- 13.1 Funding Out Clause:** Any/all contracts exceeding one (1) year shall include a standard “funding out” clause. A contract for the acquisition, including lease, of real or personal property is a commitment of the entity’s current revenue only, provided the contract contains either or both of the following provisions:

“Retains to the entity the continuing right to terminate the contract at the expiration of each budget period during the term of the contract and is conditioned on a best efforts attempt by the entity to obtain appropriate funds for payment of the contract.”

- 13.2 Disclosures:** Offer or affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.

Include a complete description of any and all relationships that might be considered a conflict of interest in doing business with participants in TCPN.

The Offer or affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.

- 13.3 Indemnity:** The awarded vendor shall protect, indemnify, and hold harmless both Region 4 ESC and TCPN and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the vendor, vendor employees or vendor subcontractors in the preparation of the solicitation and the later execution of the contract, including any supplemental agreements with members. Any litigation involving either Region 4 ESC or TCPN, its administrators and employees and agents will be in Harris County, Texas. Any litigation involving TCPN members shall be in the jurisdiction of the participating agency.

- 13.4 Franchise Tax:** The Offer or hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes.

- 13.5 Marketing:** Awarded vendor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this contract by awarded vendor must have prior approval from Region 4 ESC.

- 13.6 Certificates of Insurance:** Certificates of insurance shall be delivered to the Region 4 ESC participant prior to commencement of work. The insurance company shall be licensed in the applicable state in which work is being conducted. The awarded vendor shall give the participating entity a minimum of ten (10) days notice prior to any modifications or cancellation of policies. The awarded vendor shall require all subcontractors performing any work to maintain coverage as specified.

- 13.7 Legal Obligations:** It is the Offeror’s responsibility to be aware of and comply with all local, state, and federal laws governing the sale of products/services identified in this RFP and any awarded contract and shall comply with all while fulfilling the RFP. Applicable laws and regulation must be followed even if not specifically identified herein.

- 13.8 **Open Records Policy:** Because Region 4 ESC contracts are awarded by a governmental entity, responses submitted are subject to release as public information after contracts are executed. If a vendor believes that its response, or parts of its response, may be exempted from disclosure, the vendor must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, the Offeror must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Offeror must provide this information on the "Acknowledgement and Acceptance to Region 4 ESC's Open Record Policy" form found at the beginning of this solicitation. Any information that is unmarked will be considered public information and released, if requested under the Public Information Act.

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any vendor. **EXCEPTIONS DOCUMENT BY OFFICE DEPOT, INC. (“Office Depot”)
TO REQUEST FOR PROPOSAL, SOLICITATION NUMBER 14-16,
FOR SCHOOL SUPPLIES (the “RFP”)**

With regard to the RFP, Office Depot cannot agree to the specific terms and conditions set forth below and therefore take exception to the following matters contained in the RFP:

Appendix A

1. Section 3.3, Offeror’s Promise –
In customer scenarios where a cooperative contract is in use, Office Depot offers competitive pricing to all customers, in the aggregate, based on several factors, including, but not limited to, the total volume of spend, customers’ unique service level requirements, buying patterns, product mix, and Office Depot’s cost to purchase products. However, in this scenario, Office Depot is unable to guarantee that one particular customer’s pricing is as favorable as any other customer’s pricing at the SKU level.
2. Section 4.2, Form of Contract – this Exceptions Document shall be included in the primary position when describing the Form of Contract.
3. Section 4.4, Assignment of Contract – delete this section in its entirety and replace with the following: “No assignment of contract may be made without the prior written approval of Region 4 ESC. Payment can only be made to the awarded Vendor unless approved by Region 4 ESC and the participating entity making the payment. Vendor is required to notify Region 4 ESC when any material change in operations occurs that may adversely affect Region 4 ESC’s members, whether perceived or actual, i.e. bankruptcy, change of ownership, merger, etc. Vendor agrees to provide updated financial records every year the contract is renewed. Vendor will provide this to Region 4 ESC within 30 days prior to the contract renewal date. Vendor agrees to provide updated financial information beyond the renewal of the contract upon written request by Region 4 ESC. This will be provided within 30 days of the written request.”
4. Section 4.7, Order of Precedence – this Exceptions Document shall be included in the primary position when describing the Order of Precedence.
5. Section 5.1, Cancellation for Non-Performance or Contractor Deficiency –
 - a. The second sentence of this section shall be amended by inserting the following at the end of the sentence, “upon thirty (30) days prior written notice to contractor, and provided contractor does not cure such failure during the 30-day period”.
 - b. In the first sentence of the last paragraph, replace “ten (10)” with “thirty (30)”.
6. Section 5.2, Termination for Cause –
 - a. In the first sentence, delete “immediately”, and replace with “upon thirty (30) days prior written notice.”
 - b. Add the following to the end of the section, “Notwithstanding the foregoing, contractor shall have a reasonable period of time (no less than thirty (30) days) to cure any breach leading to termination for cause by Region 4.”
7. Section 5.3, Delivery/Service Failures-
Office Depot will make every effort to resolve all open issues. If, however, such efforts are unsuccessful, Office Depot agrees to pay any excess product costs above the contract price.

8. Section 7.1, Delivery – Office Depot agrees to ship all in-stock products within seven (7) days. In the event of a discontinued item or a back ordered item, the purchasing agency would be notified. For purchases in Alaska, Hawaii, or Puerto Rico, all items in the Office Depot assortment can be ordered; however, the 7-day guarantee is limited to items that are available in the local retail store inventory assortment.
9. Section 8.1, Payments – a new second sentence shall be added: “Payment terms are Net 30 days from date of invoice.”
10. Section 8.2, Invoices – At this time, Office Depot is unable to provide this requested statement on the invoices; however, the invoice pricing will match the terms of the Agreement.
11. Sections 8.4, Reporting, 8.5, Service Level Reporting – Office Depot is pleased to continue to provide the same reports that we are currently providing to TCPN on a monthly basis. We look forward to working with TCPN to develop new reporting formats as needed.
12. Section 9.1, Best price guarantee –
In customer scenarios where a cooperative contract is in use, Office Depot offers competitive pricing to all customers, in the aggregate, based on several factors, including, but not limited to, the total volume of spend, customers’ unique service level requirements, buying patterns, product mix, and Office Depot’s cost to purchase products. However, in this scenario, Office Depot is unable to guarantee that one particular customer’s pricing is as favorable as any other customer’s pricing at the SKU level.
13. Section 9.3, Additional charges – the terms of this section shall be deleted and replaced with the following: “The pricing set forth in this Proposal includes dock and/or mailroom delivery. For customers that require desktop delivery additional charges may apply. Additional freight charges may apply for items exceeding 70 lbs in weight and/or 110” in length/width, furniture, special orders and/or rush deliveries, and Hawaii, Alaska and Puerto Rico orders. The additional freight charges for orders shipped to Hawaii, Alaska, and/or Puerto Rico shall be set uniformly by each market’s retail delivery partner and remain consistent for each year during the term of the Contract. Office Depot may impose a minimum order value (“MOV”) of \$50.00. In lieu of an MOV, a Participating Agency may elect to be subject to a small-order delivery fee consistent with Office Depot’s standard delivery terms. Office Depot reserves the right to waive the MOV or small-order fee for, among other reasons, Participating Agencies that have efficient delivery requirements.”
14. Section 9.4, Price reduction and adjustment – the word “shall” in the last sentence shall be changed to “may.”
15. Section 9.6, Administrative Fees – For purposes of this Agreement, “Spend” shall mean Customer’s paid-for purchases net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, technology items, gift cards and warranties.

Office Depot’s prior practice and intent under this Agreement is to continue to pay the administrative fee within 30 days after the end of each quarter. Office Depot respectfully requests that in the event of an occasional payment that may be later than 30 days, it would not be a cause to be declared in Material Breach of the Agreement.

Additionally, for clarifications purposes, Office Depot will continue to calculate the administrative fee in the same manner that has previously been agreed upon between TCPN / Region 4 ESC

and Office Depot for the current Contracts that Office Depot has been awarded by TCPN / Region 4 ESC. Despite the administrative fee requirement being stated in each of the TCPN / Region 4 ESC contracts that Office Depot has been awarded, it is Office Depot's past practice and future intention for any awards in the future to calculate and pay one single administrative fee based upon the total aggregate combined Spend of all awarded contracts.

16. Section 10.1, Audit Rights –

- a. The following language shall be added to the end of the paragraph: “Notwithstanding anything to the foregoing, for purposes of this section 10.1, the accounting shall be of the item ordered, item description, quantity ordered, date ordered, price paid, and any other price upon which Region 4 ESC's pricing is based. The format of such requested materials, as well as any third party auditor retained pursuant to this section must be mutually acceptable to Region 4 ESC, TCPN, and Office Depot, such acceptance not to be unreasonably withheld.”
- b. The fourth sentence of this section shall be deleted.

17. Section 12.3, Registered sex offender restrictions – if Region 4 agrees that Office Depot representatives delivering product on site does not qualify as “working when students are or are reasonably expected to be present”, then Office Depot can agree to the terms of this section. If not, then delete this section.

Office Depot employment practices make every effort to insure that we do not employ known sex offenders. We expect and hold our subcontractors to the same level of employment standards.

18. Section 13.5, Marketing – the Standard Terms and Conditions surrounding the use of the Office Depot Logo, as more particularly set forth in Exhibit A and Exhibit B attached hereto, shall be incorporated into this section.

19. Section 13.6, Certificates of Insurance – the last sentence in this section shall be deleted.

Appendix F

20. Section 25 – the Standard Terms and Conditions surrounding the use of the Office Depot Logo, as more particularly set forth in Exhibit A and Exhibit B attached hereto, shall be incorporated into this section.

2. **Diversity Programs**

- Do you currently have a diversity program or any diversity partners that you do business with?
 Yes ___ No
- If the answer is yes, do you plan to offer your program or partnership through TCPN?
 Yes ___ No

(If the answer is yes, attach a statement detailing the structure of your program, along with a list of your diversity alliances and a copy of their certifications.)

Office Depot has a two pronged Certified Diversity Program which should offer most TCPN Participating Agencies the Diversity options they are seeking.

The first prong is our Tier 2 Certified Diversity Supplier program which we offer in our online catalog a range of more than 1,400 items covering many product categories from these suppliers, a number of whom are mentored under our program. We actively seek certified companies which have suitable products and can meet the volume demands that our marketing programs require. They must be certified by a nationally recognized organization and must maintain that certification to remain in the program. They must maintain the quality of the product and have the financial ability to support the volume of business we can generate. We have copies of the certifications for all suppliers in this program and will be pleased to provide them to TCPN or any of the Participating Agencies upon request. We respectfully suggest that there are too many to be efficiently included in this proposal.

Some of our Tier 2 HUB Vendors that are featured in our Catalog are:

Alliance Rubber
Baumgarten's
Corporate Distribution Services
Image Projection West
Kleenslate Concepts
KellyRest
Master Caster
Neutral Posture
Officemate International
QPL
Smead

The second prong of Office Depot's Diversity Program is our range of Certified Tier 1 Partners. Most of these partners are regional organizations and must be certified by a nationally recognized organization and maintain that certification to remain in the program. This program includes partners who have been mentored by Office Depot. Our Tier 1 Partners provide all of the customer facing services including sales, the ordering website, customer service, invoicing, and internet or EDI support as may be required. In these partnerships Office Depot provides the product and delivery functions and supports warranty and other functions as needed. The list of Tier 1 Partners is long and mostly regional and we propose to provide a copy of the certification upon customer request.

We provide complete usage reporting to help the TCPN Participating Agency analyze and report their Diversity Spend accurately for both Tier 1 and Tier 2 usage.

- Will the products accessible through your diversity program or partnership be offered to TCPN members at the same pricing offered by your company?
 __ Yes X No

(If answer is no, attach a statement detailing how pricing for participants would be calculated.)

Office Depot has developed a diversity purchasing initiative (the "Tier 1 Program") that can be utilized by end customers to purchase products and services from small businesses, minority- or women-owned suppliers and service disabled veteran suppliers. We appreciate the opportunity to help our Tier 1 diversity partners while assisting TCPN Participating Agencies to achieve their diversity spending goals. Our proposed program maintains the structure of known auditable pricing that TCPN contracts provide Participating Agencies while meeting the financial needs of the Tier 1 Partners.

In the event a Participating Agency wishes to purchase under the TCPN Contract but also elects to utilize an Office Depot Tier 1 partner in connection with such purchases, TCPN shall permit the Participating Agency to participate in Office Depot's Tier 1 program, provided such participation is in accordance with the terms of the Contract. The parties agree that the Participating Agency shall pay a fee in addition to the pricing offered under the Contract in order to participate in the Tier 1 Program. The fee shall be negotiated among the Participating Agency, the Tier 1 partner and Office Depot.

EDI Technology (Electronic Data Interchange) has been used since 1989 by Office Depot customers to speed purchasing, invoicing and banking. Typically EDI systems are employed by our largest companies and are often linked directly to corporate accounting systems offered by companies such as Oracle, PeopleSoft, and SAP. Office Depot's EDI system is fully capable of interacting with these systems.

Office Depot has added a dimension to the EDI process. EDI users have the option to create their order in an interactive mode using the search and browse capabilities of the Office Depot Internet Catalog. After you create the order, it is routed back to your EDI system. There it is converted to the universally accessible ANSI x .12 format before being sent back to Office Depot through standard EDI processing.

16. Describe your company's ability to create and maintain a dedicated TCPN page on your company's website, as well as any other capabilities your company may have of promoting the contract online.

The opening page for all TCPN Participating Agencies will be a dedicated TCPN page on our ordering website. The TCPN Administrator (Super User) has the ability to set up messages to the TCPN Participating Agencies directly on the opening page and change those messages as needed without communication with or the intervention of Office Depot

Office Depot will update and enhance the existing TCPN page (micro-site) on our website with the new contract parameters. The page will also have content including: case studies, video, interactive media. Securing marketing banners, emails and newsletters will drive traffic to the page. We will also promote the micro-site with announcements in to current customers and internally through Business Solutions Division (BSD) Communications and the Weekly Marketing Update.

Pre-login content can also be used to promote the contract. Periodic review of website content will ensure that microsite is maintained.

In addition we can place the micro-site address on Sell Sheets, ensure that reps communicate the address of site. Office Depot can create a one page Sell Sheet showing the site address, as well an E-mail blast with site address can be sent to customers.

The micro-site will contain links to Office Depot products such as:

- Copy & Print
- Janitorial
- Furniture
- Technology
- School Supplies

17. Describe your company's ability to maintain a vendor page on TCPN's website including always up-to date contact information and promotional materials.

Office Depot will collaborate with the TCPN Marketing team to ensure the material on the TCPN website is updated. Supported by our comprehensive internal ordering and reporting systems, participating agencies can quickly and easily utilize both contracts in a single ordering platform and “bundle” their spend from both contracts for a single robust rebate program.

Our team of Cleaning and Breakroom Facilities Specialists (CBFS) know and understand how to support our contract customers’ needs the specialized area of Janitorial products. The CBS team works directly with customers alongside our sales associates and public sector teams.

Office Depot began its cooperative partnership with National IPA in December 2010 and expanded our State of Florida Office & Schools Supplies contract from a statewide offering to a national offering, with National IPA as the cooperative program partner. The State of Florida contract has gained significant momentum in the two years since it was established as part of our national cooperative platform strategy, growing to over \$100M in annual sales.

Office Depot added the **DuPage County – HON Furniture** contract to the cooperative portfolio in 2011. Our national furniture sales team has had a long standing relationship with HON furniture, and to be able to respond to the DuPage County solicitation with the HON furniture line was a natural extension. This DuPage county contract allows public agencies to break from the inefficient practice of securing multiple bids for easily acquired capital assets, while providing a cooperative contract solution for large furniture projects.

To carry out those important responsibilities, we developed an on-line document management system which calendarizes the significant milestones of our legal agreements. 33. Please provide any suggested improvements and alternatives for doing business with your company that will make this arrangement more cost effective for your company and Participating Public Agencies.

TCPN and Office Depot have been using our Quarterly Business Review process to identify improvement opportunities, develop effective solutions, and implement the agreed solutions. Office Depot believes this should be a continuous process during the term of the contract and finds the

improvements often generate economic benefits for all parties including TCPN Participating Agencies.

One recent example of the Quarterly Business Review process opportunity identification is the development and promotion of the highly successful Quarterly Promotions Program which have become an integral part of the current TCPN Contract R5023 and which we propose to continue if awarded a contract under this solicitation.

Our **Demand Management Programs**, which are included in our Customer Quarterly Business Review, yields measureable benefits for TCPN Participating Agencies each Quarter. Some examples are:

- 34. Please provide information about your current environmental or sustainability initiatives.

Why Green?

Over the last 10 years our answer to the question 'why green' has evolved significantly. There are many reasons to have an environmental strategy – but ultimately it is about trying to make a positive impact on the business...and the world.”

Yalmaz Siddiqui
Senior Director, Environmental Strategy

Environmental Strategy Summary

Office Depot’s global environmental strategy can be summarized in a simple statement: we strive to buy greener, be greener and sell greener. By implementing a broad range of initiatives under this strategy, Office Depot has not only measurably improved our own environmental performance, but enabled our suppliers and customers to do the same.

Our environmental leadership has helped us win and retain contracts with some of the most eco-conscious organizations in the world. This includes government agencies in the most environmentally aware regions, including America’s Pacific Northwest, UK and Europe; Corporations who are known sustainability leaders around the world; small and medium sized businesses; and many well-known environmental non-governmental organizations.

Environmental Leadership Recognition

We have also received much recognition for our environmental leadership. Perhaps the most prestigious of our many awards and rankings is the fact that *Newsweek* Magazine ranked Office Depot as America's #1 greenest large retailer for 3 consecutive years: 2010, 2011 and 2012, the last year this ranking was published.

The *Newsweek* recognition reinforces the environmental leadership we have maintained within the office supplies industry for years: Office Products International Magazine awarded Office Depot with the publication's 'Environmental Reseller of the Year Award' in 2006, 2007 and 2008, and the 'Outstanding Environmental Leadership Award' in 2009. In 2009, OPI magazine editor Stephen White, one of the most knowledgeable observers of the office products industry, stated: "Office Depot has invested time, money, blood, sweat and tears into an (environmental program) that, not only makes it best in class, but arguably deserves wider recognition for being one of the world's finest programs."

OFFICE DEPOT RECEIVES CLIMATE LEADERSHIP AWARD FROM U.S. ENVIRONMENTAL PROTECTION AGENCY

Company Recognized for Achieving 29 Percent Carbon Footprint Reduction in the U.S.,
Aggressively Beating its 20 Percent Reduction Goal One Year Ahead of Schedule

Boca Raton, Fla., March 12, 2013 -- Office Depot, Inc. (NYSE: ODP), a leading global provider of office supplies and services, today announced that it has been recognized with a Climate Leadership Goal Achievement Award for Excellence in Greenhouse Gas Management by the U.S. Environmental Protection Agency's (EPA's) Center for Corporate Climate Leadership, the Association of Climate Change Officers (ACCO), the Center for Climate & Energy Solutions (C2ES), and The Climate Registry (The Registry).

The awards were presented during the Climate Leadership Conference in Washington, D.C. on February 28, to recognize and encourage exemplary corporate, organizational, and individual leadership in reducing carbon pollution and addressing climate change.

"I commend Office Depot for its exemplary commitment and dedication to tackling the challenge of climate change," said Gina McCarthy, assistant administrator for EPA's Office of Air and Radiation. "Office Depot and all our Climate Leadership Award winners are reducing harmful carbon pollution, increasing efficiency and cutting waste at the same time."

The Goal Achievement Award recognizes organizations that publicly report and verify Greenhouse Gas (GHG) inventories and achieve aggressive reduction goals. In 2010, in collaboration with EPA's former Climate Leaders program, Office Depot adopted a goal of reducing U.S. GHG emissions by 20 percent by 2012, with 2007 as a baseline year. By the end of 2011, Office Depot had achieved a 29 percent reduction in the U.S. versus its baseline year.

"Office Depot recognizes that taking action on climate change is good for business and good for the environment," said Yalmaz Siddiqui, Senior Director of Environmental Strategy for Office Depot. "We've made a series of fiscally sound investments in energy efficiency that have far exceeded our investment performance requirements, delivered rapid ROI, and reduced our carbon footprint substantially. By achieving our carbon reduction goal, we've proven again that there doesn't need to be a conflict between economic and environmental goals -- you just have to choose to invest in the right things."

Environmental Policy

Our policy aligns directly with our strategy and is designed to ensure implementation: We have a global environmental policy to buy greener, be greener and sell greener. Central environmental teams initiate, integrate and communicate environmental efforts, but core functions own the actions as described below:

To buy greener, Office Depot purchasing and merchandising teams work to:

- Source greener office products for resale
- Source greener papers as a focus area
- Verify product environmental claims
- Buy greener office products for internal use

To be greener, Office Depot facilities and supply chain teams work to:

- Reduce our waste footprint
- Reduce our facilities carbon footprint
- Reduce our transportation carbon footprint
- Reduce our water footprint

To sell greener, Office Depot e-commerce, sales and marketing teams work to:

- Increase sales of greener products and solutions
- Increase sales of greener papers as a focus area
- Increase customer use of product take-back programs
- Increase customer use of greener purchasing reports

We also “tell green” by engaging stakeholders and reporting progress annually.

Most of our environmental metrics are independently reviewed by PricewaterhouseCoopers, and have been since 2007, adding further credibility to our environmental claims.

GreenerOffice Program: Solutions for customers

Just as customers are at the center of Office Depot’s business strategy, they are also at the center of our environmental strategy. We go to great lengths to understand our customers’ environmental needs through meetings, surveys, focus groups and seminars. The insights gathered are then leveraged to create greener products and programs to serve our customers’ needs. We call this Customer-Centric Environmentalism – and it is a central theme in our approach.

Through the years we’ve learned that many of our customers share our environmental goals – they want to buy greener, be greener and sell greener themselves. As such, we’ve designed our GreenerOffice Program with specific solutions that help our customers pursue these goals:

If greener purchasing is the customer’s goal, i.e. a desire to buy greener, Office Depot offers the following solutions:

1. The Green Book: an exclusive catalog filled with our greenest products
2. Greener Office store: a website with all our greener choices in one place
3. Office Depot GreenerOffice Rating: Office Depot’s rating system for greener products
4. Greener Alternatives Tool: a report to help identify greener alternatives to high volume products
5. Green Select Cart: online functionality that nudges end users to greener choices
6. Green Purchasing Policy Templates: sample policies to accelerate environmental policy creation

If greener operations is the customer's goal, i.e. a desire to be greener by reducing waste, energy or fuel, Office Depot offers the following solutions:

7. GreenerOffice Delivery Service: office supplies delivery by paper bag instead of cardboard box
8. Managed Print Services: solutions to help reduce waste associated with printing
9. Recycling solutions: recycling services for ink & toner, tech, cell phones, lighting, batteries etc.
10. Reusable promotional products: customizable products that help avoid waste
11. Energy saving devices: power strips and other solutions that reduce energy use in other products
12. Water filtering solution: drinking water solutions that serve as alternatives to bottled water
13. Minimum Order Value programs: incentive programs that help consolidate orders and reduce fuel

If greener behavior is the customer's goal, i.e. a desire to sell green internally, Office Depot offers the following solutions:

14. GreenerOffice Seminars: educational sessions to grow interest in going green / explain how to
15. Green product samples: free samples of greener products to prove good quality / dispel myths
16. GreenerOffice posters: free posters to encourage greener behavior in the workplace
17. Leadership in Greener Purchasing Awards: awards by Office Depot to recognize greenest buyers
18. Paper calculator reports: free reports on the benefits of switching to recycled paper
19. CFL calculator reports: free reports on the benefits of switching to Compact Fluorescent Lights

If green reporting is the customer's goal i.e. a desire to understand greener purchasing results and have credible announcements that help 'tell green,' Office Depot offers the following solutions:

20. Green Business Review: a report that comprehensively documents greener purchasing results
21. LEED Credit Report: a report to track purchases that support LEED for Existing Buildings credits
22. Federal CPG/Executive Order Reports: a report on purchases that meet Federal green standards
23. AASHE STARS report: a report to track purchases for STARS credits, Higher Education program
24. Custom Green Spend Reports: other reports based on the customers' needs / definition of green
25. Green Customer Case Studies: customer profiles in video or print to help customers tell their story

In line with our philosophy of customer-centric environmentalism, most of the above solutions were originally created for, or in partnership with, specific Office Depot contract customers. The list expands or evolves based on the changing environmental needs of our customers.

35. How do you ensure and measure the success of your sustainability policy and initiatives?

Office Depot has developed a sophisticated program to monitor, measure, and report the results of our sustainability programs and efforts since we committed to this effort in 2003. Please understand that definite reporting on this highly complex subject is usually 1 to 3 years after the fact because it takes that long to obtain all the information and finish the analysis on the overall program. The 2011 data immediately following is quite detailed while the 2012 information following

has less detail because it is still being analyzed. At the same time we are beginning to assemble the 2013 raw data for our 2014 Corporate Citizenship Report to be published soon. We have included a copy of our 2013 Corporate Citizenship Report as an attachment.

Example Environmental Results

We measure implementation of our environmental policy in an annual Environmental Dashboard. This has 12 environmental metrics and 80 sub metrics. Example results from 2011 include:

Office Depot 2013 Corporate Citizenship Report Celebrates 10 Years of Selling Green

- The 2013 Office Depot Corporate Citizenship report not only celebrated 10 years of buying, selling, and telling green, but also provided our 2012 Environmental Dashboard. The Environmental Dashboard defines the various matrices with which we measure our environmental performance. We have provided a copy of that dashboard, shown below, at the end of Appendix F, labeled as Attachment #3.

Supply Chain Diversity Program

Supply Chain Diversity Program: Office Depot is committed to the economic development of the communities in which we work and live. This commitment is evident in our industry-leading multi-dimensional approach to small business development. Our Supply Chain Diversity Program assists Historically Underutilized Businesses (HUBs) in building community, business, and customer relationships that inspire organizational growth and empowerment within every aspect of our business.

Office Depot is proud to offer the most comprehensive Supply Chain Diversity model of its kind, in order to give HUBs the best opportunities to grow and prosper. We actively seek out promising HUBs (Historically Underutilized Businesses, which include: Certified Minority, Women, Disabled, Veteran, and Small [SBA 8(a), SDB, and HUB Zone] enterprises) to ensure equal opportunity in our supplier selection process.

Our program is made up of three dimensions: Vendor Diversity, Supplier Diversity, and Tier One. The three dimensions of our Supply Chain Diversity Model have set the following standards to help us to measure and maintain the success of this process:

- Enhance capabilities of HUB suppliers.
- Expand the capacity of HUBs to compete more effectively.
- Increase turnover of all HUB products.
- Leverage efforts with other corporations to create large-scale HUB opportunities.
- Increase market reach and density.
- Increase purchases from HUBs.
- Reduce buying costs of doing business for all suppliers and vendors.

The Supply Chain Diversity Team includes:

- Lia Rogers, Manager, Supply Chain Diversity responsible for Tier One
- Tira Mann, Manager, Supply Chain Diversity responsible for Tier One Operations
- Shari Francis, Manager, Supply Chain Diversity responsible for Vendor Diversity & HUB Catalog.

Historically Underutilized Businesses (HUBs) include: Certified Minority, Women, Disabled, Veteran, and Small [SBA 8(a), SDB, and HUB Zone] enterprises also includes companies certified by the National Gay and Lesbian Chamber of Commerce (NGLCC)

This symbol identifies products in our assortment that were originally manufactured and/or distributed by a Historically Underutilized Business (HUB). A historically underutilized business is a business that has not historically had equal opportunities. Look for this symbol in Office Depot catalogs and online to find products that will help meet your diversity goals.

Office Depot offers a wide assortment of products that can help our customers meet their diversity spend goals. To view some of the items available in our HUB Catalog, go to: <http://www.officedepot.com/specialLinks.do?file=/companyinfo/companyfacts/diversityhub.jsp&template=companyinfo> .

This proposal includes our full breadth of product offering. Our invoicing capabilities allow for full pricing detail to further provide price verification.

Office Depot also has an industry-leading contract compliance department, which is not a part of our sales organization. Office Depot made a significant investment in creating an organization dedicated to ensuring accurate customer set-up, timely maintenance of customer pricing, and protecting the integrity of our agreements with our customers. To carry out those important responsibilities, we developed an online document management system, which calendarizes the significant milestones of our legal agreements. This provides us with visibility to those commitments that are time sensitive. In addition to our system enhancements, our team of Compliance Managers is responsible for establishing a consistent schedule of inspection, ensuring that TCPN Participating School end users are receiving the service and pricing that Office Depot has committed to provide.

TCPN Participating Schools' ship-to locations within approximately 30 miles of one of our delivery centers may be able to obtain same day deliveries of in-stock items if the order is called into our toll-free ordering number before noon local time on a business day. Office Depot has an enviable retention rate for our larger customers (and TCPN and its Participating Schools are among our largest) of well over 95%, even in this highly competitive economic situation. Customers understand that the very lowest price sometimes come at considerable expense in service and support. Office Depot provides the total package equaling a highly competitive Total Cost of Ownership.

Office Depot does not manufacture the products we sell, although we do determine the specifications for our private brand products and accept the responsibility for the quality and performance of those products. Office Depot private brand products are 100% satisfaction guaranteed to meet or exceed the appropriate national brand equivalent's specifications, performance, quality, yield, and suitability for use while saving the customer money. Our private brand products are accepted by most customers as directly interchangeable with the national brand equivalent. We offer our customers well-known brand name products as well as innovative items.

As a value added supplier, Office Depot has earned the reputation of being highly reliable, enabling customers to plan on receiving their orders as promised, packaged properly to ensure safe delivery and storage. Our services, including our Sales Representatives fanatical approach to providing proactive consulting support to their customers, has earned us the reputation as the most capable supplier in our industry helping our customers achieve their goals. Our comprehensive industry leading usage reporting package providing nearly real time budget management capability to each customer is unequaled in our industry.

In such event, Office Depot will provide at least thirty (30) days prior notice to TCPN/ Region 4 ESC.

Office Depot 2015 BSD Contract Catalog Please note, Office Depot is currently finalizing our new contract catalog assortment for the 2015 calendar year. In completing our proposal we have submitted items that represent the most comprehensive assortment based upon our current BSD contract catalog in use for the 2014 calendar year. There will be some items which are no longer available in the new 2015 BSD contract catalog and there will be a significant number of new items being added to the BSD contract catalog assortment. This will require a conversation between TCPN/ Region 4 ESC and Office Depot in order to insure the availability of the broadest product assortment at the lowest contract pricing. This conversation and any subsequent decision should take place post award and prior to the effective date of the new

contract should we be awarded. Any additions to the assortment for the purpose of adding them to the contract would be fully communicated and approval requested of TCPN / Region 4 ESC a minimum of 30 days prior to the effective date of the new contract. Product deletions from the Office Depot BSD assortment will not require TCPN / Region 4 ESC approval. All requests would be made in writing and would be mutually agreeable prior to execution.

We have applied to the best of our ability any knowledge those assortment changes that we are aware of at this time in our proposal.

Office Depot Value Added Program for TCPN Top Tier Participants

Select Core Program: Office Depot is pleased to present a program that goes beyond the RFP requirements as follows.

The Select Core Program is available to Top Tier Participating Agencies that spend \$250,000 or greater on an annual basis utilizing the Office Depot TCPN contract. Participating Agencies who qualify will have the option to choose a select number of items based on their prior calendar year spend to be added to an additional contract core list from the “Master Select Core List” (02d_Office Supplies - Attachment B – Select Core Price List)

The Master Select Core List will contain 1,000 items chosen by Office Depot which are currently Non-Core items that are identified in the BSD Catalog. The items chosen by Participating Agencies will be placed on an additional core list for that individual Participating Agency at a price lower than the then current Non-Core pricing.

The Master Select Core list will be updated by Office Depot at its discretion and items will be chosen and selected once a year by the Participating Agency. Items on the Master Select Core will follow the same pricing update schedule as other product categories as defined by the terms of the contract, so that those same items will update concurrently on the individual select cores, where applicable.

Qualifying Participating Agencies: Participating Agencies will be qualified for the Select Core option based on the prior calendar year spend (January – December), with the minimum qualifying spend of \$250,000. Participating Agency spend will be qualified each calendar year to determine inclusion in the program and to determine which tier the qualifying Participating Agency will participate in. In the event that a Participating Agency’s Tier level changes from one calendar year to the next, based on their annual spend, they will either be a) removed from the program for failing to qualify will the minimum \$250,000 spend b) have the number of items reduced from their core list due to a reduction in qualified spend, thereby lowering the eligible Tier level, or, c) have their number of items increased on their core list due to higher qualifying spend that moves them into a higher Tier level, or, d) the Participating Agency will remain on their current Tier level based upon their prior annual spend.

Participating Agencies that qualify for the Master Select Core Program will need to complete a participation agreement outlining and acknowledging the full details of the program prior to participation.

Participating Agencies new to Office Depot will be qualified based upon a provided usage report to determine Tier eligibility for the first year. Office Depot has the sole right to determine initial year eligibility for new Participating Agencies. Each subsequent year, they will follow the qualification guidelines of current Office Depot Master Select Core program for participating customers.

In the event that the Participating Agency joins the Master Select Core Program and participates for less than a full year prior to the spend review, the tier in which they qualify for year two will be solely determined by Office Depot.

Each subsequent following year, all such qualifying standards will be applied.

Participation Tiers: Five Select Core participation tiers will be offered based upon the Participating Agency's previous calendar year spend. The Participating Agency's tier will then determine the number of items that the Participating Agency is eligible to select from the 1000 items offered in the Select Core option list.

\$500K+	Level II	75
\$1M+	Level III	100
\$2.5M+	Level IV	150

Core List Selection Process: Participating Agencies that qualify for the Select Core will be allowed to select items for their list annually, with the updates occurring in June of each calendar year. Changes to the Select Core list will not be allowed outside of the annual June update.

Volume Rebates: Office Depot will pay Participating Agencies the following volume rebates:

Agency Annual Volume Rebate: Office Depot will pay Participating Agencies an annual volume rebate (“Agency Annual Volume Rebate”) based on such Participating Agency’s Spend, provided that the Participating Agency is not materially delinquent in paying undisputed invoices as required under the Contract. Agency Annual Volume rebates shall be calculated back to dollar one. The Agency Annual Volume Rebate shall be disbursed within ninety (90) days of each anniversary of the Participating Agency’s date of initial purchase under the Contract and shall be calculated as follows:

Annual Spend	Annual Volume Rebate %
\$100,000 - \$1,000,000	1.0% of Annual Spend
\$1,000,001 - \$2,500,000	2.0% of Annual Spend
\$2,500,001 - \$4,000,000	3.0% of Annual Spend
\$4,000,001+	5.0% of Annual Spend

For purposes of this Agreement, “Spend” shall mean Participating Agency’s paid-for purchases net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, technology items, gift cards and warranties.

Adjacency Rebates: In addition to the Agency Annual Volume Rebate, Office Depot shall pay to Participating Agencies an annual Adjacency Rebate (“Adjacency Rebate”) based on the percentage of Adjacency Spend, provided that the Participating Agency is not materially delinquent in paying undisputed invoices as required under the Contract. If annual Adjacency rebates earned are less than \$200.00, no rebate check or credit will be issued. The Adjacency Annual Volume Rebate shall be disbursed within ninety (90) days of each anniversary of the Participating Agency’s date of initial purchase under the Contract and shall be calculated as follows:

Adjacency	Achievement %	Rebate %
Copy & Print	7.0% or Greater of Annual Spend	2.0% of Category Spend
Janitorial	8.0% or Greater of Annual Spend	3.0% of Category Spend
Furniture	12.0% or Greater of Annual Spend	2.0% of Category Spend
Technology	10.0% or Greater of Annual Spend	0.5% of Category Spend

For purposes of this Agreement, “Spend” shall mean Participating Agency’s paid-for purchases net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, technology items, gift cards and warranties.

Office Depot requests the ability to suggest modifications to the rebate incentives offered throughout the life of the contract in order to identify and address shifting market trends. Any suggested changes would be presented to TCPN in writing would be subject to mutual written agreement (including email).

Alternative to Rebates: Notwithstanding the foregoing, at the Participating Agency level, Office Depot may agree to offer lower prices in lieu of anticipated rebate dollars to those Participating Agencies whose total Spend exceeds \$500,000. To implement, Office Depot will enter into an agency-level agreement, which will also provide for an annual reconciliation to ensure that the earned rebate dollars correlate to the additional discounts and adjustments to pricing will be made as necessary (a “true-up”).

Tier One Alternative: Office Depot has developed a diversity purchasing initiative (“Tier 1 Program”) that can be utilized by end customers to purchase products and services from small businesses, minority- or women-owned suppliers and service disabled veteran suppliers. We appreciate the opportunity to help our Tier 1 diversity partners while assisting TCPN Participating Agencies to achieve their diversity spending goals. Our proposed program maintains the structure of known auditable pricing that TCPN contracts provide Participating Agencies while meeting the diversity needs of the Tier 1 Partners.

In the event a Participating Agency wishes to purchase under the TCPN Contract but also elects to utilize an Office Depot Tier 1 partner in connection with such purchases, TCPN shall permit the Participating Agency to participate in Office Depot’s Tier 1 program, provided such participation is in accordance with the terms of the TCPN Contract. The parties agree that the Participating Agency shall pay a fee in addition to the pricing offered under the Contract in order to participate in the Tier 1 Program. The final unit price for the invoice will be the TCPN contract sell price plus the Tier 1 program fee which shall be negotiated among the Participating Agency, the Tier 1 partner and Office Depot.

Respondents are encouraged to offer additional discounts for one time delivery of large single orders to Region 4 ESC and TCPN members. Region 4 ESC intends, and TCPN members should seek, to negotiate additional price concessions based on quantity purchases of any products offered under the Contract. TCPN members shall document their files accordingly.

Special Order Bids: For purposes of the Contract, “Special Order Bids” are defined as warehouse, truckloads, non-recurring new opportunities (i.e. systems furniture) or other similar type of formal RFPs, RFQs or bids. Office Depot may respond to Participating Agencies who issue their own Special Order Bids, under their own terms and conditions, including bids for quantity discounts on products that may be delivered to a centralized warehouse location, in accordance with the following terms:

- i. Pricing will be negotiated on a case-by-case basis.
- ii. If Office Depot is awarded a Special Order Bid, a separate Office Depot account shall be set up for the relevant Participating Agency for those purchases made for the centralized Special Order Bid. Such separate account shall not be linked to the Participating Agency’s TCPN account and, therefore, not subject to its volume/adjacency rebate or any other Office Depot rebate or incentives that are paid to participating agencies.
- iii. If, pursuant to a Special Order Bid, a Participating Agency makes purchases of items from Office Depot, such purchases shall not be included in the quarterly calculation of Administrative Fee due to TCPN.
- iv. Pricing which is offered or given by Office Depot as a result of such bids will have no effect on the pricing otherwise offered under the Contract.
- v. In the event that Office Depot provides a Special Order Bid it shall be submitted under the pricing terms and conditions of Special Order Bid and not the pricing terms and conditions of the TCPN contract.

In addition, awarded Vendor(s) may conduct sales promotions involving price reductions for a specified lesser period. Vendor(s) shall submit to Region 4 ESC documentation identifying the proposed (1) starting and ending dates of the promotion, (2) products involved, and (3) promotional prices compared to then-authorized prices. Promotional prices shall be available to Region 4 ESC and all TCPN members. Upon approval, the Vendor shall provide conspicuous notice of the promotion.

Regional Promotions: Office Depot shall have the right to offer special pricing on certain items on a national or regional bases; provided, however, Office Depot will provide TCPN with thirty (30) day prior written notice of the items, pricing, relevant geographical region, and the time period in which the items and pricing will be available. Items will be added/updated according to the TCPN price update schedule set forth in the Contract. These items may be available in limited quantities and will be available to all Participating Agencies in the geographic region(s) identified. Purchases of items under any Regional Promotion will be counted toward the Spend used to calculate the Agency Annual Volume and Adjacency Rebates and the Administrative Fees due to TCPN under the Contract. The terms and conditions related to Regional Promotions shall be at the sole discretion of Office Depot.

Employee Purchase Program: In an effort to continuously improve its customer-focused offering, Office Depot reserves the right to offer market-competitive pricing on select products (i.e., certain educational materials, classroom supplies, and copy and printing services) to employees of Participating Agencies (including teachers). This purchasing program shall enable employees of Participating Agencies to create an employee account and purchase under the program. Any employee account shall be subject to approval by the Participating Agency whose employee desires to open an account. Purchases made by employees shall not be included in calculating an Agency Annual Rebate or any other rebate that a Participating Agency is entitled under the Contract. However, purchases made by employees shall be included for purposes of calculating the administrative fee due to TCPN.

Managed Print Services

Managed Print Services Intelligent Solutions to Manage your Office Printing:

In today's challenging economy, educational institutions are continually looking for ways to increase productivity and decrease expenses. With reduced budgets and resources along with increased technology use in the curriculum urgency for improvement is even more prevalent. For many of these organizations, the printing environment represents an untapped resource for significant savings. Nevertheless, the total cost of managing and printing documents, along with the ability to drive improvements remains a challenge. This section explores the issues and opportunities associated with typical printing environments and highlights the benefits of using PrintIQ™ by Office Depot® and your already available R5243 MPS contract.

Today's printing-related challenges for your facility:

- Most schools don't have a way to control toner usage and spend.
- The exact number of printers and multifunction devices is typically unknown and improper asset identification can be costly.
- Managing printers places unnecessary demands on IT staff.
- Faculty and Students both using the same devices
- Older, inefficient printers can lead to higher operating expenses and costly repairs.
- Printers and copiers can consume excess energy and increase carbon footprint.
- Managing multiple vendors for hardware, supplies and repairs, is costly and time consuming.
- Heightened fiscal challenges make it difficult to maintain internal print shops.
- The data required to calculate the total cost of printing is difficult to obtain.

Supporting the office printing environment – by the numbers

In organizations that have successfully implemented a total managed print services program, the breakdown of service requests begins to reveal what it takes to support an office printing environment

- With this in mind, controlling and managing toner spend represents a natural starting point. That's where PrintIQ™ can help your agency.
- For example, Office Depot® ships approximately 1.7 million toner cartridges to TCPN members per year, at a cost of \$100 million. Each order for a toner cartridge requires an employee to make a phone call, or go online to submit the order using valuable man hours.

CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (www.nj.gov/dca/lgs/lfns/lfnmenu.shtml).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at www.nj.gov/dca/lgs/p2p. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, or any legislative district which includes all or part of the county. The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycled that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.

NOTE: This section does not apply to Board of Education contracts

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”
