

Accelerated Spanish 7th/8th Grade Textbook Adoption and Selection Process

June 12, 2024

Steps in the selection process

- ❑ Adoption committee created - teachers could opt to be on the team, meetings held both inside and outside the work day with sub or compensation.
- ❑ Internal team reviewed survey responses from publisher and sent invitation to qualified publishers for demonstrations
- ❑ Publishers presented their materials to adoption committee members
- ❑ Public review of materials - committee members, teachers, community The community had an opportunity in September and February to view the materials and give feedback.

Who was involved in the secondary Accelerated Spanish materials selection process?

Rive

Foothill Middle School
Holbrook Language Academy
Oak Grove Middle School
Riverview Middle School

Decision Making process

Rationale for the Decision

- Program Organization - easy and accessible
- Assessment - students and teachers can monitor their progress
- Instructional Planning & Teacher Support
- Cultural Responsiveness - wide variety of texts from diverse authors
- Tech Integration and Usability - works well with Google Classroom and easy to navigate
- Resources available for families/support at home
