To the MDUSD CBOC decision committee,

I'm looking to join the Oversight Committee in order to help the general public develop an understanding of where their tax dollars are going. As a parent at Walnut Acres, I regularly hear parents asking what happened to the millions of dollars from measure J are going. I would like to be able to help with the creation of an oversight report, so people are able to look the information up and see clearly where the money has gone.

I am a father of two children at Walnut Acres (1st and 5th grade) and serve on the School Site Council at Walnut Acres.

Thank you,
Justin Pickering
