

# Charter School Facilities: Proposition 39 Final Offer

Board Meeting: March 24, 2021  
John R. Yeh, Burke, Williams & Sorensen, LLP

## District Obligations Under Proposition 39

- Proposition 39 obligates school districts to provide *reasonably equivalent* facilities to charter schools who project or enroll at least *80 ADA* from that district.
- This obligation applies even if the charter was *granted by another agency* (such as a neighboring district, a county board of education or the State Board of Education.)
- No “hardship” exemption based on lack of facilities or funds.

# Proposition 39 – The Basics

- Facilities offered must be contiguous, furnished and equipped, and reasonably equivalent to district schools that the charter school students would have otherwise attended.
- Obligation extends to teaching stations (classrooms), non-teaching, and specialized teaching facilities.
- The State Board of Education has implemented detailed regulations defining the key terms of Proposition 39.  
(See, *5 CCR 11969.1, et seq.*)
