TITLE

Mount Diablo USD - Bus Maintenance & Servicing Garage, Manual Fire Alarm System

SCOPE OF WORK

The scope of this project is to expand the existing EST3 fire alarm system from the addressable signaling line circuit and existing booster power supply located in the fire riser room of the Nutrition Warehouse to the Bus Maintenance and Servicing Garage. The Bus Maintenance and Servicing Garage will consist of a fully manual fire alarm system with manual pull stations at each exit door and notification throughout. The existing EST3 fire alarm control panel is located in the main electrical room for the maintenance and operations building. Quality Sound will pull all wire for the manual fire alarm system in raceway provided by the district's preferred electrical contractor.

Quality Sound's Scope of work:

- Provide all equipment as outlined in the quote.
- Provide and Pull all wire and cable for systems quoted only.
- Provide specialty back boxes only for systems quoted only.
- Final connect at terminal cans and head-end for systems quoted.
- All required tests and guarantees as quoted.
- Submittals and Drawings in a timely manner as not to impact the schedule.
- Tax and normal freight included in price.
- Device Installation for systems quoted.
- Providing of boom/scissor lifts for installation and testing of system devices is included.

Work to be done by others: (Exclusions from Quality Sound's scope of work):

- Provide and Install all conduit, surface raceway, non-specialty back boxes, and terminal cans per Approved prints.
- All raceway shall be provided with pull strings/ropes and a complete set of as-built drawings.
- Any associated fees and permits cost is excluded.
- Installation of all back boxes including specialty back boxes is excluded.
- Providing and installing all forms of raceway is excluded.
- Providing and Installing, Cable Trays, Wire Baskets, and back boards is excluded.
- Providing and installing access doors, fire stop sleeves and fire caulking is excluded.

TERMS AND CONDITIONS: Pricing is only good for thirty days. A signed quote, contract or P.O. shall be delivered to Quality Sound before any work is started or materials ordered. All invoices shall be paid within thirty days. Quality Sound is not responsible to delays caused by product availability. Quality Sound's on-site staff will require the work area to be free of obstructions prior to commencement of any work. In addition, our staff will need unrestricted access to and from the work area, and access to the nearest loading area. During service the work areas should be considered a construction zone. In the interest of public safety, our staff must have priority use of the work areas until the services are complete. Our staff are scheduled to perform only the work included within this quote. If anyone with authority wishes the change or modify the scope of work; please contact our office. If scheduling problems arise, Quality Sound will make every effort to work around those needs. Quality Sound provides a one year warranty against defects of materials and workmanship on the newly installed equipment; manufacturer's component warranties vary, but many extend past this point. - **Thank you again for choosing Quality Sound.**
