Explain what you can contribute to the CAC committee. You may attach extra pages if desired.

I have 3 children with special needs and a fresh voice as to what changes need to be made within our district. I'm here to help the committee make those changes.

The CAC is an advisory committee. Members are required to be actively involved and participate on at least one CAC subcommittee. Attached is a list of our subcommittees with a general descriptor of their purpose. If your membership is approved, which subcommittee(s) will you join?

**Commitment Statement of Applicant:**

The Community Advisory Committee (CAC) for the Mt. Diablo Unified School District (MDUSD) is an active committee. In accordance with the requirements, the committee is called to advise the Board of Education about issues related to special education. The committee fulfills duties in accordance with the State Education Code and the Bylaws. Each member is required to participate on committees and support other activities on behalf of the CAC.

It is the intent of the CAC to strive to maintain a voting membership of "Parent of Students with Disabilities" representatives reflective of the diversity and geographic location in the MDUSD. Furthermore, the CAC strives to ensure the committee has balanced representation from other groups.

I commit to be an active participant on the committee. In doing so, I will work to improve outcomes for all students by supporting needs based learning, equal opportunities and free appropriate public education (FAPE) in the least restrictive environment. I will work collaboratively and follow the CAC Bylaws and Code of Ethics.

I hereby submit my application for membership to the Community Advisory Committee and certify that this information is correct to the best of my knowledge and belief.
