(Education Code 45113)**Initiation and Notification of Charges**The Superintendent or designee shall provide notice to the employee of a recommendation for discipline, which includes the charges and materials upon which the recommendation is based. The notification shall identify an impartial district official ("Skelly officer") with whom the employee may meet at a specified time and place or to whom the employee may provide a written response to the recommendation of discipline. After meeting with the employee or considering any response

from the employee, the Skelly officer shall recommend to the Superintendent or designee whether to proceed with the recommendation for discipline. The Superintendent or designee shall file any final recommendation for a disciplinary action in writing with the Governing Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The notice shall, in ordinary and concise language, inform the employee of the specific charge(s) or cause(s) for the disciplinary action, the specific acts and omissions upon which the action is based, and, if applicable, the district rule or regulation that the employee has allegedly violated. In addition, the notice shall include the employee's right to a hearing on those charges, the time within which the hearing may be requested which shall be not less than five days after service of the notice to the employee, and a card or paper which the employee may sign and file to deny the charges and request a hearing. If mailed to the office of the Superintendent or designee, it must be received or postmarked no later than the time limit specified by the district. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any request for a hearing on the dismissal shall also constitute a request to hear the suspension order, and the necessity of the suspension order shall be an issue in the hearing.

Employment Status Pending a Hearing A classified employee against whom a recommendation of disciplinary action has been issued shall remain on active duty status pending any hearing on the charges, unless the Superintendent or designee determines that the employee's continuance in active duty would present an unreasonable risk of harm to students, staff, or property. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance.
