MERCED COUNTY FOCUS CONTRACT

Contract Description

For Public Entities: The Fast Open Contracts Utilization Services (FOCUS) program established over a decade ago, and under State of California procurement guidelines (Gov. Code 25330-25338), is a competitively bid procurement vehicle for counties, cities, schools, special districts as well as Federal and State governments to use in the direct purchase of their technology needs through established public entity (County) contracts. The multiple award FOCUS program is offered throughout California and nationally. The purpose of this FOCUS RFJP is to provide the means for counties, cities, schools, special districts and other government entities in California and nationally to purchase their needed technology solutions through a formally bid contractual relationship. FOCUS also provides the means for governments to reduce their costs of procurement while leveraging their dollars with other governments to achieve greater buying power.
