EXHIBIT A

Description of Services

To be completed in detail by PROVIDER subject to the express approval of the District and to cover the following areas:

- a. **Description of academic program: Elevate Learning, LLC provides one-on-one computer-based at home tutoring for students in grades Kindergarten – 12th in English Language Arts/Reading or Mathematics. Tutors are professionally trained to work with students individually using a tablet computer and are available 7 days a week, with any schedule the parents may request. Our tutoring staff includes credentialed teachers, graduate students and bilingual tutors. Upon completion of all tutoring hours, the student will receive a free new tablet computer.**
- b. **Description of program materials: Our program begins with the administration of a pre-test, followed by one-on-one instruction tutoring sessions using customized instructional materials and then culminating with a post-test which measures the student's progress during the last session. We use Achievement Performance Series Assessment Tests as well as computer assisted instructional materials tailored to each student's achievement goals. The program of instruction is aligned with the California Common Core state standards, which is designed to increase students' academic achievement in English Language Arts and Mathematics.**
- c. **Technology requirements (if applicable): We provide a tablet computer which the student may keep after the successful completion of tutoring.**
- d. **Total program hours, hours per day, days of the week and number of weeks: We will provide Mt. Diablo Unified School District students with 10 hours of tutoring. We limit tutoring sessions to 2 hours per day and 10 hours per week; but, we create tutoring schedules according to parents' preferences. We provide instruction during after school hours, all day on weekends and during holidays or breaks depending on parent's sole discretion.**
- e. **Location, including identification of specific school sites if applicable: We provide tutoring at students' homes or in public places such as libraries or community centers. We do not provide tutoring at students' schools.**
- f. **Instructor/student ratio: 1:1**
- g. **Number of hours of training for staff: Our staff members receive 5-6 hours of training, in addition to ongoing support.**
- h. **Minimum qualifications of staff: Elevate Learning, LLC contracts tutors with undergraduate degrees and tutors earning degrees in Early Childhood Education, Special Education, Psychology, Social Behavior and other closely related degrees. We also contract with certified teachers, tutors who pass a local assessment of content knowledge and tutors pursuing AA, Bachelors, and Master degrees.**
- i. **Student attendance policy (include absenteeism prevention plan): If Elevate Learning, LLC is informed by the tutor that a student has excessive late cancellations or absences, we contact the parent/guardian via phone to discuss the concerns/reasons for non-compliance and settle upon a method of resolution. If the parent/guardian agrees to remain active and commit to our program and policies; yet, we still find that student cancellations and absences persist,**

Elevate Learning, LLC will inform the parent/guardian that the student's tutoring services have ended. Elevate Learning, LLC will then inform the district via phone and in writing of the student's removal.

- j. Description of "incentives," if applicable: Elevate Learning, LLC does not offer an incentive program.**
- k. Description of substitute teacher policy: Elevate Learning, LLC assigns one tutor per student. If a tutor cannot attend a session, the tutor is required to notify the parents/guardians in advance and reschedule the session. If a parent complains about a tutor, we will assign a different tutor for their child.**
- l. Parent and teacher communication plan, including communication to teachers: Elevate Learning, LLC sends an introduction package to the parents/guardians notifying them of their child's acceptance into our program. Before we assign the student a tutor, we make contact with each student's parent/guardian via phone. We conduct this call to all parents/guardians to confirm if they are reachable, if we have the most updated contact information, any preferences they might have and to answer any questions about our program. Thereafter, the student is matched and assigned with a tutor which best fit their needs. The tutor contacts the parent/guardian directly to set up the schedule for the tutoring sessions. Tutors are required to contact us after their first session – if they fail to do so within a week and a half, we contact them. We ensure that we communicate with our tutors at least once a month. Elevate Learning, LLC requires that our tutors keep a log (on their Sign-in Sheets) of what was worked on in each session. This running log allows student, tutor and parent to see the student's measured progress after every single session. We also require tutors to maintain regular communication with parents/guardians after each session to give them verbal feedback. If the parents only speak Spanish, the tutor communicates to the parents through the student or they call our office. When communicating with students and parents verbally or on the Attendance Progress Reports, our tutors use constructive feedback – especially when describing any student weaknesses. Our tutors always aim to provide positive reinforcement and remain encouraging regardless of the pace of a student's progress. We do not generally communicate with teachers aside from providing learning plans for review and progress reports, unless otherwise requested by the district.**
- m. Description of complaint procedures: Elevate Learning, LLC provides a complaint form with our introduction package. Parents are encouraged to communicate with us through whichever channels they feel most comfortable: by phone, email or any other means. We will do whatever it takes to adequately address any issues of which we are aware.**
- n. Policy for maintenance of records for purpose of evaluating compliance with the provisions set forth in Paragraph 1 of the Contract and items (c), (j) and (l) set forth herein in Exhibit A: Elevate Learning, LLC uses Achievement Performance Series Assessment Tests to pre-test students and record detailed results. We employ an organized team of staff dedicated to creating and monitoring learning plans and producing progress reports. We ensure compliance with all district requirements regarding learning plans, sign-in sheets, progress reports, invoices and any other important documentation of our contract services. We use our company database to track district specific data, student academic progress and contact records with parents and/or students. We maintain extensive internal records of all our contracts and services.**

- o. Invoicing/Terms of Payment, including the expected number of students to receive services for the total fee to be paid or, in the alternative, the expected cost per student served, the hourly rate, the number of session hours expected to be delivered to each student based on PROVIDER'S hourly rate (based on District's Per Pupil Allocation for SES): **Elevate Learning, LLC's current student list for the Mt. Diablo Unified School District has (92) students. We can accommodate up to 15,000 students who request our services. Mt. Diablo Unified School District's 2015-2016 per pupil amount is \$953.98, and we will provide each student with 10 hours of tutoring at the rate of \$95.39 per hour. We will submit monthly detailed invoices along with copies of student attendance sheets according to the district's specifications.**

- p. Description of the format/content of Program Summary Final Report of student progress (including pre/post assessment tools used): **The Elevate Learning, LLC final progress report includes each student's pre and post Achievement Performance Series Assessment Test scores with detailed explanations of areas where progress has been made and areas that still need improvement. Our progress reports focus on the stated goals in each student's learning plan and will also address any other notable achievements or deficiencies which developed during tutoring.**
