Important Shipping Information

Shipping on specified items includes a lift gate on the truck and inside delivery. The driver will lower items to the ground and assist with bringing items inside.

Please remember to inspect your order at the time of delivery. Do not throw away any of the original packaging until inspection is completed. Any missing parts or damages must be reported to customer service at 1-866-619-1776 within 5 business days of delivery.

All quotations are for tailgate delivery, F.O.B. factory, unless otherwise noted.

Sales Representative Comments

Due to the continuous fluctuation with cost of products, increased shortage of raw materials and increased transportation demands, it is important to finalize your ordering needs soon. Please contact us for any assistance needed to proceed with your order.

California Proposition 65:

California's Proposition 65 requires California consumers to be made aware of special warnings for products that contain chemicals known to the state of California to cause cancer and birth defects or other reproductive harm, if those products expose consumers to such chemicals above certain threshold levels.

We are providing the following warning for anyone buying products that will be shipped to California:

 **Warning: Cancer and Reproduction Harm**  www.P65Warnings.ca.gov

The safety and well-being of you and your students remains School Outfitters' top priority, and as such, we take all necessary steps to comply with applicable safety and health regulations and uphold our commitment to safety.

Thank you for the opportunity to earn your business.

Learniture

Shapes Series Mobile Booth Set w/ Upholstered Benches (60" W x 30" D)

The Shapes Series Mobile Booth Set w/ Upholstered Benches by Learniture provides versatile and durable seating for any multi-purpose space. Both the table and the bench boast a 14-gauge steel frame, two-inch tube legs and locking three-inch casters to withstand years of use. The thermofused laminate tabletop and padded vinyl benches are easy to clean and resistant to stains. Plus, the table features vinyl edge banding to prevent peeling or picking. Both the table and the bench flip up and nest for optimal storage. The bench's fixed high back features a slight 12-degree pitch for comfort, and has a maximum weight capacity of 200 pounds. This set is BIFMA certified and backed by a 15-year warranty for your peace of mind.

Learniture

Round Mobile Stool Cafeteria Table w/ Plywood Core & Chrome Frame (60" Diameter)

The Learniture Round Mobile Stool Cafeteria Table is the perfect choice for your lunch room or teachers' lounge. The design includes seating, making set up easy. The durable plywood tabletop features a protect-edge coating that prevents food build-up, chips and dings. The metal frame is durable enough to withstand daily use. EasyLift torsion bars provide a smooth operation when opening and closing the tables, and the dual release storage latch allows you to safely release and unlock the tables from either side. Thermo-polyurethane casters and tamper-proof non-marring steel insert glides allows you to quickly transport your table from one location to another.

Rectangle Pedestal Bar-Height Café Table (36" W x 72" L x 41" H) and Bentwood Stack Café Stool Set

The Rectangle Pedestal Stool-Height Café Table Bentwood Stack Café Stool Set adds modern flair to any cafeteria, lounge or common area. The table easily seats up to six students for lunch or collaborative work and the heavy-duty steel and cast iron frame can support up to 300 pounds. A high-pressure laminate tabletop with T-mold edging resists stains and scratches. The six included Bentwood Stack Café Stools feature a contoured plywood seat with a waterfall edge to prevent leg fatigue through long periods of sitting. The chairs include a build-in handle and they stack for easy storage.
