time classroom teaching experience. In addition, the district may employ teachers who already possess a preliminary or clear credential and are pursuing a credential in a different specialization as interns for positions that require such other credential.

The district may enter into partnership agreements with one or more approved teacher preparation programs sponsored by colleges or universities and/or may provide a district intern program with approval of the Commission on Teacher Credentialing (CTC). Any intern program in which the district participates shall be aligned with the preconditions and program standards adopted by the CTC.

Terms of employment for interns shall be consistent with law and the district's collective bargaining agreement, as applicable.

Interns shall receive intensive, structured supervision and ongoing support by qualified personnel in order to enhance their instructional skills and knowledge. The Superintendent or designee shall ensure that district staff serving as supervisors, mentor teachers, or other support providers receive appropriate training to fulfill their responsibilities and that they maintain frequent communication with the interns they are assigned to assist.

Interns shall be provided with ongoing feedback regarding their performance and shall be formally evaluated in accordance with Board policy and the district's collective bargaining agreement.

Upon receiving notification from the Superintendent or designee that an intern has successfully completed the program, the Governing Board may recommend to the CTC that the intern be awarded a preliminary credential. (Education Code 44328, 44468, 44830.3)

The Board may regularly evaluate the effectiveness of the intern program(s) to determine whether changes are needed in the support and/or assignment of interns. The Board's evaluation shall be based on a report by the Superintendent or designee, including, but not limited to, data on student performance in classes taught by interns, feedback from interns and supervisors, and the number of interns who successfully complete the program and obtain general education or education specialist credentials.

(Education Code 44461-44462)

Such support and supervision shall be provided for a minimum of 144 hours per school year or, for late hires, four hours multiplied by the number of instructional weeks remaining in the school year. At least two hours of support and supervision shall be provided every five instructional days.

4. **Additional Support Addressing the Needs of English Learners:** For any intern who enters the intern program without a valid English learner authorization, bilingual authorization, or crosscultural, language, and academic development certificate, the Superintendent or designee shall identify an individual who will be immediately available to assist the intern with planning lessons that are appropriately designed and differentiated for English learners, for assessing language needs and progress, and for support of language-accessible instruction through in-classroom modeling and coaching as needed. This individual may be the same mentor identified in item #2 above, provided he/she possesses an English learner authorization and will be immediately available to assist the intern.

In addition, the district and college/university shall provide such interns with additional support and supervision, including in-classroom coaching, specific to the needs of English learners. Such support and supervision shall be provided for 45 hours per school year or, for late hires, five hours multiplied by the number of months remaining in the school year.

An intern who passes the California Teaching English Learners examinations may be exempted from these requirements.

Early Completion Option

The Superintendent or designee shall inform qualified interns preparing for a multiple or single subject credential of the early completion option which allows them to challenge certain requirements of the intern program in areas where they have demonstrated competence.

In order to complete the intern program early and be recommended for a preliminary credential, candidates shall meet all requirements of the intern credential and the additional assessments and coursework specified in Education Code 44468.

The Superintendent or designee may request that the CTC issue a special education limited assignment teaching permit which authorizes a qualified special education teacher, with his/her written consent, to serve outside the specialty area of his/her credential. If the teacher has not yet obtained permanent status, the Superintendent or designee shall assign one or more experienced educators in the special education subject area(s) of the permit, who have at least three years of full-time teaching experience in each of the subject area(s) of the permit, to provide guidance and assistance to the permit holder. (5 CCR 80026, 80027.1)

As needed, the district may apply to the CTC for an emergency permit for resource specialist services pursuant to 5 CCR 80023.2 and 80024.3.1.

When requesting either a limited assignment teaching permit or an emergency resource specialist permit, the Superintendent or designee shall submit a Declaration of Need for Fully Qualified Educators that satisfies the requirements of 5 CCR 80026 and has been approved by the Board at a regularly scheduled Board meeting. (5 CCR 80026)

If there is a need to immediately fill a classroom vacancy or a suitable credentialed teacher cannot be found after a diligent search, the Superintendent or designee may, as appropriate, apply to the CTC for a short-term staff permit pursuant to 5 CCR 80021, a provisional internship permit pursuant to 5 CCR 80021.1, or, as a last resort, a credential waiver.

Individuals providing related services to students with disabilities, including developmental, corrective, and other supportive and related services, shall meet the applicable qualifications specified in 5 CCR 3051-3051.24. (5 CCR 3051; 34 CFR 300.34, 300.156)

The Superintendent or designee shall provide ongoing professional development as needed to assist special education staff in updating and improving their knowledge and skills.

Whenever a candidate for a clear education specialist credential is employed by the district, the Superintendent or designee shall, within 60 days of employment, collaborate with the candidate and, as applicable, with the college or university to develop an individualized induction plan including supported induction and job-related course of advanced preparation. (5 CCR 80048.8.1)

Resource Specialists

The duties of resource specialists shall include, but are not limited to: (Education Code 56362; 5 CCR 80070.5)

1. Providing instruction and services for students with disabilities whose needs have been identified in an IEP
2. Conducting educational assessments
3. Providing information and assistance for students with disabilities and their parents/guardians
4. Providing consultation, resource information, and material regarding students with disabilities to staff members in the regular education program and the students' parents/guardians

5. Coordinating special education services with the regular school program for each student with disabilities enrolled in the resource specialist program
6. Monitoring student progress on a regular basis, participating in the review and revision of IEPs as appropriate, and referring students who do not demonstrate appropriate progress to the IEP team
7. Providing services for secondary students that emphasize academic achievement, career and vocational development, and preparation for adult life

Any student who receives resource specialist services shall be assigned to regular classroom teacher(s) for a majority of the school day, unless his/her IEP team approves enrollment in the resource specialist program for a majority of the school day. (Education Code 56362; 5 CCR 80070.5)

Resource specialists shall not simultaneously be assigned to serve as resource specialists and to teach regular classes. (Education Code 56362)

The district's resource specialist program shall be under the direction of a resource specialist who possesses the qualifications specified in Education Code 56362.

Caseloads

The Superintendent or designee shall ensure that caseloads for special education teachers are within the maximum caseloads established by law, the collective bargaining agreement, and/or the comprehensive plan of the Special Education Local Plan Area (SELPA) in which the district participates.

No resource specialist shall have a caseload which exceeds 28 students. As necessary and with the agreement of the resource specialist, the Governing Board may request a waiver from the State Board of Education to increase the caseload to no more than 32 students, provided that an individual resource specialist does not have a caseload exceeding 28 students for more than two school years and has the assistance of an instructional aide at least five hours daily during the period of the waiver. (Education Code 56362, 56362.1; 5 CCR 3100)

The average caseload for language, speech, and hearing specialists shall not exceed 55 cases, unless the SELPA plan specifies a higher average caseload and states the reasons for the higher average caseload. The maximum caseload for speech and language specialists exclusively serving children with disabilities age 3-5 years shall not exceed 40. (Education Code 56363.3, 56441.7)

Regulation 4112.3: Oath Or Affirmation

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2003

All public employees are disaster service workers subject to such disaster service activities as may be assigned to them by their superiors or by law.

As district employees are declared by law to be disaster service workers, all district employees shall also take (or sign) the oath or affirmation required for disaster service workers before beginning employment with the district. In the event of natural, manmade or war-caused emergencies which result in conditions of disaster or extreme peril to life, property and resources, including but not limited to emergencies such as an earthquake, disease outbreak or pandemic, all district employees are subject to disaster service activities as assigned to them by their supervisors or by law. (Government Code 3100-3102)

Not having a loyalty oath completed or on file does not change the status or requirements of employees to be disaster service workers.

Employees should be prepared for a possible emergency by having a personal/family emergency plan for their families, home, pets, and other responsibilities in the event they should be called to assume disaster service worker duties (e.g. remaining beyond normal work hours or being required to report in-person to school sites during an emergency).

Legally employed noncitizens shall be exempt from taking this oath. (Government Code 3101)

At the advice of legal counsel, the Superintendent or designee may exempt an employee from taking the oath if he/she raises a valid religious objection.

The Superintendent, deputy or assistant superintendent, principal or other person authorized in Education Code 60 shall administer the oath or affirmation when a district employee is hired.

In the case of intermittent, temporary, emergency or successive employments, the Superintendent or designee may determine that the oath shall be effective for all successive periods of employment which begin within one calendar year from the date that the oath was subscribed. (Government Code 3102)

The Superintendent or designee shall file the executed oath or affirmation within 30 days of the date on which it is taken and subscribed. An employee's oath or affirmation may be destroyed five years after the termination of employment. (Government Code 3105)

Reimbursement of Expenses for Disaster Service Workers

Whenever an employee seeks compensation or reimbursement of expenses as a disaster service worker, the Superintendent or designee shall ascertain and certify that the employee has taken the oath or affirmation. (Government Code 3107)

Exhibit 4112.3-E(1): Oath Or Affirmation

Regulation 4112.4: Health Examinations

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 12/01/2014

Tuberculosis Tests

No applicant shall be initially employed by the district, or employed under contract, in a classified or certificated position unless he/she has submitted to a tuberculosis risk assessment within the past 60 days and, if tuberculosis risk factors are identified, has submitted to an intradermal or other approved tuberculosis examination to determine that he/she is free of infectious tuberculosis. If the results of the examination are positive, the applicant shall obtain an x-ray of the lungs. At his/her discretion, an applicant may choose to submit to the examination instead of the risk assessment. (Education Code 49406)

Prior to employment by the district, an applicant shall submit a certificate from an authorized health provider stating that the applicant was assessed and/or examined and found to be free of infectious tuberculosis. (Education Code 49406)

An applicant who was previously employed in another school district or private or parochial school shall be deemed to have fulfilled the tuberculosis testing requirement if he/she produces a certificate showing that he/she was found to be free of infectious tuberculosis within 60 days of initial hire or if his/her previous employer verifies that it has a certificate on file showing that the applicant is free from infectious tuberculosis. (Education Code 49406)

Thereafter, each district employee who was found free of infectious tuberculosis shall undergo a tuberculosis risk assessment, and an examination whenever risk factors are identified, at least once every four years or more often when required by the Governing Board upon recommendation of the county health officer. However, once an employee has a documented positive test for tuberculosis infection followed by an x-ray, he/she shall no longer be required to submit to the tuberculosis risk assessment but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

The cost of the pre-employment tuberculosis risk assessment and/or examination shall be paid by the applicant, unless the Board has determined that the district will reimburse an applicant who is subsequently hired by the district. The district shall reimburse the employee for the cost, if any, of subsequent tuberculosis risk assessments and examinations. The district may provide for the risk assessment and examination or may establish a reasonable fee for the examination that is reimbursable to the employee. (Education Code 49406)

Whenever the district contracts for the transportation of students, the contract shall require that all drivers who will be transporting students complete the tuberculosis risk assessment and, if indicated, the examination for infectious tuberculosis within 60 days of initial hire. (Education Code 49406)

The following applicants or employees shall be exempted from the requirement to submit to a tuberculosis risk assessment and/or examination: (Education Code 49406)

1. An applicant/employee who files an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge and belief, he/she is free from infectious tuberculosis

Such an exemption shall be allowed only if the Board determines by resolution, after a hearing, that the health of students would not be jeopardized. If at any time there is probable cause to believe that the applicant/employee is afflicted with infectious tuberculosis, he/she may be excluded from service until the Board is satisfied that he/she is not afflicted.

2. A classified employee who is employed for less than a school year and whose functions do not require frequent or prolonged contact with students
3. A pregnant employee who has positive results on a tuberculosis skin test, in which case she shall be exempted from the requirement to follow up with an x-ray of the lungs for a period not to exceed 60 days after the end of the pregnancy
4. A private contracted driver who transports students infrequently without prolonged contact with students

Examination of Certificated Employees for Disabling Diseases

To fill a certificated position with an applicant who has not previously been employed in a certificated position in California, or with a retirant who has not been employed as a retirant, the district shall have on file a medical certification indicating that the applicant or retirant is free from any disabling disease which would render him/her unfit to instruct or associate with children. (Education Code 44839, 44839.5)

The certificate shall be completed and submitted directly to the district by an authorized health care provider. The medical examination referenced in the certificate must have been conducted within six months of the date that the certificate is filed. (Education Code 44839, 44839.5; 5 CCR 5503)

Applicants and retirants shall pay for the cost of obtaining the medical certification. (Education Code 44849, 44839.5)

Certificated employees and/or retirants shall be required to periodically undergo, at district expense, a medical examination pursuant to Education Code 44839 or 44839.5 to determine that they are free from any communicable disease making them unfit to instruct or associate with children. (Education Code 44839, 44839.5)

Mental Examination for Certificated Employees

Whenever the Board is considering the suspension or transfer of a certificated employee based on its reasonable belief that the employee is suffering from mental illness of such a degree as to render him/her incompetent to perform his/her duties, the employee shall be offered the opportunity of being examined by a three-member panel of psychiatrists and psychologists in accordance with Education Code 44942. The employee shall select the members of the panel from a list of psychiatrists and psychologists provided by the district. The examination shall be conducted, at district expense, within 15 days of the ordered suspension or transfer. The employee shall submit to the examination, but shall also be entitled to present a report of any psychiatrist, psychologist, or physician of his/her own choice. (Education Code 44942)

Policy 4112.41: Employee Drug Testing

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008 | **Last Reviewed Date:** 01/25/2022

The Governing Board maintains a drug- and alcohol-free workplace. In accordance with law, all employees shall render service without using, possessing, being impaired by, or being under the influence of alcohol or drugs.

Pre-Employment Drug/Alcohol Testing for Safety-Sensitive Positions

Because students and staff have the right to a safe and secure campus where they are free from physical and psychological harm, the Board authorizes the testing of prospective employees in safety-sensitive positions for drug and alcohol use. The following positions are safety-sensitive and are subject to the district's program:

Position	Safety-Sensitive Duties
----------	-------------------------

Any Position requiring a Commercial Driver's License - or any position that necessitates the driving of any District Vehicle	
--	--

Once an offer or conditional offer of employment has been made, prospective employees in these identified positions shall undergo a pre-employment drug and alcohol screening for any substance which could impair their ability to safely and effectively perform their job functions. This screening shall be part of the employee's pre-employment physical examination.

Final selection or final hiring of a job applicant for a position shall not be complete until the applicant has successfully completed the screening.

All testing and medical examinations shall be conducted in accordance with state and federal law, Board policy, and administrative regulation.

Regulation 4112.41: Employee Drug Testing

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008 | **Last Reviewed Date:** 01/25/2022

Pre-Employment Drug/Alcohol Screening for Safety-Sensitive Positions

Applicants shall sign a form consenting to the drug and alcohol testing. The consent form shall authorize release of the test results to the district. To ensure an individual's privacy, the district shall not use test results for any purpose other than those stated in Board policy and administrative regulation, shall maintain the confidentiality of screening records, and shall not disclose such records unless the applicant consents or the Superintendent or designee is presented with a court order requiring the disclosure.

All initial screening tests shall be conducted at the district's expense. If an applicant's initial test is positive, a second test, at the district's expense, shall be administered as soon as possible to confirm the results. Upon obtaining a second positive result, the applicant may seek an independent drug and alcohol screening from a recognized medical laboratory at his/her own expense. Any applicant who fails to provide the district with a negative drug and alcohol screening report within five working days of a confirmed positive result shall be determined to have failed the screening and shall not be employed.

Failure to submit to the process or to complete the process shall preclude the applicant from being hired into the position. Disqualified applicants shall not be prohibited from applying for another job within the district.

Policy 4112.42: Drug And Alcohol Testing For School Bus Drivers

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 08/01/2013

The Governing Board desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

A driver shall not report for duty or remain on duty when the driver has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when the driver has used any drug listed in 21 CFR 1308.12-1308.15, unless the driver is using the drug under the direction of a physician who has advised the driver that the substance will not adversely affect the driver's ability to safely operate a bus. (49 CFR 382.213)

In addition, a driver shall not consume alcohol while on duty and/or performing safety-sensitive functions, or for four hours prior to on-duty time. (49 CFR 382.205, 382.207)

Drivers shall submit to drug and alcohol testing as required under federal law and specified in the accompanying administrative regulation. The district's testing program for drivers shall include pre-employment drug testing (which may include alcohol testing), and shall include reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

The Board may contract for testing services upon verifying that the personnel are appropriately qualified and/or certified, or may use existing personnel, and will verify that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

Consequences Based on Test Results

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test for a drug or drug metabolite before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver from the Federal Motor Carrier Safety Administration. (49 CFR 40.3, 40.21, 382.107, 382.119)

Any driver for whom the district receives a verified positive drug test result or who is found to have a blood alcohol concentration of 0.04 or higher shall be immediately removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211. An alcohol concentration between 0.02 and 0.04 requires temporary removal of the bus driver for a 24-hour period following the test. Any driver who refuses to take a required drug or alcohol test shall not be permitted to perform or continue to perform safety-sensitive functions. (49 CFR 40.23, 382.211)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

A driver who has violated federal drug and alcohol regulations may be subject to disciplinary action up to and including dismissal in accordance with law, administrative regulations, and the district's collective bargaining agreement.

Any driver provided with an opportunity to return to a safety-sensitive duty following a violation shall be evaluated by a qualified substance abuse professional and complete the evaluation recommendations before returning to such duty. (49 CFR 40.289)

If the substance abuse professional recommends that further and ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor the driver's compliance. The cost of such services may be the responsibility of the employee (and/or their medical insurance as/if applicable). Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the

DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

Voluntary Self-Identification

If the district has a self-identification program actively running or in effect, whenever a driver admits to alcohol or drug misuse under the district's voluntary self-identification program, the Superintendent or designee shall ensure all of the following: (49 CFR 382.121)

1. No adverse action shall be taken against the driver by the district.
2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over the drug or alcohol problem.
3. The driver shall be permitted to participate in safety-sensitive functions only after:
 - a. Successfully completing an education or treatment program, as determined by a drug and alcohol abuse evaluation expert, such as an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor
 - b. Undergoing a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 and/or a verified negative result for drug use

A driver who admits to alcohol or drug misuse shall not be subject to federal requirements related to referral, evaluation, and treatment, provided that the driver does not self-identify in order to avoid drug or alcohol testing, makes the admission prior to performing a safety-sensitive function, and does not perform a safety-sensitive function until the driver has been evaluated and has successfully completed education or treatment requirements in accordance with program guidelines. (49 CFR 382.121)

The board recognizes that the Legislative council as issued an opinion that Vehicle Code 34520.3 applies only to employees whose primary job is transportation.

Regulation 4112.42: Drug And Alcohol Testing For School Bus Drivers

Status: DRAFT

Original Adopted Date: Pending

Definitions

For purposes of drug testing required by the U.S. Department of Transportation (DOT), drugs include marijuana, cocaine, amphetamines, phencyclidine (PCP), and opioids. (49 CFR 40.3, 40.85, 382.107)

Alcohol concentration (or content) means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an evidential breath test. (49 CFR 40.3, 382.107)

Safety-sensitive function means all time from the time the driver begins to work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive functions include, but are not limited to, all time driving or otherwise in the bus or other school transportation vehicle; waiting at a district facility to be dispatched; inspecting, servicing, or conditioning the vehicle or vehicle equipment; loading or unloading the vehicle; supervising or assisting in the loading or unloading of the vehicle; and repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle. (49 CFR 382.107)

Designated Employer Representative

The Superintendent or designee shall identify a designated employer representative who is authorized to take immediate action to remove drivers from safety-sensitive functions and to make required decisions in the testing and evaluation processes. The designated employer representative shall also be responsible for receiving test results and other communications. The name and telephone number of the designated employer representative shall be provided to the testing contractor to contact about any problems or issues that may arise during the testing process. (49 CFR 40.35, 40.215)

Pre-employment Testing

When hiring a new driver, the Superintendent or designee shall, with the driver's written consent, conduct a pre-employment query using the Commercial Driver's License Drug and Alcohol Clearinghouse to obtain information about whether the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)

The Superintendent or designee shall also, with the driver's consent, request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25 and 382.413, from any employer who has employed the driver at any time during the previous three years. To the extent practicable, the Superintendent or designee shall obtain and review such information before the driver first performs safety-sensitive functions. In addition, the Superintendent or designee shall ask the driver if there was a positive test, or a refusal to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position that was not obtained. (49 CFR 40.25, 382.413)

The driver shall not be permitted to perform safety-sensitive functions if the driver refuses to provide consent to obtain the information from previous employers or from the Clearinghouse; the information from previous employers is not received within 30 days of the date on which the driver first performed safety-sensitive functions for the district; or the driver, the Clearinghouse, or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413, 382.701, 382.703)

A driver whom the district intends to hire or use shall undergo testing for drugs and receive a verified negative test result prior to the first time the driver performs safety-sensitive functions for the district. This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

1. The driver has participated in a qualified drug testing program within the previous 30 days.
2. While participating in the program, the driver either was tested within the past six months from the date of application or participated in a random drug testing program for the previous 12 months from the date of application.
3. No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

The Superintendent or designee shall contact the testing program(s) in which the driver has participated and obtain information about the program and the driver's participation as specified in 49 CFR 382.301.

In addition, if the District is performing pre-employment alcohol testing, the Superintendent or designee shall require the driver to undergo such pre-employment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration level of less than 0.04. (49 CFR 382.301)

Post-Accident Testing

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.
2. The driver receives a citation for a moving traffic violation within eight hours of the accident and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

No driver required to take a post-accident alcohol test pursuant to 49 CFR 382.303 shall use alcohol for eight hours following the accident or until the driver undergoes a post-accident alcohol test, whichever occurs first. (49 CFR 382.209)

Random Testing

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year.

Such tests shall be unannounced and conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

Reasonable Suspicion Testing

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The person who makes the required observations for reasonable suspicion testing for drugs or alcohol shall be trained in accordance with 49 CFR 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not be the same person who conducts the alcohol test. (49 CFR 382.307)

Within 24 hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is

earlier, a written record of the observations leading to a reasonable suspicion test shall be made and signed by the person who made the observations. (49 CFR 382.307)

An alcohol test required as a result of reasonable suspicion shall be administered within eight hours following the determination of reasonable suspicion. If the test is not administered within two hours, the Superintendent or designee shall prepare and maintain on file a record stating the reasons the test was not promptly administered. (49 CFR 382.307)

In the absence of a reasonable suspicion alcohol test, the district shall take no action against a driver based solely on the driver's behavior and appearance, except that the driver shall not be allowed to report for or remain on safety-sensitive functions until an alcohol test is administered and the results show a concentration less than 0.02 or 24 hours have elapsed following the determination of reasonable suspicion. (49 CFR 382.307)

Return-to-Duty Testing

Note: Pursuant to 49 CFR 40.305, the district may return a driver to safety-sensitive functions after the driver completes required education and treatment services as described in the accompanying Board policy and a return-to-duty drug or alcohol test. Such personnel decisions may be subject to collective bargaining or other legal requirements.

The Superintendent or designee may permit a driver who has violated federal drug or alcohol regulations to return to safety-sensitive functions after the driver has successfully complied with the education and treatment services prescribed by a substance abuse professional and has taken a return-to-duty drug or alcohol test. The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

Follow-Up Testing

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

Mandatory Reporting and Annual Queries to the Drug and Alcohol Clearinghouse

The Superintendent or designee shall report to the Clearinghouse any violation of federal drug and alcohol regulations, any refusal to test, and other required information by the close of the third business day following the date on which the information was obtained. (49 CFR 382.705)

The Superintendent or designee shall conduct a query using the Clearinghouse at least once a year for all drivers to determine whether information exists in the Clearinghouse about the drivers. (49 CFR 382.701)

In lieu of a full query, the Superintendent or designee may obtain the individual driver's consent to conduct a limited query that is effective for more than one year and informs the district about whether there is information about the driver in the Clearinghouse without releasing that information to the district. If the limited query shows that information exists in the Clearinghouse about the individual driver, the Superintendent or designee shall conduct a full query within 24 hours of conducting the limited query. If a full query is not conducted within 24 hours, the driver may not perform any safety-sensitive function until the results from a full query confirm that the driver may perform such functions. (49 CFR 382.701)

The Superintendent or designee shall not hire or retain in employment, in a certificated or classified position, a person who has been convicted of a violent or serious felony as defined in Penal Code 667.5(c) or 1192.7(c), a controlled substance offense as defined in Education Code 44011, or a sex offense as defined in Education Code 44010. However, the Superintendent or designee shall not deny or terminate employment if: (Education Code 44830.1, 44836, 45122.1, 45123)

1. The conviction for a violent or serious felony, controlled substance offense, or sex offense is reversed and the person is acquitted of the offense in a new trial or the charges against the person are dismissed, unless the sex offense for which the conviction is dismissed pursuant to Penal Code 1203.4 involves a victim who was a minor.
2. A person convicted of a violent or serious felony has obtained a certificate of rehabilitation or a pardon.
3. A person who has been convicted of a serious felony, that is not also a violent felony, proves to the sentencing court that he/she has been rehabilitated for purposes of school employment for at least one year.

5. A person who has been convicted of a controlled substance offense is applying for or is employed in a classified position and has been determined by the Governing Board, from the evidence presented, to have been rehabilitated for at least five years.

The Superintendent or designee shall not issue a temporary certificate of clearance to a person whose application for a credential, certificate, or permit is being processed by the Commission on Teacher Credentialing if that person has been convicted of a violent or serious felony, unless the person is otherwise exempt pursuant to Education Code 44332.6 or 44830.1. (Education Code 44332.5, 44332.6)

Pre-Employment Record Check

The Superintendent or designee shall require each person to be employed by the district to submit his/her fingerprints electronically through the Live Scan system so that a criminal record check may be conducted by the Department of Justice (DOJ). The Superintendent or designee shall provide the applicant with a Live Scan request form and a list of nearby Live Scan locations.

When a person is applying for a classified position, the Superintendent or designee shall request that the DOJ also obtain a criminal record check through the Federal Bureau of Investigation whenever the applicant meets one of the following conditions: (Education Code 45125)

1. The applicant has not resided in California for at least one year immediately preceding the application for employment.
2. The applicant has resided in California for more than one year, but less than seven years, and the DOJ has ascertained that the person was convicted of a sex offense where the victim was a minor or a drug offense where an element of the offense is either the distribution to or the use of a controlled substance by a minor.

The Superintendent or designee shall immediately notify the DOJ when an applicant who has submitted his/her fingerprints to the DOJ is not subsequently employed by the district. (Penal Code 11105.2)

Subsequent Arrest Notification

The Superintendent or designee shall enter into a contract with the DOJ to receive notification of subsequent arrests resulting in conviction of any person whose fingerprints have been submitted to the DOJ. (Education Code 44830.1, 45125; Penal Code 11105.2)

Upon telephone or email notification by the DOJ that a current temporary employee, substitute employee, or probationary employee serving before March 15 of his/her second probationary year has been convicted of a violent or serious felony, the Superintendent or designee shall immediately place that employee on leave without pay.

(Education Code 44830.1, 45122.1)

When the district receives written electronic notification by the DOJ of the fact of conviction, the temporary employee, substitute employee, or probationary employee serving before March 15 of his/her second probationary year shall be terminated automatically unless the employee challenges the DOJ record and the DOJ withdraws its notification in writing. Upon receipt of the written withdrawal of notification by the DOJ, the Superintendent or designee shall immediately reinstate that employee with full restoration of salary and benefits for the period of time from the suspension without pay to the reinstatement if the employee is still employed by the district. (Education Code 44830.1, 45122.1)

The Superintendent or designee shall immediately notify the DOJ whenever a person whose fingerprints are maintained by the DOJ is terminated. (Penal Code 11105.2)

Notification of Applicant/Employee

The Superintendent or designee shall expeditiously furnish a copy of any DOJ notification to the applicant or employee to whom it relates if the information is a basis for an adverse employment decision. The copy shall be delivered in person or to the last contact information provided by the applicant or employee. (Penal Code 11105, 11105.2) Is this required?

The Superintendent shall designate at least one custodian of records who shall be responsible for the security, storage, dissemination, and destruction of all Criminal Offender Record Information (CORI) furnished to the district and shall serve as the primary contact for the DOJ for any related issues. (Penal Code 11102.2)

An employee designated as custodian of records shall receive a criminal background check clearance from the DOJ prior to serving in that capacity. (Penal Code 11102.2)

The custodian of records shall sign and return to the DOJ the Employee Statement Form acknowledging his/her understanding of the laws prohibiting misuse of CORI. In addition, the custodian of records shall ensure that any individual with access to CORI has on file a signed Employee Statement Form.

To ensure its confidentiality, CORI shall be accessible only to the custodian of records and shall be kept in a locked file separate from other files. CORI shall be used only for the purpose for which it is requested and its contents shall not be disclosed or reproduced. (Education Code 44830.1, 45125)

Once a hiring determination is made, the applicant's CORI shall be destroyed to the extent that the identity of the individual can no longer be reasonably ascertained. (Education Code 44830.1, 45125; 11 CCR 708)

The Superintendent or designee shall immediately notify the DOJ whenever a designated custodian of records ceases to serve in that capacity. (Penal Code 11102.2)

Interagency Agreement

Subject to an interagency agreement with other school districts, the district shall submit and receive CORI on behalf of all participating districts. (Education Code 44830.2, 45125.01)

Upon receipt from the DOJ of a report of conviction of a serious or violent felony, the district shall communicate that fact to participating districts and shall remove the affected employee from the common list of persons eligible for employment. (Education Code 44830.2, 45125.01)

In addition, upon receipt from the DOJ of a criminal history record or report of subsequent arrest for any person on a common list of persons eligible for employment, the district shall give notice to the superintendent of any participating district, or the person designated in writing by that superintendent, that the report is available for inspection on a confidential basis by the superintendent or the authorized designee. The report shall be made available at the district office for 30 days following the receipt of the notice. (Education Code 44830.2, 45125.01)

The district shall not release a copy of that information to any participating district or any other person. In addition, the district shall retain or dispose of the information in the manner specified in law and in this administrative regulation after all participating districts have had an opportunity to inspect it in accordance with law. (Education

Code 44830.2, 45125.01)

The district shall maintain a record of all persons to whom the information has been shown and shall make this record available to the DOJ. (Education Code 44830.2, 45125.01)

Regulation 4112.6: Personnel Files

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2016

The Superintendent or designee shall maintain personnel files for all current employees at the district's central office.

The Superintendent or designee shall determine the types of information to be included in personnel files, including, but not limited to, records required by law, and shall process all material to be placed in such files.

Placement of Material in Personnel Files

Any supervisor or administrator who places written material or drafts written material for placement in an employee's file shall indicate from whom the material is from and the date of the placement.

When an employee is asked to sign any material that is to be placed in his/her file, he/she shall be informed that the signature only signifies that he/she has read the material and does not necessarily indicate that he/she agrees with its contents.

Any request by an employee to include materials in his/her personnel file must be approved by the Superintendent or designee.

An employee may initiate a written reaction or response to his/her performance evaluation. The response shall be timely (e.g. within 10 calendar days), permanently attached to the evaluation, and placed in the employee's personnel file.

Derogatory Information

Information of a derogatory nature shall not be entered into an employee's personnel file unless and until the employee is given notice and an opportunity to review and comment on that information. Such a review shall take place during normal business hours. The employee shall be released from duty for this purpose without a salary reduction. The employee may enter his/her own comments and have them attached to the derogatory statement. (Education Code 44031) The comments shall be timely (e.g. within 10 calendar days), permanently attached to the information, and placed in the employee's personnel file.

Persons with Authorized Access

The Superintendent or designee shall maintain the confidentiality of any personnel records which, if inappropriately disclosed, would constitute an unwarranted invasion of the employee's privacy.

Access to an employee's personnel file shall be granted only to the employee, persons authorized by the employee, district personnel, and others with a valid "right to know" or "need to know" who are authorized access by the Superintendent or designee.

Individual Governing Board members shall not be allowed to access personnel files, but the Board may request pertinent information from an employee's file in cases of personnel action.

Any authorized reviewer shall maintain strict confidence of the contents of a personnel file. Personnel files shall be reviewed and replaced within the shortest time possible. In no case shall a personnel file be left unattended or left unsecured overnight.

File Review by Employee

Any employee wishing to inspect his/her personnel record shall contact the Superintendent or designee.

With the exceptions noted below, all personnel records related to the employee's performance or to any grievance concerning the employee shall be made available for inspection by the employee. Non-credentialed employees shall have access to any numerical scores obtained as a result of written examinations. (Education Code 44031; Labor Code 1198.5)

The Superintendent or designee shall not be required to make available to the employee: (Education Code 44031; Labor Code 1198.5)

1. Records related to the investigation of a possible criminal offense
2. Letters of reference
3. Ratings, reports, or records that were obtained prior to the employee's employment, prepared by identifiable examination committee members, or obtained in connection with a promotional examination

Personnel records related to the employee's job performance or to any grievance concerning him/her shall be made available to the employee at reasonable intervals and at reasonable times. The Superintendent or designee shall not be required to make such records available at a time when the employee is required to render services to the district, unless the employee is required to view the file where it is stored. (Education Code 44031; Labor Code 1198.5)

The Superintendent or designee shall do one of the following: (Labor Code 1198.5)

1. Keep a copy of each employee's personnel records at the place where the employee reports to work
2. Make the employee's personnel records available at the place where the employee reports to work within a reasonable period of time following the employee's request
3. Permit the employee to inspect the personnel records at the location where the district stores the personnel records, with no loss of compensation to the employee

The employee may be accompanied by a representative of his/her choice while reviewing his/her personnel records.

Inspection shall take place in the presence of the Superintendent or designee. The Superintendent or designee shall keep a record of the date and time the file was reviewed and the name and title of the person(s) present during the review.

In no instance shall any material be removed from the records. Requests for copies of material in a personnel record must be made in writing.

Record Retention

Personnel records for current and former employees shall be retained in accordance with 5 CCR 16023.

The Superintendent or designee shall not expunge from an employee's personnel file, nor enter into an agreement that would authorize expunging from an employee's personnel file, credible complaints of, substantiated investigations into, or discipline for egregious misconduct as defined in Education Code 44932. However, such documentation may be removed if, during a hearing before the Board, an arbiter, personnel commission, Commission on Professional Competence, or administrative law judge, the employee prevailed, the allegations were determined to be false, not credible, or unsubstantiated, or a determination was made that the discipline was not warranted. (Education Code 44939.5)

Regulation 4112.61: Employment References

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2017

The Superintendent or designee shall be responsible for processing requests for employment references, letters of recommendation, or information about the reasons for separation regarding all district employees other than himself/herself. All letters of recommendation to be issued on behalf of the district for current or former employees shall be approved by the Superintendent or designee. At his/her discretion, the Superintendent or designee may refuse to give a recommendation.

The Superintendent or designee may communicate information about the job performance or qualifications of a current or former district employee when such information is based upon credible evidence and is given to a prospective employer without malice and at the prospective employer's request. (Civil Code 47)

Any reference, letter of recommendation, or information provided about the reasons for separation issued on behalf of the district shall provide a truthful and accurate account of the employee's job performance and qualifications.

No certificated employee shall write or sign any letter or memorandum which intentionally omits significant facts, or which states as facts matters which the writer does not know of his/her own knowledge to be true, relating to the professional qualifications or personal fitness to perform certificated services of any person who the writer knows will use the letter or memorandum to obtain professional employment. (5 CCR 80332)

No certificated employee shall agree to provide a positive letter of recommendation which misrepresents facts as a condition of another employee's resigning or withdrawing action against the district. (5 CCR 80332)

Policy 4112.8: Employment Of Relatives

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2008

The Governing Board desires to maximize staff and community confidence in district hiring, promotion, and other employment decisions by promoting practices that are free of conflicts of interest or the appearance of impropriety.

The Board prohibits the appointment of any person to a position for which his/her relative maintains management, supervisory, evaluation, or promotion responsibilities and prohibits an employee from participating in any decision that singularly applies to any of his/her relatives.

For purposes of this policy, relative includes the individual's spouse, domestic partner, parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse or domestic partner.

In addition, the Superintendent or designee may determine, on a case-by-case basis, whether to appoint a person to a position in the same department or facility as an employee with whom he/she maintains a personal relationship when that relationship has the potential to create (1) an adverse impact on supervision, safety, security, or morale of other district employees or (2) a conflict of interest for the individuals involved which is greater because of their relationship than it would be for another person.

An employee shall notify his/her supervisor within 30 days of any change in his/her circumstances that may constitute a violation of this policy.

Policy 4112.9: Employee Notifications

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

The Governing Board believes that providing clear communications to staff is essential to establishing a professional, positive work environment and enhancing their job performance. The Superintendent or designee shall provide district employees all notifications required by law and any other notifications the Superintendent or designee believes will promote staff knowledge of the district's policies, programs, activities, and operations.

When required by law, Board policy, or administrative regulation, district employees shall be asked to sign (or electronically sign) an acknowledgment indicating receipt of the notification. Such acknowledgments shall be retained in each employee's personnel file.

Policy 4113: Assignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

In order to serve the best interests of students and the educational program, the Governing Board authorizes the Superintendent or designee to assign certificated personnel to positions for which they are qualified pursuant to their certification, preparation, professional experience, and aptitude.

Teachers may be assigned to any school within the district in accordance with the collective bargaining agreement or Board policy.

Assignment to Courses/Classes

The Superintendent or designee shall assign teachers based on the grade level and subject matter authorized by their credentials.

When there is no credential authorization requirement for teaching an elective course, the Superintendent or designee shall select the credentialed teacher whose knowledge and skills best prepare the teacher to provide instruction in that subject.

When specifically authorized by law or regulation, the Superintendent or designee may, with the teacher's consent, assign a teacher to a position outside the teacher's credential authorization in accordance with the local teaching assignment options described in the Commission on Teacher Credentialing's (CTC) Administrator's Assignment Manual. Such assignments shall be annually approved by Board resolution. In such cases, the Superintendent or designee shall reference in district records the statute or regulation under which the assignment is authorized.

If at any time a certificated employee is required by the district to accept an assignment which the employee believes is not legally authorized by the employee's credential, the employee shall notify the Superintendent or designee, in writing, of the misassignment. Within 15 working days, the Superintendent or designee shall notify the employee of the legality of the assignment. If no action is taken by the district, the employee shall provide written notification to the County Superintendent of Schools. No adverse action shall be taken against an employee who files a notice of misassignment. (Education Code 44258.9)

Vacancies and Misassignments

Annually, the district shall review potential misassignments and vacant positions throughout the district. Upon receiving notification from CTC of the availability of data regarding potential misassignments and vacant positions in the district, the Superintendent shall review the data within 60 days. When necessary, the Superintendent or designee may respond by submitting additional documentation to the County Superintendent showing that an employee is legally authorized for an assignment and/or that a position identified as vacant was miscoded and a legally authorized employee is assigned to the position. (Education Code 44258.9)

If the district subsequently receives, within 90 days of CTC's initial notification, a notification from the County Superintendent indicating that a certificated employee in the district is assigned to a position for which the employee has no legal authorization, the district shall correct the assignment within 30 calendar days. (Education Code 44258.9)

The district shall serve as the monitoring authority for teacher assignments in any charter school it has authorized, in accordance with Education Code 44258.9-44258.10.

Any complaint alleging teacher misassignment or vacancy shall be filed and addressed through the district's procedures specified in AR 1312.4 - Williams Uniform Complaint Procedures.

The school accountability report card for each school shall include any assignment of teachers outside their subject areas of competence, misassignments, including misassignments of teachers of English learners, and the number of vacant teacher positions for the most recent three-year period. (Education Code 33126)

Pursuant to Education Code 44258.10, the district may but is not required to advise the charter school administrator to correct the misassignment of any teachers employed by the charter school until July 1, 2025.

Equitable Distribution of Qualified and Experienced Teachers

The Superintendent or designee shall identify and address the equitable distribution of highly qualified and experienced teachers among district schools, including those with higher than average levels of low-income, minority, and/or academically underperforming students. The Superintendent or designee shall, when requested, manually report to the Board comparisons of teacher qualifications across district schools, including the number of teachers serving under a provisional internship permit, short-term staff permit, intern credential, emergency permit, or credential waiver.

Strategies for ensuring equitable access to experienced teachers may include, but are not limited to, incentives for voluntary transfers, financial incentives for working in targeted school sites, provision of professional development, and/or programs to recruit and retain effective teachers.

Regulation 4113: Assignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

Assignment to Departmentalized Classes Outside Credential Authorization

Any holder of a credential other than an emergency permit may be assigned, with consent, to teach departmentalized classes in grades K-12 regardless of the designations on the teaching credential, provided that the teacher's subject matter knowledge is verified prior to the assignment. (Education Code 44258.3)

Procedures for verifying a teacher's subject matter knowledge shall be developed and implemented by the Superintendent or designee with the involvement of appropriate subject matter specialists, including curriculum specialists, resource teachers, classroom teachers certified to teach the subject, staff assigned to regional subject matter projects or curriculum institutes, or college faculty. (Education Code 44258.3)

Procedures to be used for this purpose shall specify: (Education Code 44258.3)

1. One or more of the following ways in which subject matter competence shall be assessed:
 - a. Observation by subject matter specialists
 - b. Oral interviews
 - c. Demonstration lessons
 - d. Presentation of curricular portfolios
 - e. Written examinations
2. Specific criteria and standards for verifying subject matter knowledge by any of the above methods. These criteria shall include, but need not be limited to, evidence of the individual's knowledge of the subject matter to be taught, including demonstrated knowledge of the curriculum framework for the subject and the specific content of the district's course of study for the subject at the grade level to be taught.

Whenever a teacher is assigned to teach departmentalized classes pursuant to Education Code 44258.3, the Superintendent or designee shall notify the exclusive representative of the district's certificated employees. (Education Code 44258.3)

Assignment to Elective Courses Outside Credential Authorization

A full-time teacher with special skills and preparation outside the credential authorization may, with the teacher's consent and the prior approval of a district committee on assignments, be assigned to teach an elective course in the area of the special skills or preparation, excluding a course in English, mathematics, science, or social studies. (Education Code 44258.7)

Education Code 44258.7 authorizes districts to assign a teacher to an elective course outside the teacher's credential authorization provided that the teacher has special skills and preparation in that subject area and the assignment is approved by a local committee on assignments.

In order to make such assignments, the district must submit a plan to the County Superintendent of Schools which includes, but is not limited to, statements signed by the Board president or chair and the Superintendent approving the establishment of the committee, procedures for the selection of committee members, term of office for committee members, and criteria for determining teachers' qualifications for these assignments.

Pursuant to Education Code 44258.7, an "elective course" for this purpose is a course other than English, mathematics, science, or social science. The CTC's Administrator's Assignment Manual clarifies that whether a course is considered to be within these subject areas or an elective depends on whether students in the class receive graduation credit for the subject area. For instance, if a drama, speech, or journalism course grants graduation credit for English, then it cannot be taught by a teacher outside of the teacher's credential authorization under this option. However, if the course does not grant credit for English, then a teacher may be approved by the committee on assignments to teach the course outside the credential authorization.

The Superintendent or designee shall establish a committee on assignments, consisting of an equal number of teachers selected by teachers and school administrators selected by school administrators, to approve such assignments. (Education Code 44258.7)

When determining whether a teacher is qualified for an assignment pursuant to Education Code 44258.7, the committee may consider the teacher's education, prior experience, observation by subject matter specialists, oral interviews, demonstration lessons, presentation of curricular portfolios, and/or written examinations.

Assignments approved by the committee shall be for a maximum of one school year, but may be extended by action of the committee upon application by the principal and teacher. (Education Code 44258.7)

Assignment to Special Schedules

Full-time probationary or permanent classroom teachers employed by the district prior to implementation of weekend classes shall not, without their written consent, be required to teach for more than 180 full days during a school year or for more than the number of full days during the preceding school year, whichever is greater. No teacher shall be assigned to work on a Saturday or Sunday if the teacher objects in writing that such assignment would conflict with religious beliefs or practices. (Education Code 44824)

Policy 4113.4: Temporary Modified/Light-Duty Assignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2007

The Governing Board recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the district to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work. Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the Superintendent or designee extend the assignment. When requesting any such extension, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the Superintendent or designee for up to an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with district's insurance policy.

Policy 4113.5: Working Remotely

Status: DRAFT

Original Adopted Date: Pending

The Governing Board recognizes that working remotely at home or at another alternative location, if pre-approved, may be necessary at times when widespread illness, natural disaster, or other emergency condition makes the school or worksite unsafe or otherwise interrupts the district's ability to effectively conduct operations at the school or worksite. A full-time, part-time, or short-term remote work arrangement may also be granted by the Superintendent or designee to an individual employee, upon request, provided that the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and meet performance expectations, and the work arrangement does not hinder district operations.

The opportunity to work remotely shall be entirely at the district's discretion, and no grievance or appeal right may arise from district denial of any employee request for remote work.

Employees approved for remote work shall comply with all district policies, administrative regulations, work schedules, and job assignments. Except when specifically agreed, approval of remote work shall not change the compensation, benefits, or other terms and conditions of employment of an employee.

Unless otherwise approved in advance by the Superintendent or designee, employees working remotely shall do so within regular work hours established for the position. Employees are entitled and expected to take appropriate, uninterrupted meal and rest breaks, and shall keep accurate records of the hours they work. Employees shall notify their supervisor when unable to perform work assignments due to illness, equipment failure, or other unforeseen circumstances.

Employees working remotely are expected to conduct their work in a location that is safe and free of obstructions, hazards, and distractions. Such employees shall report to their supervisor any serious injury or illness occurring in the home workspace or in connection with their employment as soon as practically possible in accordance with Board policy.

The district may provide to employees who work remotely all supplies, materials, apparatus, and equipment reasonably necessary to perform their jobs, including, as necessary, a technology device and Internet access. Employees shall use caution in accessing the Internet from public locations and in accessing information from networks outside of the district in order to safeguard confidential information. Employees shall be responsible for maintaining and protecting equipment on loan from the district and shall adhere to the district's Acceptable Use Agreement. The employee's personally owned equipment may only be used for district business when approved by the Superintendent or designee.

Work done at a remote work location is considered official public business. District records and communications shall be retained and safeguarded against damage or loss, and shall be kept confidential or made accessible to the public in accordance with law.

Any employee working remotely shall be available during work hours to the employee's supervisor and other staff, students, parents/guardians, and members of the public, as appropriate, via email, phone, or other means. Lack of responsiveness on the part of the employee may result in discipline and/or termination of remote work responsibilities. Employees shall be required to attend virtual or in-person meetings when directed by their supervisor.

Employee productivity shall be evaluated on the basis of time spent on tasks and projects, task completion, and quality of job performance in the same manner as all employees in the same position at the assigned school or office.

Remote work arrangements may be discontinued at any time at the discretion of the Superintendent or designee.

Policy 4114: Transfers

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/01/2018

The Governing Board desires that certificated staff be assigned in a manner that equitably distributes highly qualified and experienced teachers, meets the needs of district students, and satisfies staffing requirements at each school. The Superintendent or designee is authorized to assign certificated staff in accordance with district policy and/or the collective bargaining agreement as applicable.

Subject to the approval of the Board, the Superintendent or designee may transfer a teacher from one district school to another when he/she determines the transfer is in the best interest of the district. (Education Code 35035)

Voluntary Transfers

The Superintendent or designee may establish processes and deadlines for the submission of transfer requests to facilitate staff assignments with minimal disruption to the educational program.

Upon receipt of a written transfer request by a teacher, the Superintendent or designee may consider the input of the principals at the current school and the requested school, alignment of the teacher's qualifications with needs of students and the school(s), the academic performance of the requested school, and opportunities for the professional growth of the teacher.

After April 15 prior to the school year that a transfer would become effective, no teacher who requests to be transferred to another school shall have priority over other qualified teachers who have applied for positions requiring certification qualifications at that school. (Education Code 35036)

Involuntary Transfers

Involuntary transfers may become necessary when programs are reduced or cancelled, when schools are closed, or when otherwise required (e.g. changes in enrollment) in order to accommodate the school's staffing needs.

Policy 4115: Evaluation/Supervision

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 08/01/2014

The Governing Board believes that regular, comprehensive evaluations designed to hold instructional staff accountable for their performance are key to improving their teaching skills and raising students' levels of achievement.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When areas needing improvement are identified, the Board expects employees to accept responsibility for improving their performance and encourages them to take initiative to request assistance as necessary, including participation in appropriate staff development and/or individualized teacher support and guidance programs.

The Superintendent or designee shall assess the performance of certificated instructional staff as it reasonably relates to the following criteria: (Education Code 44662)

2. The instructional techniques and strategies used by the employee
3. The employee's adherence to curricular objectives
4. The establishment and maintenance of a suitable learning environment within the scope of the employee's responsibilities

The performance of certificated instructional staff will also be assessed using the California Standards for the Teaching Profession.

With the agreement of the exclusive representative of the certificated staff when applicable, the Superintendent or designee may incorporate objective standards from the National Board for Professional Teaching Standards and/or the California Standards for the Teaching Profession into district evaluation standards.

The evaluation of certificated employee performance shall not include the use of publishers' norms established by standardized tests. (Education Code 44662)

Non-instructional certificated employees shall be evaluated on their performance in fulfilling their defined job responsibilities. (Education Code 44662)

The Superintendent or designee shall ensure that evaluation ratings have uniform meaning and are uniformly applied throughout the district.

Instructional and non-instructional certificated employees shall have the right to respond in writing to their evaluation. This response shall become a permanent attachment to the employee's personnel file. (Education Code 44663)

Evaluations shall include recommendations, if necessary, as to areas in need of improvement in the employee's performance. If an employee is not performing satisfactorily according to teaching standards approved by the Governing Board pursuant to Education Code 44662, the Superintendent or designee shall so notify the employee in writing and shall describe the unsatisfactory performance. The Superintendent or designee shall confer with the employee, make specific recommendations as to areas needing improvement, and endeavor to provide assistance to the employee in his/her performance. (Education Code 44664)

The Superintendent or designee may require any certificated employee who receives an unsatisfactory rating in the area of teaching methods or instruction to participate in a program designed to improve appropriate areas of performance and to further student achievement and the district's instructional objectives. Original Adopted Date: Pending | **Last Revised Date:** 10/01/2019

The Governing Board desires to employ and retain highly qualified certificated personnel to implement the district's educational program. Newly hired certificated personnel shall serve a probationary period during which the Board shall determine their suitability for long-term district employment.

Certificated employees who satisfactorily complete the probationary period shall be granted permanent status.

A probationary employee who has been employed by the district in position(s) requiring certification for two complete consecutive school years and is then reelected for the next succeeding school year shall become a permanent employee at the beginning of the third year. (Education Code 44929.21, 44929.23)

Inservice training may be provided during school hours as part of a comprehensive staff development program.

The performance of each probationary employee shall be evaluated and assessed at least once every school year.

Dismissal/Nonreelection of Probationary Employees

During the school year, a probationary employee may be suspended or dismissed only for cause and in accordance with district procedures. (Education Code 44948.3)

The Superintendent or designee shall annually provide the Board with recommendations regarding the reelection or nonreelection of probationary certificated personnel for the ensuing school year.

At any time during a probationary employee's first year of employment in the district, the Board may give written notice to the employee of the Board's decision not to reelect the employee for a second school year. If the Board does not give written notice, the employee shall be deemed reelected for the next succeeding school year.

During the final year of the probationary period, the Board may decide not to reelect the employee for the following year, and shall so notify the employee in writing on or before March 15. If the Board does not give written notice on or before March 15, the employee shall be deemed reelected for the next succeeding school year. (Education Code 44929.21, 44948.5)

Regulation 4117.11: Preretirement Part-Time Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 11/01/2011

If the Governing Board has adopted the reduced workload program, any certificated employee may reduce his/her workload from full time to part time in accordance with applicable law, district regulations, and collective bargaining agreement.

Any such certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) may continue to receive the service credits and maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis, provided the following conditions exist: (Education Code 22713, 44922)

1. The option to reduce the employee's workload shall be exercised at the request of the employee and the agreement to reduce the workload shall be in effect at the beginning of the school year.
2. Prior to the reduction in workload, the employee shall have a minimum of 10 years of credited service, of which the immediately preceding five years shall be full-time employment.
3. The employee shall not have had a break in service during the five years immediately preceding the reduction in workload. Sabbaticals, other approved leaves of absence, and unpaid absences from full-time employment for personal reasons shall not constitute a break in service. However, any period of time during which an employee is retired shall constitute a break in service and the employee shall be required to be employed to perform creditable service on a full-time basis for at least five school years preceding the workload reduction if he/she reinstates from retirement.
4. The employee shall have reached the age of 55 years prior to the workload reduction.
5. The employee shall not hold a position with a salary above that of a school principal.
6. The reduced workload shall be equal to at least one-half of the time the district requires for full-time employment, in accordance with Education Code 22138.5, pursuant to the employee's contract of employment during his/her last year of full-time employment preceding the reduction in workload.
7. The employee shall be paid compensation that is the pro rata share of the creditable compensation he/she would have earned had he/she not reduced his/her workload.
8. For each school year that the employee's workload is reduced, the district and/or employee shall make any payment or contribution necessary for the employee's retention of a benefit to which he/she is entitled if employed full time, in the same manner as if the employee were employed full time.
9. The agreement may be revoked only by mutual consent of the employee and the district.

However, an employee who has entered into a formalized agreement with the district to have his/her contribution into the defined benefit program paid (picked up) by the district may not terminate the agreement to reduce his/her workload except by one of the following:

- a. Terminating his/her service
 - b. Retiring from service under the defined benefit program
 - c. Continuing to perform creditable service under a new reduced workload arrangement for at least one-half of the time the district requires for full-time employment in accordance with Education Code 22138.5
 - d. Returning to full-time employment
10. The period of the reduced workload shall not exceed 10 years.

Prior to the reduction of an employee's workload, the Superintendent or designee shall verify the employee's eligibility in conjunction with the administrative staff of STRS and/or the Public Employees' Retirement System.

(Education Code 22713)

The Superintendent or designee shall maintain the necessary records to separately identify each employee who participates in the reduced workload program. (Education Code 22713)

After determining that it is in the best interest of the district, the Board may allow any certificated employee who is not eligible to reduce his/her workload pursuant to Education Code 22713 or 44922 to reduce his/her workload from full time to part time. In any such case, the Board shall specify the terms and conditions under which the reduction in workload shall take place.

The Superintendent or designee may elect to not continue to grant additional new participants in this program at any time.

Policy 4117.13: Early Retirement Option

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2016

When it is beneficial to the district, the Governing Board may offer certificated employees the option to retire early in accordance with law.

Two Years of Service Credit Retirement Incentive

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System (STRS), the Board may offer such employees an additional two years of service credit. (Education Code 22714, 44929)

Before taking formal action to approve this service incentive, the Board shall determine that encouraging early retirement would be in the best interest of the district due to the curtailment of services or changes in the manner in which services are performed and that the retirement will result in a net savings to the district. The Board shall demonstrate and certify to the County Superintendent of Schools that the formal action taken would result in a net savings to the district. (Education Code 22714, 44929)

The Board may also consider the impact of the early retirement option on the staffing needs of district schools.

To be eligible for the two years of service credit option, the employee must have five or more years of service credit and must retire during a period of 60 to 120 days after the Board takes formal action to implement the option. (Education Code 22714)

In providing the early retirement option, the district shall meet all conditions as specified in Education Code 22714 and 44929.

Two + Two Retirement Incentive: 2 Years of Service Credit + 2 Years of Age Credit

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System, the Board may offer an additional two years of service credit and two years of age credit to employees who retire within the "window period" established by the Board in a Memorandum of Understanding or by Board action prior to January 1, 2005 pursuant to repealed Education Code 22714.5.

Regulation 4117.14: Postretirement Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 04/01/2014

When necessary, the Governing Board may hire a qualified retired certificated individual who possesses the knowledge and experience needed to perform creditable service for the district as an employee, the employee of a third party, or an independent contractor/consultant, provided that all applicable restrictions specified by the California State Teachers' Retirement System (CalSTRS) are met. Applicable CalSTRS restrictions include, but are not limited to, a requirement that a retired member be paid compensation comparable to that for active employees for comparable duties and prohibitions against the hiring of a retired member within 180 days of his/her retirement and for the classified service, except as an aide pursuant to Education Code 45134. Additional restrictions and rules may apply to other employment situations, such as when CalSTRS retired members are employed as employees of third parties, independent contractors, or consultants. The Superintendent or designee should consult legal counsel when dealing with such employment situations. (Education Code 22119.5, 22164.5, 24214, 24214.5)

Any retired member of the defined benefit program of CalSTRS who is hired by the district to perform retired member activities as defined pursuant to Education Code 22164.5 shall be paid at an annualized rate of pay that shall not be below the minimum or exceed the maximum paid to other district employees performing comparable duties. However, such a retired individual shall not make contributions to the CalSTRS retirement fund or accrue service credit based on compensation earned from the retired member activity. (Education Code 24214)

No retired member of the CalSTRS defined benefit program shall be hired by the district for at least 180 calendar days after his/her retirement from service, unless he/she has attained the normal retirement age and qualifies for an exemption to the 180-day waiting period. To seek this exemption, the Board shall, during the open session of a Board meeting, adopt a resolution which shall include the following information and findings: (Education Code 24214.5)

1. A statement expressing the Board's intent to seek an exemption to the 180-day waiting period
2. A description of the nature of the employment of the retiree
3. A finding that the retiree has reached the normal retirement age
4. A finding that the appointment of the retiree is necessary to fill a critically needed position before the 180-day waiting period has passed
5. A finding that the retired individual did not receive additional service credit pursuant to Education Code 22714 or 22715 or any financial inducement to retire. Financial inducement to retire shall include, but is not limited to, cash or any form of compensation or other payment directly or indirectly paid by any public employer to the retired individual before or after his/her retirement, if the individual retires for service on or before a specific date or range of dates established by the public employer on or before the date the inducement is offered
6. A finding that the retired individual's termination of employment with the district is not the basis for the need to acquire the services of the retired individual

The resolution shall not be adopted through the Board's consent agenda. (Education Code 24214.5)

When employing a retired individual who is eligible for exemption from the 180-day waiting period, the Superintendent or designee shall submit all required documentation to substantiate eligibility for the exemption to CalSTRS before the retired member begins performing any retired member activities. The Superintendent or designee may contact

CalSTRS to request information as to whether the retired member qualifies for the exemption after 30 days of submitting the required documentation to CalSTRS. (Education Code 24214.5)

Postretirement Compensation Limitation, Notice, and Report

All CalSTRS retirees performing creditable service for the district shall be subject to the applicable CalSTRS earnings limit. Monies earned in excess of the limit may subject the CalSTRS retiree to a reduction in his/her retirement allowance. Compensation subject to the earnings limitation includes, but is not limited to, salary or wages, deferred

compensation plans, purchase of an annuity contract, tax-deferred retirement plan or insurance program, and other plans or contributions when the cost is covered by a district. (Education Code 22119.5, 22164.5, 24214)

Whenever the district retains the services of a CalSTRS retiree as a district employee, employee of a third party, or an independent contractor, the Superintendent or designee shall: (Education Code 22461, 24214)

1. Advise the retired individual of the postretirement earnings limitation or employment restriction set forth in Education Code 22714, 24214, or 24214.5 or any other applicable law
 2. Maintain accurate records of the retired individual's compensation and report it monthly to CalSTRS and the individual, regardless of the method of payment or the fund from which the payments are made
-

Policy 4117.2: Resignation

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2001

Any district employee who desires to resign his/her position shall submit, in writing, a letter of resignation which indicates the date which the employee intends as his/her last day at work. The Governing Board encourages employees to provide advance notice that is appropriate for the position they hold.

The Board authorizes the Superintendent or HR designee to accept an employee's written resignation, and to set its effective date. Once the Superintendent or designee has accepted and set an effective date for this resignation, the resignation may not thereafter be withdrawn by the employee without approval of the Superintendent or HR designee.

The effective date of the resignation shall be a date not later than the close of the school year during which the resignation is received. However, an employee and the Board may agree that a resignation will be accepted at a mutually agreed upon date not later than two years beyond the close of the school year during which the resignation is received by the Board. (Education Code 44930, 45201)

Policy 4117.3: Personnel Reduction

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 08/01/2014

The Governing Board may reduce the number of probationary and permanent certificated employees when, in its opinion, any of the following conditions makes such reduction necessary:

1. Average daily attendance (ADA) in all of the schools in the district during the first six months of the school year has declined below the level for the same period in either of the previous two school years. (Education Code 44955)
2. A particular kind of service is to be reduced or discontinued not later than the beginning of the following school year. (Education Code 44955)
3. Attendance in the district will decline in the following year as a result of the termination of an interdistrict tuition agreement. (Education Code 44955)
4. An amendment of state law requires modification of the curriculum. (Education Code 44955)
5. During the time period between five days after the enactment of the Budget Act and August 15 of that fiscal year, the Board determines that the district's total revenue limit per ADA for the fiscal year of that Budget Act has not increased by at least two percent. (Education Code 44955.5)

Determination of the Order of Layoffs

When it is necessary to reduce the number of certificated employees for any of the reasons listed above, the services of employees shall be terminated in the inverse of the order in which they were employed by the district in probationary status, except as otherwise authorized by law. (Education Code 44844, 44955)

The Superintendent or designee shall maintain the seniority list for this purpose and shall make it available upon request.

Unless otherwise provided by law, a permanent employee shall have the right to be retained over a probationary employee or any employee with less seniority if the position is one for which he/she is certificated and competent to render service. (Education Code 44955)

To determine the order of termination between employees who first rendered paid service on the same date, the Board shall rank order those employees solely on the basis of the needs of the district and students. Upon the request of an employee whose order of termination is to be determined based on such ranking, the Board shall furnish the employee, no later than five days prior to the commencement of the administrative hearing on the layoff, a written statement of the specific criteria used in determining the order of termination and the application of the criteria in ranking the employee relative to the other employees in the group. (Education Code 44955)

The district may deviate from terminating certificated employees in order of seniority for either of the following reasons: (Education Code 44955, 44956)

1. To fill a demonstrated specific need for personnel to teach a specific course or courses of study, or to provide services authorized by a services credential with a specialization in either student personnel services or health for a school nurse, when the certificated employee has the necessary special training and experience which others with more seniority do not possess
2. To maintain or achieve compliance with constitutional requirements related to equal protection of the law

Notice and Hearing Rights

When it becomes necessary to reduce the number of permanent and/or probationary employees pursuant to Education Code 44955 as specified in items #1-4 above, the district shall give notice to the affected employees, no later than March 15, stating the reasons for the action and the employees' right to a hearing. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 44949, 44955, and other applicable provisions of law.

When an employee has requested a hearing before an administrative law judge regarding the reduction or

discontinuation of services, the Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge's proposed decision. None of the findings, recommendations, or determinations of the administrative law judge shall be binding on the Board. (Education Code 44949)

The Board may conduct its own hearing, adopt the administrative law judge's proposed decision, refer the case back to the administrative law judge for additional evidence, or reject or modify the proposed decision and make its own determination based upon its review of the record.

Following the Board's decision, the Superintendent or designee shall give final notice, in the manner specified, to the affected employees before May 15 unless the parties agree otherwise in accordance with procedures required by law. (Education Code 44955)

When layoffs become necessary pursuant to Education Code 44955.5 as specified in item #5 above, layoff proceedings shall be carried out as required by law but in accordance with a schedule of notice and hearing adopted by the Board. (Education Code 44955.5)

Reappointment

If the number of employees is increased or the discontinued service reestablished, permanent certificated employees shall have the right to reappointment, in order of seniority, for 39 months from the date of termination. Probationary certificated employees shall have the same right for 24 months after being terminated, subject to the prior reappointment rights of permanent employees. (Education Code 44846, 44956, 44957)

During the period of the preferred right to reappointment, permanent certificated employees shall, in the order of original employment, be offered first opportunity for substitute service during the absence of any employee who has been granted a leave of absence or who is temporarily absent from duty. Such substitute service may be terminated upon the return to duty of the other employee. Such substitute service shall not affect the retention of the employees' previous classification and rights. Probationary certificated employees shall have the same right to substitute service during the period of preferred right to reappointment to the extent required by law, subject to the rights of permanent certificated employees. (Education Code 44918, 44956, 44957)

Before reappointing any certificated employee to teach a subject which he/she has not previously taught and for which he/she does not have a teaching credential or which is not within the employee's major area of postsecondary study, the Board shall require the employee to pass a subject matter competency test in the appropriate subject. (Education Code 44956)

Reappointed certificated employees shall not be subject to any requirements that were not imposed on employees who continued in service. Their period of absence shall be treated as a leave of absence and not considered a break in the continuity of their service. (Education Code 44956, 44957)

Regulation 4117.5: Termination Agreements

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/01/1997

If a termination settlement agreement has been made with an employee, the Superintendent or designee shall inform prospective employers, upon request for an employment reference, that an agreement exists and that he/she may only provide information as provided for in the agreement.

Cash settlements made upon the termination of a contract shall never exceed an amount equal to the employee's monthly salary multiplied by the number of months, up to 18, in the unexpired term of the contract. This amount is a maximum ceiling, not to be construed as a target amount for settlement agreements. (Government Code 53260)

Settlement agreements shall not include noncash items other than health benefits, which the district may offer to continue for the unexpired term up to 18 months or until the employee finds other employment, whichever comes first. (Government Code 53261)

Copies of settlement agreements with a superintendent, deputy superintendent, assistant superintendent, associate superintendent or other similar chief administrative officer or chief executive officer shall be made available to the public upon request. (Government Code 53262)

A certificated employee may be disciplined for conduct or performance in accordance with law, the applicable collective bargaining agreement, Board policy, and administrative regulation.

Disciplinary action shall be based on the particular facts and circumstances involved and the severity of the conduct or performance. An employee's private exercise of personal beliefs and activities, including religious, political, cultural, social, or other beliefs or activities, or lack thereof, shall not be grounds for disciplinary action against the employee, provided that the beliefs or activities do not involve coercion of students or any other violation of law, Board policy, or administrative regulation.

In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

The Superintendent shall notify the Board whenever there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933.

When the Board finds that there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933, it may formulate a written statement of charges specifying instances of behavior and the acts or omissions constituting the charge, the statutes and rules that the employee is alleged to have violated when applicable, and the facts relevant to each charge. The Board shall also review any duly signed and verified written statement of charges filed by any other person. (Education Code 44934, 44934.1)

Based on the written statement of charges, the Board may, upon majority vote, give notice to the employee of the Board's intention to suspend or dismiss the employee at the expiration of 30 days from the date the notice is served. (Education Code 44934, 44934.1)

Prior to serving a suspension or dismissal notice that includes a charge of unsatisfactory performance, the district shall give the employee written notice of the unsatisfactory performance that specifies the nature of the unsatisfactory performance with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct the faults and overcome the grounds for any unsatisfactory performance charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unsatisfactory performance shall be provided at least 90 days prior to the filing of the suspension or dismissal notice or prior to the last one-fourth of the school days in the year. (Education Code 44938)

Prior to serving a suspension or dismissal notice that includes a charge of unprofessional conduct, the district shall give the employee written notice that describes the nature of the unprofessional conduct with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct the faults and overcome the grounds for any unprofessional conduct charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unprofessional conduct shall be provided at least 45 days prior to the filing of the suspension or dismissal notice. (Education Code 44938)

Except for notices that only include charges of unsatisfactory performance, the written suspension or dismissal notice may be served at any time of year. Such notice shall be served upon the employee personally if given outside of the instructional year or, if given during the instructional year, may be served personally or by registered mail to the employee's last known address. Notices with a charge of unsatisfactory performance shall be given only during

the instructional year of the school site where the employee is physically employed and may be served personally or by registered mail to the employee's last known address. (Education Code 44936)

If an employee has been served notice and demands a hearing pursuant to Government Code 11505 and 11506, the Board shall either rescind its action or schedule a hearing on the matter. (Education Code 44941, 44941.1, 44943, 44944)

Pending suspension or dismissal proceedings for an employee who is charged with egregious misconduct, immoral conduct, conviction of a felony or of any crime involving moral turpitude, incompetency due to mental disability, or willful refusal to perform regular assignments without reasonable cause as prescribed by district rules and regulations, the Board may, if it deems it necessary, immediately suspend the employee from assigned duties. If the employee files a motion with the Office of Administrative Hearings for immediate reversal of the suspension based on a cause other than egregious misconduct, the Board may file a written response before or at the time of the hearing. (Education Code 44939, 44939.1, 44940)

Policy 4119.11: Sexual Harassment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/15/2020

The following policy shall apply to all district employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. The Board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions.

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

District employees who feel that they have been sexually harassed in the performance of their district responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a district administrator, or the district's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon investigation of a sexual harassment complaint, any district employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

4. Submission to or rejection of the conduct is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the district.

For purposes of applying the complaint procedures specified in Title IX of the Education Amendments of 1972, sexual harassment is defined as any of the following forms of conduct that occurs in an education program or activity in which a district school exercises substantial control over the context and respondent: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct

The Superintendent or designee shall retain for at least two years the records of any training provided to supervisory employees. Such records shall include the names of trained employees, date of the training, the type of training, and the name of the training provider. (2 CCR 11024)

Regulation 4119.12: Title IX Sexual Harassment Complaint Procedures

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/15/2020

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

All other sexual harassment complaints or allegations shall be investigated and resolved in accordance with AR 4030 - Nondiscrimination in Employment. The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

Because the complainant has a right to pursue a complaint under AR 4030 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for AR 4030 are concurrently met while implementing the Title IX procedure.

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 4119.11/4219.11/4319.11 - Sexual Harassment or to the employee's direct supervisor or other district administrator, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint.

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations when a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations, including as part of the district's obligation to not be deliberately indifferent to known allegations of sexual harassment. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

The Title IX Coordinator, investigator, decision-maker, or a facilitator of an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Such persons shall receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and not unreasonably burden the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines, modifications of work schedules, mutual restrictions on contact, changes in work locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

If the respondent is a student, the district may, on an emergency basis, remove the student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. This authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal of a formal complaint or any allegation in the complaint in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to AR 4030 - Nondiscrimination in Employment as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.
2. Obtains the parties' voluntary, written consent to the informal resolution process

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice shall also include the name of the investigator, facilitator of an informal process, and decision-maker and shall inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence
2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. (34 CFR 106.45)

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decision-maker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decision-maker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party

The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decision-maker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the section "Supportive Measures," until the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom.
 2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances.
 3. All materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public.

The Superintendent or designee shall establish a written exposure control plan in accordance with state and federal standards for dealing with potentially infectious materials in the workplace.

The exposure control plan shall be consistent with the district's injury and illness prevention program established pursuant to Labor Code 6401.7 and 8 CCR 3203. (8 CCR 5193)

The Superintendent or designee shall determine which employees have occupational exposure to bloodborne pathogens and other potentially infectious materials. In accordance with the district's exposure control plan, employees having occupational exposure shall receive training and be offered the hepatitis B vaccination. (8 CCR 5193; 29 CFR 1910.1030)

Any employee not identified by the Superintendent or designee as having occupational exposure may submit a request to the Superintendent or designee to be included in the training and hepatitis B vaccination program. The Superintendent or designee may deny a request when there is no reasonable anticipation of contact with any infectious material.

In the event that an employee has an exposure incident, the district shall implement follow-up procedures in accordance with the exposure control plan. All such incidents shall be evaluated to determine whether changes need to be made in district practices.

Definitions

Occupational exposure means reasonably anticipated skin, eye, mucous membrane, or parenteral contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. (8 CCR 5193; 29 CFR 1910.1030)

Exposure incident means a specific eye, mouth, other mucous membrane, nonintact skin, or parenteral contact with blood or other potentially infectious materials that results from the performance of an employee's duties. (8 CCR 5193; 29 CFR 1910.1030)

Parenteral contact means piercing mucous membranes or the skin barrier through such events as needlesticks, human bites, cuts, and abrasions. (8 CCR 5193; 29 CFR 1910.1030)

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193)

A sharps injury is any injury caused by a sharp, including, but not limited to, cuts, abrasions, or needlesticks. (8 CCR 5193)

Work practice controls are controls that reduce the likelihood of exposure by defining the manner in which a task is performed. (8 CCR 5193; 29 CFR 1910.1030)

Engineering controls are controls, such as sharps disposal containers, needleless systems, and sharps with engineered sharps injury protection, that isolate or remove the bloodborne pathogens hazard from the workplace. (8 CCR 5193; 29 CFR 1910.1030)

Engineered sharps injury protection is a physical attribute, such as a barrier, blunting, encapsulation, withdrawal, or other effective mechanism, built into a needle device or into a non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193; 29 CFR 1910.1030)

Personal protective equipment is specialized clothing or equipment worn or used by an employee for protection against a hazard, such as gloves, gowns, laboratory coats, face shields or masks. (8 CCR 5193)

 8. An effective procedure for obtaining the active involvement of employees in reviewing and updating the exposure control plan with respect to the procedures performed by employees in their respective work areas or departments

The exposure control plan shall be reviewed and updated at least annually and whenever necessary to: (8 CCR 5193; 29 CFR 1910.1030)

HEPATITIS B VACCINE DECLINATION

Note: 8 CCR 5193 and 29 CFR 1910.1030 require the district to ensure that the following statement is signed by any employee with occupational exposure to bloodborne pathogens or other potentially infectious materials who declines to accept the hepatitis B vaccination offered by the district.

In accordance with 8 CCR 5193 and 29 CFR 1910.1030, the district makes the hepatitis B vaccine available to employees who may reasonably be expected to have contact with blood or other potentially infectious materials in the performance of their duties. Any employee who declines this vaccine is required to read and sign the following statement:

I understand that, due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to myself.

Policy 4119.43: Universal Precautions

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

In order to protect all employees from contact with potentially infectious blood or other body fluids, the Governing Board requires that universal precautions be observed throughout the district. Universal precautions are appropriate for preventing the spread of all infectious diseases and shall be used regardless of whether bloodborne pathogens are known to be present.

The Superintendent or designee shall distribute to employees information provided by the California Department of Education (CDE) regarding acquired immune deficiency syndrome (AIDS), AIDS-related conditions, and hepatitis B.

This information shall include, but not be limited to, any appropriate methods employees may use to prevent exposure to AIDS and hepatitis B, including information concerning the availability of a vaccine to prevent contraction of hepatitis B, and that the cost of this vaccination may be covered by the health plan of the employees.

Information shall be distributed annually, or more frequently if there is new information supplied by CDE. (Health and Safety Code 120875, 120880)

Information regarding universal precautions may be included in employee handbooks.

Employees shall immediately report any exposure incident or first aid incident in accordance with the district's exposure control plan for bloodborne pathogens or other safety procedures.

Regulation 4119.43: Universal Precautions

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

Definitions

Universal precautions are an approach to infection control. All human blood and certain human body fluids, including, but not limited to semen, vaginal secretions, and any body fluid that is visibly contaminated with blood, are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus (HBV), hepatitis C virus (HCV), and other bloodborne pathogens. (8 CCR 5193; 29 CFR 1910.1030)

Occupational exposure means reasonably anticipated contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. (8 CCR 5193; 29 CFR 1910.1030)

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193)

Infection Control Practices

For the prevention of infectious disease, the district shall:

1. Effectively maintain the worksite in a clean and sanitary condition, and implement an appropriate written schedule for cleaning and decontamination of the worksite
2. When necessary for employees with occupational exposure to bloodborne pathogens, provide appropriate personal protective equipment, such as gloves, masks, and outer garments, at no cost to the employee (8 CCR 5193)
3. Provide handwashing facilities which are readily accessible to employees, or, if not feasible, provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes

Any employee who has contact with blood or other body fluid, regardless of whether bloodborne pathogens are known to be present, shall:

1. Use personal protective equipment as appropriate.
2. Wash hands and other skin surfaces thoroughly with soap and running water:
 - a. Immediately or as soon as feasible following contact with blood or other potentially infectious materials
 - b. Immediately after removing gloves or other personal protective equipment
3. When handwashing facilities are not available, use antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. In such instances, hands shall be washed with soap and running water as soon as feasible.
4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure to bloodborne pathogens.
5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.
6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs, or forceps to clean up broken glassware which may be contaminated.
7. Use effective techniques designed to minimize the risk of a sharps injury in all procedures involving the use of sharps.
8. Handle, store, treat, and dispose of regulated waste in accordance with Health and Safety Code 117600-118360 and other applicable state and federal regulations.

- a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR 5193.
 - b. Specimens of blood or other potentially infectious material shall be placed in a container which prevents leakage during collection, handling, processing, storage, transport, or shipping.

Policy 4121: Temporary/Substitute Personnel

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 12/01/2015

The Governing Board recognizes that substitute and temporary personnel perform an essential role in promoting student achievement and desires to employ highly qualified, appropriately credentialed employees to fill such positions.

Hiring

The Superintendent or designee shall recommend candidates for substitute or temporary positions for Board approval, and shall ensure that all substitute and temporary employees are assigned in accordance with law and the authorizations specified in their credential.

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The district shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee. (Education Code 44917)

Permanent or probationary certificated employees who were laid off pursuant to Education Code 44955 and who have a preferred right of reappointment shall be given priority for substitute service in the order of their original employment. (Education Code 44956, 44957)

Classification

At the time of initial employment and each July thereafter, the Board shall classify substitute and temporary employees as such. (Education Code 44915, 44916)

The Board may classify as substitute personnel a teacher hired to fill the position of a regularly employed person who is absent from service. (Education Code 44917)

To address the need for additional certificated employees when regular district employees are absent due to leaves or long-term illness, the Board may classify a teacher who is employed for at least one semester and up to one complete school year as a temporary employee. Any person whose service begins in the second semester and before March 15 may be classified as a temporary employee even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed, which shall not exceed the identified need based on the absence of regular employees. (Education Code 44920)

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day to day during the first three months of any school term to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any school term (Education Code 44919)
2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any school term (Education Code 44919)
3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the district (Education Code 44919)
4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of district business during an emergency when persons are not immediately available for probationary classification (Education Code 44919)
5. Serve only for the first semester because the district expects a reduction in student enrollment during the second semester due to mid-year graduations (Education Code 44921)

For purposes of classifying employees pursuant to item #1 or #2 above, the school year shall not be divided into

more than two school terms. (Education Code 44919)

Any employee hired to provide services in a categorically funded program or project may be employed for a period less than a full school year. He/she may be classified as a temporary employee if the period of employment will end at the expiration of that program or project. (Education Code 44909)

Salary and Benefits

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the district. (Education Code 44977, 45030)

Temporary certificated employees shall participate in the health and welfare plans or other fringe benefits of the district.

Paid Sick Leave

Except for a retired annuitant who is not reinstated to the retirement system, any temporary or substitute employee who works for 30 or more days within a year of his/her employment shall be credited with 24 hours of paid sick leave for that year. Unused sick leave shall not carry over to the following year of employment. (Labor Code 246)

Any temporary or substitute employee may begin to use accrued paid sick days on the 90th day of his/her employment, after which he/she may use the sick days as they are accrued. (Labor Code 246)

A temporary or substitute employee may use accrued sick leave for absences due to: (Labor Code 246.5)

1. His/her own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care
2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking

No employee shall be denied the right to use accrued sick days and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249. The Superintendent or designee shall display a poster containing required information, provide notice to eligible employees of their sick leave rights, keep records of employees' use of sick leave for three years, and comply with other requirements specified in Labor Code 245-249 and in AR 4161.1/4361.1 - Personal Illness/Injury Leave.

Release from Employment/Dismissal

The Board may dismiss a substitute employee at any time at its discretion. (Education Code 44953)

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained during one school year. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year. (Education Code 37200, 44954)

Reemployment as a Probationary Employee

Unless released from employment pursuant to Education Code 44954, any person employed for one complete school year as a temporary employee shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary employee. With the exception of on-call, day-to-day substitutes, if a temporary or substitute employee performs the duties normally required of certificated employees for at least 75 percent of the number of days the regular schools of the district were maintained in that school year and is then employed as a probationary employee for the following school year, his/her previous employment as a temporary or substitute employee shall be credited as one year's employment as a probationary employee for purposes of acquiring permanent status. (Education Code 44917, 44918, 44920)

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary

employee except for the fact that such employee is on leave. (Education Code 44920, 44921)

A temporary employee hired pursuant to item #1 or #2 in the section "Classification" above shall be classified as a probationary employee if the duties continue beyond the time limits of the assignment. (Education Code 44919)

A person employed pursuant to item #5 in the section "Classification" above who is then continued in employment beyond the first semester shall be classified as a probationary employee for the entire school year and shall be reemployed to fill any vacant position in the district for which he/she is certified. Preference for available positions shall be determined by the Board as prescribed by Education Code 44845 and 44846. (Education Code 44921)

With the exception of on-call, day-to-day substitutes, any temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served in a certificated position in the district for at least 75 percent of each of two consecutive school years shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

Regulation 4121: Temporary/Substitute Personnel

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2012

Qualifications

Any candidate recommended by the Superintendent or designee for a substitute or temporary position requiring certification qualifications shall possess the appropriate credential or permit authorizing his/her employment in such position and shall meet all other requirements of law for certificated positions. (Education Code 44830)

The district shall not initially hire a certificated person on a substitute or temporary basis in a capacity designated in his/her credential unless he/she has demonstrated basic skills proficiency in reading, writing, and mathematics pursuant to Education Code 44252.5, unless exempted by law. (Education Code 44830)

A noncredentialed person shall not substitute for any special education certificated position. The Superintendent or designee shall recruit and maintain lists of appropriately credentialed substitute teachers for special education positions. He/she shall contact institutes of higher education with approved special education programs for possible recommendations of appropriately credentialed special education personnel. (Education Code 56060, 56063)

Notifications

At the time of initial employment during each school year, each new temporary employee shall receive a written statement indicating his/her employment status and salary. This statement shall clearly indicate the temporary nature of the employment and the length of time for which the person is being employed. (Education Code 44916)

Time of initial employment means before the employee starts work. (Kavanaugh v. West Sonoma County Union High School District)

The Superintendent or designee shall notify all substitute and part-time certificated employees, within 30 days of their hire, of their right to elect membership in a defined benefit program under a qualified retirement plan. The employee shall sign a form provided by the system to acknowledge receipt of this notice and to indicate whether he/she elects or declines membership. Election of membership shall be irrevocable for all future employment to perform creditable service. (Education Code 22455.5, 22515)

Assignments

A person who holds an emergency 30-day substitute permit, emergency career substitute permit, emergency substitute permit for prospective teachers, or emergency substitute permit for career technical education shall be restricted in the number of days he/she may substitute for any one teacher in accordance with 5 CCR 80025-80025.5.

In placing substitute teachers in special education classrooms, the district shall give first priority to substitute teachers with the appropriate special education credential(s), second priority to substitute teachers with any other special education credential, and third priority to substitute teachers with a regular teaching credential. An inappropriately credentialed substitute teacher shall not serve as a substitute for a special education teacher for a period of more than 20 cumulative school days for each special education teacher absent during each school year. The district may apply to the Superintendent of Public Instruction for an extension of 20 school days, or for a longer period in extraordinary circumstances. (Education Code 56060-56062)

The Superintendent or designee shall maintain a complete record of each participating teacher's progress toward completion of clear credential requirements.

Policy 4136: Nonschool Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008

In order to help maintain public trust in the integrity of district operations, the Governing Board expects all employees to give the responsibility of their positions precedence over any other outside employment. A district employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to his/her district duties.

An outside activity shall be considered inconsistent, incompatible, or inimical to district employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties
2. Entails compensation from an outside source for activities which are part of the employee's regular duties
3. Involves using the district's name, prestige, time, facilities, equipment, or supplies for private gain
4. Involves service which will be wholly or in part subject to the approval or control of another district employee or Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with his/her immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the district and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the Superintendent or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring

A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in his/her class(es). An employee who wishes to tutor another district student shall first request authorization from his/her supervisor in accordance with this Board policy. If authorization is granted, the employee shall not use district facilities, equipment, or supplies when providing the tutoring service.

Policy 4140: Bargaining Units

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 12/15/2020

The Governing Board recognizes the right of district employees to form a bargaining unit and to select an employee organization as the exclusive representative to represent the employees in the employees' employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Employees shall not be prohibited from wearing union buttons or other items that favor or oppose the formation of a bargaining unit or any matter that is the subject of negotiations.

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

A bargaining unit of supervisory employees may be recognized if the bargaining unit includes all supervisory employees and is not represented by an employee organization that represents district employees who are supervised by the supervisory employees. (Government Code 3545)

For this purpose, supervisory employee means any employee, regardless of job description, having authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to, direct, or adjust grievance of other employees, or effectively recommend that action, when the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. In the employment relationship with the district, such employees may represent themselves or be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. An employee organization representing management or confidential employees shall not be permitted to meet and negotiate with the district on behalf of the employees. (Government Code 3543.4)

Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board. (Government Code 3540.1)

Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. (Government Code 3540.1)

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

The Superintendent or designee may communicate with district employees regarding their rights under the law. Such communications shall be factual and accurate, and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

However, before disseminating to multiple employees any mass communication concerning employees' right to join or support an employee organization or to refrain from joining or supporting an employee organization, such as a written document or script for oral or recorded presentation or message, the Superintendent or designee shall meet and confer with the employees' exclusive representative regarding the content of the communication. If the district

and exclusive representative do not come to agreement on the content of the mass communication, the Superintendent or designee may disseminate the district's mass communication, provided that at the same time, copies of the exclusive representative's communication, which shall be of reasonable length, are also distributed. (Government Code 3553)

Access to New Employee Orientations

The district shall permit employee organizations access to new employee orientation or onboarding process where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation, except that a shorter notice may be provided if an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice. (Government Code 3555.5, 3556)

Following a request to negotiate by either party, the structure, time, and manner of access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative. If the district and exclusive representative fail to reach an agreement, matters related to access to the new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of a new employee orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

Until June 30, 2025, in addition to above provisions regarding new employee orientations, the district shall ensure the following: (Government Code 3556)

1. When an in-person new employee orientation has not been conducted within 30 days of hiring any new employee who is working in person, the Superintendent or designee shall permit the exclusive representative to schedule an in-person meeting which newly hired employees shall have an opportunity to attend, at the employee's worksite and during employment hours. Each newly hired employee within the bargaining unit shall be provided at least 30 minutes of paid time to attend the meeting.

Upon the request of an exclusive representative scheduling such an in-person meeting, the Superintendent or designee shall provide an appropriate on-site meeting space within seven days of receiving the exclusive representative's request.

2. When, by reason of a state or local public health order limiting the size of gatherings, the district is prohibited from organizing a new employee orientation, an exclusive representative may schedule multiple meetings to ensure that newly hired employees have an opportunity to attend without exceeding the maximum allowable number of people.

Access to Employee Contact Information

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire, unless the exclusive representative has agreed to a different interval for the provision of the information. In addition, the Superintendent or designee shall provide the exclusive representative the same information in regard to all employees in the bargaining unit at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or of any employee who provides a written request that the information not be disclosed to the exclusive representative. Following receipt of a written request, the district

shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

Within 20 calendar days after an exclusive representative notifies the Superintendent or designee that a list of employees provided by the district is inaccurate or incomplete, the Superintendent or designee shall take steps to correct the list and provide a new list of employees to the exclusive representative. (Government Code 3558)

At least, at the beginning of each school year, the Superintendent or designee shall review the list of district employees to ensure that the list is complete and contains accurate information. Employees, when requested, will be expected to respond to update or confirm the accuracy of their information by any reasonable deadline requested by the District.

Communications with Employees

Employee organizations may have access at reasonable times to areas in which employees work and may use district facilities at reasonable times for the purpose of meetings. Subject to reasonable regulation, employee organizations may also use institutional bulletin boards, mailboxes, and other means of communication to communicate with employees. (Government Code 3543.1)

Access to district means of communication shall be limited in cases where such access would be disruptive to district operations.

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

The Board is committed to carrying out the provisions of each agreement and expects the agreements to be consistently and uniformly administered.

Following adoption of the collective bargaining agreement, the Superintendent or designee shall review related Board policies and recommend to the Board any action needed to maintain consistency with the agreement. Whenever a Board policy conflicts with a provision in the collective bargaining agreement, the agreement shall be binding for those employees covered by the terms of the agreement. Whenever a law conflicts with a provision in the collective bargaining agreement, the law will prevail as to those employees for whom the law applies.

Upon request by the Public Employment Relations Board, the Superintendent or designee shall provide, within 15 days of the request, a copy of the written agreement and any amendments. (8 CCR 32120)

Policy 4141.6: Concerted Action/Work Stoppage

The Governing Board recognizes the importance of maintaining ongoing positive relations with employees and engaging in fair, respectful negotiations with employee organizations. The Board desires to reach agreement on employment contracts in a manner that prevents disruption to school operations and minimizes impact on student achievement.

The Board recognizes that advance planning is necessary to ensure that, in the event of a work stoppage, strike, or other concerted employee activity, students continue to receive educational services to which they are entitled. The Superintendent or designee shall develop a written plan which shall include strategies for the provision of internal and external communications, preservation of student and staff safety, maintenance of district operations, and appropriate student instruction and supervision during a work slowdown or stoppage.

If an employee organization gives notice that it intends to strike, the Superintendent or designee shall notify the Public Employment Relations Board, Employment Development Department, employees in the striking unit, other district employees, parents/guardians, students, law enforcement, the media, and others as appropriate.

Employees should be held accountable for their behavior during any labor dispute. The Superintendent or designee shall develop an efficient claims handling process that reduces costs and facilitates employee recovery.

The Superintendent or designee shall notify every new employee, at the time of hire or by the end of the first pay period, of the employee's right to receive workers' compensation benefits if injured at work. (Labor Code 3551; 8 CCR 15596)

The employee and appropriate district staff shall also promptly document the date and time of any incident, a description of the incident, and any persons present.

Within one working day of receiving notice or knowledge of any injury to an employee in the course of employment, the Superintendent or designee shall provide a claim form and notice of potential eligibility for workers' compensation benefits to the employee or, in the case of the employee's death, to the employee's dependents. (Labor Code 3553)

The Superintendent or designee shall ensure that all employee notices described above are all available in English and Spanish and in the form prescribed by the Department of Industrial Relations (DIR), Division of Workers Compensation.

Upon learning of a work-related injury or illness, or injury or illness alleged to have arisen out of and in the course of employment, the Superintendent or designee shall report the incident to the district's insurance carrier or DIR, as applicable, within five days after obtaining knowledge of the injury or illness. (Labor Code 6409.1)

In addition, in every case involving death or serious injury or illness, the Superintendent or designee shall immediately make a report to the Division of Occupational Safety and Health (Cal/OSHA) by telephone or through an online mechanism made available by Cal/OSHA. (Labor Code 6409.1)

3. A specific place of employment is ordered to close by a local public health department, the California Department of Public Health, Cal/OSHA, or the Superintendent due to a risk of infection with COVID-19.

The Superintendent or designee may rebut a presumption that COVID-19 was contracted during the course and scope of employment by offering evidence to the Workers' Compensation Appeals Board, such as the measures that were in place at the employee's specific place of employment to reduce potential transmission of COVID-19 and evidence of an employee's nonoccupational risk of contracting COVID-19. 7. Need of the employee or employee's family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Labor Code 233, 246.5)
8. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee or the employee's child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave that would be accrued during six months at the employee's then current rate of entitlement. (Labor Code 233)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

The Superintendent or designee shall notify any certificated employee who leaves the district after at least one school year of employment that if the employee accepts a certificated position in another district, county office of education, or community college district within one year, the employee may request that the district transfer any accumulated sick leave to the new employer. (Education Code 44979, 44980)

The request for transfer of leave may occur during any succeeding year.

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a certificated employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 10 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or more by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time worked. (Education Code 44978.2)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of the disability application to the U.S. Department of Veterans Affairs or on the first day the employee begins or returns to employment after active duty, whichever is later. When the employee receives the disability rating decision, the employee shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 10-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 44978.2)

Notification of Absence

An employee shall notify the district of the need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which the employee intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute may be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent for an additional period of up to five school months, the district shall deduct from the employee's regular salary for that period the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to return to work after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, the employee shall be returned to employment in a position for which the employee is credentialed and qualified. (Education Code 44978.1)

Parental Leave

During each school year, a certificated employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period of up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code

44977.5)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay of at least 50 percent of the employee's regular salary for the remainder of the 12 work weeks. (Education Code 44977.5)

Parental leave taken pursuant to Education Code 44977.5 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 44977.5; Government Code 12945.2, 12945.6)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to the employee's immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from a physician stating that the employee is able to return to duty and stipulating any necessary restrictions or limitations.

Healthy Workplaces, Healthy Families Act Requirements

No employee shall be denied the right to use accrued sick days, and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:
 - a. That an employee is entitled to accrue, request, and use paid sick days
 - b. The number of sick days provided by Labor Code 245-249
 - c. The terms of use of paid sick days

2. Provide at least 24 hours or three days of paid sick leave to each eligible employee to use per year and allow eligible employees to use accrued sick leave upon reasonable request

3. Provide eligible employees written notice, on their pay stub or other document issued with their pay check, of the amount of paid sick leave they have available
 4. Keep a record documenting the hours worked and paid sick days accrued and used by each eligible employee for three years

For such leave, the employee shall be granted no more than 60 working days in any one fiscal year for the same industrial accident or illness.

To be eligible for industrial accident or illness leave, a classified employee shall have served in the district continuously for at least three years.

Allowable industrial accident or illness leave shall not be accumulated from year to year. (Education Code 44984, 45192)

4. When the leave overlaps into the next fiscal year, the employee is entitled to only the amount of unused leave due the employee for the same illness or injury.

During any paid leave of absence, either the employee shall endorse to the district any workers' compensation checks received on account of an industrial accident or illness, or the compensation checks will first be directed to the district. The Superintendent or designee shall then issue payment of the employee's normal wage or salary less any appropriate deductions, including, but not limited to, employee retirement contributions. (Education Code 44043)

Absence for industrial accident or illness shall not be considered a break in service of the employee. An employee using such leave shall retain all status and benefits to which he/she would otherwise be entitled.

When available industrial accident or illness leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request any additional paid or unpaid leave available to the employee. (Education Code 45192)

(Education Code 44978.1)

If a classified employee has exhausted all available leaves of absence, paid or unpaid, and is not medically able to resume the duties of his/her position, he/she shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. If he/she becomes medically able to resume duties during the period of reemployment eligibility, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other candidates except those on a reemployment list established because of lack of work or lack of funds, in which case

the employee shall be listed in accordance with seniority regulations. If the employee is medically released to return to duty but fails to accept an appropriate assignment, he/she shall be dismissed. (Education Code 45192)

An employee may elect to continue health plan coverage during the military leave. The maximum period of coverage for the employee and any dependents shall be either 24 months from the beginning of the leave or until the day after

the employee fails to apply for or return to employment, whichever is less. (38 USC 4317; 20 CFR 1002.164)

An employee on military leave may be required to pay the employee cost, if any, of any funded benefit to the extent that other employees on leave are so required. (38 USC 4316)

An employee absent for 30 days or fewer shall not be required to pay more than the employee share for such coverage. An employee absent for 31 days or more may be required to pay not more than 102 percent of the full premium under the plan. (38 USC 4317; 20 CFR 1002.166)

Vacation and Sick Leave Accrual

An employee on temporary military leave under the conditions described in Item #1 in the section entitled "Salary/Compensation" above, shall continue to accrue the same vacation, sick leave, and holiday privileges to which the employee would otherwise be entitled if not absent. (Military and Veterans Code 395)

An employee on military leave who is serving in active duty in time of war, national emergency, or United Nations military or police operation shall not accrue sick leave or vacation leave during the period of such leave. (Military and Veterans Code 395.1)

However, an employee who is a National Guard member on active duty as described in Item #3 in the section entitled "Salary/Compensation" above, shall not suffer any loss or diminution of vacation or holiday privileges because of the employee's leave of absence. (Military and Veterans Code 395.05)

Pension Plan Service Credit

Pension plan service credit and vesting shall continue during an employee's military leave as though no break in service had occurred. Payment of employer and employee contributions shall be made in accordance with law for members of the State Teachers' Retirement System or Public Employees' Retirement System. (Education Code 22850-22856; Government Code 20990-21013)

Employment Status

Absence for military leave shall not affect the classification of any employee. In the case of a probationary employee, the period of such absence shall not count as part of service required to obtain permanent status, but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800; Military and Veterans Code 395; 20 CFR 1002.149)

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which the employee would otherwise have been entitled, except under the conditions noted below in this section. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)

Any employee who performs active military duty in time of war, national emergency, or United Nations military or police operation has a right to return to the position held prior to the military service, during terminal leave prior to the employee's discharge, separation, or release from the armed forces, or within six months of the employee's release, separation, honorable discharge, or placement on inactive duty. Reinstatement rights shall not be extended to any such employee who fails to return within 12 months after the first date upon which the employee could terminate or could cause to have terminated active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for seeking reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of the military service plus a period of eight hours of rest following a period for safe transportation to the employee's residence.
2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.

3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

Where an employee's reporting or application for reinstatement within the periods specified in Items #1 and #2 above is impossible or unreasonable through no fault of the employee, the report or application shall be made as soon as possible after the expiration of the period. In the case of Items #2 and #3 where an application is required, the employee's application may be made orally or in writing and need not follow any particular format. (38 USC 4312; 20 CFR 1002.115, 1002.117, 1002.118)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of the case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, the district shall reinstate the employee in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which the employee is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee who fails to report or apply for reinstatement within the appropriate period does not automatically forfeit the entitlement to reinstatement but shall be subject to the district's rules and/or practices governing unexcused absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the district under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

Regulation 4161.8: Family Care And Medical Leave

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 03/01/2018

The district shall not deny any eligible employee the right to family care or medical leave pursuant to the Family and Medical Leave Act (FMLA) or the California Family Rights Act (CFRA), or to Pregnancy Disability Leave (PDL), when an employee is disabled by a pregnancy, childbirth, or related medical condition. The district shall not interfere with, restrain, or deny the exercise of an employee's right to any such leave, nor shall the district discharge, discriminate against, or retaliate against an employee for taking such leave, opposing or challenging an unlawful employment practice in relation to any of these laws, or being involved in any related inquiry or proceeding. (Government Code 12945, 12945.2; 2 CCR 11094; 29 USC 2615)

Definitions

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

Child means a biological, adopted, or foster child; a stepchild; a legal ward; or a person to whom the employee stands in loco parentis. For purposes of CFRA leave, child also includes a child of a registered domestic partner. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611)

Eligible employee, for FMLA and CFRA purposes, means an employee who has been employed with the district for at least 12 months and who has at least 1,250 hours of service with the district during the 12 months immediately preceding the leave. However, these requirements shall not apply when an employee applies for PDL. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.110)

Eligible family member means an employee's child, parent, or spouse. For purposes of leave to care for a family member with a serious health condition pursuant to CFRA, eligible family member includes an employee's child, parent, parent-in-law, spouse, registered domestic partner, grandparent, grandchild, or sibling. (Government Code 12945.2; 2 CCR 11087; 29 USC 2612)

Employee disabled by pregnancy means an employee whose health care provider states that the employee is: (2 CCR 11035)

1. Unable because of pregnancy to perform any one or more of the essential functions of the job or to perform any of them without undue risk to the employee or other persons or to the pregnancy's successful completion
2. Suffering from severe "morning sickness" or needs to take time off for prenatal or postnatal care, bed rest, gestational diabetes, pregnancy-induced hypertension, preeclampsia, postpartum depression, childbirth, loss or end of pregnancy, recovery from childbirth or loss or end of pregnancy, or any other pregnancy-related condition

Parent means a biological, foster, or adoptive parent; a parent-in-law; a stepparent; a legal guardian; or another person who stood in loco parentis to the employee when the employee was a child. However, for FMLA purposes, parent does not include a spouse's parents. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.122)

Serious health condition means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or an eligible family member of the employee that involves either inpatient care or continuing treatment, including treatment for substance abuse, as follows: (Government Code 12945.2; 2 CCR 11087, 11097; 29 USC 2611, 2612; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when formally admitted to a health care facility with the expectation of remaining overnight and occupying a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:
 - a. A period of incapacity of more than three consecutive full days
 - b. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition
 - c. Any period of incapacity due to pregnancy or for prenatal care under FMLA

Eligibility/Purposes of Leave

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2; 29 USC 2612; 29 CFR 825.112, 825.126, 825.127)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child (parental leave)
2. The care of an eligible family member with a serious health condition
3. The employee's own serious health condition that makes the employee unable to perform the job functions of the position
4. A qualifying exigency arising out of the fact that the employee's spouse, child, parent, or, for CFRA leave only, a registered domestic partner, is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)
5. The care of a covered servicemember with a serious injury or illness when the employee is a spouse, child, parent, or next of kin of the covered servicemember

In addition, the district shall grant PDL to any employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. (Government Code 12945.2; 29 USC 2612)

The 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

In addition, any employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of a child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time.

(2 CCR 11090; 29 USC 2612)

Each eligible employee shall be granted up to 12 work weeks for family care and medical leave related to the birth or placement of a child, regardless of whether both parents of the child work for the district.

Use/Substitution of Paid Leave

During any otherwise unpaid period of FMLA or CFRA leave, except leave for an employee's own serious health condition, an employee shall use accrued paid leave, including, but not limited to, vacation leave, personal leave, or family leave. If the leave is for the employee's own serious health condition, the employee shall use accrued paid leave, including but not limited to, vacation leave, personal leave, or sick leave. During an unpaid period of PDL, the employee shall use any accrued sick leave and may elect to use any vacation time or other accrued personal time off. (Government Code 12945, 12945.2; 2 CCR 11044, 11092; 29 USC 2612)

The district and employee may also come to agreement regarding the use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or eligible family member may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. (Government Code 12945.2; 2 CCR 11042, 11090; 29 USC 2612)

The basic minimum duration of leave for the birth, adoption, or foster care placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position under any of the following circumstances: (2 CCR 11041, 11090; 29 USC 2612)

1. The employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on a planned medical treatment for the employee or family member.
2. A medical certification is provided by the employee's health care provider that, because of pregnancy, the employee has a medical need to take intermittent leave or leave on a reduced work schedule.
3. The district agrees to permit intermittent leave or leave on a reduced work schedule due to the birth, adoption, or foster care placement of the employee's child.

The alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

Request for Leave

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, the employee must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

When an employee is able to foresee the need for PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days' notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Within five business days of an employee's request for family care and medical leave for the serious health condition of the employee or an eligible family member, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 calendar days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR 11087, 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for an eligible family member with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of the eligible family member during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the eligible family member
4. If the employee is requesting leave because of the employee's own serious health condition, a statement that due to the serious health condition, the employee is unable to work at all or is unable to perform one or more essential job functions of the position
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011. (Government Code 12940)

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee has a good faith objective reason to doubt the validity of a certification that accompanies a request for leave for the employee's own serious health condition, the Superintendent or designee

may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

Certification for PDL

The Superintendent or designee shall request that an employee who is requesting PDL provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if the Superintendent or designee has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days' notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 calendar days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because the employee is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

Release to Return to Work

Upon expiration of an employee's PDL or family care and medical leave taken for the employee's own serious health condition, the employee shall present certification from the health care provider of the employee's ability to resume work. The certification shall address the employee's ability to perform the essential job functions of the position.

Rights to Reinstatement

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

The district may refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, the employee shall maintain employee status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before the employee took the leave. The employee shall reimburse the district for premiums paid during the leave if the employee fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond the employee's control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose.

However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion of the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid FMLA/CFRA leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while the employee's child, parent, spouse, or, for purposes of CFRA leave, registered domestic partner, who is a military member is on covered active duty or on call to covered active duty status. (Government Code 12945.2; 29 USC 2612; 29 CFR 825.126)

Covered active duty means, for members of the Regular Armed forces, duty during the deployment of a member of the regular Armed Forces to a foreign country or, for members of the Reserve components of the Armed forces, duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. Deployment to a foreign country includes deployment to international waters. (29 USC 2611; 29 CFR 825.126)

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to 15 calendar days of leave per instance) with a military member who is on short-term, temporary, rest and recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave"

above, shall apply.

Military Caregiver Leave

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, child, parent, or next of kin of the covered servicemember. (2 CCR 11091; 29 CFR 825.300)

Employees should be prepared for a possible emergency by having a personal/family emergency plan for their families, home, pets, and other responsibilities in the event they should be called to assume disaster service worker duties (e.g. remaining beyond normal work hours or being required to report in-person to school sites during an emergency).

Regulation 4212.4: Health Examinations

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 12/01/2014

Tuberculosis Tests

No applicant shall be initially employed by the district, or employed under contract, in a classified or certificated position unless he/she has submitted to a tuberculosis risk assessment within the past 60 days and, if tuberculosis risk factors are identified, has submitted to an intradermal or other approved tuberculosis examination to determine that he/she is free of infectious tuberculosis. If the results of the examination are positive, the applicant shall obtain an x-ray of the lungs. At his/her discretion, an applicant may choose to submit to the examination instead of the risk assessment. (Education Code 49406)

Prior to employment by the district, an applicant shall submit a certificate from an authorized health provider stating that the applicant was assessed and/or examined and found to be free of infectious tuberculosis. (Education Code 49406)

An applicant who was previously employed in another school district or private or parochial school shall be deemed to have fulfilled the tuberculosis testing requirement if he/she produces a certificate showing that he/she was found to be free of infectious tuberculosis within 60 days of initial hire or if his/her previous employer verifies that it has a certificate on file showing that the applicant is free from infectious tuberculosis. (Education Code 49406)

Thereafter, each district employee who was found free of infectious tuberculosis shall undergo a tuberculosis risk assessment, and an examination whenever risk factors are identified, at least once every four years or more often when required by the Governing Board upon recommendation of the county health officer. However, once an employee has a documented positive test for tuberculosis infection followed by an x-ray, he/she shall no longer be required to submit to the tuberculosis risk assessment but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

The cost of the pre-employment tuberculosis risk assessment and/or examination shall be paid by the applicant, unless the Board has determined that the district will reimburse an applicant who is subsequently hired by the district. The district shall reimburse the employee for the cost, if any, of subsequent tuberculosis risk assessments and examinations. The district may provide for the risk assessment and examination or may establish a reasonable fee for the examination that is reimbursable to the employee. (Education Code 49406)

Whenever the district contracts for the transportation of students, the contract shall require that all drivers who will be transporting students complete the tuberculosis risk assessment and, if indicated, the examination for infectious tuberculosis within 60 days of initial hire. (Education Code 49406)

The following applicants or employees shall be exempted from the requirement to submit to a tuberculosis risk assessment and/or examination: (Education Code 49406)

1. An applicant/employee who files an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge and belief, he/she is free from infectious tuberculosis

Such an exemption shall be allowed only if the Board determines by resolution, after a hearing, that the health of students would not be jeopardized. If at any time there is probable cause to believe that the applicant/employee is afflicted with infectious tuberculosis, he/she may be excluded from service until the Board is satisfied that he/she is not afflicted.

2. A classified employee who is employed for less than a school year and whose functions do not require frequent or prolonged contact with students
3. A pregnant employee who has positive results on a tuberculosis skin test, in which case she shall be exempted from the requirement to follow up with an x-ray of the lungs for a period not to exceed 60 days after the end of the pregnancy
4. A private contracted driver who transports students infrequently without prolonged contact with students

Examination of Certificated Employees for Disabling Diseases

To fill a certificated position with an applicant who has not previously been employed in a certificated position in California, or with a retirant who has not been employed as a retirant, the district shall have on file a medical certification indicating that the applicant or retirant is free from any disabling disease which would render him/her unfit to instruct or associate with children. (Education Code 44839, 44839.5)

The certificate shall be completed and submitted directly to the district by an authorized health care provider. The medical examination referenced in the certificate must have been conducted within six months of the date that the certificate is filed. (Education Code 44839, 44839.5; 5 CCR 5503)

Applicants and retirants shall pay for the cost of obtaining the medical certification. (Education Code 44849, 44839.5)

Certificated employees and/or retirants shall be required to periodically undergo, at district expense, a medical examination pursuant to Education Code 44839 or 44839.5 to determine that they are free from any communicable disease making them unfit to instruct or associate with children. (Education Code 44839, 44839.5)

Mental Examination for Certificated Employees

Whenever the Board is considering the suspension or transfer of a certificated employee based on its reasonable belief that the employee is suffering from mental illness of such a degree as to render him/her incompetent to perform his/her duties, the employee shall be offered the opportunity of being examined by a three-member panel of psychiatrists and psychologists in accordance with Education Code 44942. The employee shall select the members of the panel from a list of psychiatrists and psychologists provided by the district. The examination shall be conducted, at district expense, within 15 days of the ordered suspension or transfer. The employee shall submit to the examination, but shall also be entitled to present a report of any psychiatrist, psychologist, or physician of his/her own choice. (Education Code 44942)

The Governing Board maintains a drug- and alcohol-free workplace. In accordance with law, all employees shall render service without using, possessing, being impaired by, or being under the influence of alcohol or drugs.

Pre-Employment Drug/Alcohol Testing for Safety-Sensitive Positions

Because students and staff have the right to a safe and secure campus where they are free from physical and psychological harm, the Board authorizes the testing of prospective employees in safety-sensitive positions for drug and alcohol use. The following positions are safety-sensitive and are subject to the district's program:

Position	Safety-Sensitive Duties
----------	-------------------------

Any Position requiring a Commercial Driver's License - or any position that necessitates the driving of any District Vehicle	
--	--

Once an offer or conditional offer of employment has been made, prospective employees in these identified positions shall undergo a pre-employment drug and alcohol screening for any substance which could impair their ability to safely and effectively perform their job functions. This screening shall be part of the employee's pre-employment physical examination.

Final selection or final hiring of a job applicant for a position shall not be complete until the applicant has successfully completed the screening.

All testing and medical examinations shall be conducted in accordance with state and federal law, Board policy, and administrative regulation.

Regulation 4212.41: Employee Drug Testing

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008

Pre-Employment Drug/Alcohol Screening for Safety-Sensitive Positions

Applicants shall sign a form consenting to the drug and alcohol testing. The consent form shall authorize release of the test results to the district. To ensure an individual's privacy, the district shall not use test results for any purpose other than those stated in Board policy and administrative regulation, shall maintain the confidentiality of screening records, and shall not disclose such records unless the applicant consents or the Superintendent or designee is presented with a court order requiring the disclosure.

All initial screening tests shall be conducted at the district's expense. If an applicant's initial test is positive, a second test, at the district's expense, shall be administered as soon as possible to confirm the results. Upon obtaining a second positive result, the applicant may seek an independent drug and alcohol screening from a recognized medical laboratory at his/her own expense. Any applicant who fails to provide the district with a negative drug and alcohol screening report within five working days of a confirmed positive result shall be determined to have failed the screening and shall not be employed.

Failure to submit to the process or to complete the process shall preclude the applicant from being hired into the position. Disqualified applicants shall not be prohibited from applying for another job within the district.

Policy 4212.42: Drug And Alcohol Testing For School Bus Drivers

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 08/01/2013

The Governing Board desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

A driver shall not report for duty or remain on duty when the driver has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when the driver has used any drug listed in 21 CFR 1308.12-1308.15, unless the driver is using the drug under the direction of a physician who has advised the driver that the substance will not adversely affect the driver's ability to safely operate a bus. (49 CFR 382.213)

In addition, a driver shall not consume alcohol while on duty and/or performing safety-sensitive functions, or for four hours prior to on-duty time. (49 CFR 382.205, 382.207)

Drivers shall submit to drug and alcohol testing as required under federal law and specified in the accompanying administrative regulation. The district's testing program for drivers shall include pre-employment drug testing (which may include alcohol testing), and shall include reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

The Board may contract for testing services upon verifying that the personnel are appropriately qualified and/or certified, or may use existing personnel, and will verify that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

Consequences Based on Test Results

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test for a drug or drug metabolite before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver from the Federal Motor Carrier Safety Administration. (49 CFR 40.3, 40.21, 382.107, 382.119)

Any driver for whom the district receives a verified positive drug test result or who is found to have a blood alcohol concentration of 0.04 or higher shall be immediately removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211. An alcohol concentration between 0.02 and 0.04 requires temporary removal of the bus driver for a 24-hour period following the test. Any driver who refuses to take a required drug or alcohol test shall not be permitted to perform or continue to perform safety-sensitive functions. (49 CFR 40.23, 382.211)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

A driver who has violated federal drug and alcohol regulations may be subject to disciplinary action up to and including dismissal in accordance with law, administrative regulations, and the district's collective bargaining agreement.

Any driver provided with an opportunity to return to a safety-sensitive duty following a violation shall be evaluated by a qualified substance abuse professional and complete the evaluation recommendations before returning to such duty. (49 CFR 40.289)

If the substance abuse professional recommends that further and ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor the driver's compliance. The cost of such services may be the responsibility of the employee (and/or their medical insurance as/if applicable). Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the

DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

Voluntary Self-Identification

If the district has a self-identification program actively running or in effect, whenever a driver admits to alcohol or drug misuse under the district's voluntary self-identification program, the Superintendent or designee shall ensure all of the following: (49 CFR 382.121)

1. No adverse action shall be taken against the driver by the district.
2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over the drug or alcohol problem.
3. The driver shall be permitted to participate in safety-sensitive functions only after:
 - a. Successfully completing an education or treatment program, as determined by a drug and alcohol abuse evaluation expert, such as an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor
 - b. Undergoing a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 and/or a verified negative result for drug use

A driver who admits to alcohol or drug misuse shall not be subject to federal requirements related to referral, evaluation, and treatment, provided that the driver does not self-identify in order to avoid drug or alcohol testing, makes the admission prior to performing a safety-sensitive function, and does not perform a safety-sensitive function until the driver has been evaluated and has successfully completed education or treatment requirements in accordance with program guidelines. (49 CFR 382.121)

The board recognizes that the Legislative council as issued an opinion that Vehicle Code 34520.3 applies only to employees whose primary job is transportation.

Regulation 4212.42: Drug And Alcohol Testing For School Bus Drivers

Status: DRAFT

Original Adopted Date: Pending

Definitions

For purposes of drug testing required by the U.S. Department of Transportation (DOT), drugs include marijuana, cocaine, amphetamines, phencyclidine (PCP), and opioids. (49 CFR 40.3, 40.85, 382.107)

Alcohol concentration (or content) means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an evidential breath test. (49 CFR 40.3, 382.107)

Safety-sensitive function means all time from the time the driver begins to work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive functions include, but are not limited to, all time driving or otherwise in the bus or other school transportation vehicle; waiting at a district facility to be dispatched; inspecting, servicing, or conditioning the vehicle or vehicle equipment; loading or unloading the vehicle; supervising or assisting in the loading or unloading of the vehicle; and repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle. (49 CFR 382.107)

Designated Employer Representative

The Superintendent or designee shall identify a designated employer representative who is authorized to take immediate action to remove drivers from safety-sensitive functions and to make required decisions in the testing and evaluation processes. The designated employer representative shall also be responsible for receiving test results and other communications. The name and telephone number of the designated employer representative shall be provided to the testing contractor to contact about any problems or issues that may arise during the testing process. (49 CFR 40.35, 40.215)

Pre-employment Testing

When hiring a new driver, the Superintendent or designee shall, with the driver's written consent, conduct a pre-employment query using the Commercial Driver's License Drug and Alcohol Clearinghouse to obtain information about whether the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)

The Superintendent or designee shall also, with the driver's consent, request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25 and 382.413, from any employer who has employed the driver at any time during the previous three years. To the extent practicable, the Superintendent or designee shall obtain and review such information before the driver first performs safety-sensitive functions. In addition, the Superintendent or designee shall ask the driver if there was a positive test, or a refusal to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position that was not obtained. (49 CFR 40.25, 382.413)

The driver shall not be permitted to perform safety-sensitive functions if the driver refuses to provide consent to obtain the information from previous employers or from the Clearinghouse; the information from previous employers is not received within 30 days of the date on which the driver first performed safety-sensitive functions for the district; or the driver, the Clearinghouse, or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413, 382.701, 382.703)

A driver whom the district intends to hire or use shall undergo testing for drugs and receive a verified negative test result prior to the first time the driver performs safety-sensitive functions for the district. This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

1. The driver has participated in a qualified drug testing program within the previous 30 days.
2. While participating in the program, the driver either was tested within the past six months from the date of application or participated in a random drug testing program for the previous 12 months from the date of application.

3. No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

The Superintendent or designee shall contact the testing program(s) in which the driver has participated and obtain information about the program and the driver's participation as specified in 49 CFR 382.301.

In addition, if the District is performing pre-employment alcohol testing, the Superintendent or designee shall require the driver to undergo such pre-employment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration level of less than 0.04. (49 CFR 382.301)

Post-Accident Testing

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.
2. The driver receives a citation for a moving traffic violation within eight hours of the accident and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

No driver required to take a post-accident alcohol test pursuant to 49 CFR 382.303 shall use alcohol for eight hours following the accident or until the driver undergoes a post-accident alcohol test, whichever occurs first. (49 CFR 382.209)

Random Testing

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year.

Such tests shall be unannounced and conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

Reasonable Suspicion Testing

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The person who makes the required observations for reasonable suspicion testing for drugs or alcohol shall be

trained in accordance with 49 CFR 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not be the same person who conducts the alcohol test. (49 CFR 382.307)

Within 24 hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is earlier, a written record of the observations leading to a reasonable suspicion test shall be made and signed by the person who made the observations. (49 CFR 382.307)

An alcohol test required as a result of reasonable suspicion shall be administered within eight hours following the determination of reasonable suspicion. If the test is not administered within two hours, the Superintendent or designee shall prepare and maintain on file a record stating the reasons the test was not promptly administered. (49 CFR 382.307)

In the absence of a reasonable suspicion alcohol test, the district shall take no action against a driver based solely on the driver's behavior and appearance, except that the driver shall not be allowed to report for or remain on safety-sensitive functions until an alcohol test is administered and the results show a concentration less than 0.02 or 24 hours have elapsed following the determination of reasonable suspicion. (49 CFR 382.307)

Return-to-Duty Testing

Note: Pursuant to 49 CFR 40.305, the district may return a driver to safety-sensitive functions after the driver completes required education and treatment services as described in the accompanying Board policy and a return-to-duty drug or alcohol test. Such personnel decisions may be subject to collective bargaining or other legal requirements.

The Superintendent or designee may permit a driver who has violated federal drug or alcohol regulations to return to safety-sensitive functions after the driver has successfully complied with the education and treatment services prescribed by a substance abuse professional and has taken a return-to-duty drug or alcohol test. The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

Follow-Up Testing

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

Mandatory Reporting and Annual Queries to the Drug and Alcohol Clearinghouse

The Superintendent or designee shall report to the Clearinghouse any violation of federal drug and alcohol regulations, any refusal to test, and other required information by the close of the third business day following the date on which the information was obtained. (49 CFR 382.705)

The Superintendent or designee shall conduct a query using the Clearinghouse at least once a year for all drivers to determine whether information exists in the Clearinghouse about the drivers. (49 CFR 382.701)

In lieu of a full query, the Superintendent or designee may obtain the individual driver's consent to conduct a limited query that is effective for more than one year and informs the district about whether there is information about the driver in the Clearinghouse without releasing that information to the district. If the limited query shows that information exists in the Clearinghouse about the individual driver, the Superintendent or designee shall conduct a full query within 24 hours of conducting the limited query. If a full query is not conducted within 24 hours, the driver may not perform any safety-sensitive function until the results from a full query confirm that the driver may perform such functions. (49 CFR 382.701)

A driver may not perform any safety-sensitive function if the results of a Clearinghouse query demonstrate that the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)

Notifications

The Superintendent or designee shall provide each driver with materials explaining the federal regulations and the district's policy and procedure related to drug and alcohol testing and shall notify representatives of employee

organizations of the availability of this information. This information shall include a detailed discussion of at least the following: (49 CFR 382.113, 382.303, 382.601)

1. The identity of the person designated by the district to answer driver questions about the materials
2. The categories of drivers who are subject to drug and alcohol testing
3. Sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the workday the driver is required to be in compliance
4. Specific information concerning prohibited driver conduct
5. The circumstances under which a driver will be tested for drugs and/or alcohol, including post-accident testing
6. The procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver
7. The requirement that a driver submit to drug and alcohol tests
8. An explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences
9. The consequences for drivers found to have violated the prohibitions against drug or alcohol use, including the circumstances under which drivers will be removed immediately from safety-sensitive functions and the requirements for education, treatment, and return-to-duty testing
10. The consequences for drivers found to have a blood alcohol concentration between 0.02 and 0.04
11. Information concerning the effects of drug and alcohol use on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a co-worker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to any employee assistance program, and/or referral to management
12. The requirement that personal information collected and maintained pursuant to 49 CFR 382 shall be reported to the Clearinghouse

Each driver shall sign a statement certifying receipt of a copy of the above materials. The Superintendent or designee shall maintain the original of the signed certificate and may provide a copy of the certificate to the driver. (49 CFR 382.601)

In addition, prior to administering each alcohol or drug test, the driver shall be notified that the test is required pursuant to Title 49, Part 382, of the Code of Federal Regulations. (49 CFR 382.113)

The driver shall be notified of the results of drug and alcohol tests in accordance with 49 CFR 382.411.

Records

The Superintendent or designee shall maintain records of the district's drug and alcohol testing program in accordance with 49 CFR 40.333 and 382.401. Such records shall be maintained in a secure location with controlled access and shall be disclosed only in accordance with 49 CFR 382.405.

5. A person who has been convicted of a controlled substance offense is applying for or is employed in a classified position and has been determined by the Governing Board, from the evidence presented, to have been rehabilitated for at least five years.

The Superintendent or designee shall not issue a temporary certificate of clearance to a person whose application for a credential, certificate, or permit is being processed by the Commission on Teacher Credentialing if that person has been convicted of a violent or serious felony, unless the person is otherwise exempt pursuant to Education Code 44332.6 or 44830.1. (Education Code 44332.5, 44332.6)

Pre-Employment Record Check

The Superintendent or designee shall require each person to be employed by the district to submit his/her fingerprints electronically through the Live Scan system so that a criminal record check may be conducted by the Department of Justice (DOJ). The Superintendent or designee shall provide the applicant with a Live Scan request form and a list of nearby Live Scan locations.

When a person is applying for a classified position, the Superintendent or designee shall request that the DOJ also obtain a criminal record check through the Federal Bureau of Investigation whenever the applicant meets one of the following conditions: (Education Code 45125)

1. The applicant has not resided in California for at least one year immediately preceding the application for employment.
2. The applicant has resided in California for more than one year, but less than seven years, and the DOJ has ascertained that the person was convicted of a sex offense where the victim was a minor or a drug offense where an element of the offense is either the distribution to or the use of a controlled substance by a minor.

Upon receipt from the DOJ of a report of conviction of a serious or violent felony, the district shall communicate that fact to participating districts and shall remove the affected employee from the common list of persons eligible for employment. (Education Code 44830.2, 45125.01)

In addition, upon receipt from the DOJ of a criminal history record or report of subsequent arrest for any person on a common list of persons eligible for employment, the district shall give notice to the superintendent of any participating district, or the person designated in writing by that superintendent, that the report is available for inspection on a confidential basis by the superintendent or the authorized designee. The district shall not release a copy of that information to any participating district or any other person. (Education

Code 44830.2, 45125.01)

The district shall maintain a record of all persons to whom the information has been shown and shall make this record available to the DOJ. (Education Code 44830.2, 45125.01)

Regulation 4212.6: Personnel Files

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2016

The Superintendent or designee shall maintain personnel files for all current employees at the district's central office.

The Superintendent or designee shall determine the types of information to be included in personnel files, including, but not limited to, records required by law, and shall process all material to be placed in such files.

Placement of Material in Personnel Files

Any supervisor or administrator who places written material or drafts written material for placement in an employee's file shall indicate from whom the material is from and the date of the placement.

When an employee is asked to sign any material that is to be placed in his/her file, he/she shall be informed that the signature only signifies that he/she has read the material and does not necessarily indicate that he/she agrees with its contents.

Any request by an employee to include materials in his/her personnel file must be approved by the Superintendent or designee.

An employee may initiate a written reaction or response to his/her performance evaluation. The response shall be timely (e.g. within 10 calendar days), permanently attached to the evaluation, and placed in the employee's personnel file.

Derogatory Information

Information of a derogatory nature shall not be entered into an employee's personnel file unless and until the employee is given notice and an opportunity to review and comment on that information. Such a review shall take place during normal business hours. The employee shall be released from duty for this purpose without a salary reduction. The employee may enter his/her own comments and have them attached to the derogatory statement. (Education Code 44031) The comments shall be timely (e.g. within 10 calendar days), permanently attached to the information, and placed in the employee's personnel file.

Persons with Authorized Access

The Superintendent or designee shall maintain the confidentiality of any personnel records which, if inappropriately disclosed, would constitute an unwarranted invasion of the employee's privacy.

Access to an employee's personnel file shall be granted only to the employee, persons authorized by the employee, district personnel, and others with a valid "right to know" or "need to know" who are authorized access by the Superintendent or designee.

Individual Governing Board members shall not be allowed to access personnel files, but the Board may request pertinent information from an employee's file in cases of personnel action.

Any authorized reviewer shall maintain strict confidence of the contents of a personnel file. Personnel files shall be reviewed and replaced within the shortest time possible. In no case shall a personnel file be left unattended or left unsecured overnight.

File Review by Employee

Any employee wishing to inspect his/her personnel record shall contact the Superintendent or designee.

With the exceptions noted below, all personnel records related to the employee's performance or to any grievance concerning the employee shall be made available for inspection by the employee. Non-credentialed employees shall have access to any numerical scores obtained as a result of written examinations. (Education Code 44031; Labor Code 1198.5)

The Superintendent or designee shall not be required to make available to the employee: (Education Code 44031; Labor Code 1198.5)

1. Records related to the investigation of a possible criminal offense
2. Letters of reference
3. Ratings, reports, or records that were obtained prior to the employee's employment, prepared by identifiable examination committee members, or obtained in connection with a promotional examination

Personnel records related to the employee's job performance or to any grievance concerning him/her shall be made available to the employee at reasonable intervals and at reasonable times. The Superintendent or designee shall not be required to make such records available at a time when the employee is required to render services to the district, unless the employee is required to view the file where it is stored. (Education Code 44031; Labor Code 1198.5)

The Superintendent or designee shall do one of the following: (Labor Code 1198.5)

1. Keep a copy of each employee's personnel records at the place where the employee reports to work
2. Make the employee's personnel records available at the place where the employee reports to work within a reasonable period of time following the employee's request
3. Permit the employee to inspect the personnel records at the location where the district stores the personnel records, with no loss of compensation to the employee

The employee may be accompanied by a representative of his/her choice while reviewing his/her personnel records.

Inspection shall take place in the presence of the Superintendent or designee. The Superintendent or designee shall keep a record of the date and time the file was reviewed and the name and title of the person(s) present during the review.

In no instance shall any material be removed from the records. Requests for copies of material in a personnel record must be made in writing.

Record Retention

Personnel records for current and former employees shall be retained in accordance with 5 CCR 16023.

The Superintendent or designee shall not expunge from an employee's personnel file, nor enter into an agreement that would authorize expunging from an employee's personnel file, credible complaints of, substantiated investigations into, or discipline for egregious misconduct as defined in Education Code 44932. However, such documentation may be removed if, during a hearing before the Board, an arbiter, personnel commission, Commission on Professional Competence, or administrative law judge, the employee prevailed, the allegations were determined to be false, not credible, or unsubstantiated, or a determination was made that the discipline was not warranted. (Education Code 44939.5)

Regulation 4212.61: Employment References

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2017

The Superintendent or designee shall be responsible for processing requests for employment references, letters of recommendation, or information about the reasons for separation regarding all district employees other than himself/herself. All letters of recommendation to be issued on behalf of the district for current or former employees shall be approved by the Superintendent or designee. At his/her discretion, the Superintendent or designee may refuse to give a recommendation.

The Superintendent or designee may communicate information about the job performance or qualifications of a current or former district employee when such information is based upon credible evidence and is given to a prospective employer without malice and at the prospective employer's request. (Civil Code 47)

Any reference, letter of recommendation, or information provided about the reasons for separation issued on behalf of the district shall provide a truthful and accurate account of the employee's job performance and qualifications.

No certificated employee shall write or sign any letter or memorandum which intentionally omits significant facts, or which states as facts matters which the writer does not know of his/her own knowledge to be true, relating to the professional qualifications or personal fitness to perform certificated services of any person who the writer knows will use the letter or memorandum to obtain professional employment. (5 CCR 80332)

No certificated employee shall agree to provide a positive letter of recommendation which misrepresents facts as a condition of another employee's resigning or withdrawing action against the district. (5 CCR 80332)

Policy 4212.8: Employment Of Relatives

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2008

The Governing Board desires to maximize staff and community confidence in district hiring, promotion, and other employment decisions by promoting practices that are free of conflicts of interest or the appearance of impropriety.

The Board prohibits the appointment of any person to a position for which his/her relative maintains management, supervisory, evaluation, or promotion responsibilities and prohibits an employee from participating in any decision that singularly applies to any of his/her relatives.

For purposes of this policy, relative includes the individual's spouse, domestic partner, parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse or domestic partner.

In addition, the Superintendent or designee may determine, on a case-by-case basis, whether to appoint a person to a position in the same department or facility as an employee with whom he/she maintains a personal relationship when that relationship has the potential to create (1) an adverse impact on supervision, safety, security, or morale of other district employees or (2) a conflict of interest for the individuals involved which is greater because of their relationship than it would be for another person.

An employee shall notify his/her supervisor within 30 days of any change in his/her circumstances that may constitute a violation of this policy.

Policy 4212.9: Employee Notifications

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

The Governing Board believes that providing clear communications to staff is essential to establishing a professional, positive work environment and enhancing their job performance. The Superintendent or designee shall provide district employees all notifications required by law and any other notifications the Superintendent or designee believes will promote staff knowledge of the district's policies, programs, activities, and operations.

When required by law, Board policy, or administrative regulation, district employees shall be asked to sign (or electronically sign) an acknowledgment indicating receipt of the notification. Such acknowledgments shall be retained in each employee's personnel file.

Policy 4213.4: Temporary Modified/Light-Duty Assignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2007

The Governing Board recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the district to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work. Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the Superintendent or designee extend the assignment. When requesting any such extension, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the Superintendent or designee for up to an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with district's insurance policy.

Policy 4213.5: Working Remotely

Status: DRAFT

Original Adopted Date: Pending

The Governing Board recognizes that working remotely at home or at another alternative location, if pre-approved, may be necessary at times when widespread illness, natural disaster, or other emergency condition makes the school or worksite unsafe or otherwise interrupts the district's ability to effectively conduct operations at the school or worksite. A full-time, part-time, or short-term remote work arrangement may also be granted by the Superintendent or designee to an individual employee, upon request, provided that the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and meet performance expectations, and the work arrangement does not hinder district operations.

The opportunity to work remotely shall be entirely at the district's discretion, and no grievance or appeal right may arise from district denial of any employee request for remote work.

Employees approved for remote work shall comply with all district policies, administrative regulations, work schedules, and job assignments. Except when specifically agreed, approval of remote work shall not change the compensation, benefits, or other terms and conditions of employment of an employee.

Unless otherwise approved in advance by the Superintendent or designee, employees working remotely shall do so within regular work hours established for the position. Employees are entitled and expected to take appropriate, uninterrupted meal and rest breaks, and shall keep accurate records of the hours they work. Employees shall notify their supervisor when unable to perform work assignments due to illness, equipment failure, or other unforeseen circumstances.

Employees working remotely are expected to conduct their work in a location that is safe and free of obstructions, hazards, and distractions. Such employees shall report to their supervisor any serious injury or illness occurring in the home workspace or in connection with their employment as soon as practically possible in accordance with Board policy.

The district may provide to employees who work remotely all supplies, materials, apparatus, and equipment reasonably necessary to perform their jobs, including, as necessary, a technology device and Internet access. Employees shall use caution in accessing the Internet from public locations and in accessing information from networks outside of the district in order to safeguard confidential information. Employees shall be responsible for maintaining and protecting equipment on loan from the district and shall adhere to the district's Acceptable Use Agreement. The employee's personally owned equipment may only be used for district business when approved by the Superintendent or designee.

Work done at a remote work location is considered official public business. District records and communications shall be retained and safeguarded against damage or loss, and shall be kept confidential or made accessible to the public in accordance with law.

Any employee working remotely shall be available during work hours to the employee's supervisor and other staff, students, parents/guardians, and members of the public, as appropriate, via email, phone, or other means. Lack of responsiveness on the part of the employee may result in discipline and/or termination of remote work responsibilities. Employees shall be required to attend virtual or in-person meetings when directed by their supervisor.

Employee productivity shall be evaluated on the basis of time spent on tasks and projects, task completion, and quality of job performance in the same manner as all employees in the same position at the assigned school or office.

Remote work arrangements may be discontinued at any time at the discretion of the Superintendent or designee.

Policy 4215: Evaluation/Supervision

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2006

The Governing Board recognizes that appropriate supervision and regular, comprehensive evaluations can help employees to continually improve in the performance of their responsibilities. Evaluations shall be made in accordance with procedures specified in negotiated contracts and based on job-specific standards of performance.

The Board expects supervisors to gauge employees' on-the-job effectiveness and skills in a fair, objective, and consistent manner. Evaluations shall address the competence and care with which the employee executes his/her assigned responsibilities. As appropriate, evaluations also may address the extent to which the employee works cooperatively with others and observes school or district rules and regulations.

The Superintendent or designee shall ensure that evaluation ratings have uniform meaning throughout the district.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When the evaluation indicates areas needing improvement, the Board expects employees to accept responsibility and take initiative to improve their performance. The Superintendent or designee shall assist employees in obtaining needed job skills.

The evaluation shall be dated and signed by both the employee and the supervisor.

The Superintendent or designee shall ensure that classified employees have access to rules and procedures related to performance evaluations.

Policy 4216: Probationary/Permanent Status

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/01/2019

The Governing Board desires to employ and retain highly qualified classified personnel to support the district's educational program and operations. Newly hired classified employees shall serve a probationary period during which the Board shall determine their suitability for long-term district employment.

A probationary employee who has been employed by the district for six months or 130 days of paid service, whichever is longer, shall be classified as a permanent employee of the district. (Education Code 45113, 45301)

However, in order to receive permanent classified service status, a full-time district police officer or public safety dispatcher who operates a dispatch center certified by the Commission on Peace Officer Standards and Training shall serve in a probationary status for not less than one year from the date of appointment. (Education Code 45113, 45301)

Probationary employees shall receive written performance evaluations by their supervisor during the probationary period. These evaluations shall indicate whether the evaluator is satisfied or not satisfied with the employee's ability, performance, and compatibility with the job.

The district may, without cause, dismiss a new employee during the probationary period.

Permanent employees serving in a new position, or promoted to a higher classification, shall be considered probationary in their new position until they have satisfactorily completed the probationary period.

A permanent employee who accepts a promotion and fails to complete the probationary period for that promotional position shall be employed in the classification from which the employee was promoted. (Education Code 45113, 45301)

This policy shall be made available to classified employees and the public. (Education Code 45113)

Regulation 4217.11: Preretirement Part-Time Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2016

When the Governing Board has adopted the reduced workload program, any classified employee may reduce his/her workload from full time to part time in accordance with applicable law, district regulations, and collective bargaining agreement.

When so authorized, any classified employee who is a member of the Public Employees' Retirement System may reduce his/her workload from full time to part time without losing retirement benefits, if all of the following conditions are met: (Education Code 45139)

1. The employee shall have reached the age of 55 prior to the workload reduction.
2. The employee shall have been employed full time in a classified position for at least 10 years, of which the immediately preceding five years were full-time employment.
3. During the period immediately preceding a request for reduction in workload, the employee shall have been employed full time in a classified position for a total of at least five years without a break in service.
4. The option of part-time employment shall be exercised at the request of the employee and can be revoked only with the mutual consent of the employee and the district.
5. The employee shall be paid a salary that is the pro rata share of the salary he/she would be earning had the employee not elected to exercise the option of part-time employment.
6. The employee shall retain all other rights and benefits for which he/she makes the payments that would be required if he/she remained in full-time employment. The employee shall receive health benefits in the same manner as a full-time classified employee.
7. The minimum part-time employment shall be the equivalent of one-half of the number of hours of service required by the employee's contract during his/her final year of service in a full-time classified position.
8. The period of the part-time employment shall not exceed five years.
9. The period of part-time employment shall not extend beyond the end of the school year during which the employee reaches his/her 70th birthday.

Prior to the reduction of an employee's workload, the Superintendent or designee shall verify the employee's eligibility for the reduced workload program. (Government Code 20905)

The Superintendent or designee shall maintain the necessary records to separately identify each employee who participates in the reduced workload program. (Government Code 20905)

The district may allow any classified employee who is not eligible for the reduction of workload pursuant to Education Code 45139 to reduce his/her workload from full time to part time after determining that it is in the best interest of the district. In any such case, the Board shall specify the terms and conditions under which the reduction in workload shall take place.

Policy 4217.2: Resignation

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2001

Any district employee who desires to resign his/her position shall submit, in writing, a letter of resignation which indicates the date which the employee intends as his/her last day at work. The Governing Board encourages employees to provide advance notice that is appropriate for the position they hold.

The Board authorizes the Superintendent or designee to accept an employee's written resignation. Once the Superintendent or designee has accepted for this resignation, the resignation may not thereafter be withdrawn by the employee without approval of Superintendent or designee.

The effective date of the resignation shall be a date not later than the close of the school year during which the resignation is received. However, an employee and the Board may agree that a resignation will be accepted at a mutually agreed upon date not later than two years beyond the close of the school year during which the resignation is received by the Board. (Education Code 44930, 45201)

Regulation 4217.3: Layoff/Rehire

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 11/01/2012

Classified employees shall be subject to layoff for lack of work or lack of funds. (Education Code 45114, 45308)

A classified employee shall not be laid off if a short-term employee is retained to render a service that the classified employee is qualified to render. (Education Code 45117)

Order of Layoff Within a Classification/Determination of Seniority

Within each class, the order of layoff shall be determined by length of service. (Education Code 45114, 45308)

"Length of service" means all hours in paid status, whether during the school year, a holiday, recess, or during any period that school is in session or closed. However, length of service shall not include hours compensated solely on an overtime basis, as provided in Education Code 45128, and shall not include hours for any service performed prior to entering into probationary or permanent status except for service in a restricted position pursuant to Education Code 45105. (Education Code 45308)

The employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. (Education Code 45308)

For an employee who is a member of the Military Reserve or the National Guard, length of service credit shall be granted for military leave of absence, including voluntary or involuntary active duty during a period of national emergency or war. (Education Code 45297, 45308)

Length of service credit may be granted for time spent on unpaid illness or maternity leave, unpaid family care leave, or unpaid industrial accident leave. Length of service credit shall not be granted for other types of unpaid leaves. (Education Code 45308)

For an employee in a "restricted position" under Education Code 45105 or 45259, the original date of employment in the restricted position shall be used to determine the length of service, provided the employee has completed six months of satisfactory service and has successfully passed the qualifying examination required for service in the class. (Education Code 45105)

Notice of Layoff and Hearing Rights

Pursuant to Education Code 45117, as amended by AB 438, a "permanent employee" is defined as an employee who was permanent at the time the notice or right to a hearing was required and an employee who became permanent after the date of the required notice.

Whenever a permanent classified employee is to be laid off for lack of work or lack of funds, the Superintendent or designee shall, no later than March 15 and before the employee is given formal notice by the Governing Board, give to the employee written notice of the recommendation, the reasons that the employee's services will not be required for the ensuing year, any displacement rights, reemployment rights, and the employee's right to a hearing. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 45117, Government Code 11503 and 11505, and other applicable provisions of law. (Education Code 45117)

An employee who is so notified may request a hearing to determine if there is cause for not reemploying the employee for the ensuing year. The request shall be in writing and shall be delivered to the person who sent notice to the employee, on or before March 15 but not less than seven days after the date the notice is served on the employee. Failure of an employee to request a hearing on or before the date specified shall constitute a waiver of the employee's right to a hearing. (Education Code 45117)

The Superintendent or designee shall serve an employee who timely requests a hearing with the District Statement of Reduction in Force documents. The employee has five calendar days from service of the District Statement of Reduction in Force documents to timely file a notice of participation with the district. The parties are entitled to discovery, if requested within 15 days of service of the District Statement of Reduction in Force documents. (Education Code 45117)

If a hearing is requested by a permanent classified employee, the proceeding shall be conducted and a decision made

by an administrative law judge in accordance with Government Code 11500-11529. The Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge's proposed decision. None of the findings, recommendations, or determinations in the proposed decision prepared by the administrative law judge shall be binding on the Board. (Education Code 45117)

Following the Board's decision, the Superintendent or designee shall give final notice of termination to the affected employee(s) before May 15 unless a continuance was granted after a request for hearing was made, in which case such date may be extended by the number of days of the continuance. (Education Code 45117)

If during the time between five days after the enactment of an annual Budget Act and August 15 of the fiscal year to which the Budget Act applies, the Board determines that the district's local control funding formula apportionment per unit of ADA for that fiscal year has not increased by at least two percent, and that it is therefore necessary to decrease the number of classified employees due to lack of work or lack of funds, the Board may issue a District Statement of Reduction in Force to those employees in accordance with a schedule of notice and hearing adopted by the Board, and layoff proceedings shall be carried out as required by law. (Education Code 45117)

When classified positions are eliminated as a result of the expiration of a specifically funded program, the district shall give written notice to the affected employee(s) not less than 60 days prior to the effective date of the layoff informing the employee(s) of the layoff date, any displacement rights, and employment rights. (Education Code 45117)

The district is not required to provide a layoff notice to any person hired as a short-term employee for a period not exceeding 60 days whose service may not be extended or renewed. (Education Code 45117)

Additionally, the district may release probationary classified employees without notice or hearing for reasons other than lack of work or lack of funds. (Education Code 45117)

Reemployment

Classified employees laid off because of lack of work or lack of funds shall be eligible for reemployment for a period of 39 months and shall be reemployed in preference to new applicants. Reemployment shall be in order of seniority. Persons so laid off also have the right to apply and establish their qualification for vacant promotional positions within the district during the 39-month period. (Education Code 45114, 45298, 45308)

In order to be reemployed, the employee must be capable of performing the essential duties of the job with or without reasonable accommodations. When an otherwise eligible employee is unable to perform the essential duties of the job, the employee shall be kept on the reemployment list until another opportunity becomes available or the period of reemployment eligibility expires, whichever occurs first.

When an employee is notified of a vacancy and fails to respond or report to work within time limits specified by district procedures, the employee's name shall be removed from the reemployment list and all reemployment rights to which the employee would otherwise be entitled shall be forfeited.

If an employee is reemployed in a new position and fails to complete the probationary period in the new position, the employee shall be returned to the reemployment list for the remainder of the 39-month period. The remaining time period shall be calculated as the time remaining in the 39-month period as of the date of reemployment. (Education Code 45114, 45298)

Reinstatement of Benefits

When a laid-off employee is reemployed, all accumulated sick leave credit shall be restored.

A laid-off permanent employee shall be reemployed with all rights and benefits accorded at the time of layoff.

A laid-off probationary employee shall be reemployed as a probationary employee, and the previous time served toward the completion of the required probationary period shall be counted. The employee shall also be reemployed with all rights and benefits accorded to a probationary employee at the time of layoff.

A laid-off employee, when reemployed, shall be placed on the salary step held at the time of layoff. An employee who was bumped into a lower class shall, when reinstated to the previous class, be placed on the salary step to which the employee would have progressed had the employee remained there. An adjusted anniversary date shall be

established for step increment purposes so as to reflect the actual amount of time served in the district.

Voluntary Demotion or Reduction of Hours

Classified employees who take voluntary demotion or voluntary reduction in assigned time in lieu of layoff, or in order to remain in their present position rather than be reclassified or reassigned, shall be granted the same rights as employees who are laid off. In addition, such employees shall retain eligibility to be considered for reemployment in their previously held class or position with increased assigned time, for an additional period of time up to 24 months as determined by the Board on a class-by-class basis, provided that the same test of fitness under which they qualified for appointment to that class shall still apply. (Education Code 45114, 45298)

Employees who take voluntary demotion or voluntary reduction in assigned time in lieu of layoff shall have the option of returning to a position in their former class or to positions with increased assigned time as vacancies become available and without limitation of time. If there is a valid reemployment list, they shall be ranked on that list in accordance with their proper seniority. (Education Code 45114, 45298)

Regulation 4217.5: Termination Agreements

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/01/1997

If a termination settlement agreement has been made with an employee, the Superintendent or designee shall inform prospective employers, upon request for an employment reference, that an agreement exists and that he/she may only provide information as provided for in the agreement.

Cash settlements made upon the termination of a contract shall never exceed an amount equal to the employee's monthly salary multiplied by the number of months, up to 18, in the unexpired term of the contract. This amount is a maximum ceiling, not to be construed as a target amount for settlement agreements. (Government Code 53260)

Settlement agreements shall not include noncash items other than health benefits, which the district may offer to continue for the unexpired term up to 18 months or until the employee finds other employment, whichever comes first. (Government Code 53261)

Copies of settlement agreements with a superintendent, deputy superintendent, assistant superintendent, associate superintendent or other similar chief administrative officer or chief executive officer shall be made available to the public upon request. (Government Code 53262)

Policy 4218: Dismissal/Suspension/Disciplinary Action

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 10/01/2019

The Governing Board expects all employees to perform their jobs satisfactorily and to exhibit professional and appropriate conduct. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law or any applicable collective bargaining agreement, Board policy, or administrative regulation.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance. An employee's private exercise of personal beliefs and activities, including religious, political, cultural, social, or other beliefs or activities, or lack thereof, shall not be grounds for disciplinary action against the employee, provided that the beliefs or activities do not involve coercion of students or any other violation of law, Board policy, or administrative regulation.

In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

Disciplinary actions may include, but are not limited to, verbal and written warnings, verbal warning summarized in a conference summary, written warnings, letters of reprimand, involuntary reassignment, demotion, suspension without pay, reduction of pay step in class, compulsory leave, and dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

A probationary classified employee may be dismissed without cause at any time prior to the expiration of the probationary period.

Permanent classified employees shall be subject to disciplinary action only for cause as specified in the accompanying administrative regulation. (Education Code 45113)

Procedures for Serious Disciplinary Proceedings

The Superintendent or designee shall develop disciplinary procedures for use when dismissal, suspension, demotion, involuntary reassignment, or other serious disciplinary action is contemplated against an employee. The procedures for such discipline shall include an opportunity for an employee for whom any such disciplinary action is recommended to meet with, or respond in writing to, a designated district official ("Skelly officer") who will determine whether the recommended discipline should proceed further or be modified or withdrawn.

After meeting with the employee or considering the employee's written response, if the Skelly officer determines that the recommended discipline should proceed, the Superintendent or designee shall send the employee a notice of the recommended disciplinary action, a statement of charges, and the results of the Skelly hearing. The notice shall include a statement advising the employee of the right to request a Board hearing on the matter.

If the employee fails to request a hearing within the time specified in the notice, the employee is deemed to have waived the right to do so, and the Board may order the recommended disciplinary action into effect immediately.

If a timely request is submitted, a hearing shall be conducted by the Board. (Education Code 45113, 45312)

The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board and the availability of legal counsel and witnesses. The employee shall be notified of the time and place of the hearing.

The hearing shall be held in closed session, unless the employee requests that the matter be heard in an open session meeting. (Government Code 54957)

The employee shall be entitled to appear personally, produce evidence, and be represented by legal counsel.

The Board may use the services of its legal counsel in ruling upon procedural questions, objections to evidence, and

issues of law. The Board may review and consider the records of any prior personnel action proceedings against the employee in which a disciplinary action was ultimately sustained and any records contained in the employee's personnel files and introduced into evidence at the hearing. The Board shall not be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made by the Board.

At any time before a matter is submitted to the Board for decision, the Superintendent or designee may, with the consent of the Board, serve on the employee and file with the Board an amended or supplemental recommendation of disciplinary action. If the amended or supplemental recommendation includes new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

Following the hearing or, if the employee has not requested a hearing, after reviewing the Superintendent or designee's recommendation for disciplinary action, the Board shall affirm, modify, or reject the recommended disciplinary action. The decision of the Board shall be in writing and shall contain findings of fact and the disciplinary action approved, if any. The decision of the Board shall be final.

Within 10 working days of the Board's final decision, a copy of the decision shall be delivered to the employee and/or designated representative personally or by registered mail.

Except for an allegation of egregious misconduct in which a minor is involved, the Board may delegate the authority to determine whether sufficient cause exists for disciplinary action to an impartial third-party hearing officer. When a matter is heard by a third-party hearing officer, the Board shall review the determination and adopt or reject the recommended decision. (Education Code 45113)

When any matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a witness who is a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. In such cases, the ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45113)

Regulation 4218: Dismissal/Suspension/Disciplinary Action

Status: DRAFT

(Education Code 45113)

Initiation and Notification of Charges

The Superintendent or designee shall provide notice to the employee of a recommendation for discipline, which includes the charges and materials upon which the recommendation is based. The notification shall identify an impartial district official ("Skelly officer") with whom the employee may meet at a specified time and place or to whom the employee may provide a written response to the recommendation of discipline. After meeting with the employee or considering any response from the employee, the Skelly officer shall recommend to the Superintendent or designee whether to proceed with the recommendation for discipline.

The Superintendent or designee shall file any final recommendation for a disciplinary action in writing with the Governing Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address.

The notice shall, in ordinary and concise language, inform the employee of the specific charge(s) or cause(s) for the disciplinary action, the specific acts and omissions upon which the action is based, and, if applicable, the district rule or regulation that the employee has allegedly violated. In addition, the notice shall include the employee's right to a hearing on those charges, the time within which the hearing may be requested which shall be not less than five days after service of the notice to the employee, and a card or paper which the employee may sign and file to deny the charges and request a hearing. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance.

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be

dismissed within 30 days from the date of service of the notice unless the employee demands a hearing on the dismissal.

The Governing Board desires to promote the health of district students and staff in order to reduce absenteeism and enhance employee and student performance. The Superintendent or designee shall develop strategies to prevent the outbreak or spread of infectious diseases at district schools.

An infectious disease is one that is caused by a microorganism and is potentially transmittable to another individual, whether through airborne transmission, bloodborne transmission, skin-to-skin contact, foodborne transmission, or other casual or noncasual means. A communicable infectious disease, such as influenza or chicken pox, is contagious and can be readily transmitted by infectious bacteria or viral organisms.

In accordance with law, job applicants shall be required to provide evidence that they are free of tuberculosis or any other communicable infectious disease prior to beginning employment.

To prevent the outbreak or spread of infectious diseases, the Superintendent or designee may provide infection prevention supplies and information to employees, including information about recommended vaccinations. Employees also shall observe universal precautions to avoid contact with potentially infectious blood or other bodily fluids.

Plans for addressing a communicable infectious disease outbreak, including, but not limited to, plans for addressing employee shortages during such an outbreak, shall be included in the district's emergency preparedness plan.

The Superintendent or designee shall immediately report to the local health officer the presence or suspected presence of any communicable infectious disease. HEPATITIS B VACCINE DECLINATION

Note: 8 CCR 5193 and 29 CFR 1910.1030 require the district to ensure that the following statement is signed by any employee with occupational exposure to bloodborne pathogens or other potentially infectious materials who declines to accept the hepatitis B vaccination offered by the district.

In accordance with 8 CCR 5193 and 29 CFR 1910.1030, the district makes the hepatitis B vaccine available to employees who may reasonably be expected to have contact with blood or other potentially infectious materials in the performance of their duties. Any employee who declines this vaccine is required to read and sign the following statement:

I understand that, due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. Policy 4236: Nonschool Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008

In order to help maintain public trust in the integrity of district operations, the Governing Board expects all employees to give the responsibility of their positions precedence over any other outside employment. A district employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to his/her district duties.

An outside activity shall be considered inconsistent, incompatible, or inimical to district employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties
2. Entails compensation from an outside source for activities which are part of the employee's regular duties
3. Involves using the district's name, prestige, time, facilities, equipment, or supplies for private gain
4. Involves service which will be wholly or in part subject to the approval or control of another district employee or Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with his/her immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the district and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the Superintendent or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring

A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in his/her class(es). An employee who wishes to tutor another district student shall first request authorization from his/her supervisor in accordance with this Board policy. If authorization is granted, the employee shall not use district facilities, equipment, or supplies when providing the tutoring service.

Policy 4240: Bargaining Units

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 12/15/2020

The Governing Board recognizes the right of district employees to form a bargaining unit and to select an employee organization as the exclusive representative to represent the employees in the employees' employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Employees shall not be prohibited from wearing union buttons or other items that favor or oppose the formation of a bargaining unit or any matter that is the subject of negotiations.

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

A bargaining unit of supervisory employees may be recognized if the bargaining unit includes all supervisory employees and is not represented by an employee organization that represents district employees who are supervised by the supervisory employees. (Government Code 3545)

For this purpose, supervisory employee means any employee, regardless of job description, having authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to, direct, or adjust grievance of other employees, or effectively recommend that action, when the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. In the employment relationship with the district, such employees may represent themselves or be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. An employee organization representing management or confidential employees shall not be permitted to meet and negotiate with the district on behalf of the employees. (Government Code 3543.4)

Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board. (Government Code 3540.1)

Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. (Government Code 3540.1)

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

The Superintendent or designee may communicate with district employees regarding their rights under the law. Such communications shall be factual and accurate, and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

However, before disseminating to multiple employees any mass communication concerning employees' right to join or support an employee organization or to refrain from joining or supporting an employee organization, such as a written document or script for oral or recorded presentation or message, the Superintendent or designee shall meet and confer with the employees' exclusive representative regarding the content of the communication. If the district

and exclusive representative do not come to agreement on the content of the mass communication, the Superintendent or designee may disseminate the district's mass communication, provided that at the same time, copies of the exclusive representative's communication, which shall be of reasonable length, are also distributed. (Government Code 3553)

Access to New Employee Orientations

The district shall permit employee organizations access to new employee orientation or onboarding process where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation, except that a shorter notice may be provided if an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice. (Government Code 3555.5, 3556)

Following a request to negotiate by either party, the structure, time, and manner of access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative. If the district and exclusive representative fail to reach an agreement, matters related to access to the new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of a new employee orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

Until June 30, 2025, in addition to above provisions regarding new employee orientations, the district shall ensure the following: (Government Code 3556)

1. When an in-person new employee orientation has not been conducted within 30 days of hiring any new employee who is working in person, the Superintendent or designee shall permit the exclusive representative to schedule an in-person meeting which newly hired employees shall have an opportunity to attend, at the employee's worksite and during employment hours. Each newly hired employee within the bargaining unit shall be provided at least 30 minutes of paid time to attend the meeting.

Upon the request of an exclusive representative scheduling such an in-person meeting, the Superintendent or designee shall provide an appropriate on-site meeting space within seven days of receiving the exclusive representative's request.

2. When, by reason of a state or local public health order limiting the size of gatherings, the district is prohibited from organizing a new employee orientation, an exclusive representative may schedule multiple meetings to ensure that newly hired employees have an opportunity to attend without exceeding the maximum allowable number of people.

Access to Employee Contact Information

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire, unless the exclusive representative has agreed to a different interval for the provision of the information. In addition, the Superintendent or designee shall provide the exclusive representative the same information in regard to all employees in the bargaining unit at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or of any employee who provides a written request that the information not be disclosed to the exclusive representative. Following receipt of a written request, the district

shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

Within 20 calendar days after an exclusive representative notifies the Superintendent or designee that a list of employees provided by the district is inaccurate or incomplete, the Superintendent or designee shall take steps to correct the list and provide a new list of employees to the exclusive representative. (Government Code 3558)

At least, at the beginning of each school year, the Superintendent or designee shall review the list of district employees to ensure that the list is complete and contains accurate information. Employees, when requested, will be expected to respond to update or confirm the accuracy of their information by any reasonable deadline requested by the District.

Communications with Employees

Employee organizations may have access at reasonable times to areas in which employees work and may use district facilities at reasonable times for the purpose of meetings. Subject to reasonable regulation, employee organizations may also use institutional bulletin boards, mailboxes, and other means of communication to communicate with employees. (Government Code 3543.1)

Access to district means of communication shall be limited in cases where such access would be disruptive to district operations.

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

Policy 4241: Collective Bargaining Agreement

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2007

The Governing Board recognizes that collective bargaining agreements are legally binding, bilateral agreements with the exclusive representatives of employees pertaining to terms and conditions of employment. The Board is committed to carrying out the provisions of each agreement and expects the agreements to be consistently and uniformly administered.

Following adoption of the collective bargaining agreement, the Superintendent or designee shall review related Board policies and recommend to the Board any action needed to maintain consistency with the agreement. Whenever a Board policy conflicts with a provision in the collective bargaining agreement, the agreement shall be binding for those employees covered by the terms of the agreement. Whenever a law conflicts with a provision in the collective bargaining agreement, the law will prevail as to those employees for whom the law applies.

Upon request by the Public Employment Relations Board, the Superintendent or designee shall provide, within 15 days of the request, a copy of the written agreement and any amendments. (8 CCR 32120)

Policy 4241.6: Concerted Action/Work Stoppage

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2007

The Governing Board recognizes the importance of maintaining ongoing positive relations with employees and engaging in fair, respectful negotiations with employee organizations. The Board desires to reach agreement on employment contracts in a manner that prevents disruption to school operations and minimizes impact on student achievement.

The Board recognizes that advance planning is necessary to ensure that, in the event of a work stoppage, strike, or other concerted employee activity, students continue to receive educational services to which they are entitled. The Superintendent or designee shall develop a written plan which shall include strategies for the provision of internal and external communications, preservation of student and staff safety, maintenance of district operations, and appropriate student instruction and supervision during a work slowdown or stoppage.

If an employee organization gives notice that it intends to strike, the Superintendent or designee shall notify the Public Employment Relations Board, Employment Development Department, employees in the striking unit, other district employees, parents/guardians, students, law enforcement, the media, and others as appropriate.

Employees should be held accountable for their behavior during any labor dispute. The district may take disciplinary action against any employee who engages in an unlawful concerted action or in unlawful behavior in an otherwise protected activity, taking into account the seriousness of the behavior and the district's efforts to rebuild relations following the withholding of services by employees.

However, the district shall not discontinue or threaten to discontinue employer contributions for health care or other medical coverage for any employee or their enrolled dependents for the duration of the employee's participation in an authorized strike, as defined in Government Code 3141 and specified in the accompanying administrative regulation.

However, any part-time employees who are entitled to less than three days of paid sick leave per year due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if they are eligible. (Education Code 44978; Labor Code 245-249)

Use of Sick Leave

Certificated employees may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of and in the course of employment; quarantine which results from contact in the course of employment with other persons having a contagious disease; or temporary inability to perform assigned duties because of illness, accident, or quarantine (Education Code 44964)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of termination.

When the employee receives the disability rating decision, the employee shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 10-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which the employee intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute may be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent for an additional period of up to five school months, the district shall deduct from the employee's regular salary for that period the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to return to work after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. Parental leave taken pursuant to Education Code 44977.5 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 44977.5; Government Code 12945.2, 12945.6)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to the employee's immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from a physician stating that the employee is able to return to duty and stipulating any necessary restrictions or limitations.

Healthy Workplaces, Healthy Families Act Requirements

No employee shall be denied the right to use accrued sick days, and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

Upon request, any certificated or classified employee shall be granted a leave of absence without loss of compensation, to serve as an elected officer of a district employee organization or any statewide or national employee organization with which the employee organization is affiliated. Such leave shall be in addition to any other leave to which the employee may be entitled by other laws or a memorandum of understanding or collective bargaining agreement. (Education Code 44987, 45210)

The leave shall include, but is not limited to, absence for purposes of attending periodic, stated, special, or regular meetings of the body of the organization on which the employee serves as an officer. (Education Code 44987, 45210)

Upon request of an employee organization in the district or its state or national affiliate, a reasonable number of unelected classified employees shall be granted a leave of absence without loss of compensation for the purpose of attending important organizational activities authorized by the employee organization. The employee organization shall provide reasonable notification to the Superintendent or designee when requesting a leave of absence for employees for this purpose. (Education Code 45210)

When leave is granted for any of the above purposes, the employee organization shall reimburse the district within 10 days after receiving the district's certification of payment of compensation to the employee. (Education Code 44987, 45210)

Religious Leave

The Superintendent or designee may grant an employee up to three days of leave per year for religious purposes, provided that the leave is requested in advance and that it does not cause additional district expenditures, the neglect of assigned duties, or any other unreasonable hardship on the district.

The Superintendent or designee shall deduct the cost of hiring a substitute, when required, from the wages of the employee who takes religious leave.

No employee shall be discriminated against for using this leave or any additional days of unpaid leave granted for religious observances at the discretion of the Superintendent or designee.

Spouse on Leave from Military Deployment

An employee who works an average of 20 hours or more per week and whose spouse is a member of the United States Armed Forces, National Guard, or reserves may take up to 10 days of unpaid leave during a period that the employee's spouse is on leave from deployment during a military conflict, as defined in Military and Veterans Code 395.10. (Military and Veterans Code 395.10)

Within two business days of receiving official notice that the employee's spouse will be on leave from deployment, the employee shall provide the Superintendent or designee with notice of the intention to take the leave. (Labor Code 230.4)

Such leaves shall not exceed three days for a single mission, unless an extension is granted by the governmental entity authorizing the mission and is approved by the Superintendent or designee. (Labor Code 1501, 1503)

The employee shall give the district as much advance notice as possible of the intended dates of the leave. The Superintendent or designee may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave and may deny the leave if the employee fails to provide the required certification. (Labor Code 1503)

The district shall pay an employee's salary or compensation for the first 30 days of any one absence for military leave or during one fiscal year, under any of the following conditions:

1. Active Military Training or Exercises: The employee is granted a temporary military leave of absence to engage in ordered military duty for purposes of active military training, encampment, naval cruises, special exercises, or like activity as a member of the reserve corps or force of the United States Armed Forces, National Guard, or Naval Militia, provided that: (Military and Veterans Code 389, 395, 395.01)

 - b. The ordered duty does not exceed 180 days, including time involved in going to and returning from such duty.
2. Active Military Duty: The employee is on military leave, other than a temporary military leave, to engage in active military duty as a member of the reserve corps or force of the United States Armed Forces, the National Guard, or the Naval Militia, provided that the employee has been employed by the district for at least one year immediately prior to the day the military leave begins. (Military and Veterans Code 389, 395.02)
3. (Military and Veterans Code 395.05)
4. Inactive Duty Training: The employee is a member of the reserve corps or force of the United States Armed Forces, National Guard, or Naval Militia who is engaged in temporary inactive duty training, provided that the employee has been employed by the district for at least one year immediately prior to the day the military leave begins and the ordered duty does not exceed 180 days, including time involved in going to and returning from such duty.

In determining the length of district employment when necessary to determine eligibility for compensation for military leave, all recognized military service performed during and prior to district employment shall be included.

For classified employees, 30 days' compensation shall be one month's salary. For certificated employees, 30 days' compensation shall be one-tenth of the employee's annual salary. (Education Code 45059)

During the period of military leave, an employee may request to use any vacation or similar paid leave accrued before the commencement of the military leave in order to continue receiving compensation for the employee's employment with the district. The district shall not require the employee to use such leave. (38 USC 4316; 20 CFR 1002.153)

Benefits

An employee may elect to continue health plan coverage during the military leave. The maximum period of coverage for the employee and any dependents shall be either 24 months from the beginning of the leave or until the day after the employee fails to apply for or return to employment, whichever is less. (38 USC 4317; 20 CFR 1002.164)

An employee on military leave may be required to pay the employee cost, if any, of any funded benefit to the extent that other employees on leave are so required. (38 USC 4316)

An employee absent for 30 days or fewer shall not be required to pay more than the employee share for such coverage. An employee absent for 31 days or more may be required to pay not more than 102 percent of the full premium under the plan. (38 USC 4317; 20 CFR 1002.166)

Vacation and Sick Leave Accrual

An employee on temporary military leave under the conditions described in Item #1 in the section entitled "Salary/Compensation" above, shall continue to accrue the same vacation, sick leave, and holiday privileges to which the employee would otherwise be entitled if not absent. (Military and Veterans Code 395)

An employee on military leave who is serving in active duty in time of war, national emergency, or United Nations military or police operation shall not accrue sick leave or vacation leave during the period of such leave. (Military and Veterans Code 395.1)

However, an employee who is a National Guard member on active duty as described in Item #3 in the section entitled "Salary/Compensation" above, shall not suffer any loss or diminution of vacation or holiday privileges because of the employee's leave of absence. (Military and Veterans Code 395.05)

Pension Plan Service Credit

Pension plan service credit and vesting shall continue during an employee's military leave as though no break in service had occurred. Payment of employer and employee contributions shall be made in accordance with law for members of the State Teachers' Retirement System or Public Employees' Retirement System. (Education Code 22850-22856; Government Code 20990-21013)

Employment Status

Absence for military leave shall not affect the classification of any employee. In the case of a probationary employee, the period of such absence shall not count as part of service required to obtain permanent status, but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800; Military and Veterans Code 395; 20 CFR 1002.149)

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which the employee would otherwise have been entitled, except under the conditions noted below in this section. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)

Any employee who performs active military duty in time of war, national emergency, or United Nations military or police operation has a right to return to the position held prior to the military service, during terminal leave prior to the employee's discharge, separation, or release from the armed forces, or within six months of the employee's release, separation, honorable discharge, or placement on inactive duty. Reinstatement rights shall not be extended to any such employee who fails to return within 12 months after the first date upon which the employee could terminate or could cause to have terminated active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for seeking reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of the military service plus a period of eight hours of rest following a period

for safe transportation to the employee's residence.

2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.
3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

Where an employee's reporting or application for reinstatement within the periods specified in Items #1 and #2 above is impossible or unreasonable through no fault of the employee, the report or application shall be made as soon as possible after the expiration of the period. In the case of Items #2 and #3 where an application is required, the employee's application may be made orally or in writing and need not follow any particular format. (38 USC 4312; 20 CFR 1002.115, 1002.117, 1002.118)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of the case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, the district shall reinstate the employee in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which the employee is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee who fails to report or apply for reinstatement within the appropriate period does not automatically forfeit the entitlement to reinstatement but shall be subject to the district's rules and/or practices governing unexcused absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the district under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

The district shall not deny any eligible employee the right to family care or medical leave pursuant to the Family and Medical Leave Act (FMLA) or the California Family Rights Act (CFRA), or to Pregnancy Disability Leave (PDL), when an employee is disabled by a pregnancy, childbirth, or related medical condition. The district shall not interfere with, restrain, or deny the exercise of an employee's right to any such leave, nor shall the district discharge, discriminate against, or retaliate against an employee for taking such leave, opposing or challenging an unlawful employment practice in relation to any of these laws, or being involved in any related inquiry or proceeding. (Government Code 12945, 12945.2; 2 CCR 11094; 29 USC 2615)

Definitions

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

2. 1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when formally admitted to a health care facility with the expectation of remaining overnight and occupying a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:

Eligibility/Purposes of Leave

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2; 29 USC 2612; 29 CFR 825.112, 825.126, 825.127)

5. The care of a covered servicemember with a serious injury or illness when the employee is a spouse, child, parent, or next of kin of the covered servicemember

In addition, the district shall grant PDL to any employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. (Government Code 12945.2; 29 USC 2612)

The 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

In addition, any employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of a child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time.

(2 CCR 11090; 29 USC 2612)

Each eligible employee shall be granted up to 12 work weeks for family care and medical leave related to the birth or placement of a child, regardless of whether both parents of the child work for the district.

Use/Substitution of Paid Leave

During any otherwise unpaid period of FMLA or CFRA leave, except leave for an employee's own serious health condition, an employee shall use accrued paid leave, including, but not limited to, vacation leave, personal leave, or family leave. If the leave is for the employee's own serious health condition, the employee shall use accrued paid leave, including but not limited to, vacation leave, personal leave, or sick leave. During an unpaid period of PDL, the employee shall use any accrued sick leave and may elect to use any vacation time or other accrued personal time off. (Government Code 12945, 12945.2; 2 CCR 11044, 11092; 29 USC 2612)

The district and employee may also come to agreement regarding the use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or eligible family member may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. (Government Code 12945.2; 2 CCR 11042, 11090; 29 USC 2612)

The basic minimum duration of leave for the birth, adoption, or foster care placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position under any of the following circumstances: (2 CCR 11041, 11090; 29 USC 2612)

1. The employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on a planned medical treatment for the employee or family member.
2. A medical certification is provided by the employee's health care provider that, because of pregnancy, the employee has a medical need to take intermittent leave or leave on a reduced work schedule.
3. The district agrees to permit intermittent leave or leave on a reduced work schedule due to the birth, adoption, or foster care placement of the employee's child.

The alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

Request for Leave

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, the employee must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

When an employee is able to foresee the need for PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days' notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Within five business days of an employee's request for family care and medical leave for the serious health condition of the employee or an eligible family member, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 calendar days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR 11087, 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for an eligible family member with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of the eligible family member during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the eligible family member
4. If the employee is requesting leave because of the employee's own serious health condition, a statement that due to the serious health condition, the employee is unable to work at all or is unable to perform one or more essential job functions of the position
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011. (Government Code 12940)

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee has a good faith objective reason to doubt the validity of a certification that accompanies a request for leave for the employee's own serious health condition, the Superintendent or designee

may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

Certification for PDL

The Superintendent or designee shall request that an employee who is requesting PDL provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if the Superintendent or designee has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days' notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 calendar days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because the employee is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

Release to Return to Work

Upon expiration of an employee's PDL or family care and medical leave taken for the employee's own serious health condition, the employee shall present certification from the health care provider of the employee's ability to resume work. The certification shall address the employee's ability to perform the essential job functions of the position.

Rights to Reinstatement

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

The district may refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, the employee shall maintain employee status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before the employee took the leave. The employee shall reimburse the district for premiums paid during the leave if the employee fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond the employee's control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose.

However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion of the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

All public employees are disaster service workers subject to such disaster service activities as may be assigned to them by their superiors or by law.

As district employees are declared by law to be disaster service workers, all district employees shall also take (or sign) the oath or affirmation required for disaster service workers before beginning employment with the district. In the event of natural, manmade or war-caused emergencies which result in conditions of disaster or extreme peril to life, property and resources, including but not limited to emergencies such as an earthquake, disease outbreak or pandemic, all district employees are subject to disaster service activities as assigned to them by their supervisors or by law. (Government Code 3100-3102)

Not having a loyalty oath completed or on file does not change the status or requirements of employees to be disaster service workers.

Employees should be prepared for a possible emergency by having a personal/family emergency plan for their families, home, pets, and other responsibilities in the event they should be called to assume disaster service worker duties (e.g. remaining beyond normal work hours or being required to report in-person to school sites during an emergency).

Legally employed noncitizens shall be exempt from taking this oath. (Government Code 3101)

At the advice of legal counsel, the Superintendent or designee may exempt an employee from taking the oath if he/she raises a valid religious objection.

The Superintendent, deputy or assistant superintendent, principal or other person authorized in Education Code 60 shall administer the oath or affirmation when a district employee is hired.

In the case of intermittent, temporary, emergency or successive employments, the Superintendent or designee may determine that the oath shall be effective for all successive periods of employment which begin within one calendar year from the date that the oath was subscribed. (Government Code 3102)

The Superintendent or designee shall file the executed oath or affirmation within 30 days of the date on which it is taken and subscribed. An employee's oath or affirmation may be destroyed five years after the termination of employment. (Government Code 3105)

Reimbursement of Expenses for Disaster Service Workers

Whenever an employee seeks compensation or reimbursement of expenses as a disaster service worker, the Superintendent or designee shall ascertain and certify that the employee has taken the oath or affirmation. (Government Code 3107)

Regulation 4312.4: Health Examinations

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 12/01/2014

Tuberculosis Tests

No applicant shall be initially employed by the district, or employed under contract, in a classified or certificated position unless he/she has submitted to a tuberculosis risk assessment within the past 60 days and, if tuberculosis risk factors are identified, has submitted to an intradermal or other approved tuberculosis examination to determine that he/she is free of infectious tuberculosis. If the results of the examination are positive, the applicant shall obtain an x-ray of the lungs. At his/her discretion, an applicant may choose to submit to the examination instead of the risk assessment. (Education Code 49406)

Prior to employment by the district, an applicant shall submit a certificate from an authorized health provider stating that the applicant was assessed and/or examined and found to be free of infectious tuberculosis. (Education Code 49406)

An applicant who was previously employed in another school district or private or parochial school shall be deemed to have fulfilled the tuberculosis testing requirement if he/she produces a certificate showing that he/she was found to be free of infectious tuberculosis within 60 days of initial hire or if his/her previous employer verifies that it has a certificate on file showing that the applicant is free from infectious tuberculosis. (Education Code 49406)

Thereafter, each district employee who was found free of infectious tuberculosis shall undergo a tuberculosis risk assessment, and an examination whenever risk factors are identified, at least once every four years or more often when required by the Governing Board upon recommendation of the county health officer. However, once an employee has a documented positive test for tuberculosis infection followed by an x-ray, he/she shall no longer be required to submit to the tuberculosis risk assessment but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

The cost of the pre-employment tuberculosis risk assessment and/or examination shall be paid by the applicant, unless the Board has determined that the district will reimburse an applicant who is subsequently hired by the district. The district shall reimburse the employee for the cost, if any, of subsequent tuberculosis risk assessments and examinations. The district may provide for the risk assessment and examination or may establish a reasonable fee for the examination that is reimbursable to the employee. (Education Code 49406)

Whenever the district contracts for the transportation of students, the contract shall require that all drivers who will be transporting students complete the tuberculosis risk assessment and, if indicated, the examination for infectious tuberculosis within 60 days of initial hire. (Education Code 49406)

The following applicants or employees shall be exempted from the requirement to submit to a tuberculosis risk assessment and/or examination: (Education Code 49406)

1. An applicant/employee who files an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge and belief, he/she is free from infectious tuberculosis

Such an exemption shall be allowed only if the Board determines by resolution, after a hearing, that the health of students would not be jeopardized. If at any time there is probable cause to believe that the applicant/employee is afflicted with infectious tuberculosis, he/she may be excluded from service until the Board is satisfied that he/she is not afflicted.

2. A classified employee who is employed for less than a school year and whose functions do not require frequent or prolonged contact with students
3. A pregnant employee who has positive results on a tuberculosis skin test, in which case she shall be exempted from the requirement to follow up with an x-ray of the lungs for a period not to exceed 60 days after the end of the pregnancy
4. A private contracted driver who transports students infrequently without prolonged contact with students

Examination of Certificated Employees for Disabling Diseases

To fill a certificated position with an applicant who has not previously been employed in a certificated position in California, or with a retirant who has not been employed as a retirant, the district shall have on file a medical certification indicating that the applicant or retirant is free from any disabling disease which would render him/her unfit to instruct or associate with children. (Education Code 44839, 44839.5)

The certificate shall be completed and submitted directly to the district by an authorized health care provider. The medical examination referenced in the certificate must have been conducted within six months of the date that the certificate is filed. (Education Code 44839, 44839.5; 5 CCR 5503)

Applicants and retirants shall pay for the cost of obtaining the medical certification. (Education Code 44849, 44839.5)

Certificated employees and/or retirants shall be required to periodically undergo, at district expense, a medical examination pursuant to Education Code 44839 or 44839.5 to determine that they are free from any communicable disease making them unfit to instruct or associate with children. (Education Code 44839, 44839.5)

Mental Examination for Certificated Employees

Whenever the Board is considering the suspension or transfer of a certificated employee based on its reasonable belief that the employee is suffering from mental illness of such a degree as to render him/her incompetent to perform his/her duties, the employee shall be offered the opportunity of being examined by a three-member panel of psychiatrists and psychologists in accordance with Education Code 44942. The employee shall select the members of the panel from a list of psychiatrists and psychologists provided by the district. The examination shall be conducted, at district expense, within 15 days of the ordered suspension or transfer. The employee shall submit to the examination, but shall also be entitled to present a report of any psychiatrist, psychologist, or physician of his/her own choice. (Education Code 44942)

Policy 4312.41: Employee Drug Testing

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008

The Governing Board maintains a drug- and alcohol-free workplace. In accordance with law, all employees shall render service without using, possessing, being impaired by, or being under the influence of alcohol or drugs.

Pre-Employment Drug/Alcohol Testing for Safety-Sensitive Positions

Because students and staff have the right to a safe and secure campus where they are free from physical and psychological harm, the Board authorizes the testing of prospective employees in safety-sensitive positions for drug and alcohol use. The following positions are safety-sensitive and are subject to the district's program:

Position	Safety-Sensitive Duties
----------	-------------------------

Any Position requiring a Commercial Driver's License - or any position that necessitates the driving of any District Vehicle	
--	--

Once an offer or conditional offer of employment has been made, prospective employees in these identified positions shall undergo a pre-employment drug and alcohol screening for any substance which could impair their ability to safely and effectively perform their job functions. This screening shall be part of the employee's pre-employment physical examination.

Final selection or final hiring of a job applicant for a position shall not be complete until the applicant has successfully completed the screening.

All testing and medical examinations shall be conducted in accordance with state and federal law, Board policy, and administrative regulation.

Regulation 4312.41: Employee Drug Testing

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008

Pre-Employment Drug/Alcohol Screening for Safety-Sensitive Positions

Applicants shall sign a form consenting to the drug and alcohol testing. The consent form shall authorize release of the test results to the district. To ensure an individual's privacy, the district shall not use test results for any purpose other than those stated in Board policy and administrative regulation, shall maintain the confidentiality of screening records, and shall not disclose such records unless the applicant consents or the Superintendent or designee is presented with a court order requiring the disclosure.

All initial screening tests shall be conducted at the district's expense. If an applicant's initial test is positive, a second test, at the district's expense, shall be administered as soon as possible to confirm the results. Upon obtaining a second positive result, the applicant may seek an independent drug and alcohol screening from a recognized medical laboratory at his/her own expense. Any applicant who fails to provide the district with a negative drug and alcohol screening report within five working days of a confirmed positive result shall be determined to have failed the screening and shall not be employed.

Failure to submit to the process or to complete the process shall preclude the applicant from being hired into the position. Disqualified applicants shall not be prohibited from applying for another job within the district.

Policy 4312.42: Drug And Alcohol Testing For School Bus Drivers

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 08/01/2013

The Governing Board desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

A driver shall not report for duty or remain on duty when the driver has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when the driver has used any drug listed in 21 CFR 1308.12-1308.15, unless the driver is using the drug under the direction of a physician who has advised the driver that the substance will not adversely affect the driver's ability to safely operate a bus. (49 CFR 382.213)

In addition, a driver shall not consume alcohol while on duty and/or performing safety-sensitive functions, or for four hours prior to on-duty time. (49 CFR 382.205, 382.207)

Drivers shall submit to drug and alcohol testing as required under federal law and specified in the accompanying administrative regulation. The district's testing program for drivers shall include pre-employment drug testing (which may include alcohol testing), and shall include reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

The Board may contract for testing services upon verifying that the personnel are appropriately qualified and/or certified, or may use existing personnel, and will verify that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

Consequences Based on Test Results

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test for a drug or drug metabolite before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver from the Federal Motor Carrier Safety Administration. (49 CFR 40.3, 40.21, 382.107, 382.119)

Any driver for whom the district receives a verified positive drug test result or who is found to have a blood alcohol concentration of 0.04 or higher shall be immediately removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211. An alcohol concentration between 0.02 and 0.04 requires temporary removal of the bus driver for a 24-hour period following the test. Any driver who refuses to take a required drug or alcohol test shall not be permitted to perform or continue to perform safety-sensitive functions. (49 CFR 40.23, 382.211)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

A driver who has violated federal drug and alcohol regulations may be subject to disciplinary action up to and including dismissal in accordance with law, administrative regulations, and the district's collective bargaining agreement.

Any driver provided with an opportunity to return to a safety-sensitive duty following a violation shall be evaluated by a qualified substance abuse professional and complete the evaluation recommendations before returning to such duty. (49 CFR 40.289)

If the substance abuse professional recommends that further and ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor the driver's compliance. The cost of such services may be the responsibility of the employee (and/or their medical insurance as/if applicable). Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the

DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

Voluntary Self-Identification

If the district has a self-identification program actively running or in effect, whenever a driver admits to alcohol or drug misuse under the district's voluntary self-identification program, the Superintendent or designee shall ensure all of the following: (49 CFR 382.121)

1. No adverse action shall be taken against the driver by the district.
2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over the drug or alcohol problem.
3. The driver shall be permitted to participate in safety-sensitive functions only after:
 - a. Successfully completing an education or treatment program, as determined by a drug and alcohol abuse evaluation expert, such as an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor
 - b. Undergoing a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 and/or a verified negative result for drug use

A driver who admits to alcohol or drug misuse shall not be subject to federal requirements related to referral, evaluation, and treatment, provided that the driver does not self-identify in order to avoid drug or alcohol testing, makes the admission prior to performing a safety-sensitive function, and does not perform a safety-sensitive function until the driver has been evaluated and has successfully completed education or treatment requirements in accordance with program guidelines. (49 CFR 382.121)

The board recognizes that the Legislative council as issued an opinion that Vehicle Code 34520.3 applies only to employees whose primary job is transportation

Regulation 4312.42: Drug And Alcohol Testing For School Bus Drivers

Status: DRAFT

Original Adopted Date: Pending

Definitions

For purposes of drug testing required by the U.S. Department of Transportation (DOT), drugs include marijuana, cocaine, amphetamines, phencyclidine (PCP), and opioids. (49 CFR 40.3, 40.85, 382.107)

Alcohol concentration (or content) means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an evidential breath test. (49 CFR 40.3, 382.107)

Safety-sensitive function means all time from the time the driver begins to work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive functions include, but are not limited to, all time driving or otherwise in the bus or other school transportation vehicle; waiting at a district facility to be dispatched; inspecting, servicing, or conditioning the vehicle or vehicle equipment; loading or unloading the vehicle; supervising or assisting in the loading or unloading of the vehicle; and repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle. (49 CFR 382.107)

Designated Employer Representative

The Superintendent or designee shall identify a designated employer representative who is authorized to take immediate action to remove drivers from safety-sensitive functions and to make required decisions in the testing and evaluation processes. The designated employer representative shall also be responsible for receiving test results and other communications. The name and telephone number of the designated employer representative shall be provided to the testing contractor to contact about any problems or issues that may arise during the testing process. (49 CFR 40.35, 40.215)

Pre-employment Testing

When hiring a new driver, the Superintendent or designee shall, with the driver's written consent, conduct a pre-employment query using the Commercial Driver's License Drug and Alcohol Clearinghouse to obtain information about whether the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)

The Superintendent or designee shall also, with the driver's consent, request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25 and 382.413, from any employer who has employed the driver at any time during the previous three years. To the extent practicable, the Superintendent or designee shall obtain and review such information before the driver first performs safety-sensitive functions. In addition, the Superintendent or designee shall ask the driver if there was a positive test, or a refusal to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position that was not obtained. (49 CFR 40.25, 382.413)

The driver shall not be permitted to perform safety-sensitive functions if the driver refuses to provide consent to obtain the information from previous employers or from the Clearinghouse; the information from previous employers is not received within 30 days of the date on which the driver first performed safety-sensitive functions for the district; or the driver, the Clearinghouse, or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413, 382.701, 382.703)

A driver whom the district intends to hire or use shall undergo testing for drugs and receive a verified negative test result prior to the first time the driver performs safety-sensitive functions for the district. This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

1. The driver has participated in a qualified drug testing program within the previous 30 days.
2. While participating in the program, the driver either was tested within the past six months from the date of application or participated in a random drug testing program for the previous 12 months from the date of application.

3. No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

The Superintendent or designee shall contact the testing program(s) in which the driver has participated and obtain information about the program and the driver's participation as specified in 49 CFR 382.301.

In addition, if the District is performing pre-employment alcohol testing, the Superintendent or designee shall require the driver to undergo such pre-employment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration level of less than 0.04. (49 CFR 382.301)

Post-Accident Testing

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.
2. The driver receives a citation for a moving traffic violation within eight hours of the accident and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

No driver required to take a post-accident alcohol test pursuant to 49 CFR 382.303 shall use alcohol for eight hours following the accident or until the driver undergoes a post-accident alcohol test, whichever occurs first. (49 CFR 382.209)

Random Testing

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year.

Such tests shall be unannounced and conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

Reasonable Suspicion Testing

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The person who makes the required observations for reasonable suspicion testing for drugs or alcohol shall be

trained in accordance with 49 CFR 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not be the same person who conducts the alcohol test. (49 CFR 382.307)

Within 24 hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is earlier, a written record of the observations leading to a reasonable suspicion test shall be made and signed by the person who made the observations. (49 CFR 382.307)

An alcohol test required as a result of reasonable suspicion shall be administered within eight hours following the determination of reasonable suspicion. If the test is not administered within two hours, the Superintendent or designee shall prepare and maintain on file a record stating the reasons the test was not promptly administered. (49 CFR 382.307)

In the absence of a reasonable suspicion alcohol test, the district shall take no action against a driver based solely on the driver's behavior and appearance, except that the driver shall not be allowed to report for or remain on safety-sensitive functions until an alcohol test is administered and the results show a concentration less than 0.02 or 24 hours have elapsed following the determination of reasonable suspicion. (49 CFR 382.307)

Return-to-Duty Testing

Note: Pursuant to 49 CFR 40.305, the district may return a driver to safety-sensitive functions after the driver completes required education and treatment services as described in the accompanying Board policy and a return-to-duty drug or alcohol test. Such personnel decisions may be subject to collective bargaining or other legal requirements.

The Superintendent or designee may permit a driver who has violated federal drug or alcohol regulations to return to safety-sensitive functions after the driver has successfully complied with the education and treatment services prescribed by a substance abuse professional and has taken a return-to-duty drug or alcohol test. The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

Follow-Up Testing

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

Mandatory Reporting and Annual Queries to the Drug and Alcohol Clearinghouse

The Superintendent or designee shall report to the Clearinghouse any violation of federal drug and alcohol regulations, any refusal to test, and other required information by the close of the third business day following the date on which the information was obtained. (49 CFR 382.705)

The Superintendent or designee shall conduct a query using the Clearinghouse at least once a year for all drivers to determine whether information exists in the Clearinghouse about the drivers. (49 CFR 382.701)

In lieu of a full query, the Superintendent or designee may obtain the individual driver's consent to conduct a limited query that is effective for more than one year and informs the district about whether there is information about the driver in the Clearinghouse without releasing that information to the district. If the limited query shows that information exists in the Clearinghouse about the individual driver, the Superintendent or designee shall conduct a full query within 24 hours of conducting the limited query. If a full query is not conducted within 24 hours, the driver may not perform any safety-sensitive function until the results from a full query confirm that the driver may perform such functions. (49 CFR 382.701)

A driver may not perform any safety-sensitive function if the results of a Clearinghouse query demonstrate that the driver has committed a violation of federal drug or alcohol regulations. (49 CFR 382.701)

Notifications

The Superintendent or designee shall provide each driver with materials explaining the federal regulations and the district's policy and procedure related to drug and alcohol testing and shall notify representatives of employee

organizations of the availability of this information. This information shall include a detailed discussion of at least the following: (49 CFR 382.113, 382.303, 382.601)

1. The identity of the person designated by the district to answer driver questions about the materials
2. The categories of drivers who are subject to drug and alcohol testing
3. Sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the workday the driver is required to be in compliance
4. Specific information concerning prohibited driver conduct
5. The circumstances under which a driver will be tested for drugs and/or alcohol, including post-accident testing
6. The procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver
7. The requirement that a driver submit to drug and alcohol tests
8. An explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences
9. The consequences for drivers found to have violated the prohibitions against drug or alcohol use, including the circumstances under which drivers will be removed immediately from safety-sensitive functions and the requirements for education, treatment, and return-to-duty testing
10. The consequences for drivers found to have a blood alcohol concentration between 0.02 and 0.04
11. Information concerning the effects of drug and alcohol use on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a co-worker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to any employee assistance program, and/or referral to management
12. The requirement that personal information collected and maintained pursuant to 49 CFR 382 shall be reported to the Clearinghouse

Each driver shall sign a statement certifying receipt of a copy of the above materials. The Superintendent or designee shall maintain the original of the signed certificate and may provide a copy of the certificate to the driver. (49 CFR 382.601)

In addition, prior to administering each alcohol or drug test, the driver shall be notified that the test is required pursuant to Title 49, Part 382, of the Code of Federal Regulations. (49 CFR 382.113)

The driver shall be notified of the results of drug and alcohol tests in accordance with 49 CFR 382.411.

Records

The Superintendent or designee shall maintain records of the district's drug and alcohol testing program in accordance with 49 CFR 40.333 and 382.401. Such records shall be maintained in a secure location with controlled access and shall be disclosed only in accordance with 49 CFR 382.405.

However, the Superintendent or designee shall not deny or terminate employment if: (Education Code 44830.1, 44836, 45122.1, 45123)

1. The conviction for a violent or serious felony, controlled substance offense, or sex offense is reversed and the person is acquitted of the offense in a new trial or the charges against the person are dismissed, unless the sex offense for which the conviction is dismissed pursuant to Penal Code 1203.4 involves a victim who was a minor.
2. A person convicted of a violent or serious felony has obtained a certificate of rehabilitation or a pardon.

Any request by an employee to include materials in his/her personnel file must be approved by the Superintendent or designee.

An employee may initiate a written reaction or response to his/her performance evaluation. The response shall be timely (e.g. within 10 calendar days), permanently attached to the evaluation, and placed in the employee's personnel file.

Derogatory Information

Information of a derogatory nature shall not be entered into an employee's personnel file unless and until the employee is given notice and an opportunity to review and comment on that information. Policy 4313.2: Demotion/Reassignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2007

The Governing Board may authorize the demotion or reassignment of any administrative or supervisory employee upon the recommendation of the Superintendent or designee and when such action is determined to be in the best interest of the district.

The Superintendent or designee shall ensure that the district complies with all applicable statutory deadlines and due process procedures when an employee is to be demoted or reassigned.

Regulation 4313.2: Demotion/Reassignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2007

Certificated Administrative Employees

Permanent certificated management staff are not entitled to seniority rights in their administrative positions. However, such staff shall earn and/or retain any seniority earned in service as a classroom teacher or site administrator pursuant to Education Code 44893, 44894, or 44956.5.

End of Year Release/Reassignment of Certificated Administrators

By March 15, an employee shall be notified by either registered mail or in person that he/she may be released or reassigned from his/her position for the following school year. If the notice is presented to the employee in person, the district shall obtain his/her signature acknowledging receipt of the notice on the district's copy of the written notice. (Education Code 44951)

If the March 15 notice indicates that release or reassignment is only a possibility, the Governing Board shall take additional action to release/reassign the employee before the new school year and shall send the employee a second notice by June 30 indicating that he/she has been released or reassigned.

If the employee is to be released or reassigned to a teaching position, the Board shall give the employee, upon his/her request, a written statement of the reasons for the release/reassignment. If the reasons include incompetence as an administrator or supervisor, the district shall have completed an evaluation of the employee within the 60-day period immediately preceding the notice date. (Education Code 44896)

Policy 4313.4: Temporary Modified/Light-Duty Assignment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2007

The Governing Board recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the district to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work. Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the Superintendent or designee extend the assignment. When requesting any such extension, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the Superintendent or designee for up to an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with district's insurance policy.

Policy 4313.5: Working Remotely

Status: DRAFT

Original Adopted Date: Pending

The Governing Board recognizes that working remotely at home or at another alternative location, if pre-approved, may be necessary at times when widespread illness, natural disaster, or other emergency condition makes the school or worksite unsafe or otherwise interrupts the district's ability to effectively conduct operations at the school or worksite. A full-time, part-time, or short-term remote work arrangement may also be granted by the Superintendent or designee to an individual employee, upon request, provided that the position is suitable for remote work, the employee has consistently demonstrated the ability to work independently and meet performance expectations, and the work arrangement does not hinder district operations.

The opportunity to work remotely shall be entirely at the district's discretion, and no grievance or appeal right may arise from district denial of any employee request for remote work.

Employees approved for remote work shall comply with all district policies, administrative regulations, work schedules, and job assignments. Except when specifically agreed, approval of remote work shall not change the compensation, benefits, or other terms and conditions of employment of an employee.

Unless otherwise approved in advance by the Superintendent or designee, employees working remotely shall do so within regular work hours established for the position. Employees are entitled and expected to take appropriate, uninterrupted meal and rest breaks, and shall keep accurate records of the hours they work. Employees shall notify their supervisor when unable to perform work assignments due to illness, equipment failure, or other unforeseen circumstances.

Employees working remotely are expected to conduct their work in a location that is safe and free of obstructions, hazards, and distractions. Such employees shall report to their supervisor any serious injury or illness occurring in the home workspace or in connection with their employment as soon as practically possible in accordance with Board policy.

The district may provide to employees who work remotely all supplies, materials, apparatus, and equipment reasonably necessary to perform their jobs, including, as necessary, a technology device and Internet access. Employees shall use caution in accessing the Internet from public locations and in accessing information from networks outside of the district in order to safeguard confidential information. Employees shall be responsible for maintaining and protecting equipment on loan from the district and shall adhere to the district's Acceptable Use Agreement. The employee's personally owned equipment may only be used for district business when approved by the Superintendent or designee.

Work done at a remote work location is considered official public business. District records and communications shall be retained and safeguarded against damage or loss, and shall be kept confidential or made accessible to the public in accordance with law.

Any employee working remotely shall be available during work hours to the employee's supervisor and other staff, students, parents/guardians, and members of the public, as appropriate, via email, phone, or other means. Lack of responsiveness on the part of the employee may result in discipline and/or termination of remote work responsibilities. Employees shall be required to attend virtual or in-person meetings when directed by their supervisor.

Employee productivity shall be evaluated on the basis of time spent on tasks and projects, task completion, and quality of job performance in the same manner as all employees in the same position at the assigned school or office.

Remote work arrangements may be discontinued at any time at the discretion of the Superintendent or designee.

Evaluations shall be used to recognize the exemplary skills and accomplishments of administrative and supervisory employees, serve as a criterion for contract renewals, and identify areas needing improvement. When the evaluation indicates areas needing improvement, the Board expects employees to take the initiative to improve their performance and for their supervisors to assist them in obtaining needed job skills.

Any such certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) may continue to receive the service credits and maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis, provided the following conditions exist: (Education Code 22713, 44922)

7. The employee shall be paid compensation that is the pro rata share of the creditable compensation he/she would have earned had he/she not reduced his/her workload.
8. For each school year that the employee's workload is reduced, the district and/or employee shall make any payment or contribution necessary for the employee's retention of a benefit to which he/she is entitled if employed full time, in the same manner as if the employee were employed full time.
9. The agreement may be revoked only by mutual consent of the employee and the district.

However, an employee who has entered into a formalized agreement with the district to have his/her contribution into the defined benefit program paid (picked up) by the district may not terminate the agreement to reduce his/her workload except by one of the following:

- a. Terminating his/her service
- b. Retiring from service under the defined benefit program
- c. Continuing to perform creditable service under a new reduced workload arrangement for at least one-half of the time the district requires for full-time employment in accordance with Education Code 22138.5

The Superintendent or designee shall maintain the necessary records to separately identify each employee who participates in the reduced workload program. (Education Code 22713)

After determining that it is in the best interest of the district, the Board may allow any certificated employee who is not eligible to reduce his/her workload pursuant to Education Code 22713 or 44922 to reduce his/her workload from full time to part time. In any such case, the Board shall specify the terms and conditions under which the reduction in workload shall take place.

The Superintendent or designee may elect to not continue to grant additional new participants in this program at any time.

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2016

When it is beneficial to the district, the Governing Board may offer certificated employees the option to retire early in accordance with law.

Two Years of Service Credit Retirement Incentive

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System (STRS), the Board may offer such employees an additional two years of service credit. (Education Code 22714, 44929)

Before taking formal action to approve this service incentive, the Board shall determine that encouraging early retirement would be in the best interest of the district due to the curtailment of services or changes in the manner in which services are performed and that the retirement will result in a net savings to the district. The Board shall demonstrate and certify to the County Superintendent of Schools that the formal action taken would result in a net savings to the district. (Education Code 22714, 44929)

The Board may also consider the impact of the early retirement option on the staffing needs of district schools.

To be eligible for the two years of service credit option, the employee must have five or more years of service credit and must retire during a period of 60 to 120 days after the Board takes formal action to implement the option. (Education Code 22714)

Policy 4319.24: Maintaining Appropriate Adult-Student Interactions

Status: DRAFT

Original Adopted Date: Pending

The Governing Board desires to provide a positive school environment that protects the safety and well-being of district students. Employees are expected to demonstrate care and respect towards students at all times while simultaneously keeping high professional standards for themselves (as employees), and for student work and behavior. The Board expects all adults with whom students may interact at school or in school-related activities, including employees, independent contractors, and volunteers, to maintain the highest professional and ethical standards in their interactions with students both within and outside the educational setting. Such adults shall not engage in unlawful or inappropriate interactions with students and shall avoid boundary-blurring behaviors that undermine trust in the adult-student relationship and lead to the appearance of impropriety.

Employees are prohibited from entering into or attempting to form a romantic or sexual relationship with any student or engaging in sexual harassment of a student, including sexual advances, flirtations, requests for sexual favors, inappropriate comments about a student's body or appearance, or other verbal, visual, or physical conduct of a sexual nature.

Adults shall not intrude on a student's physical or emotional boundaries unless necessary in an emergency or to serve a legitimate purpose related to instruction, counseling, student health, or student or staff safety.

Any employee who observes or has knowledge of another employee's violation of this policy shall report the information to the Superintendent or designee or appropriate agency for investigation pursuant to the applicable complaint procedures. Other adults with knowledge of any violation of this policy are encouraged to report the violation to the Superintendent or designee. An infectious disease is one that is caused by a microorganism and is potentially transmittable to another individual, whether through airborne transmission, bloodborne transmission, skin-to-skin contact, foodborne transmission, or other casual or noncasual means. A communicable infectious disease, such as influenza or chicken pox, is contagious and can be readily transmitted by infectious bacteria or viral organisms.

In accordance with law, job applicants shall be required to provide evidence that they are free of tuberculosis or any other communicable infectious disease prior to beginning employment.

To prevent the outbreak or spread of infectious diseases, the Superintendent or designee may provide infection prevention supplies and information to employees, including information about recommended vaccinations. Employees also shall observe universal precautions to avoid contact with potentially infectious blood or other bodily fluids.

Plans for addressing a communicable infectious disease outbreak, including, but not limited to, plans for addressing employee shortages during such an outbreak, shall be included in the district's emergency preparedness plan.

The Superintendent or designee shall immediately report to the local health officer the presence or suspected presence of any communicable infectious disease. HEPATITIS B VACCINE DECLINATION

Note: 8 CCR 5193 and 29 CFR 1910.1030 require the district to ensure that the following statement is signed by any employee with occupational exposure to bloodborne pathogens or other potentially infectious materials who declines to accept the hepatitis B vaccination offered by the district.

In accordance with 8 CCR 5193 and 29 CFR 1910.1030, the district makes the hepatitis B vaccine available to employees who may reasonably be expected to have contact with blood or other potentially infectious materials in the performance of their duties. Any employee who declines this vaccine is required to read and sign the following statement:

I understand that, due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to myself.

In order to protect all employees from contact with potentially infectious blood or other body fluids, the Governing Board requires that universal precautions be observed throughout the district. Universal precautions are appropriate for preventing the spread of all infectious diseases and shall be used regardless of whether bloodborne pathogens are known to be present.

The Superintendent or designee shall distribute to employees information provided by the California Department of Education (CDE) regarding acquired immune deficiency syndrome (AIDS), AIDS-related conditions, and hepatitis B.

This information shall include, but not be limited to, any appropriate methods employees may use to prevent exposure to AIDS and hepatitis B, including information concerning the availability of a vaccine to prevent contraction of hepatitis B, and that the cost of this vaccination may be covered by the health plan of the employees.

Information shall be distributed annually, or more frequently if there is new information supplied by CDE. (Health and Safety Code 120875, 120880)

Information regarding universal precautions may be included in employee handbooks.

Employees shall immediately report any exposure incident or first aid incident in accordance with the district's exposure control plan for bloodborne pathogens or other safety procedures.

Infection Control Practices

For the prevention of infectious disease, the district shall:

1. Effectively maintain the worksite in a clean and sanitary condition, and implement an appropriate written schedule for cleaning and decontamination of the worksite
2. When necessary for employees with occupational exposure to bloodborne pathogens, provide appropriate personal protective equipment, such as gloves, masks, and outer garments, at no cost to the employee (8 CCR 5193)
3. Provide handwashing facilities which are readily accessible to employees, or, if not feasible, provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes

1. Use personal protective equipment as appropriate.
2. Wash hands and other skin surfaces thoroughly with soap and running water:
 - a. Immediately or as soon as feasible following contact with blood or other potentially infectious materials
 - b. Immediately after removing gloves or other personal protective equipment

4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure to bloodborne pathogens.
5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.
6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs, or forceps to clean up broken glassware which may be contaminated.
7. Use effective techniques designed to minimize the risk of a sharps injury in all procedures involving the use of sharps.
8. Handle, store, treat, and dispose of regulated waste in accordance with Health and Safety Code 117600-118360 and other applicable state and federal regulations.

- a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR 5193.

Policy 4336: Nonschool Employment

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 07/01/2008

In order to help maintain public trust in the integrity of district operations, the Governing Board expects all employees to give the responsibility of their positions precedence over any other outside employment. A district employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to his/her district duties.

An outside activity shall be considered inconsistent, incompatible, or inimical to district employment when such activity: (Government Code 1126)

1. Requires time periods that interfere with the proper, efficient discharge of the employee's duties
2. Entails compensation from an outside source for activities which are part of the employee's regular duties
3. Involves using the district's name, prestige, time, facilities, equipment, or supplies for private gain
4. Involves service which will be wholly or in part subject to the approval or control of another district employee or Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with his/her immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the district and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the Superintendent or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Tutoring

A certificated employee shall not accept any compensation or other benefit for tutoring a student enrolled in his/her class(es). An employee who wishes to tutor another district student shall first request authorization from his/her supervisor in accordance with this Board policy. If authorization is granted, the employee shall not use district facilities, equipment, or supplies when providing the tutoring service.

Policy 4340: Bargaining Units

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 12/15/2020

The Governing Board recognizes the right of district employees to form a bargaining unit and to select an employee organization as the exclusive representative to represent the employees in the employees' employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Employees shall not be prohibited from wearing union buttons or other items that favor or oppose the formation of a bargaining unit or any matter that is the subject of negotiations.

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

A bargaining unit of supervisory employees may be recognized if the bargaining unit includes all supervisory employees and is not represented by an employee organization that represents district employees who are supervised by the supervisory employees. (Government Code 3545)

For this purpose, supervisory employee means any employee, regardless of job description, having authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to, direct, or adjust grievance of other employees, or effectively recommend that action, when the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. In the employment relationship with the district, such employees may represent themselves or be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. An employee organization representing management or confidential employees shall not be permitted to meet and negotiate with the district on behalf of the employees. (Government Code 3543.4)

Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board. (Government Code 3540.1)

Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions. (Government Code 3540.1)

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

The Superintendent or designee may communicate with district employees regarding their rights under the law. Such communications shall be factual and accurate, and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

However, before disseminating to multiple employees any mass communication concerning employees' right to join or support an employee organization or to refrain from joining or supporting an employee organization, such as a written document or script for oral or recorded presentation or message, the Superintendent or designee shall meet and confer with the employees' exclusive representative regarding the content of the communication. If the district

and exclusive representative do not come to agreement on the content of the mass communication, the Superintendent or designee may disseminate the district's mass communication, provided that at the same time, copies of the exclusive representative's communication, which shall be of reasonable length, are also distributed. (Government Code 3553)

Access to New Employee Orientations

The district shall permit employee organizations access to new employee orientation or onboarding process where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation, except that a shorter notice may be provided if an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice. (Government Code 3555.5, 3556)

Following a request to negotiate by either party, the structure, time, and manner of access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative. If the district and exclusive representative fail to reach an agreement, matters related to access to the new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of a new employee orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

Until June 30, 2025, in addition to above provisions regarding new employee orientations, the district shall ensure the following: (Government Code 3556)

1. When an in-person new employee orientation has not been conducted within 30 days of hiring any new employee who is working in person, the Superintendent or designee shall permit the exclusive representative to schedule an in-person meeting which newly hired employees shall have an opportunity to attend, at the employee's worksite and during employment hours. Each newly hired employee within the bargaining unit shall be provided at least 30 minutes of paid time to attend the meeting.

Upon the request of an exclusive representative scheduling such an in-person meeting, the Superintendent or designee shall provide an appropriate on-site meeting space within seven days of receiving the exclusive representative's request.

2. When, by reason of a state or local public health order limiting the size of gatherings, the district is prohibited from organizing a new employee orientation, an exclusive representative may schedule multiple meetings to ensure that newly hired employees have an opportunity to attend without exceeding the maximum allowable number of people.

Access to Employee Contact Information

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire, unless the exclusive representative has agreed to a different interval for the provision of the information. In addition, the Superintendent or designee shall provide the exclusive representative the same information in regard to all employees in the bargaining unit at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or of any employee who provides a written request that the information not be disclosed to the exclusive representative. Following receipt of a written request, the district

shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

Within 20 calendar days after an exclusive representative notifies the Superintendent or designee that a list of employees provided by the district is inaccurate or incomplete, the Superintendent or designee shall take steps to correct the list and provide a new list of employees to the exclusive representative. (Government Code 3558)

At least, at the beginning of each school year, the Superintendent or designee shall review the list of district employees to ensure that the list is complete and contains accurate information. Employees, when requested, will be expected to respond to update or confirm the accuracy of their information by any reasonable deadline requested by the District.

Communications with Employees

Employee organizations may have access at reasonable times to areas in which employees work and may use district facilities at reasonable times for the purpose of meetings. Subject to reasonable regulation, employee organizations may also use institutional bulletin boards, mailboxes, and other means of communication to communicate with employees. (Government Code 3543.1)

Access to district means of communication shall be limited in cases where such access would be disruptive to district operations.

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. (Education Code 45060, 45168)

Policy 4344: Complaints

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 03/01/2008

The Governing Board recognizes the need to establish a process to allow employees and job applicants to have their concerns heard in an expeditious and unbiased manner. The Board expects that employees will make every effort to resolve complaints and disagreements informally before filing a formal complaint.

The Board prohibits retaliation against complainants. The Superintendent or designee may keep a complainant's identity confidential, except to the extent necessary to investigate the complaint.

All matters related to a complaint shall be kept confidential and any document, communication, or record regarding the complaint shall be placed in a separate file and shall not be placed in an employee's personnel file unless related to or used for the purpose of employee discipline as an outcome of an investigation.

Regulation 4344: Complaints

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 12/01/2017

The procedure specified in this administrative regulation shall be used to investigate and resolve any complaint by an employee alleging misapplication of the district's policies, regulations, rules, or procedures or for "whistleblower" complaints by an employee or job applicant regarding an improper district activity including, but not limited to, an allegation of gross mismanagement, a significant waste of funds, an abuse of authority, or a specific danger to public health or safety.

Any of the time limits specified in the following procedure may be extended by written agreement between the district and complainant.

Step 1: Informal Complaint Process

Prior to instituting a formal, written complaint, the employee shall first discuss the issue with his/her supervisor or the principal of the school where the alleged act took place. Formal complaint procedures shall not be initiated until the employee has first attempted to resolve the complaint informally.

Step 2: Site Level Formal Complaint Process

If a complaint has not been satisfactorily resolved through the informal process in Step 1, the complainant may file a written complaint with his/her immediate supervisor or principal within 60 days of the act or event which is the subject of the complaint. If an employee fails to file a written complaint within 60 days, the complaint shall be considered resolved on the basis of the preceding step.

In the written complaint, the employee shall specify the nature of the problem, including names, dates, locations, witnesses, the remedy sought by the employee, and a description of informal efforts to resolve the issue.

Within 20 working days of receiving the complaint, the immediate supervisor or principal shall conduct any necessary investigation and meet with the complainant in an effort to resolve the complaint. Within ten working days after the meeting, he/she shall prepare and send a written response to the complainant.

Step 3: District Level Appeal

If a complaint has not been satisfactorily resolved at Step 2, the complainant may file the written complaint with the Superintendent or designee within five working days of receiving the written response from the immediate supervisor or the principal. The complainant shall include all information presented to the immediate supervisor or principal at Step 2.

Within 15 working days of receiving the complaint, the Superintendent or designee shall initiate any necessary investigation, including reviewing the investigation and written response by the immediate supervisor or principal at Step 2, and shall meet with the complainant in an effort to resolve the complaint. Within ten working days after the meeting, he/she shall prepare and send a written response to the complainant.

Step 4: Appeal to the Governing Board

If a complaint has not been satisfactorily resolved at Step 3, the complainant may file a written appeal to the Board within five working days of receiving the Superintendent or designee's response. All information presented at Steps 1, 2, and 3 shall be included with the appeal, and the Superintendent or designee shall submit to the Board a written report describing attempts to resolve the complaint and the district's response.

The Board may uphold the findings by the Superintendent or designee without hearing the complaint or the Board may hear the complaint at a regular or special Board meeting. The hearing shall be held in closed session if the complaint relates to matters that may be addressed in closed session in accordance with law.

The Board shall make its decision within 30 days of the hearing and shall send its decision to all concerned parties. The Board's decision shall be final.

Alternate Procedures

Complaints alleging unlawful discrimination on any basis specified in the district's nondiscrimination policies, including complaints of sexual harassment, shall be resolved in accordance with the district's procedure in BP/AR 4030 - Nondiscrimination in Employment.

Complaints regarding unlawful discrimination in district programs or the district's failure to comply with state or federal laws regarding educational programs shall be resolved in accordance with BP/AR 1312.3 - Uniform Complaint Procedures. Complaints regarding sufficiency of textbook materials, teacher vacancy or misassignment, or an urgent or emergency facility condition shall be resolved in accordance with AR 1312.4 - Williams Uniform Complaint Procedures. (Education Code 35186; 5 CCR 4621)

For complaints regarding working conditions or other subjects of negotiation, the employee shall use the grievance procedure specified in the applicable collective bargaining agreement.

Policy 4351: Employee Compensation

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2020

In order to recruit and retain employees committed to the district's goals for student learning, the Governing Board recognizes the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The Board shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be printed and made available for review at the district office. (Education Code 45022, 45023, 45160, 45162, 45268)

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the Board and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the Board at the recommendation of the Superintendent or designee.

The Board shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

In extraordinary circumstances or emergency situations, the Board may determine to continue to compensate employees during periods of extended closure or disruption of normal district operations when permitted by law and consistent with collective bargaining agreements and memoranda of understanding.

Notification of Absence

An employee shall notify the district of the need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which the employee intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute may be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent for an additional period of up to five school months, the district shall deduct from the employee's regular salary for that period the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to return to work after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, the employee shall be returned to employment in a position for which the employee is credentialed and qualified. (Education Code 44978.1)

Parental Leave

During each school year, a certificated employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period of up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code

44977.5)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay of at least 50 percent of the employee's regular salary for the remainder of the 12 work weeks. (Education Code 44977.5)

Parental leave taken pursuant to Education Code 44977.5 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 44977.5; Government Code 12945.2, 12945.6)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to the employee's immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from a physician stating that the employee is able to return to duty and stipulating any necessary restrictions or limitations.

Healthy Workplaces, Healthy Families Act Requirements

No employee shall be denied the right to use accrued sick days, and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:
 - a. That an employee is entitled to accrue, request, and use paid sick days
 - b. The number of sick days provided by Labor Code 245-249
 - c. The terms of use of paid sick days

2. Provide at least 24 hours or three days of paid sick leave to each eligible employee to use per year and allow eligible employees to use accrued sick leave upon reasonable request

3. Provide eligible employees written notice, on their pay stub or other document issued with their pay check, of the amount of paid sick leave they have available
 4. Keep a record documenting the hours worked and paid sick days accrued and used by each eligible employee for three years

For such leave, the employee shall be granted no more than 60 working days in any one fiscal year for the same industrial accident or illness.

To be eligible for industrial accident or illness leave, a classified employee shall have served in the district continuously for at least three years.

Allowable industrial accident or illness leave shall not be accumulated from year to year. (Education Code 44984, 45192)

When an employee is absent from his/her duties because of an industrial accident or illness: (Education Code 44043, 44044, 44984, 45192)

1. The leave shall start on the first day of absence.
2. During the period of absence, the employee shall be paid such portion of his/her wage or salary that, when added to the award granted under state workers' compensation laws, will not exceed his/her normal wage or salary.
3. The leave shall be reduced by one day for each day of authorized absence, regardless of an award granted under workers' compensation laws.
4. When the leave overlaps into the next fiscal year, the employee is entitled to only the amount of unused leave due the employee for the same illness or injury.

During any paid leave of absence, either the employee shall endorse to the district any workers' compensation checks received on account of an industrial accident or illness, or the compensation checks will first be directed to the district. The Superintendent or designee shall then issue payment of the employee's normal wage or salary less any appropriate deductions, including, but not limited to, employee retirement contributions. (Education Code 44043)

Absence for industrial accident or illness shall not be considered a break in service of the employee. An employee using such leave shall retain all status and benefits to which he/she would otherwise be entitled.

When available industrial accident or illness leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request any additional paid or unpaid leave available to the employee. (Education Code 45192)

Upon expiration of allowable leave for an industrial accident or illness, the employee may use personal illness and injury leave provided pursuant to Education Code 44977, 44978, 44983, or 45191, as applicable, provided that such leave, when added to any continuing workers' compensation award, does not result in a payment to the employee of more than his/her full wage or salary. (Education Code 44984, 45192)

If a certificated employee is unable to resume the duties of his/her position after exhausting all accumulated sick leave, including the consecutive five-month period provided by Education Code 44977, he/she shall, if not placed in another position, be placed on a reemployment list for a period of 24 months if he/she is a probationary employee or 39 months if he/she is a permanent employee. If the employee becomes medically able to resume duties during the period of reemployment eligibility, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

If a classified employee has exhausted all available leaves of absence, paid or unpaid, and is not medically able to resume the duties of his/her position, he/she shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. If he/she becomes medically able to resume duties during the period of reemployment eligibility, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other candidates except those on a reemployment list established because of lack of work or lack of funds, in which case

the employee shall be listed in accordance with seniority regulations. If the employee is medically released to return to duty but fails to accept an appropriate assignment, he/she shall be dismissed. (Education Code 45192)

(Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for seeking reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of the military service plus a period of eight hours of rest following a period

for safe transportation to the employee's residence.

2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.
3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

Where an employee's reporting or application for reinstatement within the periods specified in Items #1 and #2 above is impossible or unreasonable through no fault of the employee, the report or application shall be made as soon as possible after the expiration of the period. In the case of Items #2 and #3 where an application is required, the employee's application may be made orally or in writing and need not follow any particular format. (38 USC 4312; 20 CFR 1002.115, 1002.117, 1002.118)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of the case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, the district shall reinstate the employee in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which the employee is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee who fails to report or apply for reinstatement within the appropriate period does not automatically forfeit the entitlement to reinstatement but shall be subject to the district's rules and/or practices governing unexcused absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the district under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

Regulation 4361.8: Family Care And Medical Leave

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 03/01/2018

The district shall not deny any eligible employee the right to family care or medical leave pursuant to the Family and Medical Leave Act (FMLA) or the California Family Rights Act (CFRA), or to Pregnancy Disability Leave (PDL), when an employee is disabled by a pregnancy, childbirth, or related medical condition. The district shall not interfere with, restrain, or deny the exercise of an employee's right to any such leave, nor shall the district discharge, discriminate against, or retaliate against an employee for taking such leave, opposing or challenging an unlawful employment practice in relation to any of these laws, or being involved in any related inquiry or proceeding. (Government Code 12945, 12945.2; 2 CCR 11094; 29 USC 2615)

Definitions

The words and phrases defined below shall have the same meaning throughout this administrative regulation except where a different meaning is otherwise specified.

Child means a biological, adopted, or foster child; a stepchild; a legal ward; or a person to whom the employee stands in loco parentis. For purposes of CFRA leave, child also includes a child of a registered domestic partner. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611)

Eligible employee, for FMLA and CFRA purposes, means an employee who has been employed with the district for at least 12 months and who has at least 1,250 hours of service with the district during the 12 months immediately preceding the leave. However, these requirements shall not apply when an employee applies for PDL. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.110)

Eligible family member means an employee's child, parent, or spouse. For purposes of leave to care for a family member with a serious health condition pursuant to CFRA, eligible family member includes an employee's child, parent, parent-in-law, spouse, registered domestic partner, grandparent, grandchild, or sibling. (Government Code 12945.2; 2 CCR 11087; 29 USC 2612)

Employee disabled by pregnancy means an employee whose health care provider states that the employee is: (2 CCR 11035)

1. Unable because of pregnancy to perform any one or more of the essential functions of the job or to perform any of them without undue risk to the employee or other persons or to the pregnancy's successful completion
2. Suffering from severe "morning sickness" or needs to take time off for prenatal or postnatal care, bed rest, gestational diabetes, pregnancy-induced hypertension, preeclampsia, postpartum depression, childbirth, loss or end of pregnancy, recovery from childbirth or loss or end of pregnancy, or any other pregnancy-related condition

Parent means a biological, foster, or adoptive parent; a parent-in-law; a stepparent; a legal guardian; or another person who stood in loco parentis to the employee when the employee was a child. However, for FMLA purposes, parent does not include a spouse's parents. (Government Code 12945.2; 2 CCR 11087; 29 USC 2611; 29 CFR 825.122)

Serious health condition means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or an eligible family member of the employee that involves either inpatient care or continuing treatment, including treatment for substance abuse, as follows: (Government Code 12945.2; 2 CCR 11087, 11097; 29 USC 2611, 2612; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when formally admitted to a health care facility with the expectation of remaining overnight and occupying a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:
 - a. A period of incapacity of more than three consecutive full days
 - b. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition
 - c. Any period of incapacity due to pregnancy or for prenatal care under FMLA

Eligibility/Purposes of Leave

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2; 29 USC 2612; 29 CFR 825.112, 825.126, 825.127)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child (parental leave)
2. The care of an eligible family member with a serious health condition
3. The employee's own serious health condition that makes the employee unable to perform the job functions of the position
4. A qualifying exigency arising out of the fact that the employee's spouse, child, parent, or, for CFRA leave only, a registered domestic partner, is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)
5. The care of a covered servicemember with a serious injury or illness when the employee is a spouse, child, parent, or next of kin of the covered servicemember

In addition, the district shall grant PDL to any employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. (Government Code 12945.2; 29 USC 2612)

The 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

In addition, any employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of a child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time.

(2 CCR 11090; 29 USC 2612)

Each eligible employee shall be granted up to 12 work weeks for family care and medical leave related to the birth or placement of a child, regardless of whether both parents of the child work for the district.

Use/Substitution of Paid Leave

During any otherwise unpaid period of FMLA or CFRA leave, except leave for an employee's own serious health condition, an employee shall use accrued paid leave, including, but not limited to, vacation leave, personal leave, or family leave. If the leave is for the employee's own serious health condition, the employee shall use accrued paid leave, including but not limited to, vacation leave, personal leave, or sick leave. During an unpaid period of PDL, the employee shall use any accrued sick leave and may elect to use any vacation time or other accrued personal time off. (Government Code 12945, 12945.2; 2 CCR 11044, 11092; 29 USC 2612)

The district and employee may also come to agreement regarding the use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or eligible family member may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. (Government Code 12945.2; 2 CCR 11042, 11090; 29 USC 2612)

The basic minimum duration of leave for the birth, adoption, or foster care placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position under any of the following circumstances: (2 CCR 11041, 11090; 29 USC 2612)

1. The employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on a planned medical treatment for the employee or family member.
2. A medical certification is provided by the employee's health care provider that, because of pregnancy, the employee has a medical need to take intermittent leave or leave on a reduced work schedule.
3. The district agrees to permit intermittent leave or leave on a reduced work schedule due to the birth, adoption, or foster care placement of the employee's child.

The alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

Request for Leave

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, the employee must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

When an employee is able to foresee the need for PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days' notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Within five business days of an employee's request for family care and medical leave for the serious health condition of the employee or an eligible family member, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 calendar days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (2 CCR 11087, 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for an eligible family member with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of the eligible family member during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the eligible family member
4. If the employee is requesting leave because of the employee's own serious health condition, a statement that due to the serious health condition, the employee is unable to work at all or is unable to perform one or more essential job functions of the position
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011. (Government Code 12940)

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee has a good faith objective reason to doubt the validity of a certification that accompanies a request for leave for the employee's own serious health condition, the Superintendent or designee

may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

Certification for PDL

The Superintendent or designee shall request that an employee who is requesting PDL provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if the Superintendent or designee has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days' notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 calendar days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because the employee is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

Release to Return to Work

Upon expiration of an employee's PDL or family care and medical leave taken for the employee's own serious health condition, the employee shall present certification from the health care provider of the employee's ability to resume work. The certification shall address the employee's ability to perform the essential job functions of the position.

Rights to Reinstatement

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

The district may refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, the employee shall maintain employee status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before the employee took the leave. The employee shall reimburse the district for premiums paid during the leave if the employee fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond the employee's control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose.

However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion of the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid FMLA/CFRA leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while the employee's child, parent, spouse, or, for purposes of CFRA leave, registered domestic partner, who is a military member is on covered active duty or on call to covered active duty status. (Government Code 12945.2; 29 USC 2612; 29 CFR 825.126)

Covered active duty means, for members of the Regular Armed forces, duty during the deployment of a member of the regular Armed Forces to a foreign country or, for members of the Reserve components of the Armed forces, duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. Deployment to a foreign country includes deployment to international waters. (29 USC 2611; 29 CFR 825.126)

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to 15 calendar days of leave per instance) with a military member who is on short-term, temporary, rest and recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave"

above, shall apply.

Military Caregiver Leave

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, child, parent, or next of kin of the covered servicemember. This 26-week period is inclusive of the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness
2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran

Child of a covered servicemember means the covered servicemember's biological, adopted, or foster child, stepchild, legal ward, or child for whom the covered servicemember stood in loco parentis, and who is of any age. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, other than the spouse, parent, or child, unless designated in writing by the covered servicemember. (29 USC 2611, 2612; 29 CFR 825.127)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.
2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:
 - a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating
 - b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or partly on that physical or mental condition
 - c. A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of one or more disabilities related to the servicemember's military service or that would do so but for treatment received by the veteran
 - d. An injury, including a psychological injury, on the basis of which the veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

(2 CCR 11049, 11091; 29 CFR 825.300)
4. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as applicable: (29 CFR 825.300)
 - a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying
 - b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification
 - c. The employee's right to use paid leave, whether the district will require use of paid leave, conditions related to any use of paid leave, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave

(29 CFR

825.300)

5. Designation Notice: When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, the Superintendent or designee shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (2 CCR 11091; 29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

6. If the district requires paid leave to be used during an otherwise unpaid family care and medical leave, the notice shall so specify. Policy 4361.9: Catastrophic Leave Program

Status: DRAFT

Original Adopted Date: Pending | **Last Revised Date:** 05/01/2018

The Governing Board recognizes that district employees may desire to assist other employees who have an urgent need for a leave of absence but do not have sufficient accrued leave to cover their absence. The Superintendent or designee shall establish a catastrophic leave program by which employees may donate accrued vacation and/or sick leave credits, which shall be placed into a pool for use by eligible employees.

Donations made under the catastrophic leave program shall be strictly voluntary.

The district's policy and procedures regarding catastrophic leave shall be included in any existing employee handbook. The Superintendent or designee may notify employees annually, or more frequently if the need arises, of the process for donating leave for this purpose.

An employee may apply to use donated leave credits in accordance with the accompanying administrative regulation when he/she has exhausted all applicable paid leaves of absence and a catastrophic illness or injury incapacitates the employee or a member of his/her family for an extended period of time. (Education Code 44043.5)

Regulation 4361.9: Catastrophic Leave Program

Status: DRAFT

Original Adopted Date: Pending | Last Revised Date: 05/01/2018

Donations to Catastrophic Leave Program

An employee who chooses to donate accrued vacation and/or sick leave credits to the district's catastrophic leave program shall provide written notice to the Superintendent or designee of the amount and type of leave he/she wishes to donate. The Superintendent or designee shall review the donor's available leave and transfer the leave credits to a district pool of leave credits designated for this purpose.

Donations shall be at a minimum of eight hours, and in hour increments thereafter. (Education Code 44043.5)

All transfers of eligible leave credit shall be irrevocable. (Education Code 44043.5)

Employees should be cautious in making large donations of leave that they may need for their own use in the future.

The Superintendent or designee shall ensure that all donations are confidential.

Requests for Catastrophic Leave

A full-time or part-time employee may apply to the Superintendent or designee to use paid leave from the catastrophic leave program if he/she earns paid time off but has exhausted all his/her accrued paid leave and needs to take time off from work for an extended period of time due to his/her or a family member's catastrophic illness or injury. If the employee is incapacitated, a family member or caretaker may apply on his/her behalf.

The employee shall provide verification of the illness or injury. (Education Code 44043.5)

Verification shall be made by means of a letter, dated and signed by the individual's health care provider, indicating the incapacitating nature and probable duration of the illness or injury.

An employee may apply to receive up to 20 days of paid leave from the catastrophic leave program per school year. At the end of the 20-day period, he/she may apply for up to 20 days of additional leave credits.

Employees receiving compensation under worker's compensation provisions are not eligible to receive leave from the catastrophic leave program until exhausting such benefit.

An employee who is the recipient of donated leave credits shall use those credits within 12 consecutive months. (Education Code 44043.5)

If donated leave credits are not used by the employee within 12 consecutive months, the credits shall be returned to the pool of catastrophic leave for use by other eligible employees.

An employee who receives catastrophic leave shall use any leave credits that he/she continues to accrue on a monthly basis before receiving paid leave pursuant to this program. (Education Code 44043.5)

Regulation 4362.11: ^Accumulation Of Vacation Leave

Status: DRAFT

Original Adopted Date: Pending

The District recognizes that each management position requires and demands a variety of responsibilities and functions. To best serve the District and the school sites, the District has set the work year contracts for each management position. Further, the District acknowledges that work days of greater than eight hours for managers may be necessary, required, and/or expected at times during the work year.

Vacation Accumulation

Beginning on June 30, 2023;

All managers, confidential employees and administrative personnel (i.e. all members of DMA) are to take earned vacation leaves no later than the end of the year immediately following the year in which the vacation has been earned, except that an employee may elect to carry over up to ten (10) days of vacation in addition to one (1) year's entitlement.

Effective June 30, 2023 the vacation accumulation cap shall be the employee's annual vacation accrual rate plus the currently allowed maximum of ten (10) days of carryover.

Thereafter, at any time an employee reaches their maximum accrual plus the maximum carryover of 10 days, the employee will cease accruing additional vacation hours until such time as the balance falls below the accumulation cap.

Vacation monthly accrual will resume in the next calendar month (going forward without accrual credit for any prior months while exceeding the carry over vacation accumulation maximum) and will continue each month going forward unless they again reach their vacation carry over vacation accumulation maximum.

After June 30, 2023, no employee shall accrue vacation hours until such time as the balance falls below the accumulation cap. Employees will then have their monthly accrual again beginning the next calendar month (going forward without accrual credit for any prior months while capped) and will continue each month going forward unless they again reach their vacation accrual cap.

Any employees above the accumulation cap on June 30, 2023, shall retain all existing accrued vacation hours until used or until their separation or retirement from the District at which time all remaining vacation leave will be paid out. However, this overage will, effective June 30, 2023, no longer be otherwise subject to pay out except for separation/retirement.
